**Section 5 Corporate Governance and Management**

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Amendment to Bylaws

On November 30, 2007, the board of directors of Arena Resources, Inc. (the Company) adopted Amended and Restated Bylaws of the Company. The amendments to the bylaws were primarily made to clarify that shares of the Company's stock may be represented either by certificates or in uncertificated form. This amendment allows the Company to participate in the Direct Registration System (DRS) as required by rules adopted by the New York Stock Exchange. The DRS allows investors to hold shares in book entry form without the issuance of physical certificates. This amendment is contained in Article VI, Section 2 of the Amended and Restated Bylaws.

Because it was necessary to adopt the clarifying amendment described above to allow compliance with the DRS, the board of directors thought it advisable to review the bylaws and make any additional changes that might be desirable to update the bylaws to conform to changes in factual circumstances or corporate practices. Therefore, the following additional provisions of the bylaws were amended and adopted as part of the Amended and Restated Bylaws:

Article I Section 1. The actual street address of the Company's principal executive offices has been omitted.

Article III Section 2. The requirement that the board of directors consist of an odd number of members has been deleted. In addition, the reference contained in the bylaws that the number of members of the original board of directors of the Company (at the time of its formation) consisted of three persons, has been eliminated.

Article IV Sections 1 and 7. These sections have been modified to reflect the board's prior exercise of its authority in the designation of a Chief Executive Officer (separate from the office of President).

Article VIII Section 5. This section has been updated to reflect the fact that the Company utilizes the calendar year as its fiscal year.

Article VIII Section 9. This section has been updated to delete references to its original adoption by the incorporators of the Company. No substantive change has been made, as the Company continues to elect to opt out of the provisions of the Acquisition of Controlling Interest provisions of Nevada law.

A copy of the Amended and Restated Bylaws is included as an exhibit hereto.
