Introductory Statement

This Amendment Number 5 (the Amendment) to the Statement on Schedule 13D relates to the common stock (the Common Stock), 0.005 rubles nominal value, of Open Joint Stock Company Vimpel-Communications (VimpelCom), a Russian open joint stock company. The Statement on Schedule 13D as previously filed jointly by Eco Telecom Limited (Eco Telecom), Eco Holdings Limited (Eco Holdings), CTF Holdings Limited (CTF Holdings) and Crown Finance Foundation (Crown Finance) (together with Eco Telecom, Eco Holdings and CTF Holdings, the Reporting Persons) on June 11, 2001, as amended and supplemented by Amendment Number 1 to the Statement on Schedule 13D filed on December 18, 2001, Amendment Number 2 filed on February 11, 2002, Amendment Number 3 filed on June 5, 2002 and Amendment Number 4 filed on November 27, 2002 (as amended, the Statement), is hereby amended and supplemented with respect to the items set forth below.

Item 2. Identity and Background

This Amendment is being filed jointly by the Reporting Persons. No material change with respect to the information reported in response to Item 2 in the Statement has occurred. A current list of the directors and officers of Eco Telecom, Eco Holdings, CTF Holdings, Crown Finance, and the Supervisory Boards of Alfa Group Consortium and Eco Holdings is set forth in Annex A hereto, which is incorporated by reference in response to this Item 2.

During the last five years, none of the Reporting Persons and, to the best of the Reporting Persons' knowledge, no other person identified in response to this Item 2 has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to any civil proceeding as a result of which it or he has been subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or State securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction

Item 4 of the Statement is hereby amended and supplemented by the information set forth in response to Item 6 herein, which is incorporated by reference in response to this Item 4.

Item 5. Interest in Securities of the Issuer

(c) Except for the transaction described in Item 6 herein and incorporated by reference in response to this Item 5, to the best of the Reporting Persons' knowledge, there have been no transactions effected with respect to the shares of Common Stock during the past 60 days by any of the persons named in response to Item 2.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

On March 28, 2003, Eco Telecom notified VimpelCom and Telenor East Invest AS of Eco Telecom's intention to pledge a certain number of the shares of Common Stock owned by it for the purpose of obtaining a loan in the amount of US\$20 million from Central Asian Capital

Edgar Filing: ECO TELECOM LTD - Form SC 13D/A

Corporation N.V. (the Lender), as described further below.

On June 10, 2003, Eco Telecom entered into a Pledge Agreement with the Lender, an entity organized under the laws of the Netherlands Antilles and an affiliate of Kazkommertsbank Open Joint Stock Company, a bank organized under the laws of Kazakhstan, as pledgeholder, and Limited Liability Company IC East Capital, a Russian limited liability company (the Depository), as agent (the Pledge Agreement). The description of the Pledge Agreement contained in this Item 6 is qualified in its entirety by reference to the complete text of the Pledge Agreement filed as an Exhibit hereto. Under the Pledge Agreement, Eco Telecom pledged to the Lender shares of Common Stock (the Pledged Shares) to secure all monies and obligations owing to the Lender (the Pledge) under a Loan Agreement between them dated June 10, 2003 (the Loan Agreement), pursuant to which the Lender agreed to make a single loan to Eco Telecom in an aggregate principal amount of US\$20 million (the Loan). The Loan, which Eco Telecom intends to apply for working capital purposes and to satisfy Eco Telecom's general corporate financing requirements, is repayable in full on or before January 15, 2005. Repayment of the Loan is guaranteed by Eco Holdings.

The collateral securing the Loan will consist of a number of shares of Common Stock with a market value equal to 150% of the outstanding principal amount of the Loan. Generally, the market value of the Pledged Shares will be based on the daily closing price of American Depositary Shares representing the Common Stock. If the market value of the Pledged Shares falls and remains below 135% of the outstanding principal amount of the Loan for a continuous period of three trading days, Eco Telecom will be required to pledge or cause to be pledged a number of additional shares of Common Stock so that the total market value of the Pledged Shares will not be less than 150% of such outstanding principal amount. If the market value of the Pledged Shares exceeds and remains above 165% of the outstanding principal amount of the Loan for a continuous period of three trading days, the Lender will be required to release a portion of the Pledged Shares such that the total market value of the Pledged Shares will be equal to 150% of such outstanding principal amount. The Pledged Shares will be deposited in a blocked account with the Depository, which will be responsible for monitoring on a day-to-day basis the market value of the Pledged Shares and notifying Eco Telecom and the Lender of increases or decreases in the collateral value. On June 10, 2003, 509,864 shares of Common Stock owned by Eco Telecom were deposited with the Depository and blocked in favor of the Lender on Eco Telecom's account.

Eco Telecom will be entitled to exercise all voting and other rights attaching to the Pledged Shares until the Lender enforces its security under the terms of the Pledge Agreement and becomes the registered holder of the Pledged Shares. Eco Telecom agreed in the Pledge Agreement that it will not, among other things, sell, transfer or otherwise dispose of any of the Pledged Shares during the term of the Pledge. The Pledge will terminate upon the earlier to occur of the full repayment of Eco Telecom's obligations under the Loan Agreement or the written agreement of the parties to the Pledge Agreement.

Eco Telecom may from time to time pledge additional shares of Common Stock to secure its or its affiliates' obligations under similar pledge and loan arrangements.

Except as set forth in the Statement and in this Amendment, to the best of the Reporting Persons' knowledge, there are no contracts, arrangements, understandings or relationships with respect to the securities of VimpelCom among the persons named in Item 2 or between such persons and any other person.

Item 7. Material to be Filed as Exhibits
