**PROXY STATEMENT
2005 Annual Meeting of Stockholders**

This Proxy Statement and accompanying Proxy Card are being furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of INVESTools Inc., a Delaware corporation (the "Company"), for use at the 2005 Annual Meeting of Stockholders of the Company to be held at the New York Hilton and Towers, 1335 Avenue of the Americas, 53rd to 54th streets, New York, New York 10019, at 9:00 a.m. (local time) on Monday, June 6, 2005, and at any adjournments thereof (such meeting or adjournment(s) thereof referred to as the "Annual Meeting"), for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying form of proxy card are first being mailed to stockholders on or about May 6, 2005.

The close of business on April 20, 2005 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 44,979,343 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Each share is entitled to one vote on all issues requiring a stockholder vote at the Annual Meeting. Stockholders may not cumulate their votes for the election of directors. Directors shall be elected by a plurality of the votes of the shares present or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have no effect on the outcome of the vote on Item 1. Broker non-votes will not be counted in tabulations of the votes cast on Items 1 or 2 and will have no effect on the outcome of the vote.

All shares represented by properly executed or submitted proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted **FOR** the election as directors of the nominees listed therein, **FOR** the ratification of KPMG LLP as the Company's independent registered public accountants for the year ending December 31, 2005, and in the discretion of the persons named in the proxy in connection with any other business that may properly come before the Annual Meeting. Any person who signs and mails the enclosed proxy, even though executed and returned, may revoke the proxy at any time prior to the voting of the proxy (i) by the execution and submission of a revised proxy, (ii) by written notice to the Corporate Secretary of the Company or (iii) by voting in person at the Annual Meeting. However, a proxy will not be revoked simply by attending the Annual Meeting and not voting. To revoke a proxy previously submitted by telephone or the Internet, a stockholder of record can simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote will thereby be revoked.

(1) ELECTION OF DIRECTORS FOR THE ENSUING YEAR

General

The persons named as proxyholders in the enclosed proxy have been selected by the Board of Directors to serve as Proxies and will vote the shares represented by valid proxies at the 2005 Annual Meeting of Stockholders and any adjournments thereof. Each nominee is currently a member of the Board of Directors. Each duly elected director will hold office until the 2008 Annual Meeting of Stockholders or until his

successors shall have been elected and qualified. Although the Board of Directors of the Company does not contemplate that a nominee will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of such other person as may be nominated by the Board of Directors. Proxies cannot be voted in the election of directors for more than one person, as that is the number of nominees named herein.

All of the Company's directors who were directors at the time of the 2004 Annual Meeting attended the meeting.

Audit Committee

The Audit Committee, which held 13 meetings during 2004, acts on behalf of the Board to oversee all material aspects of the Company's reporting, control and audit functions. The Audit Committee's role includes a particular focus on the qualitative aspects of financial reporting to shareholders and on Company processes for the management of the business/financial risk and for compliance with significant applicable legal, ethical and regulatory requirements. Mr. Wood is Chairman of the Compensation Committee and serves with Messrs. Goldsmith, McFarlan (appointed in December 2004) , Tansill and von Meiss.

Director Nomination Policy

The Company does not currently have a standing Nominating Committee or a formal Nominating Committee Charter. Currently, a majority of the independent members of the Board (as determined by the Board as required by the American Stock Exchange listing standards), rather than a nominating committee, approves or recommends those persons to be nominated. The Board believes that the current method of nominating directors is appropriate because it complies with the American Stock Exchange listing standards.

The Board has, by resolution, adopted a director nomination policy. The purpose of the policy is to describe the process by which candidates for inclusion in the Company's recommended slate of director nominees are selected. The director nomination policy is administered by the Board.

Candidates for Board membership must possess the background, skills and expertise to make significant contributions to the Board, to the Company and its stockholders. Desired qualities to be considered include substantial experience in business or administrative activities; breadth of knowledge about issues affecting the Company; and ability and willingness to contribute special competencies to Board activities. The independent members of the Board also consider whether members and potential members are independent under the American Stock Exchange listing standards. In addition, candidates should possess the following attributes: personal integrity; absence of conflicts of interest that might impede the proper performance of the responsibilities of a director; ability to apply sound and independent business judgment; sufficient time to devote to Board and Company matters; ability to fairly and equally represent all stockholders; reputation and achievement in other areas; independence under rules promulgated by the Securities and Exchange Commission ("SEC") and the American Stock Exchange listing standards; and diversity of viewpoints, background and experiences.

The Board of Directors intends to review the director nomination policy from time to time to consider whether modifications to the policy may be advisable as the Company's needs and circumstances evolve, and as applicable legal or listing standards change. The Board may amend the director nomination policy at any time.

Communications with Directors

The Board of Directors welcomes communications from its stockholders and other interested parties and has adopted a procedure for receiving and addressing those communications. Stockholders and other interested parties may communicate any concerns they may have about the Company directly to either the full Board of Directors or one or more directors by mailing their communications to the Company at the following address: [Director], INVESTools Inc., 585 East 1860 South, Provo, Utah 84606, Attention: Corporate Secretary (Board Matters) or email investor.relations@investools.com. The Corporate Secretary promptly will forward all stockholder communications and other communications from interested parties unopened to the intended recipient.

Shareholder Nominations

The Board will consider director candidates recommended by stockholders and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources. The Company's Bylaws, as amended, provide that in making recommendations for director nominees for the annual meeting of stockholders, the Board of Directors will consider any written recommendations of director candidates by stockholders received by the Secretary of the Company no later than 90 days before the anniversary of the previous year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or if the date of the annual meeting is advanced by more than 30 days prior to, or delayed by more than 60 days after such anniversary date, notice must be received by the 10th day following the date that public disclosure of the date of the annual meeting is given to stockholders. Recommendations must be mailed to INVESTTools Inc., 585 East 1860 South, Provo, Utah 84606, Attention: Corporate Secretary, and include all information regarding the candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules promulgated by the SEC if the candidate were nominated by the Board of Directors (including such candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). The stockholder giving notice must provide (i) his or her name and address, as they appear on the Company's books, and (ii) the class and number of shares of the Company which are beneficially owned by such stockholder. The Company may require any proposed nominee to furnish such other information it may require to be set forth in a stockholder's notice of nomination which pertains to the nominee.

Advisory Board

In 2003, the Company formed an Advisory Board to assist the Company in identifying the best partners and opportunities to expand INVESTTools' leadership in investor education. The Advisory Board does not vote at Board of Director meetings. The Company appointed Andrew H. Forrester and John B. Babcock, Jr. as the Advisory Board's initial members.

Report From the Compensation Committee Regarding Executive Compensation

The Compensation Committee of the Board of Directors consists of Messrs. Wood, Goldsmith, McFarlan, Tansill, and von Meiss.

The goal of the Compensation Committee is to develop compensation policies to attract and retain highly qualified officers, directors and senior managers whose skills are critical to the long-term success of the Company. Such policies are intended to reward and motivate individual and team performance with the common goal of maximizing total stockholder return.

Components of executive compensation include base salary, incentive bonus and stock options. Salary levels for executive officer positions reflect the duties and levels of responsibilities inherent in the position. Salaries of executive officers are reviewed annually and the primary criteria influencing salary adjustments are the individual's performance, experience, contribution to the Company and the competitive marketplace for executive talent. In addition, bonus awards for the executive officers are considered annually and have historically been paid out of the Company's Management Incentive Bonus Plan and the Executive Committee Bonus Plan.

As a result of such annual reviews in 2004, a majority of the executive officers, including the Chief Executive Officer, received bonus awards under the Management Incentive Bonus Plan. The Chief Executive Officer also participated in the Executive Committee Bonus Plan. Bonuses out of these plans were paid in cash. While the Company previously issued restricted stock under the Management Incentive Bonus Plan and Executive Committee Bonus Plan to provide incentives to the Company's officers, all such future issuances will be made under the INVESTools Inc. 2004 Restricted Stock Plan.

Stock options are used by the Company as a long-term incentive and allow executives the opportunity to acquire and build an ownership interest in the Company.

As one of the factors in determining executive compensation, the Compensation Committee considers the anticipated tax treatment to the Company and to the executive officers of various types of compensation and benefits. From time to time, interpretations of and changes in the tax laws affect the deductibility of compensation. The Compensation Committee currently does not anticipate that compensation paid to the executive officers in 2004 will exceed the amounts specified as deductible pursuant to Section 162(m) of the Internal Revenue Code.

The compensation for the Chief Executive Officer is generally determined using the same evaluation criteria used for other officers and managers of the Company. The Chief Executive Officer has met Board of Directors and Compensation Committee expectations with respect to the growth and development of the Company. Consequently, effective as of March 2004, the Compensation Committee increased the Chief Executive Officer's base salary to \$425,000. In December 2004, the Chief Executive Officer entered into a new employment agreement with the Company as discussed in detail below.

By the Compensation Committee:

Stephen C. Wood, Chairman
Michael H. Goldsmith
F. Warren McFarlan (as of December 2004)
Douglas T. Tansill
Hans von Meiss

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee of the Board of Directors of the Company was, during 2004, an officer or employee of the Company or any of its subsidiaries, or was formerly an officer of the Company or any of its subsidiaries or had any relationship requiring disclosure by the

Company. During 2004, no executive officer of the Company served as (i) a member of the Compensation Committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served on the Compensation Committee of the Board of Directors, (ii) a director of another entity, one of whose executive officers served on the Compensation Committee of the Board of Directors, or (iii) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served as a director of the Company.

Employment Agreements

In December 2004, the Company entered into a new employment agreement with Mr. Barba.

Mr. Barba is to serve as Chief Executive Officer and will receive \$425,000 per year as base salary. Mr. Barba also received a stock option grant to purchase 250,000 shares of the Company's common stock, which will vest in four equal annual installments beginning in March 2005, at an exercise price of \$2.22 which equals the market price on the date of grant. Mr. Barba will participate in the Company's Management Incentive Bonus Plan, as well as the Company's benefit plans. Mr. Barba will be reimbursed for routine business and entertainment expenses. The agreement includes a covenant not to compete for 24 months after termination from the Company. In the event of termination due to death or disability, Mr. Barba, or his estate, would receive (i) his salary and (ii) an amount equal to one-half of his then base salary to which he was entitled as of the date of termination and all unpaid amounts under any employee benefit plans (the "Accrued Amounts"), and (iii) all options would vest immediately and expire in one year. In addition, in the event of termination due to disability, Mr. Barba will also receive an amount equal to one-half of his target bonus for the year in which the disability occurs. In the event of termination within 24 months of a change of control (as define in the Agreement), Mr. Barba will receive (i) the Accrued Amounts, and (ii) a lump sum payment equal to two times the sum of (x) Mr. Barba's base salary for the year in which such termination occurs and (y) the greater of (A) Mr. Barba's target bonus in the year of termination and (B) the actual bonus earned by Mr. Barba in the year immediately preceding such termination. In addition, Mr. Barba would receive an additional bonus for any additional taxes the package would trigger. Mr. Barba would also be eligible to continue to participate in any employee benefit plans and programs offered to him under his employment agreement for a period of two years from the date of such termination. If Mr. Barba is terminated without cause or resigns due to a constructive termination or due to the Company's breach of his employment agreement, Mr. Barba is entitled (i) to receive the Accrued Amounts, and (ii) for a period equal to the longer of two years and the period of time remaining under his employment agreement, an amount equal to his base salary for the year of termination and the greater of (x) his target bonus in the year of the termination and (y) the actual bonus earned by Mr. Barba in the year immediately preceding such termination. Mr. Barba will also be eligible to continue to participate in any Company benefit plans for a period of two years from the date of termination, if permitted, or he will be compensated for the fair value of benefits Mr. Barba would not be able to participate in. In addition, Mr. Barba will become fully vested in the stock options granted pursuant to his employment agreement as of the date of termination, and he must exercise such options within three months. Mr. Barba's employment agreement will terminate March 4, 2007 but may be extended for up to two additional one year periods.

In January 2005, the Company entered into an employment agreement with Ms. Ida Kane.

Ms. Kane is to serve as Chief Financial Officer and will receive \$225,000 per year as base salary. Beginning in 2006, Ms. Kane's salary may be increased or decreased by the Company in its sole discretion at any time upon 30 days' written notice. Ms. Kane also received a one-time sign-on bonus in the amount of \$15,000 and a stock option grant to purchase 100,000 shares of the Company's common stock, which will vest in four equal annual installments beginning in January 2006, at an exercise price of \$3.89 which equals the market price on the date of grant. Ms. Kane is entitled to receive an annual

bonus up to a maximum of 35% of her base salary as determined in the sole discretion of the Company, provided that she meets performance goals as established by the Company in its sole discretion. For 2005, Ms. Kane is guaranteed a minimum of \$50,000 in discretionary bonus. Ms. Kane will participate in the Company's benefit plans and will be reimbursed for routine business expenses. The agreement includes a covenant not to compete and a covenant not to solicit or interfere for six months after termination from the Company. In the event of termination due to death, Ms. Kane, or her estate, will receive any compensation due that would otherwise have been payable through the date of death. In the event of termination due to disability, Ms. Kane will receive severance payments equal to three months' base salary. In the event of a change of control (as defined in the agreement) within the first three years of Ms. Kane's employment pursuant to the employment agreement, and Ms. Kane no longer reports to Mr. Barba or the then current Chief Executive Officer of the Company as a result of a change of control, Ms. Kane shall have the right to resign within 30 days following the change of control and be entitled to receive a cash severance benefit in an amount equal to six months' base salary. If Ms. Kane is terminated without cause, she is entitled to severance compensation in an amount equal to the greater of (i) six months' base salary or (ii) the severance pay to which she would be entitled to under a severance pay plan, if any, in effect at the time of her termination without cause.

Certain Relationships and Related Transactions

In the past, as part of the normal course of business, some members of the Board of Directors have proposed business alliances between the Company and companies with which they are associated. In the opinion of management, each of these transactions or arrangements was entered into on terms as favorable to the Company as could have been obtained in transactions or arrangements with unaffiliated third parties. However, at this time no such arrangements or alliances exist.

Audit Committee Report

The Audit Committee of the Board of Directors consists of Messrs. von Meiss, Goldsmith, McFarlan, Tansill and Wood. The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors and attached to this Proxy Statement as Appendix A. Each of the members of the Audit Committee is independent, as defined in Section 121A of the listing standards for the American Stock Exchange.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accountants are responsible for performing an audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. It is the Audit Committee's responsibility to monitor these processes.

In this context, the Audit Committee has reviewed and discussed with the Company's independent public accountants the overall scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Discussions about the Company's audited financial statements included the independent registered public accountants' judgments about the quality, not just the acceptability of the application of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent registered public accountants other matters required by Statement on Auditing Standards ("SAS") No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*.

The Company's independent registered public accountants provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed the independent registered public accountants' independence with management and the independent registered public accountants. In addition, the Audit Committee considered whether the other non-audit consulting services provided by the independent registered public accountants' firm could impair the auditor's independence and concluded that such services have not impaired the independent registered public accountants' independence.

Based on the Audit Committee's discussion with management and the independent registered public accountants and the Audit Committee's review of the representations of management and the report of the independent registered public accountants to the Audit Committee, the Audit Committee

recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K/A for the year ended December 31, 2004 filed with the SEC.

By the Audit Committee:

Hans von Meiss, Chairman
Michael H. Goldsmith
F. Warren McFarlan (as of December 2004)
Douglas T. Tansill
Stephen C. Wood

Code of Business Conduct and Ethics

In August 2003, the Board of Directors of the Company adopted a Code of Business Conduct and Ethics governing its Chief Executive Officer, Chief Financial Officer, its other executive officers and the Board of Directors. The Company's Code of Business Conduct and Ethics is available on the Company's corporate website at <http://www.investtools.com> on the "Investor Relations" page under "Corporate Governance." Audit-Related Fees

There were no fees billed in the fiscal years ended December 31, 2004 and December 31, 2003 for assurance and related services rendered by KPMG LLP that are related to the performance of the audit or review of the Company's financial statements but not reportable as Audit Fees.

Audit Committee Pre-Approval Policies

The Audit Committee has established a policy intended to clearly define the scope of services performed by the Company's independent registered public accountants for non-audit services. This policy relates to audit services, audit-related services, tax and all other services which may be provided by the Company's independent registered public accountants and is intended to assure that such services do not impair the auditor's independence. The policy requires the pre-approval by the Audit Committee of all services to be provided by the Company's independent registered public accountants. Under the policy, the Audit Committee will annually review and pre-approve the services that may be

provided by the independent registered public accountants without obtaining specific pre-approval from the Audit Committee or its designee. In addition, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated is required to report to the Audit Committee at its next meeting any services which such member or members has approved. The policy also provides that the Audit Committee will pre-approve the fee levels for all services to be provided by the independent registered public accountants. Any proposed services exceeding these levels will require pre-approval by the Audit Committee.

All of the services provided by the Company's principal accounting firm described above under the captions "Audit Fees" were approved in accordance with this policy and the Audit Committee has determined that the independent registered public accountants' independence has not been compromised as a result of providing these services and receiving the fees for such services as noted above.

(2) RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR 2005

The Board of Directors appointed the Company's existing certified independent registered public accountants, KPMG LLP, as the independent registered public accountants of the Company for the fiscal year ending December 31, 2005, and such appointment is hereby submitted to the stockholders for ratification. Such ratification requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to a vote at the Annual Meeting.

In the event that the appointment of KPMG LLP, as independent registered public accountants for 2005 is not ratified by the stockholders, the adverse vote will be considered as a direction to the Board of Directors to select other auditors for the fiscal year ending December 31, 2005.

The Board of Directors unanimously recommends a vote *FOR* the ratification of the Board's appointment of KPMG LLP as the Company's independent registered public accountants for 2005.
