Table of Contents

Shareholders of record at the close of business on March 10, 2010 (the annual meeting record date), are entitled to vote at the meeting. The Corporation's records show that, as of the annual meeting record date, 5,928,343 shares of the Corporation's common stock, par value \$2.50 per share, were outstanding. On all matters to come before the annual meeting, shareholders may cast one (1) vote for each share held. Cumulative voting rights do not exist with respect to the election of directors.

You may vote your shares by completing and returning a written proxy card. You may also vote in person at the meeting. Submitting your voting instructions by returning a proxy card will not affect your right to attend the meeting and vote, if you later decide to attend in person. If your shares are registered directly in your name with ACNB Corporation's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Corporation. As the shareholder of record, you have the right to grant your voting proxy directly to the proxyholders or to vote in person at the meeting. The Corporation has enclosed a proxy card for your use.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and you are also invited to attend the meeting. However, because you are not the shareholder of record, you may not vote your street name shares in person at the meeting, unless you obtain a proxy executed in your favor from the holder of record. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

By properly completing a proxy, you appoint Frank Elsner, III and Alan J. Stock as proxyholders to vote your shares, as indicated on the proxy card. Any signed proxy card not specifying to the contrary will be voted **FOR**:

1. Fixing the number of Directors of ACNB Corporation at thirteen (13);
2. Fixing the number of Class 1 Directors at five (5);
3. Fixing the number of Class 2 Directors at four (4);
4. Fixing the number of Class 3 Directors at four (4);
5. Electing five (5) Class 1 Directors to serve for terms of three (3) years and until their successors are elected and qualified;
6. Electing one (1) Class 2 Director to serve for a term of two (2) years and until his successor is elected and qualified;
7. Ratifying the selection of ParenteBeard LLC as ACNB Corporation's independent auditors; and,
8. Transacting such other business as may properly come before the 2010 Annual Meeting and any adjournment or postponement thereof.

You may revoke your written proxy by delivering written notice of revocation to Lynda L. Glass, Executive Vice President & Secretary of the Corporation, or by executing a later dated proxy and giving written notice of the revocation to Ms. Glass at any time before the proxy is voted at the meeting. Proxyholders will vote shares represented by proxies on the accompanying proxy card, if properly signed and returned, in accordance with instructions of shareholders.

Although the Board of Directors knows of no other business to be presented, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board of Directors. This proxy statement is being mailed to the Corporation's shareholders on or about March 24, 2010.

Table of Contents

Quorum and Vote Required for Approval

As of the close of business on March 10, 2010, the Corporation had 5,928,343 shares of common stock, par value \$2.50 per share, outstanding.

A majority of the outstanding shares of common stock, represented in person or by proxy, constitutes a quorum for the conduct of business. Under Pennsylvania law and ACNB Corporation's Bylaws, the presence of a quorum is required for each matter to be acted upon at the meeting. Votes withheld and abstentions are counted in determining the presence of a quorum for a particular matter. Broker non-votes are not counted in determining the presence of a quorum for a particular matter as to which the broker withheld authority. Each share is entitled to one (1) vote on all matters submitted to a vote of the shareholders. All matters to be voted upon by the shareholders require the affirmative vote of a majority of shares voted, in person or by proxy, at the annual meeting, except in cases where the vote of a greater number of shares is required by law or under ACNB Corporation's Articles of Incorporation or Bylaws. In the case of the election of directors, the candidates receiving the highest number of votes are elected. Shareholders are not entitled to cumulate votes for the election of directors.

If a quorum is present, approval to fix the number of directors of the Board of Directors, to fix the number of directors in each class, and to ratify the independent auditors for the year ending December 31, 2010, requires the affirmative "**FOR**" vote of a majority of all shares present, in person or by proxy. Abstentions and broker non-votes are not deemed to constitute "votes cast" and, therefore, do not count either for or against the proposals. Abstentions and broker non-votes, however, have the practical effect of reducing the number of affirmative votes required to achieve a majority for the matter by reducing the total number of shares voted from which the required majority is calculated.

If a quorum is present, the shareholders will elect the nominees for director receiving the highest number of "**FOR**" votes cast by those shareholders entitled to vote for the election of directors. The proxyholders will not cast votes for or against any director nominees where the broker withheld authority.

GOVERNANCE OF THE CORPORATION

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and executive management believe promote this purpose, are sound, and represent best practices. We continually review these governance practices, Pennsylvania law (the state in which we are incorporated), rules and listing standards of the OTC Bulletin Board, SEC regulations, as well as best practices suggested by recognized governance authorities. Currently, our Board of Directors has twelve (12) members. Under the SEC and Nasdaq standards for independence, all non-employee directors and nominees meet the standards for independence. This constitutes more than a majority of our Board of Directors. Only independent directors serve on our Audit Committee, Nominating Committee, and Compensation Committee.

Leadership Structure

The Corporation chooses to separate the roles of Chairman and President & CEO. The President & CEO is responsible for implementing the strategic direction of the Corporation, as determined by the Board of Directors, and the day-to-day leadership and performance of the Corporation. The Chairman oversees the agenda for and presides over Board of Director meetings, as well as provides leadership to the Board and facilitates communication between the Board of Directors and executive management. The Corporation believes that even though the Corporation's Chairman of the Board is not considered independent under the SEC and Nasdaq standards for independence, he is

Table of Contents

best suited to serve as Chairman of the non-employee directors because he is the most familiar with the Corporation's business and industry. The Corporation also has formally designated a lead independent director in the Vice Chairman of the Board, who chairs the Corporation's Executive Committee.

Risk Oversight

The Board of Directors has a role in overseeing the Corporation's risks as a whole and at the committee level. The Audit Committee is primarily responsible for overseeing the risks the Corporation faces on behalf of the Board of Directors. The Audit Committee works closely with the Corporation's Chairman of the Board, President & CEO, and Adams County National Bank's Chief Risk Officer, as well as meets with other members of management with respect to matters relating to risk management. The Audit Committee receives reports on risk management, including management's assessment of risk exposures (including risks related to liquidity, credit, operations, and regulatory compliance), and the processes in place to monitor and control such exposures. The Audit Committee may also receive updates, from time to time, between meetings from management relating to risk oversight matters. The Audit Committee provides updates on its risk management activities to the full Board of Directors via the committee's meeting minutes. Further, members of management may make presentations on risk management to the full Board of Directors or another committee of the Board of Directors.

In addition to the Audit Committee, other committees of the Board of Directors consider the risks within their areas of responsibility. For example, the Compensation Committee considers the risks that may be implicated by the Corporation's compensation practices. Also, the Strategic Planning Committee assesses the risks associated with the Corporation's executive management succession plans. The Corporation's Chairman of the Board and President & CEO work closely with these committees.

Director Independence

In determining each director's and nominee's independence, the Board of Directors considered loan transactions between the bank and the individuals, their family members, and businesses with which they are associated. The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board (in addition to those listed above and those transactions set forth under "Transactions with Directors and Executive Officers" below) in reaching its determination that the directors are independent.

| Name | Independent | Other Transactions/ Relationships/Arrangements |
|--------------------------|--------------------|---|
| Philip P. Asper | Yes | None |
| Frank Elsner, III | Yes | None |
| James J. Lott | Yes | None |
| Robert W. Miller | Yes | None |

| Alan J. Stock | Yes | Vendor Relationship |
| Jennifer L. Weaver | Yes | None |
| Harry L. Wheeler | Yes | Vendor Relationship |

In each case, the Board of Directors determined that none of the transactions impaired the independence of the director.

Meetings and Committees of the Board of Directors

The Board of Directors of ACNB Corporation met twelve (12) times during 2009. The Corporation maintains an Audit Committee, Executive Committee, Compensation Committee, Nominating Committee, and Strategic Planning Committee. A total of forty-five (45) Board and committee meetings of the Corporation's Board of Directors were held in 2009. During 2009, each of the directors attended at least 75% of the combined total number of meetings of the Corporation's Board of Directors and the committees of which he or she was a member. While the Board of Directors has no formal policy concerning attendance at the Annual Meeting of Shareholders, all directors are expected to attend. All of the directors attended the 2009 Annual Meeting of Shareholders, and we expect that they will all attend the 2010 Annual Meeting of Shareholders.

Audit Committee. Members of the Audit Committee during 2009 were Directors Daniel W. Potts, who served as Chairperson, Philip P. Asper, Robert W. Miller, John R. Schnitzer (who resigned from the Board on December 31, 2009), and Harry L. Wheeler. In addition, Wayne E. Lau was a member of this committee prior to his retirement from the Board of Directors effective May 5, 2009. Each of these directors is "independent" as defined in the SEC and Nasdaq standards for independence. In addition, Ronald L. Hankey, Thomas A. Ritter and Lynda L. Glass served as ex-officio members of this committee. The principal duties of the Audit Committee, as set forth in its charter, include reviewing significant audit and accounting principles, policies and practices; reviewing performance of internal auditing procedures; overseeing risk management; and, recommending annually to the Board of Directors the engagement of an independent auditor. The charter of the Audit Committee is attached as Appendix A to this proxy statement. The committee met four (4) times during 2009.

Executive Committee. Members of the Executive Committee during 2009 were Directors Frank Elsner, III, who served as Chairperson, Philip P. Asper, Marian B. Schultz, Alan J. Stock, Jennifer L. Weaver, and James E. Williams. In addition, Wayne E. Lau was a member of this committee prior to his retirement from the Board of Directors effective May 5, 2009. In addition, Ronald L. Hankey, Thomas A. Ritter and Lynda L. Glass served as ex-officio members of this committee. The principal duties of the Executive Committee are to act on behalf of the Board between meetings and to evaluate governance issues. The committee met six (6) times during 2009.

Compensation Committee. Members of the Compensation Committee during 2009 were Directors James E. Williams, who served as Chairperson, Philip P. Asper, Frank Elsner, III, Marian B. Schultz, Jennifer L. Weaver, and Harry L. Wheeler. In addition, Wayne E. Lau was a member of and served as Chairperson of this committee prior to his retirement from the Board of Directors effective May 5, 2009. Each of these directors is "independent" as defined in the SEC and Nasdaq standards for independence. The principal duties of the Compensation Committee include evaluating and approving the executive officer compensation plans, policies and programs of the Corporation. The charter of the Compensation Committee is attached as Appendix B to this proxy statement. The Compensation Committee met thirteen (13) times during 2009.

Nominating Committee. Members of the Nominating Committee during 2009 were Directors Philip P. Asper, who served as Chairperson, Frank Elsner, III, Marian B. Schultz, Alan J. Stock, and Harry L. Wheeler. Each of these directors is "independent" as defined in the SEC and Nasdaq standards for independence. The principal duties of the Nominating Committee include identifying

Table of Contents

qualified individuals to serve on the Board and recommending nominees to the Board. The charter of the Nominating Committee is attached as Appendix C to this proxy statement. The Nominating Committee met one (1) time during 2009.

Strategic Planning Committee. Members of the Strategic Planning Committee during 2009 were Ronald L. Hankey, who served as Chairperson, Frank Elsner, III, Daniel W. Potts, Thomas A. Ritter, Alan J. Stock, and Harry L. Wheeler. The principal duties of the Strategic Planning Committee include overseeing the development of and monitoring the progress of the Corporation's strategic plan; keeping the Board of Directors informed of developments, trends and opportunities in the industry that might help improve the Corporation's profitability, growth, and customer service; and, establishing executive management succession plans. The committee met nine (9) times during 2009.

Shareholder Communications

The Board of Directors has formal shareholder communications processes for the submission of shareholder proposals and nomination of directors, as described below. In addition, shareholders may contact any member of the Board personally, by telephone or by written correspondence including email. Written communications received by the Corporation from shareholders are shared with the full Board as deemed appropriate.

Submission of Shareholder Proposals

In order for a shareholder proposal (other than director nominations) to be considered for inclusion in ACNB Corporation's proxy statement for next year's annual meeting, the written proposal must be received by the Corporation no later than November 24, 2010.

All proposals must comply with Securities and Exchange Commission regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. If a shareholder proposal is submitted to the Corporation after November 24, 2010, it is considered untimely; and, although the proposal may be considered at the annual meeting, the Corporation is not obligated to include it in the 2011 Proxy Statement.

Code of Ethics

Since May 1994, Adams County National Bank has had a Conflict of Interest/Code of Ethics. In 2003, as required by law and regulation, the Corporation's Board of Directors first adopted a Code of Ethics which is applicable to our directors, officers and employees.

The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics. We have filed a copy of the Code of Ethics with the SEC as an exhibit to the Form 8-K filed by the Corporation on March 19, 2010.

ELECTION OF DIRECTORS

Nomination of Directors

The Corporation has a standing Nominating Committee with a charter. The Nominating Committee Charter is attached as Appendix C to this proxy statement. Recommendations to the Board of Directors as to the nominees for election as directors at the Annual Meeting of Shareholders are provided by the Nominating Committee. The Nominating Committee will consider shareholder-recommended nominees for director, and shareholders who desire to propose an individual for consideration by the Board of Directors as a nominee for director should submit a recommendation in writing to the Secretary of the Corporation in compliance with the requirements of Article II, Sections 202 and 203, of the Corporation's Bylaws. Any shareholder who intends to nominate a candidate for election to the Board of Directors must notify the Secretary of the Corporation in writing

Table of Contents

not less than fourteen (14) days prior to the date of any shareholder meeting called for the election of directors.

Qualification and Nomination of Directors

The Corporation's Articles of Incorporation and Bylaws authorize the number of directors to be not less than five (5) and not more than twenty-five (25). They also provide for three (3) classes of directors with staggered three-year terms of office that expire at successive annual meetings. Pursuant to Article II, Section 205, of the Corporation's Bylaws, directors who reach the age of seventy-two (72), prior to the date of the annual meeting when such director's term expires, may not stand for reelection to the Board of Directors. Currently, the number of directors is set at thirteen (13) including a vacant Board seat created upon the resignation of John R. Schnitzer: Class 1 consists of five (5) directors, Class 2 consists of three (3) directors with one (1) vacant Board seat, and Class 3 consists of four (4) directors. However, pursuant to Article 11 of the Corporation's Articles of Incorporation and Article I, Section 105, of the Corporation's Bylaws, at each shareholder meeting for the election of directors, the shareholders determine how many directors will be elected to serve in each class. The Board of Directors believes that it is in the Corporation's best interest to fix the number of directors to be elected at the 2010 Annual Meeting at thirteen (13). The proposed thirteen (13) member Board of Directors will consist of five (5) Class 1 Directors, four (4) Class 2 Directors, and four (4) Class 3 Directors. Shareholders will elect five (5) Class 1 Directors to serve for three-year terms that expire at the Corporation's 2013 Annual Meeting of Shareholders and one (1) Class 2 Director to serve for a two-year term that expires at the Corporation's 2012 Annual Meeting of Shareholders.

The Nominating Committee believes that a director nominee must have the following attributes/qualifications before being recommended as a nominee: stock ownership in the Corporation, commitment of time, commitment to independence, commitment to the Corporation's community, financial competence, a good reputation, integrity, good communication skills, and the willingness and ability to speak up for the interests of the Corporation. A director nominee shall also have expertise that strengthens the Board of Directors. When evaluating potential director nominees, the Nominating Committee considers the skills and expertise of the current Board members and seeks director nominees with knowledge, skills and abilities that enhance and complement rather than duplicate the experiences and skills already represented on the Board of Directors. Further, the Nominating Committee ensures director nominees complement the Corporation's strategic vision and direction, a fundamental priority for the Board of Directors. The Nominating Committee follows that same process for evaluating shareholder-recommended nominees for director.

The Nominating Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating Committee believe that it is essential that members of the Board of Directors represent diverse viewpoints and experience. In considering candidates for the Board, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards.

The Board of Directors nominated Ronald L. Hankey, James J. Lott, Robert W. Miller, Marian B. Schultz, and James E. Williams to serve as Class 1 Directors until the 2013 Annual Meeting of Shareholders or until their earlier death, resignation, or removal from office. Furthermore, with the recommendation of two non-management directors and the approval of the Nominating Committee, the Board of Directors nominated David L. Sites to fill the vacant Board seat created by the resignation of John R. Schnitzer and serve as a Class 2 Director until the 2012 Annual Meeting of Shareholders or until the earlier of his death, resignation, or removal from office. Messrs. Hankey, Lott, Miller and Williams and Ms. Schultz are presently members of the Board of Directors, and have consented to serve another term as a director if reelected. Mr. Sites is not presently a member of the Board of Directors, but has consented to serve as director if elected. If any of the nominees should be

unavailable to serve for any reason, a majority of the Board of Directors then in office may fill the vacancy until the expiration of the term of the class of directors to which he or she was appointed.

The proxyholders intend to vote all proxies for the election of each of the nominees named below, unless you indicate that your vote should be withheld from any or all of them.

The Board of Directors proposes the following nominees for election as Class 1 Directors and as a Class 2 Director at the annual meeting:

Director Deferred Fee Plan

In January 2001, Adams County National Bank established a director deferred fee plan. Directors Elsner, Lott, Miller, Schultz, Stock, Weaver, Wheeler and Williams participated in 2009. Directors may defer up to 100% of the director's income. Benefits are payable upon termination of service, change of control, and by specific participant election in accordance with IRS Code Section 409A. The deferred fees earn interest, and the interest and plan expenses are funded by bank-owned life insurance (BOLI).

Director Supplemental Life Insurance Plan

Effective January 1, 2001, the bank established a director supplemental life insurance plan. All non-employee directors are eligible for the life insurance benefit, subject to medical underwriting acceptance. The plan currently insures ten (10) directors. The director life insurance benefit of \$100,000 per participating director will be provided through a single premium BOLI program because BOLI is a more cost-efficient way of providing the benefits. The eligible participating directors are not required to pay any premiums on the life insurance policy, but have the imputed value of the insurance coverage included in their taxable incomes.

Long-Term Care Insurance

The bank provides long-term care insurance to directors, and eligibility is subject to medical underwriting acceptance. The plan currently insures nine (9) directors. The eligible participating directors are not required to pay any premiums. The long-term care insurance provides a monthly maximum benefit of \$4,000 for a long-term care facility.

Executive Compensation

Compensation Discussion and Analysis

Compensation Policy

The primary objectives of the Compensation Committee remain to attract, motivate, reward and retain executives who

maintain the safety and soundness of the Corporation,

sustain and enhance long-term investor value,

enforce internal controls deemed appropriate by our auditors and regulators, and

execute the strategic plans as prioritized by the Board of Directors.

The Compensation Committee places considerable value on these factors, as well as the assessment by the Compensation Committee of the executive's ability to execute the strategic plan of the Corporation.

The Compensation Committee seeks to establish fair compensation policies in order to attract and motivate competent managers whose efforts will enhance the Corporation's profitability and growth. The Compensation Committee treats compensation as an evolving process depending on the strategic objectives of the Corporation, as determined by the Board of Directors at that time.

The Role of the Executive Officers in Setting Compensation

The Compensation Committee recommends the compensation for all of the Named Executive Officers, except for the President & Chief Executive Officer of Russell Insurance Group, Inc. This includes compensation for the Chairman of the Board, President & Chief Executive Officer, Executive Vice President & Chief Operating Officer, and Executive Vice President, Cashier & Chief Financial

Table of Contents

Officer of Adams County National Bank. These four individuals also serve as the officers of ACNB Corporation. The Board of Directors of Russell Insurance Group, Inc., a subsidiary, sets the compensation for the President & Chief Executive Officer of Russell Insurance Group, Inc.

The Named Executive Officers and the Chairman of the Board do not participate in the determination process of their respective annual base salaries and are not present when their respective compensation is discussed by the Compensation Committee or discussed and approved by the Board of Directors.

The Role of a Consultant in Setting Compensation

For compensation awarded in the year of 2009, the Compensation Committee did not use a consultant to determine or recommend specific amounts of compensation to be awarded. However, later in 2009, the Compensation Committee did engage Larry R. Webber, an independent executive compensation advisor, to assist the Committee in fulfilling its responsibilities. Mr. Webber provides no other services to the Corporation.

Benchmarking

The Corporation does not specifically benchmark its compensation policies against any specific financial institution or group of financial institutions.

The Corporation participates in an annual survey and receives the results of the survey from L. R. Webber Associates, Inc., a compensation and benefits consulting firm. The human resources manager of the Corporation's bank subsidiary interacts with the consulting firm and forwards the applicable results of the survey to the Compensation Committee for review. The survey includes general compensation information and salary ranges for executives of financial institutions throughout Pennsylvania and the contingent areas of Maryland, New Jersey and New York. The survey is not used to benchmark any specific element of executive compensation to any specific financial institution or group of financial institutions, but is only used as an educational source as to the current trends in compensation at financial institutions primarily in Pennsylvania.

In addition to the L.R. Webber Associates, Inc. survey, the Corporation receives information on compensation trends of financial institutions nationwide through resources provided by the American Bankers Association. The Compensation Committee also reviews proxy material of other financial institutions in an effort to become more versed in the form of compensation awarded to executives at financial institutions and reviews educational material regarding executive compensation provided at various seminars or conferences attended by Compensation Committee members throughout the year.

Components of Compensation

While the specific amount of compensation provided to the Corporation's executives may differ, the components of compensation are generally the same for our Named Executive Officers. For 2009, the Corporation's executive compensation and benefits package consisted primarily of base salary, retirement plans, and employee health and welfare benefit plans.

Base Salary

The Compensation Committee believes that base salary should be the primary component of compensation. Fixed compensation provides the executive with the security of knowing that the majority of his or her compensation is not tied to market fluctuations. The amount of base salary is designed to attract and retain Named Executive Officers who can further the strategic objectives of the Corporation. In determining base salary, the Compensation Committee does not take into consideration any other forms of compensation which are and which may not be offered to the Named

Table of Contents

Executive Officers. The Compensation Committee believes that by providing compensation without delay in the form of base salaries, it will successfully further the Corporation's goals.

Base salaries for our Named Executive Officers are established based upon their respective responsibilities, individual performance, longevity with the Corporation, and key Corporation performance measures including profitability and growth. The Compensation Committee does not assign specific quantitative measures to profitability and growth or performance targets, but uses its business judgment to determine if the Corporation's profitability and growth were sufficient given the particular circumstances of the past year. Named Executive Officers are expected to assist the Corporation in sustaining and enhancing long-term investor value by maintaining the safety and soundness of the Corporation, enforcing internal controls deemed appropriate by our auditors and regulators, and executing the strategic plans as prioritized by the Board of Directors. A Named Executive Officer's capacity to perform these tasks and achievement of these tasks are taken into consideration in determining whether the Named Executive Officer has performed as expected or has had outstanding performance.

The Board of Directors of Russell Insurance Group, Inc. sets the amount of cash compensation for the President & Chief Executive Officer of Russell Insurance Group, Inc. The base amount and forms of compensation awarded the President & Chief Executive Officer of Russell Insurance Group, Inc. are based upon previous contract negotiations, the performance of Russell Insurance Group, Inc., and the role that the President & Chief Executive Officer of Russell Insurance Group, Inc. performs in the highly relationship-oriented industry of insurance sales.

Bonus Awards

The Corporation does not have a formalized bonus plan for all Named Executive Officers. The President & Chief Executive Officer of Russell Insurance Group, Inc. is the only Named Executive Officer who has a formalized bonus structure which is addressed in his employment agreement. Under the bonus structure, he will receive a bonus of five percent (5%) of the pre-tax income (based on historical agency accounting system) earned by Russell Insurance Group, Inc. during the preceding calendar year, provided that actual pre-tax profits for that year exceed \$1 million. Given that his duties include marketing and sales, the Board of Directors of Russell Insurance Group, Inc. believed that offering him a formalized bonus will increase the profitability of the subsidiary, and therefore the Corporation, because it incents him to ensure that Russell Insurance Group, Inc. exceeds \$1 million in pre-tax profits in a calendar year.

The Corporation may authorize discretionary bonus awards for the Named Executive Officers for the purpose of rewarding exceptional effort and performance. The Corporation has not set forth specific criteria for awarding bonuses, but treats each year's performance on a case-by-case basis and uses the Compensation Committee members' experience and individual business judgment when determining whether a bonus is appropriate.

The Corporation may provide a holiday bonus annually to employees of its bank subsidiary. For the year of 2009, the bonus was one percent (1%) of the nonexempt employee's regular earnings, one-half percent (0.5%) of the exempt employee's regular earnings, and \$100 for part-time employees. This discretionary bonus is intended to reward employees for their service throughout the year. As the discretionary bonus is awarded to all eligible employees, the amount of the bonus is not taken into account when determining executive compensation.

Retirement Plans

The Compensation Committee believes that retirement benefits are another important way to provide long-term financial security to employees, thus encouraging longevity and a low employee

Table of Contents

turnover rate. As the defined benefit plan and 401(k) plan are tax qualified retirement plans, the Corporation's retirement plans are not tied to Corporation or individual performance.

Defined Benefit Plan

The Corporation's subsidiary, Adams County National Bank, maintains a defined benefit plan which is available to all eligible employees. The plan provides a prospective benefit commencing at age sixty-five (65) for the employee's lifetime. If an employee has completed thirty (30) or more years of service, the employee is eligible to retire at age sixty-two (62) and receive full benefits. The plan contains a five (5) year vesting provision to ensure that the plan rewards employees for longevity. The amount paid under the plan is based upon a formula outlined in the plan and which is applicable to all Adams County National Bank employees. The defined benefit plan is a very effective tool for employee retention and for providing long-term incentive compensation. All Named Executive Officers, with the exception of the President & Chief Executive Officer of Russell Insurance Group, Inc., are employees of Adams County National Bank and are eligible to participate in the plan.

401(k) Plan

Both Adams County National Bank and Russell Insurance Group, Inc. maintain a 401(k) plan which allows employees to save their own money for retirement, to earn a matching contribution from the subsidiary, and to direct the investment of all funds in the 401(k) plan. The percentage of match contributed to the Named Executive Officer's account is the same as contributed to all other eligible employees in each plan and is prescribed by the Internal Revenue Code. These plans are viewed as a necessity to successfully hire and retain employees in a competitive marketplace. All Named Executive Officers participate in Adams County National Bank's 401(k) plan, except the President & Chief Executive Officer of Russell Insurance Group, Inc. who participates in Russell Insurance Group, Inc.'s 401(k) plan.

Supplemental Executive Retirement Plan

The Corporation provides a supplemental executive retirement plan (SERP) to certain executives, including the Chairman of the Board, President & Chief Executive Officer, and Executive Vice President & Chief Operating Officer of Adams County National Bank. The SERPs are designed to account for some of the limitations with traditional pension plans, and are intended to provide essential executive officers with an incentive to remain with the Corporation until retirement as opposed to terminating employment before retirement to work for a competitor. The triggering events for payment under the SERP agreements are reaching retirement age as determined in the SERP agreement, death, a termination after a change in control, or early retirement. Benefit amounts for early retirement will be determined by the individual's number of years of service encouraging longevity with the Corporation. The SERP provides no current remuneration to the applicable Named Executive Officers and, therefore, is not taken into consideration when determining base salary.

Health and Welfare Plans

Health and welfare plans are not tied to Corporation or individual performance. The costs of providing such benefits to all eligible employees are not taken into account when determining specific salaries of the Named Executive Officers and is seen as a cost of doing business.

Insurance Plans

Group life insurance, group disability, vision benefits, and health insurance are available to all eligible employees. Such plans are standard in the industry and in the geographic area for all industries, as well as necessary to compete for talented employees at all levels of the Corporation.

Table of Contents

Executive Supplemental Life Insurance

The Corporation's executive supplemental life insurance plan provides a split-dollar share of death benefits to the Named Executive Officer's beneficiary, depending upon the Named Executive Officer's eligibility to receive payments. The plan is funded with bank-owned life insurance (BOLI) and is used to provide an additional benefit to certain executives, including the Named Executive Officers, with a minimal cost to the Corporation. Split-dollar life insurance plans are widely available in the banking industry, because the Corporation will recover its plan costs upon the death of the Named Executive Officer and the Named Executive Officer's beneficiary will receive a split of the insurance proceeds. Although this benefit does not provide any current remuneration to the Named Executive Officer, it provides further incentive for longevity with the Corporation as it provides the executive the ability to provide some benefit to his or her family after his or her death. As the Corporation will recover its plan costs, the cost of the plan is not taken into consideration when determining base salary.

Executive Long-Term Care Insurance

The Corporation provides executive long-term care insurance to certain executives, including the Named Executive Officers employed by the Corporation's subsidiary, Adams County National Bank. The cost of providing this benefit is offset by interest earned on bank-owned life insurance (BOLI) on the life of the Named Executive Officer. Long-term care insurance is seen as an additional benefit used to attract and retain competent executives at minimal cost; therefore, the cost of the plan is not taken into consideration when determining base salary or other benefits.

Perquisites

The Corporation provides either a Corporation-owned or Corporation-leased vehicle to the President & Chief Executive Officer of the Corporation and to the President & Chief Executive Officer of Russell Insurance Group, Inc. The provision of a Corporation vehicle to these individuals is a customary benefit in the financial services industry.

Equity Compensation

In 2009, the shareholders approved a restricted stock plan for the benefit of employees and directors of ACNB Corporation and Adams County National Bank, as determined by the Compensation Committee. The plan is intended to advance the best interests of the Corporation and its shareholders by providing those persons who have responsibility for the Corporation's growth with additional incentives by encouraging them to acquire an ownership interest in the Corporation and, thereby, further encouraging them to contribute to the success of the Corporation and the bank. The price volatility inherent in any form of performance-based equity compensation remains the main reason why other forms of compensation will be relied upon more heavily than equity compensation. The Compensation Committee has not yet granted any shares of restricted stock as it is still determining the best method to utilize in determining the appropriate grants of stock. The Corporation has not instituted an equity ownership requirement for its Named Executive Officers.

Employment Agreements

The Corporation and one of its subsidiaries have entered into employment agreements with the President & Chief Executive Officer, Executive Vice President & Chief Operating Officer, and Executive Vice President, Cashier & Chief Financial Officer of Adams County National Bank, as well as the President & Chief Executive Officer of Russell Insurance Group, Inc.

Table of Contents

Triggering Events

The employment agreements with the President & Chief Executive Officer, Executive Vice President & Chief Operating Officer, and Executive Vice President, Cashier & Chief Financial Officer are similar and any difference is in payment amounts which are adjusted given their respective role in the Corporation and the current trends in the financial services industry. In determining the triggering events in these agreements, the Corporation used triggering events which are traditional and prevalent in the industry. The contracts are designed to compensate the Named Executive Officer if the Named Executive Officer is terminated without cause, is terminated after a change in control or terminates employment for good reason. As the agreements are three (3) years in duration and as the executive has agreed to noncompetition provisions in the agreement, the Corporation believes that it is only appropriate that if the executive is terminated without cause or if the Corporation imposes a condition of employment upon the executive which would be considered a good reason for the executive to terminate employment under the agreement (in effect, if the Corporation breaches the agreement), then the executive should be paid the predetermined amount as damages as a result of the Corporation violating the employment agreement. Alternatively, if the Corporation undergoes a change in control and as a result the executive's employment is terminated by either the executive or the successor Corporation, the Corporation believes that it is in the best interests of the shareholders to provide the executive with security in order to ensure that decisions regarding potential changes in control are made in the best interests of the shareholders and that personal concerns regarding subsequent employment are minimized. The contracts give the Named Executive Officer the security of knowing that if he or she is terminated in one of those scenarios that he or she will receive some form of compensation during the transition phase from working for the Corporation to finding another position. In addition, the contracts contain a noncompetition provision, whereby the Named Executive Officer is not allowed to compete with the Corporation or solicit customers or employees of the Corporation for a specific period of time. The time period in which the Named Executive Officer receives compensation is related to the time period that the noncompetition provision is in effect.

The three (3) year contract for the President & Chief Executive Officer of Russell Insurance Group, Inc. contains a payment trigger if his employment agreement is terminated without cause or he terminates employment for good reason. Therefore, if he terminates employment without good reason, he will not receive any payment. If there is a change in control, he will only receive a payment if a subsequent termination of employment meets the definition of a termination without cause or a voluntary termination for good reason.

Vesting

Given the number of years which the respective Named Executive Officers have worked for the Corporation or a subsidiary, the Compensation Committee did not feel that it was necessary to attach any additional vesting requirements upon the Named Executive Officers' employment agreements. In addition, the most recent agreements for the President & Chief Executive Officer and Executive Vice President & Chief Operating Officer of Adams County National Bank and the President & Chief Executive Officer of Russell Insurance Group, Inc. replaced previous agreements which did not contain vesting requirements.

Accounting and Tax Treatments

In the case that one of the events which trigger a payment under the Adams County National Bank employment agreements occurs and a payment is made, if the payment is subject to the Internal Revenue Code 280G penalty, then the Named Executive Officer will receive compensation in a gross-up amount whereby the Named Executive Officer will receive an amount necessary such that, after taxes, the Named Executive Officer will receive what he or she is entitled to under the agreement. The gross-up provision is standard in employment agreements given to Named Executive Officers at

Table of Contents

Pennsylvania community banks and is intended to make the Named Executive Officer whole again. The gross-up amount is not taken into consideration when determining annual base salary or other annual compensation awards, but was taken into account when determining the amount of each triggering event in the respective contract.

Material Differences in Compensation Awarded to Each Named Executive Officer

The Named Executive Officers receive base salaries commensurate with their positions, responsibilities and past performance as determined by the Compensation Committee using their personal business judgment. The amount of net income generated by Russell Insurance Group, Inc. is also taken into consideration when determining the President & Chief Executive Officer of Russell Insurance Group, Inc.'s base salary and bonus which is based upon a formula provided in his employment agreement.

All Named Executive Officers receive a base salary, access to a 401(k) plan, and health and welfare plans. All Named Executive Officers, with the exception of the President & Chief Executive Officer of Russell Insurance Group, Inc., receive the discretionary bonus given to all eligible employees and eligibility to participate in the pension plan. The Chairman of the Board, President & Chief Executive Officer, and Executive Vice President & Chief Operating Officer of Adams County National Bank are the only Named Executive Officers who currently have a supplemental executive retirement plan, and considering their positions and longevity with the Corporation the Compensation Committee believes that this is appropriate.

EXECUTIVE COMPENSATION AND EMPLOYEE BENEFITS

During the beginning of 2010, Adams County National Bank's Chief Risk Officer provided the Compensation Committee with a risk assessment report for the Corporation's incentive compensation programs. The Compensation Committee concluded that the programs are balanced, do not motivate imprudent risk taking, and are not reasonably likely to have a material adverse effect on the Corporation.

Equity Compensation

In 2009, the Corporation's shareholders approved the ACNB Corporation 2009 Restricted Stock Plan which allows the Corporation to grant up to 200,000 restricted shares under the plan. The Compensation Committee may grant restricted stock to employees or directors contingent upon the employee, director, Corporation, or bank meeting specified goals or the employee or director remaining with the bank for a specific period of time. To date, no restricted stock has been granted under the plan.

Management Supplemental Life Insurance Plan

In January 2001, Adams County National Bank implemented a supplemental life insurance plan for certain officers of the bank to provide death benefits for each officer's designated beneficiaries. Beneficiaries designated by an officer are entitled to a split dollar share of the death proceeds from the life insurance policies on each officer which vary depending on the officer's age at death, employment status with the bank at the time of death, and eligibility to receive payments. The plan is unsecured and unfunded, and there are no plan assets. The bank has purchased single premium bank-owned life insurance (BOLI) policies on the lives of the officers and intends to use income from the BOLI policies to offset the plan benefit expenses.

Table of Contents

401(k) Retirement Plan

Adams County National Bank maintains a defined contribution profit-sharing 401(k) plan. Adams County National Bank is the plan sponsor and plan administrator. The plan is subject to certain laws and regulations under the Internal Revenue Code, and participants are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974.

An employee is eligible to participate in the plan after working for six (6) months and attaining the age of twenty (20) years and six (6) months. An eligible employee is automatically enrolled in the 401(k) plan, and the bank will automatically withhold 4% of the employee's wages unless otherwise directed. Adams County National Bank matches a percentage of the employee's contribution. In 2009, Adams County National Bank's contribution equaled 100% of the employee's contribution up to a maximum of 4% of earned compensation. Effective January 1, 2000, Adams County National Bank adopted a "safe harbor" provision for its 401(k) plan, which vests eligible contributions immediately upon entering the plan for both employer and employee contributions.

Group Term Life Insurance Plan

Adams County National Bank maintains a group term life insurance plan. All full-time bank employees are eligible to participate in the plan. For 2009, the insurance benefit for employees was calculated as two (2) times salary, with a maximum of \$100,000.

Defined Benefit Pension Plan

The employees of Adams County National Bank are covered under the bank's Group Pension Plan for Employees. The plan is a defined benefit pension plan under the Employee Retirement Income Security Act of 1974. The plan was restated November 1, 1998, effective January 1, 1999, and subsequently amended effective November 1, 2000, and January 1, 2010. Adams County National Bank is the plan administrator.

Amounts are set aside each year to fund the plan on the basis of actuarial calculations. The amount of contribution to a defined benefit pension plan on behalf of a specific employee cannot be separately or individually calculated. The total pension expense in 2009 for Adams County National Bank's plan was \$1,216,000. The contribution to the plan made by the bank on behalf of all employees in 2009 was \$1,250,000. This contribution was sufficient to meet the legal minimum funding requirements.

Each eligible employee of Adams County National Bank who attains the age of twenty (20) years and six (6) months and who completes one (1) year of service, in which one thousand (1,000) hours are worked, is eligible to participate in the plan on the following anniversary of the plan. The plan generally provides for a prospective benefit at the age of sixty-five (65) years for the employee's remaining lifetime with payments certain for five (5) years. Effective January 1, 2010, the formula for determining a participant's benefit was changed from 1% of final average compensation below the applicable Social Security Covered Compensation and 1.3% of such earnings above the covered compensation, the total being multiplied by years of credited service up to a maximum of forty-five (45) years of credited service, to the participant's earned benefit as of December 31, 2009, plus 0.75% of the participant's average monthly pay multiplied by the participant's benefit service earned on and after January 1, 2010, but not more than 25 years. If an employee has completed thirty (30) or more years of vested service, he or she is eligible to retire at age sixty-two (62) with no reduction applied to his or her benefit.

Supplemental Executive Retirement Plans

Adams County National Bank entered into retirement income agreements with certain executive officers of Adams County National Bank to provide supplemental retirement income benefits to these

officers when they reach their normal retirement date. The benefits are payable in 180 equal monthly installments. Benefits are also payable upon change in control or death. Benefit amounts will be determined by the individual's number of years of service and compensation at retirement age. Benefits accrue annually, but may be reduced if termination of service occurs before the normal retirement date. Estimated liability under the agreements is accrued as earned by the employee. Adams County National Bank is the owner and beneficiary of life insurance policies on each officer that, at December 31, 2009, had an aggregate cash value of approximately \$4,074,000. Adams County National Bank purchased these policies to fund the retirement income agreements entered into with these individuals. Further information with respect to these agreements is set forth in the Notes to Consolidated Financial Statements contained in ACNB Corporation's 2009 Annual Report on Form 10-K.

Employment Agreements

On December 31, 2008, the Corporation and bank entered into amended and restated employment agreements with Thomas A. Ritter, President & Chief Executive Officer of the Corporation and bank, and Lynda L. Glass, Executive Vice President & Secretary of the Corporation and Executive Vice President & Chief Operating Officer of the bank. On April 17, 2009, the Corporation and bank entered into an employment agreement with David W. Cathell, Executive Vice President, Treasurer & Chief Financial Officer of the Corporation and Executive Vice President, Cashier & Chief Financial Officer of the bank (together, the "Agreements" and "Executives"). Under the Agreements, these Named Executive Officers are eligible for bonuses, paid time off, participation in employee benefit plans, and reimbursement of business expenses. Further, Mr. Ritter receives a company vehicle provided by the Corporation.

The initial terms of the Agreements are three years which automatically extend for an additional one year period on each annual anniversary date of the Agreements, unless notice is given 180 days prior to the anniversary date, so that on each anniversary date if notice had not been previously given the term shall continue for three years.

Table of Contents

The Agreements automatically terminate if the Executives are terminated for "Cause", as defined in the Agreements, and all rights under the Agreements will terminate with the exception of the arbitration clause. The Agreements automatically terminate if the Executives terminate their employment for "Good Reason", as defined in the Agreements. If the Agreements terminate for "Good Reason", the Executives will receive the greater of (1) the compensation due for the remainder of the Agreements' terms or (2) in the case of Mr. Ritter two times his salary and benefits for two years and in the case of Ms. Glass or Mr. Cathell one times salary and benefits for one year. The Agreements automatically terminate upon the Executives' disability, as defined in the Agreements, and the Executives will receive employee benefits and 75% of their compensation until (1) they return to work, (2) reach age 65, (3) die, or (4) the employment period under the Agreements ends. The Agreements automatically terminate if the Executives voluntarily terminate the Agreements. If the Executives give notice within 180 days of a "Change in Control", as defined in the Agreements, or the Executives' employment is terminated involuntarily, the Executives are entitled to 2.99 times the Executives' then current compensation "grossed-up" and to continue to receive benefits for two years.

The Agreements contain restrictive covenants precluding the Executives from engaging in competitive activities in a certain area and provisions preventing the Executives from disclosing proprietary information about the Corporation and bank.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As Named Executive Officers, Mr. Ritter, Ms. Glass and Mr. Cathell have entered into employment agreements with the Corporation which govern any payments upon termination or change in control. If on December 31, 2009, Mr. Ritter terminated his employment for Good Reason, as defined in the employment agreement, he would have received thirty-six (36) months of his salary in twenty-four (24) monthly payments plus benefits for twenty-four (24) months. If on December 31, 2009, Ms. Glass terminated employment for Good Reason, she would have been entitled to receive thirty-six (36) months of her salary in twelve (12) monthly payments, plus benefits for twelve (12) months. If Mr. Cathell terminated employment for Good Reason, he would have received twenty-seven and one-half (27^{1/2}) months of his salary in twelve (12) monthly payments, plus benefits for twelve (12) months. If Mr. Ritter, Ms. Glass or Mr. Cathell terminates employment after a "Change in Control", as defined in the respective employment agreements, then he or she will be entitled to a lump sum of 2.99 times his or her respective annual salary plus benefits for two (2) years following termination. If the Corporation terminates the Named Executive Officer's employment without "Cause", then the respective Named Executive Officer will receive thirty-six (36) monthly payments in an amount equal to 2.99 times his or her respective annual salary plus benefits for two (2) years. Payments pursuant to a "Change in Control" or termination without "Cause" or for "Good Reason" will be grossed-up to accommodate for any excess tax imposed on the payments.

All three employment agreements contain noncompetition, nonsolicitation and confidentiality provisions. If the Corporation terminates the Named Executive Officer's employment without "Cause" or if the Named Executive Officer terminates employment with "Good Reason" or after a "Change in Control", then the noncompetition and nonsolicitation provisions continue for two (2) years after the termination of employment. If the Named Executive Officer's employment is terminated by the Corporation for "Cause" or if the Named Executive Officer terminates employment voluntarily without "Good Reason", then the noncompetition and nonsolicitation provisions continue for one (1) year after termination of employment.

Upon a "Change in Control", Mr. Ritter and Ms. Glass will become vested in the retirement benefits under the supplemental executive retirement plan agreement. If Mr. Ritter or Ms. Glass is terminated without "Cause", as defined in the respective supplemental executive retirement plan agreement, then he or she will be entitled to an early termination benefit in an amount determined based upon the year in which such termination occurs. If Mr. Ritter or Ms. Glass is terminated for

"Cause", then no payments are required to be made to the respective executive. The supplemental executive retirement plan agreement contains a noncompetition provision which restricts the Named Executive Officer's ability to compete and solicit customers.

Upon any termination of employment, the respective Named Executive Officer will be entitled to receive normal retirement benefits equal to an amount determined by an actuarial formula as described in the pension plan.

Transactions with Directors and Executive Officers

Some of ACNB Corporation's directors, executive officers, and their immediate family members and the companies with which they are associated were customers of and had banking transactions with ACNB Corporation's subsidiary bank during 2009. All loans and loan commitments made to them and to their companies were made in the ordinary course of bank business, on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other customers of the bank, and did not involve more than a normal risk of collectibility or present other unfavorable features. ACNB Corporation's subsidiary bank anticipates that they will enter into similar transactions in the future.

The Corporation's subsidiary bank purchased \$171,258 worth of office furniture, equipment and supplies from Eicholtz Company. Eicholtz Company is owned by Alan J. Stock, who is a member of the Corporation's Board of Directors.

The Corporation does not regularly engage in business transactions with directors and executive officers outside of its business of banking. Any other transactions with directors or executive officers are reviewed and approved by the Board of Directors on a case-by-case basis as the need arises.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Hankey and Ritter and Ms. Glass make recommendations to the Executive Committee regarding merit raise increases for all employees based on a merit appraisal in connection with salary and wage information provided by outside sources. A merit review of Mr. Ritter, Mr. Hankey, Ms. Glass, and Mr. Cathell is conducted by the Compensation Committee. Neither Mr. Ritter, Mr. Hankey, Ms. Glass, nor Mr. Cathell participates in matters concerning their own compensation.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is comprised of directors who meet SEC and Nasdaq standards for independence. The Audit Committee operates under a written charter adopted by the Board of Directors in April 2000, which was most recently revised in March 2010, and which is attached to this 2010 Proxy Statement as Appendix A.

The Audit Committee met with management periodically during the year to consider the adequacy of the Corporation's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Corporation's independent auditors and with appropriate Corporation financial personnel and internal auditors. The Audit Committee also discussed with the Corporation's management and independent auditors the process used for certifications by the Corporation's Chief Executive Officer and Chief Financial Officer, which are required for certain of the Corporation's filings with the Securities and Exchange Commission.

The Audit Committee also met privately at its regular meetings with both the independent auditors and the internal auditors, each of whom has unrestricted access to the Audit Committee.

The Audit Committee appointed Beard Miller Company LLP (which subsequently combined with ParenteBeard LLC on October 1, 2009) as the independent auditors for the Corporation after reviewing the firm's performance and independence from management.

Management has primary responsibility for the Corporation's financial statements and the overall reporting process, including the Corporation's system of internal controls.

The independent auditors audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present the financial position, results of operations, and cash flows of the Corporation in conformity with generally accepted accounting principles, and discussed with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee reviewed with management and ParenteBeard LLC, the Corporation's independent auditors, the Corporation's audited financial statements, as well as reviewed those financial statements and reports prior to issuance. Management has represented, and ParenteBeard LLC has confirmed, to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee received from and discussed with ParenteBeard LLC the written disclosure and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's Communication with the Audit Committee Concerning Independence. These items relate to that firm's independence from the Corporation. The Audit Committee also discussed with ParenteBeard LLC matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee implemented a procedure to monitor auditor independence, reviewed audit and non-audit services performed by ParenteBeard LLC, and discussed with the auditors their independence.

The Audit Committee reviewed the audited financial statements and, based upon the review and discussions above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2009, which is then filed with the Securities and Exchange Commission.

At present, the Corporation has two individuals designated as "audit committee financial experts". The Board of Directors has determined that Daniel W. Potts and Robert W. Miller are qualified to serve as the Corporation's audit committee financial experts and are independent as defined under applicable SEC and Nasdaq rules.

INDEPENDENT AUDITORS

On October 1, 2009, ACNB Corporation was notified that the audit practice of Beard Miller Company LLP, an independent registered public accounting firm, was combined with ParenteBeard LLC in a transaction pursuant to which Beard Miller Company LLP combined its operations with ParenteBeard LLC and certain of the professional staff and partners of Beard Miller Company LLP joined ParenteBeard LLC either as employees or partners of ParenteBeard LLC. On October 1, 2009, Beard Miller Company LLP resigned as the auditors of the Corporation and, with the approval of the Audit Committee of the Corporation's Board of Directors, ParenteBeard LLC was engaged as its independent registered public accounting firm.

Prior to engaging ParenteBeard LLC, the Corporation did not consult with ParenteBeard LLC regarding the application of accounting principles to a specific completed or contemplated transaction or regarding the type of audit opinions that might be rendered by ParenteBeard LLC on the Corporation's consolidated financial statements, and ParenteBeard LLC did not provide any written or oral advice that was an important factor considered by the Corporation in reaching a decision as to any such accounting, auditing or financial reporting issue.

The report of independent registered public accounting firm of Beard Miller Company LLP regarding the Corporation's consolidated financial statements for the fiscal years ended December 31, 2008 and 2007, did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2008 and 2007, and during the interim period from the end of the most recently completed fiscal year through October 1, 2009, the date of resignation, there were no disagreements with Beard Miller Company LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Beard Miller Company LLP, would have caused it to make reference to such disagreement in its reports.

Aggregate fees billed to ACNB Corporation by ParenteBeard LLC for 2009, and Beard Miller Company LLP for 2008, for services rendered are presented below:

| | Year Ended December 31, | |
|---------------------------|--------------------------------|-------------|

or engagements (i.e., attest services required by FDICIA or Section 404 of the Sarbanes-Oxley Act), including out-of-pocket expenses.

Audit Related Fees include fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements and are not reported under the Audit Fees section of the table above. These services included the review of the SEC comment letter received in 2008.

Tax Fees include fees billed for professional services rendered for tax compliance, tax advice, and tax planning. These services included preparation of federal and state tax returns in 2008 and 2009, as well as consulting services.

All Other Fees include fees billed for products and services, other than the services reported under the Audit Fees, Audit Related Fees, or Tax Fees sections of the table above. Other fees include consultations regarding alternatives pertaining to the bank's defined benefit pension plan in 2009. These services included acquisition-related work and other services in 2008.

The Audit Committee has considered whether, and determined that, the provision of the non-audit services is compatible with maintaining the independence of ParenteBeard LLC.

The Audit Committee preapproves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit related services, tax services, and other services. Preapproval will generally be provided for up to one (1) year, and any preapproval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may also preapprove particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. None of the services related to the Audit Related Fees, Tax Fees, or All Other Fees described above was approved by the Audit Committee pursuant to the preapproval waiver provisions set forth in the applicable SEC rules. In addition, the Audit Committee annually considers and recommends to the Board of Directors the selection of the Corporation's independent auditors.
