Item 1.01. Entry into a Material Definitive Agreement.

On March 7, 2014, Euronet Worldwide, Inc. ("Euronet") entered into a Share Purchase Agreement (the "Purchase Agreement") with the selling shareholders (the "Sellers") of all of the capital stock of EIM (FX) Limited and TBK (FM) Limited, each United Kingdom limited companies, which primarily operate under the trading names HiFX or HiFM (the "Companies") pursuant to which Euronet will acquire all of the outstanding capital stock of the Companies (the "Acquisition").

Under the terms of the Purchase Agreement, the Sellers will receive at closing an aggregate amount of purchase consideration (the "Purchase Consideration") of £145 million pounds sterling (approximately \$242.7 million based on a recent exchange rate of £1.00 = \$1.674 as of March 6, 2014) in cash and Euronet Common Stock, par value \$0.02 ("Euronet Common Stock"). Based on the March 6, 2014 exchange rate, the Purchase Consideration would be comprised of \$185.8 million in cash and \$56.9 million of Euronet Common Stock (the "Consideration Shares"), with the number of shares of Euronet Common Stock issued to be determined based on the average closing price of Euronet Common Stock over the twenty trading-day period before closing and the average U.S. dollar to pounds sterling exchange rate over the five trading-day period before closing. A portion of the Acquisition will be funded using borrowings under Euronet's revolving credit facility.

The Purchase Agreement contains customary warranties and covenants of the Sellers. The Purchase Agreement also contains customary indemnification provisions whereby the Sellers will indemnify Euronet for certain losses arising out of any inaccuracy in, or breaches of, the warranties and covenants of the Sellers under the Purchase Agreement. The Purchase Agreement contains customary closing conditions, including certain regulatory approvals, and is currently expected to close during the second quarter of 2014.

Based on the March 6, 2014 exchange rate, an amount equal to \$15.9 million of the cash portion of the Purchase Consideration and all of the Consideration Shares will be placed in escrow at closing as security for the Sellers' indemnification and other obligations under the Purchase Agreement. Any Purchase Consideration remaining in escrow will be released to the Sellers two years following the closing date, net of any pending indemnification or other claims under the Purchase Agreement.

In connection with the signing of the Purchase Agreement, certain key employees of the Companies agreed to continued employment arrangements that will become effective upon closing.

The foregoing description of the Purchase Agreement, which is attached as Exhibit 2.1 hereto and incorporated herein by reference, does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement. It is not intended to provide any other factual information about Euronet or the Sellers. In particular, the warranties contained in the Purchase Agreement were made only for the purposes of the Purchase Agreement as of specific dates and may have been qualified by certain disclosures between the parties and a contractual standard of materiality different from those generally applicable to stockholders, among other limitations. The warranties were made for the purposes of allocating contractual risk between the parties to the Purchase Agreement and should not be relied upon as a disclosure of factual information relating to Euronet or the Sellers. The Purchase Agreement is filed as Exhibit 2.1 hereto and incorporated herein by reference in its entirety. The information set forth in Item 3.02 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01 as if fully set forth herein.
