QUESTIONS AND ANSWERS

Q:
What am I voting on?

A:

- (1) *Re-election of three directors (Robert K. Cole, Donald E. Lange and William J. Popejoy) for three year terms ending in 2006 (see page 6 for details);*
- (2) *Ratification of KPMG LLP's appointment as our independent auditors for 2003 (see page 8 for details); and*
- (3) *Approval of an amendment to our Stock Option Plan to increase the number of shares issuable under the plan by 1,000,000 shares (see page 9 for details).*

Q:
How does the Board recommend I vote on the proposals?

A:
*Our Board of Directors recommends you vote **FOR** each of the director nominees and **FOR** each of the other two proposals.*

Q:
Who is entitled to vote at the meeting?

A:
Holders of shares of our Common Stock as of the close of business on the record date, April 1, 2003, are entitled to vote.

Q:
How do I vote?

A:
*If you hold stock as a registered stockholder, you can vote in person at the Annual Meeting or you can sign and date each proxy card you receive and return it in the prepaid envelope by the close of business on May 20, 2003. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** each of the three director nominees and **FOR** each of the other two proposals. If your stock is held through a broker or bank, you will receive voting instructions from your broker or bank describing the method for voting your stock.*

- (1) *notifying our Secretary in writing at 18400 Von Karman, Suite 1000, Irvine, California 92612;*

- (2) *signing and returning a proxy card dated as of a later date; or*
- (3) *voting in person at our Annual Meeting.*

2

Q:
How will voting on any other business be conducted?

A:
Other than the three proposals described in this Proxy Statement, we know of no other business to be considered at our Annual Meeting. However, if any other matters are properly presented at the meeting, your signed proxy card authorizes Robert K. Cole, our Chairman and Chief Executive Officer, and Brad A. Morrice, our Vice Chairman, President and Chief Operating Officer, to vote on those matters according to their best judgment.

Q:
Who will count the vote?

A:
Representatives of U.S. Stock Transfer Corporation, the independent Inspector of Elections, will count the votes.

Q:
What does it mean if I receive more than one proxy card?

A:
It probably means your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

Q:
How many shares can vote?

A:
As of the record date, there were 23,118,134 shares of our Common Stock issued and outstanding. Holders of our Common Stock are entitled to one vote per share for each matter before the meeting.

Q:
How many votes are necessary to take action at the meeting?

A:
To transact business at the meeting, a quorum of the eligible voting shares must be present at the meeting, whether in person or represented by proxy. A "quorum" is a majority of shares eligible to vote at the meeting. Because there were 23,118,134 shares eligible to vote as of the record date, we will need at least 11,559,068 shares present at the meeting to establish a quorum. Provided that a quorum exists, the three nominees for director who receive the most votes will be elected. For any other proposal to be approved, it must receive a majority of the votes present at the meeting and entitled to vote or represented by proxy. Finally, cumulative voting rights are not authorized and dissenters' rights are not applicable to the matters before the meeting.

Q:

What happens if I abstain?

A:

If you submit a properly signed proxy card and indicate your intention to "ABSTAIN" on one or more proposals, your shares will still be considered present for purposes of determining a quorum. However, your abstention will not count "FOR" or "AGAINST" any proposal, and your shares will not be included in the calculation of whether any matter has received a majority of the votes present at the meeting and entitled to vote.

3

Q:

How will "broker non-votes" be treated?

A:

In some cases, brokers and nominees will return proxy cards indicating that they never received specific voting instructions from the beneficial owner and that they lack the discretionary power to vote the shares on behalf of the beneficial owner. These are called "broker non-votes." Like abstentions, broker non-votes are considered "present" for purposes of establishing a quorum but are not included in the calculation of whether any proposal has received a majority of the votes present.

Q:

Who can attend the Annual Meeting?

A:

All stockholders as of the record date can attend our Annual Meeting, although seating is limited. If your shares are issued in your name and not held through a brokerage account and you wish to attend the meeting, please check the box on your proxy card. If your shares are held through a broker and you would like to attend, please (1) write or e-mail Carrie Marrelli, our Vice President of Investor Relations, at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at cmarrell@ncen.com, and (2) bring a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker) to the meeting.

Q:

When are stockholder proposals due for the 2004 Annual Meeting?

A:

To include a proposal in the proxy statement for our 2004 Annual Meeting, you must submit your proposal in writing to our Secretary at New Century Financial Corporation, 18400 Von Karman Avenue, Suite 1000, Irvine, California 92612. We must receive your proposal no later than December 13, 2003. For more information on how to include a proposal in next year's proxy statement, please see Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended.

If you would like to present a stockholder proposal for our 2004 Annual Meeting outside of the process specified in Rule 14a-8, we must receive your proposal at least 60 but not more than 90 days before the meeting. Your proposal must describe briefly the business to be brought before the meeting, the reasons for conducting the business at the meeting and any personal interest in this business. Also, your proposal must be accompanied by your name and address as they appear on our books and the class and number of shares that you own. If your proposal is submitted according to our bylaws and is a proper matter for consideration, you will be allowed to present it from the floor during our 2004 Annual Meeting.

4

Q:

How are proxies being solicited?

A:

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

Our Board of Directors is soliciting your proxy for use at our Annual Meeting and any adjournment thereof by mailing this Proxy Statement and proxy card to our stockholders of record as of April 1, 2003. In addition, some of our directors, officers and regular employees may, without extra pay, make additional solicitations by telephone or in person. We will bear the cost of this proxy solicitation. We will also reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Lastly, we might hire a proxy solicitation company to help solicit votes. We expect that the fee of the proxy solicitation company will not exceed \$5,000.

Q:

How do I obtain a copy of your Annual Report on Form 10-K?

A:

Our Form 10-K is actually part of the Annual Report that is being mailed to you with this Proxy Statement. If you need another copy, please write or e-mail Carrie Marrelli, Vice President Investor Relations, at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at cmarrell@ncen.com.

PROPOSAL 2

Our Audit Committee has appointed KPMG LLP as the independent auditors of New Century Financial Corporation for the fiscal year ending December 31, 2003. Our Board of Directors has ratified the appointment of KPMG LLP as our independent auditors and seeks your ratification of this decision.

KPMG LLP has served as our independent auditors for the past six years. A KPMG representative is expected to attend our Annual Meeting to answer appropriate questions and make a statement if he or she so desires.

This proposal must be approved by a majority of the shares entitled to vote and present in person or represented by proxy at our Annual Meeting. If our stockholders do not ratify KPMG LLP's appointment as our independent auditors, then our Audit Committee will reconsider the selection of our independent auditors.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU
VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT
OF KPMG LLP AS OUR INDEPENDENT AUDITORS.**

8

PROPOSAL 3

AMENDMENT TO INCREASE SHARES AVAILABLE UNDER THE 1995 STOCK OPTION PLAN

The Proposed Amendment

On February 27, 2003, upon the recommendation of our Compensation Committee, our Board of Directors adopted an amendment to our Stock Option Plan increasing the number of shares of our Common Stock that may be issued under our Stock Option Plan from 5,500,000 to 6,500,000 shares. However, our stockholders must approve this amendment before it can take effect.

Why does our Stock Option Plan need more shares?

One of the primary purposes of our Stock Option Plan is to attract, motivate and retain officers and key employees through stock options, restricted stock and other incentive awards. We believe that there are not enough shares available under our Stock Option Plan to accomplish this objective.

If our stockholders approve this amendment, then we will have approximately 1,286,900 shares available for future grants. These remaining shares will provide our Board of Directors with flexibility necessary to attract and retain officers and key employees in the coming years. As a result, our Board of Directors believes that a 1,000,000-share increase in the number of shares available for issuance under our Stock Option Plan is desirable and in New Century's best interests.

The number, amount and type of future awards to officers and directors will be based on the discretion of our Compensation Committee and has not been determined at this time. Please see the summary on the next page for more information about our Stock Option Plan.

Vote Required for Approval

This proposal must be approved by a majority of the shares entitled to vote and present in person or represented by proxy at our annual meeting.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU
VOTE "FOR" APPROVAL OF THIS PROPOSED AMENDMENT TO
OUR 1995 STOCK OPTION PLAN.**

9

SUMMARY OF OUR STOCK OPTION PLAN

To help you evaluate Proposal 3, we have summarized the key features of our Stock Option Plan. Because this is only a summary, it does not contain all the information that may be important to you in considering Proposal 3.

We have filed the full text of the amended Stock Option Plan with the Securities and Exchange Commission as an exhibit to this Proxy Statement. It is available on the SEC's website at <http://www.sec.gov>. You may also receive a free copy of our Stock Option Plan by sending a written request to Carrie Marrelli, Vice President-Investor Relations at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at cmarrell@ncen.com.

Purpose of the Plan

We adopted our Stock Option Plan in December 1995. Its purpose is to promote our success by providing a means to attract, motivate and retain key employees, consultants, advisors and directors.

Administration

Awards under our Stock Option Plan are recommended by management and approved by our Compensation Committee, which consists of four independent non-employee members of our Board of Directors. Our Compensation Committee has the power to interpret our Stock Option Plan and any award agreements, accelerate or extend the vesting or exercisability of awards, extend the term of any award (within the maximum 10-year limit), and make all other decisions necessary or desirable to administer our Stock Option Plan.

Our Compensation Committee may allow the purchase price of an award or shares of our Common Stock under our Stock Option Plan to be paid in the form of cash, by the delivery of already-owned shares of our Common Stock, by delivery of a promissory note that satisfies the requirements of the plan, or in any other form permitted by law. Our Stock Option Plan does not limit the authority of our Board of Directors or our Compensation Committee to grant awards or authorize any other compensation, with or without reference to our Common Stock, under any other plan or authority.

Participation in the Plan

Under our Stock Option Plan, our Compensation Committee can grant awards to officers, key employees and consultants. In addition, our non-employee directors receive automatic annual stock options described below under the heading "Types of Awards – Stock Options." Including executive officers and directors, approximately 2,710 people are eligible to receive awards under our Stock Option Plan.

The following information may be relevant to your analysis of this proposal.

Number of Shares Available for Issuance under the Plan	286,900
Total Number of Granted but Unexercised Options	3,453,899
Total Number of Shares of Outstanding Restricted Stock	283,923
Weighted Average Exercise Price of Granted but Unexercised Options	\$15.26
Weighted Average Term Remaining for Granted but Unexercised Options	7.94 years

10

Types of Awards

Under our Stock Option Plan, our Compensation Committee may award:

Stock Options;

Restricted Stock;

Stock Appreciation Rights ("SARs"); and

Performance Share Awards.

Each award generally will terminate, to the extent not previously exercised or otherwise paid, not more than 10 years after its date of grant.

Stock Options

Our Compensation Committee determines the exercise price, vesting provisions, term and type of stock option granted to participants under our Stock Option Plan. Our Compensation Committee may grant two types of stock options – nonqualified stock options and incentive stock options. Stock options entitle the recipient to purchase shares of our Common Stock at the exercise price specified by our Compensation Committee in the recipient's award agreement.

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

Incentive stock options are intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended, and, therefore, they may only be granted to our employees. Moreover, the exercise price of incentive stock options must be at least equal to the fair market value of our Common Stock on the date of grant. If incentive stock options are granted to an owner of 10% or more of our Common Stock, then the exercise price must be at least 110% of the fair market value of our Common Stock on the date of grant.

On the date of each annual meeting, each newly elected or appointed non-employee director is automatically granted nonqualified stock options to purchase 15,000 shares of our Common Stock. All returning non-employee directors are granted a nonqualified stock option for 10,000 shares. The exercise price for these stock options is equal to the closing price of our Common Stock on the date of our annual meeting. These stock options are granted for 10-year terms and vest in three equal annual installments.

Restricted Stock Awards

Restricted Stock is stock registered in the recipient's name but subject to certain transfer and/or forfeiture restrictions, as specified in the recipient's award agreement. Our Compensation Committee may award restricted stock, establishing the number of shares, the grant date and the purchase price for the stock (if any). Our Compensation Committee may also impose whatever restrictions on the stock it deems appropriate, provided that the restrictions are imposed for a minimum of six months after the grant date.

Stock Appreciation Rights

Our Compensation Committee may grant Stock Appreciation Rights to participants under our Stock Option Plan. This type of an award allows the participant to benefit from an appreciation in the value of our Common Stock. The terms of the SAR award set forth the number of shares, exercise price, vesting, term and any other features of the award. If the SAR is granted together with an incentive stock option, then the exercise price and vesting of the SAR will be

11

tied to those terms of the related stock option. Our Compensation Committee may elect to pay participants the value of their awards in cash, Common Stock or in a combination of both.

Performance Share Awards

Our Compensation Committee may grant performance share awards based on whatever factors it deems appropriate. Our Compensation Committee will specify the number of shares, the purchase price for the shares and any other conditions.

Performance-Based Awards

Our Compensation Committee may grant other performance-based awards, which may be in the form of cash, stock options, restricted stock, SARs and performance share awards. These awards are intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code of 1986, as amended.

Only our executive officers may receive performance-based awards. No executive officer may receive more than 500,000 shares of our Common Stock in any calendar year nor may any executive officer receive cash awards in excess of \$1,000,000.

The performance goals and performance targets are determined by our Compensation Committee and may be based on any of the following criteria:

Cash Flow

Earnings Per Share

Gain on Sale of Loans

Loan Production Volume

Loan Quality

Return on Equity

Total Stockholder Return

These goals and targets will be determined before the deadline specified in Section 162(m) of the Internal Revenue Code of 1986, as amended, and only at a time when achievement of such targets is substantially uncertain. Our Compensation Committee may adjust goals and targets if unanticipated events arise. Conversely, our Compensation Committee may reduce, but not increase, the amount of a performance-based award, even if the previously specified goals and targets are met.

Award Limits

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

Our Stock Option Plan currently authorizes 5,500,000 shares of our Common Stock for issuance. If our stockholders approve Proposal 3, there will be an additional 1,000,000 shares, or 6,500,000 shares in total, available to issue to participants. In either event, no participant may receive awards for more than 500,000 shares in any calendar year. These limits are subject to adjustment in connection with stock splits, stock dividends and similar events. For more information on these adjustments, please consult Section 6.2 of our Stock Option Plan.

Non-Transferability

Generally, awards under our Stock Option Plan may only be exercised by the participant and may not be sold, assigned, pledged, encumbered or otherwise transferred. However, the Compensation Committee may, for estate or tax planning purposes, allow a participant's relatives or related entities to exercise the participant's awards.

12

Termination of Employment

The following table describes how different types of awards are usually treated upon termination of the participant's employment with us:

Type of Award	Reason for Termination	Consequences
Options not yet exercisable	For any reason	Options lapse immediately
	Discharge for cause	Options lapse immediately
Options that are exercisable	Retirement, total disability, death	Options must be exercised within 3 months of termination date, or sooner if provided in the option agreement
	For any other reason	Options must be exercised within 30 days of termination
SARs granted with options	For any reason	SARs terminate in the same manner as the related options
SARs granted without options	For any reason	SARs terminate in accordance with the award agreement
Restricted Stock	For any reason	Unvested shares are forfeited
Performance Shares	For any reason	Shares are forfeited according to the award unless the shares have been issued or have become issuable on the date of termination

Acceleration of Awards

If certain events occur, all awards under our Stock Option Plan will become immediately vested unless, prior to the event, our Board of Directors determines that there will be either no acceleration or limited acceleration of vesting. These events are: (1) our dissolution or liquidation, (2) certain mergers or consolidations with other entities, and (3) the sale of all or substantially all of our assets.

Amendments and Termination of our Stock Option Plan; Limitations on Option Repricing

Generally, our Board of Directors and our Compensation Committee have the authority to amend any aspect of our Stock Option Plan and any outstanding award granted thereunder. However, stockholder approval is required for any amendment that would (i) increase the maximum number of shares under our Stock Option Plan, (ii) materially increase the benefits to participants, or (iii) materially change the requirements for eligibility to participate in our Stock Option Plan. Also, stockholder approval is required for any option repricing where the new exercise price

would be less than the fair market value of our Common Stock on the original grant date.

Our Stock Option Plan will terminate in December 2005 unless sooner terminated by our Board of Directors. Upon termination, no further award grants may be made. However, any award grants made prior to termination will remain in effect and the participants will not lose their rights with respect to such awards until such awards terminate or expire.

Federal Income Tax Consequences

Generally, the federal income tax consequences arising from awards under our Stock Option Plan are as follows:

Type of Award	Taxable/Deductible Amount	Tax Effect	
		On the Participant	On New Century
Incentive Stock Options	Difference between the sales price of the stock and the exercise price	Taxable upon sale of the underlying stock	Not deductible
Nonqualified Stock Options	Difference between the fair market value of the stock at the time of exercise and the exercise price	Taxable upon exercise of the option	Deductible at the time of exercise
Restricted Stock ⁽¹⁾	Difference between the fair market value of the stock when the restrictions lapse and the purchase price, if any	Taxable when the restrictions lapse	Deductible when the restrictions lapse
Performance Share Awards & Unrestricted Stock Bonuses	The fair market value of the stock when received	Taxable upon receipt	Deductible upon issuance
Cash-based Awards	The amount of the award	Taxable upon receipt	Deductible upon payment

(1)

If the restrictions involve a substantial risk of forfeiture, then the participant may defer recognizing income until the date upon which the substantial risk of forfeiture lapses. However, even in such case, the participant may elect to recognize income immediately in the amount equal to the difference between the fair market value of the stock on the date of grant and the purchase price, if any. If there is no substantial risk of forfeiture, then income is automatically recognized on the date of grant.

If an award is accelerated under our Stock Option Plan, we may not be permitted to deduct the portion of the compensation attributable to the acceleration. Furthermore, if the award is not "performance-based" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not be permitted to deduct such compensation. The above tax summary is based upon federal income tax laws in effect on April 1, 2003.

EQUITY COMPENSATION PLANS

New Century currently maintains three equity-based compensation plans — our Stock Option Plan described above, our 1999 Incentive Compensation Plan, and our Employee Stock Purchase Plan. Each of these plans has been approved by our stockholders. The following table sets forth, for each of these plans, the number of shares of our Common Stock subject to outstanding stock options and rights, the weighted-average exercise price of outstanding stock options, and the number of shares remaining available for future award grants as of December 31, 2002.

Equity Compensation Plan Table

Plan category	Number of shares of New Century common stock to be issued upon exercise of outstanding options and rights	Weighted-average exercise price of outstanding options	Number of shares of New Century common stock remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)
Equity compensation plans approved by stockholders	3,178,383	\$13.81	2,430,383(1)(2)
Equity compensation plans not approved by stockholders	50,000(3)	\$4.80	0
Total	3,228,383	\$13.67	2,430,383

(1)

This number of shares is presented after giving effect to the 44,526 shares purchased under our Employee Stock Purchase Plan for the purchase period that ended December 31, 2002. Of the aggregate number of shares that remained available for future issuance, 634,773 were available under our Stock Option Plan and 1,795,610 were available under our Employee Stock Purchase Plan. The shares available under our Stock Option Plan are, subject to certain other limits under that plan, generally available for any type of award authorized under our Stock Option Plan including stock options, stock appreciation rights, restricted stock, stock bonuses, and performance shares.

(2)

There is no explicit share limit under our 1999 Incentive Compensation Plan. Bonuses under our 1999 Incentive Compensation Plan that exceed certain individual-based limits of that plan are paid in the form of a restricted stock award. Thus, the number of shares to be delivered with respect to our 1999 Incentive Compensation Plan in the future depends on the number and amount of bonuses paid under our 1999 Incentive Compensation Plan in the future.

(3)

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

We have not approved any awards that are contingent on stockholder approval of the proposed Stock Option Plan amendment. If the 1,000,000 additional shares covered by the proposed amendment had been available for award grant purposes in fiscal 2002, we expect that our award grants for fiscal 2002 would not have been substantially different from those actually made in that year. For information regarding stock options and restricted stock awards granted to our named executive officers during fiscal 2002, see the material under the heading "Executive Compensation" below.

The closing market price for a share of our Common Stock as of April 1, 2003 was \$33.01 per share.

Also, we did not compensate non-employee directors for brief telephonic meetings for which the combined preparation and meeting time did not exceed one hour. Lastly, we reimbursed our non-employee directors for reasonable expenses incurred in attending meetings.

REPORT OF COMPENSATION COMMITTEE

Our Compensation Committee administers the Company's two incentive plans: the 1995 Stock Option Plan and the 1999 Incentive Compensation Plan. In addition, our Committee evaluates the performance and compensation levels of the Company's senior executives and considers management succession and related matters.

Overall Compensation Policies

Our Committee's overriding objective is to structure executive compensation in a way that helps to achieve New Century's strategic and financial goals. To this end, our Committee is guided by the following basic principles:

- (1) Compensation levels should be appropriate to attract, retain and motivate talented executives and should be competitive with levels for executive officers of similar companies.
- (2) A substantial portion of each executive officer's annual compensation should be linked to New Century's overall financial performance.
- (3) Executive officers should have a strong incentive to advance long-term strategic and financial goals, and not merely be concerned with shorter-term financial performance.
- (4) Recognizing the importance of the unique partnership-like working relationship of the executive officers Messrs. Cole, Morrice, Gotschall, Flanagan and Rank our Committee strives to provide them with substantially equal compensation arrangements.
- (5) The tax implications to New Century and its executive officers of various payments and benefits should be considered in structuring total executive compensation.

Our Committee relies principally on three forms of compensation to pursue these policies: annual salary, annual bonus and stock-based awards.

2002 Executive Compensation

Effective as of January 1, 2002, New Century entered into new employment agreements with Messrs. Cole, Morrice, Gotschall and Flanagan, who were then the Company's Executive Officers. The new employment agreements are identical and are described in greater detail in the "Executive Compensation" section of the Proxy Statement in which this Report appears.

Factors Considered. The 2002 compensation for each of Messrs. Cole, Morrice, Gotschall and Flanagan was a function of (1) pre-established base salary compensation under their employment agreements, (2) pre-established return on equity targets, and (3) a discretionary grant of 75,000 stock options to each of Messrs. Cole, Morrice and Gotschall, and a discretionary grant of 150,000 stock options and 25,000 shares of restricted stock to Mr. Flanagan in recognition of New Century's strong performance and the significant contribution they each made to this performance.

Base Salary. The base salary of \$385,875 for 2002 was established under the new employment agreements of Messrs. Cole, Morrice, Gotschall and Flanagan, and represented a 5% raise over the 2001 base salary of Messrs. Cole, Morrice and Gotschall.

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

Bonus. For 2002, each of Messrs. Cole, Morrice, Gotschall and Flanagan received a cash bonus of \$578,813 and restricted stock worth \$1,175,013, based on New Century's return on equity in 2002. Our Committee designed the bonus program to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code. The specific targets were based on the ratio of earnings before income taxes compared to average stockholders' equity for the year.

Stock-Based Compensation. In 2002, our Committee granted to each of Messrs. Cole, Morrice and Gotschall stock options to purchase 75,000 shares of our Common Stock, and to Mr. Flanagan stock options to purchase 150,000 shares of our Common Stock. The grants were based on an evaluation of New Century's overall performance as well as the contribution of each of them to that performance.

2003 Executive Compensation

Effective January 1, 2003, New Century entered into a new employment agreement with Mr. Rank, who had become an Executive Officer in 2002. The new employment agreement replaces the employment agreement New Century entered into with Mr. Rank effective August 1, 2001. Mr. Rank's new employment agreement is identical to those of the other Executive Officers except that Mr. Rank remains eligible to receive any remaining bonus payment due under his old employment agreement with respect to fiscal year 2002.

For 2003, the Executive Officers will each receive a base salary of \$405,175. This represents the contractually required 5% minimum increase over the base salary that Messrs. Cole, Morrice, Gotschall and Flanagan received in 2002. The bonus that the Executive Officers receive for 2003 will be based on return on equity targets identical to the 2002 targets.

EXECUTIVE COMPENSATION

Employment Agreements and Change-in-Control Arrangements

Executive Officer Employment Agreements. Effective January 1, 2002, we entered into revised employment agreements with Messrs. Cole, Morrice, Gotschall and Flanagan. Effective as of January 1, 2003, we entered into an identical revised employment agreement with Mr. Rank. Each employment agreement has a three-year term and, unless terminated by either party, renews for an additional three years at the end of each year. For instance, on December 31, 2003, the term of each agreement will be automatically extended until December 31, 2006 unless otherwise terminated.

The agreements set the base salary at \$385,875 for 2002. The agreements authorize our Board of Directors to establish the base salary level for subsequent years, provided that the new base salary must represent at least a 5% increase over the base salary of the preceding year. Pursuant to this authority, our Board of Directors raised the base salary of the executive officers to \$405,175 for 2003. The agreements also provide for a \$500 per month automobile allowance.

If the executive officer is terminated without "cause" or quits his employment for "good reason" (as such terms are defined in the employment agreements), then he will receive severance pay as follows:

- (1) his base salary through the end of the current month, the earned but unpaid incentive compensation bonus, if any, and credit for any vacation earned but not taken;
- (2) severance pay equal to (a) his base salary through the expiration of the current term of the employment agreement (however, this component will not be less than 6 months salary); plus (b) the average of his last three years' incentive cash bonus

compensation;

- (3) continued coverage under our medical insurance and other benefit programs until the expiration of his term of employment or his commencement of full-time employment with a new employer; and
- (4) up to \$20,000 for the cost of a senior executive outplacement program.

Also, if within twelve months following a "change in control" (as defined in the employment agreements), the executive officer is terminated without "cause," quits his employment for "good reason," or is given notice that New Century intends not to renew his employment agreement, then he will receive severance pay in the amounts set forth above, except that he will be entitled to receive his base salary for at least an additional 18 months.

Incentive Compensation Plan Awards. Under the employment agreements, the named executive officers are also eligible to receive incentive compensation awards under our 1999 Incentive Compensation Plan. The awards provide that the executive officers will receive a percentage of our pre-tax net income based upon the ratio of our pre-tax net income to our

average stockholder's equity, measured over a six-month and a twelve-month period as set forth below:

The incentive bonus for the 6-month period may not exceed 80% of the executive's base salary for that year. Also, the amount of bonus paid for the 12-month performance period will be reduced by any amounts already paid for the 6-month performance period that falls in the same year. Finally, the amount of any 12-month bonus that exceeds 150% of the executive's base salary for the applicable year will be paid in restricted stock unless our Compensation Committee decides otherwise.

Other Change-In-Control Provisions. Our Stock Option Plan allows for the acceleration of award vesting upon a "change in control" (as defined in our Stock Option Plan), unless our Board of Directors decides otherwise prior to the change in control. Similarly, under the Incentive Compensation Plan, unless our Board of Directors decides otherwise prior to the event, a change in control results in accelerated payment of outstanding incentive compensation awards. The payment level assumes achievement of the maximum performance goal for

30

each award, but is pro-rated according to the portion of the applicable performance period elapsed at the time of acceleration.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16 of the Securities Exchange Act of 1934, as amended, our directors and executive officers and the beneficial holders of more than 10% of our Common Stock are required to file reports with the Securities and Exchange Commission of their ownership of and transactions in our Common Stock. The Securities and Exchange Commission requires that we disclose any late filings of Section 16 reports during the last fiscal year. Based solely on our review of reports furnished to us and written representations that no other reports were required during the 2002 fiscal year, all Section 16 filing requirements were met except for an inadvertent failure by Mr. Terrence Sandvik, a director of ours, to file in a timely manner a Form 4 reflecting an open market purchase. Mr. Sandvik filed a report on Form 4 reflecting such purchase in the following month.

**AUDIT COMMITTEE OF THE
BOARD OF DIRECTORS OF
NEW CENTURY FINANCIAL CORPORATION**

I. Audit Committee Purpose and Authority

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") of New Century Financial Corporation (the "Company") for the purpose of:

overseeing the accounting and financial reporting processes of the Company and audits of its financial statements;

monitoring the integrity of the financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance of the Company;

monitoring the independence and performance of the Company's outside auditors and internal auditing system;

providing an avenue of communication among the outside auditors, management, the internal auditing department, and the Board;

reviewing areas of potential significant financial risk to the Company; and

monitoring compliance with the Company's policies and procedures and the legal and regulatory requirements applicable to the Company.

The Committee has the authority to conduct any investigations or inquiries it deems appropriate to fulfilling its responsibilities, and has direct access to the outside auditor as well as the internal audit department and any employees of the Company. The Committee also has the authority to engage, and to determine and secure from the Company funding for, independent counsel and such other advisors as it deems necessary to carry out its duties.

II. Audit Committee Composition and Meetings

The Committee shall have at least three members (the "Members") and shall be composed entirely of independent directors as required by Section 10A(m) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the rules and regulations of the Securities and Exchange Commission (the "SEC") and the rules of the National Association of Securities Dealers, Inc. (the "NASD") pertaining to listing on the Nasdaq National Market. All Members shall meet the financial literacy requirements of the NASD rules and at least one Member shall be an "audit committee financial expert" as defined in the rules and regulations of the SEC.

The Committee shall act by a majority of its Members.

The Committee may (a) adopt policies and procedures for the pre-approval, as required by Section 10A(i) of the Exchange Act, of audit and non-audit services to be provided to the Company by the outside auditor, provided the policies and procedures are detailed as to the particular service and the Committee is informed of such service and that such policies and procedures do not include the delegation of the Committee's responsibilities to management; and (b) delegate to a designated Member or Members the authority to pre-approve any such audit and non-audit services, so long as any such approvals by such Member or Members are disclosed to the

Committee at its next scheduled meeting.

The Committee shall meet privately in executive session at least annually with management, the director of the internal auditing department, the outside auditor, and as a committee to discuss any matters that the Committee or each of these groups believe should be discussed. The Committee may ask members of management or others to attend its meetings and provide pertinent information as necessary.

III. Audit Committee Responsibilities and Duties

A. Review Procedures

1.
The Committee shall review and reassess the adequacy of this Charter at least annually. Also, the Committee shall submit this Charter and any changes to the Board for approval. The Charter shall be filed with the SEC, along with the Company's proxy statement, at least once every three years.
2.
The Committee shall meet with management and the outside auditor to discuss the annual financial statements and the report of the outside auditor thereon (including the matters described in SAS 61 with the outside auditor) prior to filing with the SEC as part of the Company's Annual Report on Form 10-K, and discuss significant issues encountered in the course of the audit work, including: restrictions on the scope of activities; access to required information; the adequacy of internal financial controls; the adequacy of the disclosure of off-balance sheet transactions, arrangements, obligations and relationships in reports filed with the SEC; and the appropriateness of the presentation of any pro forma financial information included in any reports filed with the SEC or in any public disclosure or release.
3.
Following such review and discussions, if so determined by the Committee, it shall recommend to the Board that the annual financial statements be included in the Company's annual report.
4.
The Committee shall meet with management and the outside auditor to discuss any significant changes to the Company's accounting principles and the matters described in SAS 61 with the outside auditor prior to the earlier of the release of earnings and the filing with the SEC of the Company's Quarterly Report on Form 10-Q.

A-2

5.
The Committee shall instruct the outside auditor to report to the Committee on all critical accounting policies and practices to be used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the outside auditor, and other material written communications between the outside auditor and management, such as any management letter or schedule of unadjusted differences.
6.
The Committee shall review all related-party transactions and potential conflict on interest situations where appropriate.

B. Outside Auditor

1.
The Committee shall appoint the outside auditor, approve all audit fees and terms, oversee the work of any outside auditor employed by the Company (including resolution of any disagreements between management and the outside auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, evaluate the performance of the outside auditor and, if so determined by the Committee, replace the outside auditor; it being acknowledged that the outside auditor is accountable and must report directly to the Committee and ultimately to the Board, as representatives of the stockholders.
2.
The Committee shall receive and evaluate the written disclosures and the letters that the outside auditor is required to deliver to the Committee regarding its independence, discuss with the outside auditor any disclosed relationships or services that

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A

may impact its objectivity and independence and, if so determined by the Committee as part of its evaluation, take, or recommend that the Board take, appropriate action concerning independence of the outside auditor.

3.

The Committee shall approve, in advance of their performance, all audit services (which may entail providing comfort letters in connection with securities underwritings) and non-audit services (including tax services) to be provided to the Company by its outside auditor; *provided, however*, that the Committee shall not approve any of the following non-audit services proscribed by Section 10A(g) of the Exchange Act in the absence of an applicable exemption or except as otherwise permitted by the rules and regulations of the SEC:

C. Internal Audit Department and Regulatory Compliance

1.

The Committee shall review the budget, plans, organizational structure and qualifications of the internal audit department, as needed.

2.

The Committee shall review significant reports prepared by the internal audit department, together with management's response thereto and follow-up to these reports. In the event that such reports concern any significant exposures, fraud or regulatory noncompliance, this review should include consideration of the internal controls that should be strengthened to reduce the risk of a similar event in the future.

3.

The Committee shall appoint the director of internal audit, approve all compensation and evaluate the director's performance.

3. The Committee shall maintain minutes of its meetings and periodically report to the Board on significant matters that come to the attention of the Committee.
4. The Committee shall provide for the education and training of the Members, as needed.

approved by shareholders May 18, 1998, May 17, 1999, May 15, 2000,
May 15, 2001, May 7, 2002 and Amendments approved by the
Board of Directors on November 29, 2000, March 26, 2002 and February 27, 2003.

I. THE PLAN.

1.1 Purpose.

The purpose of this Plan is to promote the success of the Company by providing an additional means to attract, motivate and retain key personnel, consultants, advisors and knowledgeable directors through the grant of Options and other Awards that provide added long term incentives for high levels of performance and for significant efforts to improve the financial performance of the Company. Capitalized terms are defined in Article VII.

1.2 Administration.

(a) This Plan shall be administered by the Committee. Action of the Committee with respect to the administration of this Plan shall be taken pursuant to a majority vote or the unanimous written consent of its members. In the event action by the Committee is taken by written consent, the action shall be deemed to have been taken at the time specified in the consent or, if none is specified, at the time of the last signature. The Committee may delegate administrative functions to individuals who are officers or employees of the Company.

(b) Subject to the express provisions of this Plan, the Committee shall have the authority to construe and interpret this Plan and any agreements defining the rights and obligations of the Company and Participants under this Plan, to further define the terms used in this Plan, to prescribe, amend and rescind rules and regulations relating to the administration of this Plan, to determine the duration and purposes of leaves of absence which may be granted to Participants without constituting a termination of their employment or consulting services for purposes of this Plan, to accelerate or extend the exercisability or extend the term of any or all outstanding Awards within the maximum term of such Awards required by Section 2.3 or applicable law, and to make all other determinations necessary or advisable for the administration of this Plan. The determination of the Committee on any of the foregoing matters shall be conclusive.

(c) Any action taken by, or inaction of, the Company, any Subsidiary, the Board or the Committee relating to this Plan shall be within the absolute discretion of that entity or body. No member of the Board or Committee, or officer of the Company or any Subsidiary, shall be liable for any such action or inaction.

(d) In making any determination or in taking or not taking any action under this Plan, the Company, any Subsidiary, the Board or the Committee may obtain and rely upon the advice of experts, including professional advisors to the Company. No member of the Board or Committee, or officer of the Company or any Subsidiary, shall be liable for any such action or determination made or omitted.

(e) Subject to the requirements of Section 7.1(h), the Board, at any time it so desires, may increase or decrease the number of members of the Committee, may remove from

membership on the Committee all or any portion of its members, and may appoint such person or persons as it desires to fill any vacancy existing on the Committee, whether caused by removal, resignation or otherwise.

1.3 Participation.

Awards may be granted only to Eligible Employees. An Eligible Employee who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Committee shall so determine. Except as provided in Section 2.6 below, members of the Board who are not officers or employees of the Company shall not be eligible to receive Awards.

1.4 Shares Available Under the Plan.

Subject to the provisions of Section 6.2, the capital stock that may be delivered under this Plan shall be shares of the Company's authorized but unissued Common Stock and any shares of its Common Stock held as treasury shares. The aggregate maximum number of shares of Common Stock that may be issued or transferred pursuant to Awards (including Incentive Stock Options) granted under this Plan shall not exceed 6,500,000* shares. The maximum number of shares of Common Stock that may be delivered pursuant to options qualified as Incentive Stock Options granted under the Plan is 6,500,000 shares. The maximum number of shares that may be subject to Options and Stock Appreciation Rights that are granted during any calendar year to any individual shall not exceed 500,000 shares. Each of the foregoing numerical limits shall be subject to adjustment as contemplated by this Section 1.4 and Section 6.2. If any Option and any related Stock Appreciation Right shall lapse or be cancelled or terminate without having been exercised in full, or any Common Stock subject to a Restricted Stock Award shall not vest or any Common Stock subject to a Performance Share Award shall not have been transferred, the unpurchased, unvested or nontransferred shares subject thereto shall again be available for purposes of this Plan.

*

Reflects proposed share increase to be considered by stockholders at 2003 Annual Meeting.

1.5 Grant of Awards.

Subject to the express provisions of this Plan, the Committee shall determine from the class of Eligible Employees those individuals to whom Awards under this Plan shall be granted, the terms of Awards (which need not be identical) and the number of shares of Common Stock subject to each Award. Each Award shall be subject to the terms and conditions set forth in this Plan and such other terms and conditions established by the Committee as are not inconsistent with the purpose and provisions of this Plan. The grant of an Award is made on the Award Date.

1.6 Exercise of Awards.

An Option or Stock Appreciation Right shall be deemed to be exercised when the Secretary of the Company receives written notice of such exercise from the Participant, together with payment of the purchase price made in accordance with Section 2.2(a), except to the extent payment may be permitted to be made following delivery of written notice of exercise in accordance with Section 2.2(b). Notwithstanding any other provision of this Plan, the Committee may impose, by rule and in Awards Agreements, such conditions upon the exercise of Awards (including, without limitation, conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements.

1.7 No Transferability; Limited Exception to Transfer Restrictions.

(a) Unless otherwise expressly provided below (or pursuant to) this Section 1.7, by applicable law and by the Award Agreement, as the same may be amended, (i) all Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; Awards shall be exercised only by the Participant; and (ii) amounts payable or shares issuable pursuant to an Award shall be delivered only to (or for the account of) the Participant.

(b) The Committee may permit Awards to be exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's immediate family and/or charitable institutions, or to such other persons or entities as may be approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes on a gratuitous or donative basis and without consideration (other than minimal consideration). Notwithstanding the foregoing, Incentive Stock Options and Restricted Stock Awards shall be subject to any and all additional transfer restrictions under the Code.

(c) The exercise and transfer restrictions in Section 1.7(a) shall not apply to:

(i) transfers to the Company;

(ii) the designation of a beneficiary to receive benefits in the event of the Participant's death or, if the Participant has died, transfers to or exercise by the Participant's beneficiary, or in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution;

(iii) transfers pursuant to a QDRO order if approved or ratified by the Committee;

(iv) if the Participant has suffered a Total Disability, permitted transfers or exercises on behalf of the Participant by his legal representative;

(v) the authorization by the Committee of "cashless exercise" procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Committee.

II. OPTIONS.

2.1 Grants.

One or more Options may be granted to any Eligible Employee. Each Option so granted shall be designated by the Committee as either a Nonqualified Stock Option or an Incentive Stock Option; provided, however, that consultants or advisors may not be granted Incentive Stock Options under the Plan.

2.2 Option Price.

(a) The purchase price per share of Common Stock covered by each Option shall be determined by the Committee, but in the case of Incentive Stock Options shall not be less than 100% (110% in the case of a Participant who owns more than 10% of the total

combined voting power of all classes of stock of the Company) of the Fair Market Value of the Common Stock on the date the Incentive Stock Option is granted. The purchase price of any shares purchased shall be paid in full at the time of each purchase in one or a combination of the following methods: (i) in cash or by check payable to the order of the Company, (ii) if authorized by the Committee or specified in the Option being exercised, by a promissory note made by the Participant in favor of the Company, upon the terms and conditions determined by the Committee, and secured by the Common Stock issuable upon exercise in compliance with applicable law (including, without limitation, state corporate law and federal margin requirements) or (iii) if authorized by the Committee or specified in the Option being exercised, by shares of Common Stock of the Company already owned by the Participant; provided, however, that any shares delivered which were initially acquired upon exercise of a stock option must have been owned by

the Participant at least six months as of the date of delivery. Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise.

(b) In addition to the payment methods described in subsection (a), the Option may provide that the Option can be exercised and payment made by delivering a properly executed exercise notice together with irrevocable instructions to a bank or broker to promptly deliver to the Company the amount of sale or loan proceeds necessary to pay the exercise price and, unless otherwise allowed by the Committee, any applicable tax withholding under Section 6.6. The Company shall not be obligated to deliver certificates for the shares unless and until it receives full payment of the exercise price therefor.

2.3 Option Period.

Each Option and all rights or obligations thereunder shall expire on such date as shall be determined by the Committee, but not later than 10 years after the Award Date, and shall be subject to earlier termination as hereinafter provided.

2.4 Exercise of Options.

(a) Subject to Sections 6.2 and 6.4, an Option may become exercisable or vest, in whole or in part, on the date or dates specified in the Award Agreement and thereafter shall remain exercisable until the expiration or earlier termination of the Option. An Option may be exercisable or vest on the Award Date.

(b) The Committee may, at any time after grant of the Option and from time to time, increase the number of shares exercisable at any time so long as the total number of shares subject to the Option is not increased. No Option shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded. Not less than 10 shares of Common Stock may be purchased at one time unless the number purchased is the total number at the time available for purchase under the terms of the Option.

2.5 Limitations on Grant of Incentive Stock Options.

(a) To the extent that the aggregate fair market value of stock with respect to which incentive stock options first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to Incentive Stock Options under this Plan and stock subject to incentive stock options under all other plans of the Company, such options shall be treated as nonqualified stock options. For purposes

4

of determining whether the \$100,000 limit is exceeded, the fair market value of stock subject to options shall be determined as of the date the options are awarded. In reducing the number of options treated as incentive stock options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Company may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

(b) There shall be imposed in any Award Agreement relating to Incentive Stock Options such terms and conditions as are required in order that the Option be an "incentive stock option" as that term is defined in Section 422 of the Code.

(c) No Incentive Stock Option may be granted to any person who, at the time the Incentive Stock Option is granted, owns shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless the exercise price of such Option is at least 110% of the Fair Market Value of the stock subject to the Option and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

2.6 Non-Employee Director Options.

(a) *Participation.* Options under this Section 2.6 shall be granted only to Non-Employee Directors. Options granted pursuant to this Section 2.6 will be evidenced by Award Agreements the forms of which have been approved by the Board. Option grants contemplated by this Section 2.6 shall be made without any further action by the Board or the Committee.

(b) *2001 Option Grants.* Upon the date of the Company's annual meeting of stockholders in 2001, each Non-Employee Director then in office (or elected to office at such meeting) who continues as a Non-Employee Director after such meeting shall automatically be granted a Nonqualified Stock Option (the Award Date of which shall be the date of such meeting) to purchase 25,000

shares of Common Stock.

(c) *Initial Option Grants.* Upon an individual's initial election to the Board as a Non-Employee Director (or initial appointment to the Board as a Non-Employee Director), such Non-Employee Director shall automatically be granted a Nonqualified Stock Option (the Award Date of which shall be the date of such election or appointment) to purchase 15,000 shares of Common Stock. Notwithstanding the foregoing, a Non-Employee Director whose initial election or appointment to the Board as a Non-Employee Director occurs in 2001 and on or before the date of the Company's annual meeting of stockholders in 2001 shall be eligible to be granted an Option under Section 2.6(b) but shall not be granted an Option under this Section 2.6(c) (or the predecessor provision to this Section 2.6(c)).

(d) *Annual Option Grants.* Each Non-Employee Director then continuing in office shall automatically be granted on the day of the Company's annual stockholders meeting in each year during the term of this Plan commencing in 2002 a Nonqualified Stock Option (the Award Date of which shall be the date of such meeting) to purchase 10,000 shares of Common Stock. Notwithstanding the foregoing, a Non-Employee Director shall not be granted an Option under this Section 2.6(d) if, during the same calendar year, he or she

5

had been granted or is then entitled to an Option grant under Section 2.6(b) or under Section 2.6(c) (or the predecessor provision to Section 2.6(c)).

(e) *Option Price.* The purchase price per share of the Common Stock covered by each Option granted pursuant to this Section 2.6 shall be one hundred percent of the Fair Market Value of the Common Stock on the Award Date. The purchase price of any shares purchased shall be paid in full at the time of each purchase in cash or by check or in shares of Common Stock valued at their Fair Market Value on the business day next preceding the date of exercise of the Option, or partly in such shares and partly in cash.

(f) *Option Period.* Each Option granted under this Section 2.6 and all rights or obligations thereunder shall expire on the tenth anniversary of the Award Date and shall be subject to earlier termination as provided below.

(g) *Exercise of Options.* Except as otherwise provided in the applicable Award Agreement and Sections 2.6(h) and 2.6(i), each Option granted under this Section 2.6 shall become exercisable according to the following schedule: (i) one-third of the total number of shares subject to the Option shall become exercisable on the May 1 that occurs in the first calendar year following the calendar year in which the Award Date occurs, (ii) an additional one-third of the total number of shares subject to the Option shall become exercisable on the May 1 that occurs in the second calendar year following the calendar year in which the Award Date occurs, and (iii) the remaining number of shares subject to the Option shall become exercisable on the May 1 that occurs in the third calendar year following the calendar year in which the Award Date occurs.

(h) *Termination of Directorship.* If a Non-Employee Director Participant's services as a member of the Board terminate, each Option granted pursuant to this Section 2.6 to such Non-Employee Director Participant which is not then exercisable shall terminate; provided, however, that if a Non-Employee Director Participant's services as a member of the Board terminate by reason of death or Total Disability, either the Board or the Committee may, in its discretion, consider to be exercisable a greater portion of any such Option than would otherwise be exercisable, upon such terms as the Board or the Committee shall determine. If a Non-Employee Director Participant's services as a member of the Board terminate by reason of death or Total Disability, any portion of any such Option which is then exercisable may be exercised for one year after the date of such termination or the balance of such Option's term, whichever period is shorter. If a Non-Employee Director Participant's services as a member of the Board terminate for any other reason, any portion of any such Option which is then exercisable may be exercised for six months after the date of such termination or the balance of such Option's term, whichever period is shorter.

(i) *Acceleration Upon an Event.* Immediately prior to the occurrence of an Event, in order to protect the holders of Options granted under this Section 2.6, each Option granted under this Section 2.6 and then outstanding shall become exercisable in full.

(j) *Adjustments.* The specific numbers of shares stated in Sections 2.6(b), 2.6(c) and 2.6(d) and the consideration payable for such shares shall be subject to adjustment in certain events as provided in Section 6.2 of this Plan.

6

(k) *Prior Option Grants.* Options granted under this Section 2.6 prior to the amendment of this Section 2.6 in 2001 shall be governed by the provisions of this Section 2.6 as in effect on the Award Date of the respective Option.

(l) *Limits.* Option grants under this Section 2.6 that would otherwise exceed the maximum number of shares otherwise available for Award grants under this Plan shall be prorated within such limitation.

2.7 No Repricing.

Subject to Section 1.4 and Section 6.7 and the specific limitations on Options contained in this Plan, the Committee from time to time may authorize, generally or in specific cases only, for the benefit of any Eligible Employee, any adjustment in the exercise price, the number of shares subject to or the term of, an Option granted under this Plan by cancellation of an outstanding Option and a subsequent regranting of an Option, by amendment, by substitution of an outstanding Option, by waiver or by other legally valid means; provided, however, that no such amendment or other action (other than adjustments contemplated by Section 6.2) shall constitute or result in a repricing of an outstanding Option to a per share exercise price that is less than the Fair Market Value of a share of Common Stock on the original Award Date of the initial Option at issue without stockholder approval of such amendment or other action.

III. STOCK APPRECIATION RIGHTS.

3.1 Grants.

In its discretion, the Committee may grant Stock Appreciation Rights concurrently with the grant of Options. A Stock Appreciation Right shall extend to all or a portion of the shares covered by the related Option. A Stock Appreciation Right shall entitle the Participant who holds the related Option, upon exercise of the Stock Appreciation Right and surrender of the related Option, or portion thereof, to the extent the Stock Appreciation Right and related Option each were previously unexercised, to receive payment of an amount determined pursuant to Section 3.3. Any Stock Appreciation Right granted in connection with an Incentive Stock Option shall contain such terms as may be required to comply with the provisions of Section 422 of the Code and the regulations promulgated thereunder. In its discretion, the Committee may also grant Stock Appreciation Rights independently of any Option subject to such conditions as the Committee may in its absolute discretion provide.

3.2 Exercise of Stock Appreciation Rights.

(a) A Stock Appreciation Right granted concurrently with an Option shall be exercisable only at such time or times, and to the extent, that the related Option shall be exercisable and only when the Fair Market Value of the stock subject to the related Option exceeds the exercise price of the related Option.

(b) In the event that a Stock Appreciation Right granted concurrently with an Option is exercised, the number of shares of Common Stock subject to the related Option shall be charged against the maximum amount of Common Stock that may be issued or transferred pursuant to Awards under this Plan. The number of shares subject to the Stock Appreciation Right and the related Option of the Participant shall also be reduced by such number of shares.

7

(c) If a Stock Appreciation Right granted concurrently with an Option extends to less than all the shares covered by the related Option and if a portion of the related Option is thereafter exercised, the number of shares subject to the unexercised Stock Appreciation Right shall be reduced only if and to the extent that the remaining number of shares covered by such related Option is less than the remaining number of shares subject to such Stock Appreciation Right.

(d) A Stock Appreciation Right granted independently of any Option shall be exercisable pursuant to the terms of the Award Agreement.

3.3 Payment.

(a) Upon exercise of a Stock Appreciation Right and surrender of an exercisable portion of the related Option, the Participant shall be entitled to receive payment of an amount determined by multiplying

(i) the difference obtained by subtracting the exercise price per share of Common Stock under the related Option from the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right, by

(ii) the number of shares with respect to which the Stock Appreciation Right shall have been exercised.

(b) The Committee, in its sole discretion, may settle the amount determined under paragraph (a) above solely in cash, solely in shares of Common Stock (valued at Fair Market Value on the date of exercise of the Stock Appreciation Right), or partly in such shares and partly in cash, provided that the Committee shall have determined that such exercise and payment are consistent with applicable law. In any event, cash shall be paid in lieu of fractional shares. Absent a determination to the contrary, all Stock Appreciation Rights shall be settled in cash as soon as practicable after exercise. The exercise price for the Stock Appreciation Right shall be the exercise price of the related Option. Notwithstanding the foregoing, the Committee may, in the Award Agreement, determine the maximum amount of cash or stock or a combination thereof which may be delivered upon exercise of a Stock Appreciation Right.

(c) Upon exercise of a Stock Appreciation Right granted independently of any Option, the Participant shall be entitled to receive payment of an amount based on a percentage, specified in the Award Agreement, of the difference obtained by subtracting the Fair Market Value per share of Common Stock on the Award Date from the Fair Market Value per share of Common Stock on the date of exercise of the Stock Appreciation Right. Such amount shall be paid as described in paragraph (b) above.

IV. RESTRICTED STOCK AWARDS.

4.1 Grants.

Subject to Section 1.4, the Committee may, in its discretion, grant one or more Restricted Stock Awards to any Eligible Employee. Each Restricted Stock Award agreement shall specify the number of shares of Common Stock to be issued to the Participant, the date of such issuance, the price, if any, to be paid for such shares by the Participant and the restrictions

8

imposed on such shares, which restrictions shall not terminate earlier than six months after the Award Date.

4.2 Restrictions.

(a) Shares of Common Stock included in Restricted Stock Awards may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered, either voluntarily or involuntarily, until such shares have vested.

(b) Participants receiving Restricted Stock shall be entitled to dividend and voting rights for the shares issued even though they are not vested, provided that such rights shall terminate immediately as to any forfeited Restricted Stock.

(c) In the event that the Participant shall have paid cash in connection with the Restricted Stock Award, the Award Agreement shall specify whether and to what extent such cash shall be returned upon a forfeiture (with or without an earnings factor).

V. PERFORMANCE SHARE AWARDS.

5.1 Grants of Performance Share Awards.

The Committee may, in its discretion, grant Performance Share Awards to Eligible Employees based upon such factors as the Committee shall determine. A Performance Share Award agreement shall specify the number of shares of Common Stock (if any) subject to the Performance Share Award, the price, if any, to be paid for any such shares by the Participant and the conditions upon which payment or issuance to the Participant shall be based. The amount of cash or shares or other property that may be deliverable pursuant to a Performance Share Award shall be based upon the degree of attainment over a specified period of not more than 10 years (a "performance cycle") as may be established by the Committee of such measure(s) of the performance of the Company (or any part thereof) or the Participant as may be established by the Committee. The Committee may provide for full or partial credit, prior to completion of such performance cycle or the attainment of the

performance achievement specified in the Award in the event of the Participant's death, Retirement, or Total Disability, an Event or in such other circumstances as the Committee, consistent with Section 6.12, may determine.

5.2 Grants of Performance-Based Share Awards.

Without limiting the generality of the foregoing, and in addition to Options and Stock Appreciation Rights granted under other provisions of this Plan which are intended to satisfy the exception for "performance-based compensation" under Section 162(m) of the Code (with such Awards hereinafter referred to as "Qualifying Options" or "Qualifying Stock Appreciation Rights," respectively), other performance-based awards within the meaning of Section 162(m) of the Code ("Performance-Based Awards"), whether in the form of Cash-Based Awards, restricted stock, performance stock, phantom stock or other rights, the grant, vesting, exercisability, or payment of which depends on the degree of achievement of the Performance Goals relative to preestablished targeted levels for the Company or a consolidated segment, subsidiary, or division of the Company, may be granted under this Plan. Any Qualifying Option or Qualifying Stock Appreciation Right shall be subject only to the requirements of subsections (a) and (c) below in order for such Awards to satisfy the requirements for Performance-Based Awards under this Section 5.2. With the exception of any Qualifying Option or Qualifying Stock

9

Appreciation Right, an Award that is intended to satisfy the requirements of this Section 5.2 shall be designated as a Performance-Based Award at the time of grant.

(a) The eligible class of persons for Performance-Based Awards under this Section shall be executive officers of the Company.

(b) The applicable performance goals for Performance-Based Awards (other than Qualifying Options) shall be, on an absolute or relative basis, one or more of the Performance Goals, as selected by the Committee in its sole discretion. The Committee shall establish in the applicable Award Agreement the specific performance targets(s) relative to the Performance Goal(s) which must be attained before the compensation under the Performance-Based Award becomes payable. The specific targets shall be determined within the time period permitted under Section 162(m) of the Code (and any regulations issued thereunder) so that such targets are considered to be preestablished and so that the attainment of such targets is substantially uncertain at the time of their establishment. The applicable performance measurement period may not be less than one nor more than 10 years.

(c) Notwithstanding any other provision of the Plan to the contrary, the maximum number of shares of Common Stock which may be delivered pursuant to Awards qualified as Performance-Based Awards to any Participant in any calendar year shall not exceed 500,000 shares, either individually or in the aggregate, subject to adjustment as provided in Section 6.2. Awards that are cancelled during the year shall be counted against this limit to the extent required by Section 162(m) of the Code. In addition, the aggregate amount of compensation to be paid to any Participant in any calendar year in respect of any Cash-Based Awards granted during any calendar year as Performance-Based Awards shall not exceed \$1,000,000.

(d) Before any Performance-Based Award under this Section 5.2 is paid (other than a Qualifying Option or Qualifying Stock Appreciation Right), the Committee must certify in writing that the Performance Goals and any other material terms of the Performance-Based Award were satisfied; provided, however, that a Performance-Based Award may be paid without regard to the satisfaction of the applicable Performance Goal(s) with respect to an Event in accordance with Section 6.4.

(e) The Committee will have discretion to determine the restrictions or other limitations of the individual Awards under this Section 5.2 (including the authority to reduce Awards, payouts or vesting or to pay no Awards, in its sole discretion, if the Committee preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise).

(f) In the event of a change in corporate capitalization, such as a stock split or stock dividend, or a corporate transaction, such as a merger, consolidation, spinoff, reorganization or similar event, or any partial or complete liquidation of the Company, or any similar event consistent with the regulations issued under Section 162(m) of the Code including, without limitation, any material change in accounting policies or practices affecting the Company and/or the Performance Goals or targets, then the Committee may make adjustments to the Performance Goals and targets relating to outstanding Performance-Based Awards to the extent such adjustments are made to reflect the occurrence of such an event; provided, however, that adjustments described in this subsection may be made only to the extent that the occurrence of an event described herein was unforeseen at the time the targets for a Performance-Based Award were established by the Committee.

10

VI. OTHER PROVISIONS.

6.1 *Rights of Eligible Employees, Participants and Beneficiaries.*

(a) Status as an Eligible Employee shall not be construed as a commitment that any Award will be granted under this Plan to any Eligible Employee generally.

(b) Nothing contained in this Plan (or in Award Agreements or in any other documents related to this Plan or to Awards) shall confer upon any Eligible Employee or Participant any right to continue in the service or employ of the Company or a Subsidiary or constitute any contract or agreement of service or employment, or interfere in any way with the right of the Company or a Subsidiary to reduce such person's compensation or other benefits or to terminate the services or employment of such Eligible Employee or Participant, with or without cause, but nothing contained in this Plan or any document related thereto shall affect any independent contractual right of any Eligible Employee or Participant. Nothing contained in this Plan or any document related hereto shall influence the construction or interpretation of the Company's Certificate of Incorporation or Bylaws regarding service on the Board.

(c) Options payable under this Plan shall be payable in shares and no special or separate reserve, fund or deposit shall be made to assure payment of such Options. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock) of the Company by reason of any Award granted hereunder. Neither the provisions of this Plan (or of any documents related hereto), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company (or any Subsidiary) and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person acquires a right to receive an Award hereunder, such right shall be no greater than (and will be subordinate to) the right of any unsecured general creditor of the Company.

6.2 *Adjustments Upon Changes in Capitalization.*

(a) If the outstanding shares of Common Stock are changed into or exchanged for cash or a different number or kind of shares or securities of the Company or of another issuer, or if additional shares or new or different securities are distributed with respect to the outstanding shares of the Common Stock, through a reorganization or merger to which the Company is a party, or through a combination, consolidation, recapitalization, reclassification, stock split, stock dividend, reverse stock split, stock consolidation or other capital change or adjustment, an appropriate adjustment shall be made in the number and kind of shares or other consideration that is subject to or may be delivered under this Plan and pursuant to outstanding Awards. A corresponding adjustment to the consideration payable with respect to Awards granted prior to any such change and to the price, if any, paid in connection with Restricted Stock Awards or Performance Share Awards shall also be made. Any such adjustment, however, shall be made without change in the total payment, if any, applicable to the portion of the Award not exercised but with a corresponding adjustment in the price for each share. Corresponding adjustments shall be made with respect to Stock Appreciation Rights based upon the adjustments made to the Options to which they are related or, in the case of Stock Appreciation Rights granted independently of any Option, based upon the adjustments made to Common Stock.

11

(b) Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, the Plan shall terminate. Notwithstanding the foregoing, the Committee may provide in writing in connection with, or in contemplation of, any such transaction for any or all of the following alternatives (separately or in combinations): (i) for the assumption by the successor corporation of the Awards theretofore granted or the substitution by such corporation for such Awards of Awards covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; (ii) for the continuance of this Plan by such successor corporation in which event this Plan and the Options shall continue in the manner and under the terms so provided; or (iii) for the payment in cash or shares of Common Stock in lieu of and in complete satisfaction of such Awards.

(c) In adjusting Awards to reflect the changes described in this Section 6.2, or in determining that no such adjustment is necessary, the Committee may rely upon the advice of independent counsel and accountants of the Company, and the determination of the Committee shall be conclusive. No fractional shares of stock shall be issued under this Plan on account of any such adjustment.

6.3 *Termination of Employment.*

(a) If the Participant's service to or employment by the Company and its Subsidiaries terminates for any reason other than Retirement, death or Total Disability, the Participant shall have, subject to earlier termination pursuant to or as contemplated by

Section 2.3, thirty days or such shorter period as is provided in the Award Agreements from the date of termination of services or employment to exercise any Option to the extent it shall have become exercisable on the date of termination of employment, and any Option not exercisable on that date shall terminate. Notwithstanding the preceding sentence, in the event the Participant is discharged for cause as determined by the Committee in its sole discretion, all Options shall lapse immediately upon such termination of services or employment.

(b) If the Participant's service to or employment by the Company and its Subsidiaries terminates as a result of Retirement or Total Disability, the Participant or Participant's Personal Representative, as the case may be, shall have, subject to earlier termination pursuant to or as contemplated by Section 2.3, 3 months or such shorter period as is provided in the Award Agreements from the date of termination of services or employment to exercise any Option to the extent it shall have become exercisable by the date of termination of services or employment and any Option not exercisable on that date shall terminate.

(c) If the Participant's service to or employment by the Company and its Subsidiaries terminates as a result of death while the Participant is rendering services to the Company (or a Subsidiary) or is employed by the Company (or a Subsidiary) or during the 3 month period referred to in subsection (b) above, the Participant's Option shall be exercisable by the Participant's Beneficiary, subject to earlier termination pursuant to or as contemplated by Section 2.3, during the 3 month period or such shorter period as is provided in the Award Agreements following the Participant's death, as to all or any part of the shares of

12

Common Stock covered thereby to the extent exercisable on the date of death (or earlier termination).

(d) Each Stock Appreciation Right granted concurrently with an Option shall have the same termination provisions and exercisability periods as the Option to which it relates. The termination provisions and exercisability periods of any Stock Appreciation Right granted independently of an Option shall be established in accordance with Section 3.2(d). The exercisability period of a Stock Appreciation Right shall not exceed that provided in Section 2.3 or in the related Award Agreement and the Stock Appreciation Right shall expire at the end of such exercisability period.

(e) In the event of termination of services to or employment with the Company and its Subsidiaries for any reason, (i) shares of Common Stock subject to the Participant's Restricted Stock Award shall be forfeited in accordance with the provisions of the related Award Agreement to the extent such shares have not become vested on that date; and (ii) shares of Common Stock subject to the Participant's Performance Share Award shall be forfeited in accordance with the provisions of the related Award Agreement to the extent such shares have not been issued or become issuable on that date.

(f) In the event of termination of services to or employment with the Company and its Subsidiaries for any reason, other than discharge for cause, the Committee may, in its discretion, increase the portion of the Participant's Award available to the Participant, or Participant's Beneficiary or Personal Representative, as the case may be, upon such terms as the Committee shall determine.

(g) If an entity ceases to be a Subsidiary, such action shall be deemed for purposes of this Section 6.3 to be a termination of services or employment of each consultant or employee of that entity who does not continue as a consultant or as an employee of another entity within the Company.

(h) Upon forfeiture of a Restricted Stock Award pursuant to this Section 6.3, the Participant, or his or her Beneficiary or Personal Representative, as the case may be, shall transfer to the Company the portion of the Restricted Stock Award not vested at the date of termination of services or employment, without payment of any consideration by the Company for such transfer unless the Participant paid a purchase price in which case repayment, if any, of that price shall be governed by the Award Agreement. Notwithstanding any such transfer to the Company, or failure, refusal or neglect to transfer, by the Participant, or his or her Beneficiary or Personal Representative, as the case may be, such nonvested portion of any Restricted Stock Award shall be deemed transferred automatically to the Company on the date of termination of services or employment. The Participant's original acceptance of the Restricted Stock Award shall constitute his or her appointment of the Company and each of its authorized representatives as attorney(s)-in-fact to effect such transfer and to execute such documents as the Company or such representatives deem necessary or advisable in connection with such transfer.

6.4 Acceleration of Awards.

(a) Unless prior to an Event the Board determines that, upon its occurrence, there shall be no acceleration of Awards or determines those selected Awards which shall be accelerated and the extent to which they shall be accelerated, upon the occurrence of an

Event (i) each Option and each related Stock Appreciation Right shall become immediately exercisable to the full extent theretofore not exercisable, (ii) Restricted Stock shall immediately vest free of restrictions and (iii) the number of shares covered by each Performance Share Award shall be issued to the Participant; subject, however, to compliance with applicable regulatory requirements, including without limitation Section 422 of the Code. For purposes of this section only, the Board shall mean the Board as constituted immediately prior to the Event.

(b) If any Option or other right to acquire Common Stock under this Plan has been fully accelerated as permitted by Section 6.4(a) but is not exercised prior to (i) a dissolution of the Corporation, or (ii) an event described in Section 6.2 that the Corporation does not survive, such Option or right shall thereupon terminate, subject to any provision that has been expressly made by the Committee pursuant to Section 6.2(b) for the survival, substitution, exchange or other settlement of such Option or right.

6.5 Government Regulations.

This Plan, the granting and vesting of Awards under this Plan and the issuance or transfer of shares of Common Stock (and/or the payment of money) pursuant thereto are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements.

6.6 Tax Withholding.

(a) Upon the disposition by a Participant or other person of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option prior to satisfaction of the holding period requirements of Section 422 of the Code, or upon the exercise of a Nonqualified Stock Option, the exercise of a Stock Appreciation Right, the vesting of a Restricted Stock Award or the payment of a Performance Share Award the Company shall have the right at its option to (i) require such Participant or such other person to pay by cash or check payable to the Company, the amount of any taxes which the Company or a Subsidiary may be required to withhold with respect to such transactions or (ii) deduct from amounts paid in cash the amount of any taxes which the Company or a Subsidiary may be required to withhold with respect to such cash amounts. The above notwithstanding, in any case where a tax is required to be withheld in connection with the issuance or transfer of shares of Common Stock under this Plan, the Participant may elect, pursuant to such rules as the Committee may establish, to have the Company reduce the number of such shares issued or transferred by the appropriate number of shares to accomplish such withholding.

(b) The Committee may, in its discretion, permit a loan from the Company to a Participant in the amount of any taxes which the Company or a Subsidiary may be required to withhold with respect to shares of Common Stock received pursuant to a transaction

described in subsection (a) above. Such a loan will be for a term, at a rate of interest and pursuant to such other terms and rules as the Committee may establish.

6.7 Amendment, Termination and Suspension.

(a) The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan (or any part hereof). In addition, the Committee may, from time to time, amend or modify any provision of this Plan except Section 6.4 and, with the consent of the Participant, make such modifications of the terms and conditions of such Participant's Award as it shall deem advisable. The Committee, with the consent of the Participant, may also amend the terms of any Option to provide that the Option price of the shares remaining subject to the original Award shall be reestablished at a price not less than 100% of the Fair Market Value of the Common

Stock on the effective date of the amendment. No modification of any other term or provision of any Option which is amended in accordance with the foregoing shall be required, although the Committee may, in its discretion, make such further modifications of any such Option as are not inconsistent with or prohibited by this Plan. No Awards may be granted during any suspension of this Plan or after its termination.

(b) If an amendment would materially (i) increase the benefits accruing to Participants, (ii) increase the aggregate number of shares which may be issued under this Plan, or (iii) modify the requirements of eligibility for participation in this Plan, the amendment shall be approved by the Board and, to the extent then required by applicable law or deemed necessary or desirable by the Board, by a majority of the shareholders.

(c) In the case of Awards issued before the effective date of any amendment, suspension or termination of this Plan, such amendment, suspension or termination of the Plan shall not, without specific action of the Board or the Committee and the consent of the Participant, in any way modify, amend, alter or impair any rights or obligations under any Award previously granted under the Plan.

6.8 Privileges of Stock Ownership.

Except as otherwise expressly authorized by the Committee or under this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by him or her. No adjustment will be made for dividends or other rights as a shareholder for which a record date is prior to such date of delivery.

6.9 Effective Date of the Plan.

This Plan shall be effective upon its approval by the Board, subject to approval by the shareholders of the Company within twelve months from the date of such Board approval.

6.10 Term of the Plan.

Unless previously terminated by the Board, this Plan shall terminate ten years after the Effective Date of the Plan, and no Awards shall be granted under it thereafter, but such termination shall not affect any Award theretofore granted.

15

6.11 Governing Law.

This Plan and the documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with, the laws of the State of California. If any provision shall be held by a court of competent jurisdiction to be invalid and unenforceable, the remaining provisions of this Plan shall continue to be fully effective.

6.12 Plan Construction.

(a) It is the intent of the Company that transactions in and affecting Awards in the case of Participants who are or may be subject to Section 16 of the Exchange Act satisfy any then applicable requirements of Rule 16b-3 so that such persons (unless they otherwise agree) will be entitled to the benefits of such rule or other exemptive rules under Section 16 of the Exchange Act in respect of those transactions and will not be subjected to avoidable liability thereunder. If any provision of the Plan or of any Award would frustrate or otherwise conflict with the intent expressed above, that provision to the extent possible shall be interpreted as to avoid such conflict. If the conflict remains irreconcilable, the Committee may disregard the provision if it concludes that to do so furthers the interest of the Company and is consistent with the purposes of the Plan as to such persons in the circumstances.

(b) It is the further intent of the Company that Options and Stock Appreciation Rights with an exercise or base price not less than Fair Market Value on the date of grant and Performance Share Awards under Section 5.2 of this Plan that are granted to or held by a person subject to Section 16 of the Exchange Act shall qualify as performance-based compensation under Section 162(m) of the Code, and this Plan shall be interpreted consistent with such intent.

6.13 Non-Exclusivity of Plan.

Edgar Filing: NEW CENTURY FINANCIAL CORP - Form DEF 14A
