PROXY STATEMENT

This proxy statement is being furnished by the Board of Directors of P&F Industries, Inc. (the "Company") to holders of the Company's Class A Common Stock, \$1.00 par value (the "Common Stock"), in connection with the solicitation of proxies by the Company's Board of Directors for use at its 2010 annual meeting of stockholders or any adjournment or postponement thereof (the "Annual Meeting").

The Company's principal offices are located at Suite 100, 445 Broadhollow Road, Melville, New York. The Company anticipates mailing this proxy statement to stockholders on or about May 4, 2010.

Date, Time and Place of Meeting

The Annual Meeting will be held on Thursday, June 3, 2010, at 10:00 a.m. local time at the Conference Center at 445 Broadhollow Road, Melville, New York.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares. Cameras and recording devices will not be permitted at the Annual Meeting.

Record Date and Voting Rights

The Board of Directors established the close of business on April 30, 2010 as the record date for determining the holders of the Common Stock entitled to notice of and to vote at the Annual Meeting. On the record date, 3,614,562 shares of Common Stock were outstanding and entitled to vote at the Annual Meeting. The Company's stockholders are entitled to one vote for each share of Common Stock held as of the record date on all matters.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. If a share is represented for any purpose at the Annual Meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of Common Stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial

Table of Contents

owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on the election of our directors, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Solicitation of Proxies

The Company will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of the Company, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise.

Voting Proxies

Whether you hold shares directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR each of the proposals described in this Proxy Statement.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made. The Company will provide a ballot to registered stockholders who request one at the meeting. Shares held in your name as the stockholder of record may be voted on that ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to so that your shares will be represented at the Annual Meeting.

Revocation of Proxies

If you are a beneficial stockholder, you may revoke your proxy or change your vote by following the separate instructions provided by your broker, trust, bank or other nominee. If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same shares prior to the vote at the Annual Meeting, or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person.

Other Business

The Board of Directors is not aware of any matters to be properly presented for action at the Annual Meeting other than the proposals relating to election of its three nominees as directors for three year terms and the ratification of the appointment of the Company's independent registered public accounting firm for 2010, and does not intend to bring any other matters before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that the holders of the proxies will vote them in their discretion.

PROPOSAL 1

ELECTION OF DIRECTORS

As permitted by Delaware law, the Board of Directors is divided into three classes, the classes being divided as equally as possible and each class having a term of three years. Each year the term of office of one class expires. A director elected to fill a vacancy, including a vacancy resulting from an increase in the number of directors constituting the Board of Directors, serves for the remaining term of the class in which the vacancy exists. The Board of Directors presently consists of eight members, with one class consisting of two directors and two classes consisting of three directors.

During 2010, the term of the class consisting of three directors expires. The Board of Directors proposes that Messrs. Robert L. Dubofsky, Alan I. Goldberg and Richard A. Horowitz, whose terms of office expire in 2010, be re-elected as directors to serve for terms to expire at the 2013 Annual Meeting of Stockholders. Unless otherwise indicated, the enclosed proxy will be voted for the election of such nominees. Should any of these nominees become unable to serve for any reason or, for good cause, will not serve, which is not anticipated, the Board of Directors may, unless the Board of Directors by resolution provides for a lesser number of directors, designate substitute nominees, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominee or nominees.

Directors will be elected by the plurality vote of the holders of the Common Stock entitled to vote at the Annual Meeting and present in person or by proxy.

Table of Contents

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining independence, assigning responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. The Company regularly monitors developments in the area of corporate governance.

Director Independence

The standards relied upon by the Board of Directors in affirmatively determining whether a director is "independent," in compliance with NASDAQ rules, are comprised, in part, of those objective standards set forth in the NASDAQ rules. In addition to these objective standards and in compliance with NASDAQ rules, no director will be considered independent who has a relationship which, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors exercises appropriate discretion in identifying and evaluating any such relationship. The Board of Directors, in applying the above-referenced standards and after considering all of the relevant facts and circumstances, has affirmatively determined that the Company's current "independent" directors are: Robert L. Dubofsky, Jeffrey D. Franklin, Alan I. Goldberg, Kenneth M. Scheriff, Mitchell A. Solomon and Marc A. Utay, representing a majority of the members of the Company's Board of Directors.

The Company's independent directors hold annually at least two formal meetings independent from management. The independent directors choose a director to preside at non-management sessions of the Board of Directors.

Meetings and Committees of the Board of Directors

During 2009, the Board of Directors held twelve meetings and acted by written consent on one occasion. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and all committees on which he served.

During 2009, the Board of Directors had an Audit Committee, a Compensation Committee, a Nominating Committee and a Stock Option Committee. In addition, from time to time, special committees may be established under the direction of the Board of Directors when necessary to address specific issues; however, no special committee was established in 2009.

Audit Committee

During 2009 and as of the record date, the members of the Audit Committee were Messrs. Franklin (Chairman), Goldberg and Solomon. During 2009, the Audit Committee held five meetings.

Each member of the Audit Committee has been determined by the Board of Directors to meet the standards for independence required of audit committee members by the NASDAQ listing standards and applicable SEC rules. For more information on the NASDAQ standards for independence, see "Corporate Governance-Director Independence" above. In accordance with the rules and regulations of the SEC, the above information regarding the independence of the members of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulations 14A or 14C of the Securities Exchange Act of 1934 (the "Exchange Act") or to the liabilities of Section 18 of the Exchange Act and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Exchange Act, notwithstanding any general incorporation by reference of this Proxy Statement into any other filed document.

Table of Contents

The Board of Directors has further determined that all members of the Audit Committee are able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement.

The Board of Directors has determined that Jeffrey D. Franklin is an audit committee financial expert within the meaning of applicable SEC rules.

The Audit Committee appoints the Company's independent registered public accounting firm, reviews the overall scope and the results of the Company's annual audit and reviews the Company's overall internal controls.

The Company's independent registered public accounting firm reports directly to the Audit Committee.

The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the Company's independent registered public accountants, at least quarterly, prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies in the design or operation of internal control over financial reporting to discuss the scope and results of the annual audit, quarterly reviews and issues of accounting policy and internal controls.

The Audit Committee has adopted procedures for the receipt, retention and treatment of complaints by Company employees regarding the Company's accounting, internal accounting controls or auditing matters.

The Audit Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. The Audit Committee Charter is attached as *Appendix A* to this Proxy Statement. Copies of the charter can also be obtained free of charge from the Company's Web site at www.pfina.com.

Compensation Committee

During 2009 and as of the record date, the members of the Compensation Committee were Messrs. Goldberg (Chairman) and Solomon. During 2009, the Compensation Committee held six meetings.

All members of the Compensation Committee have been determined to meet the NASDAQ standards for independence. See "Director Independence" above. Further, each member of the Compensation Committee is a "Non-Employee Director" as defined in Rule 16b-3 under the Exchange Act.

The Compensation Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's Web site at www.pfina.com.

The Compensation Committee reviews, recommends and approves changes to our compensation policies and benefits programs, administers our executive compensation program and otherwise seeks to ensure that our compensation philosophy is consistent with our Company's best interests and is properly implemented. The members of the Compensation Committee also serve as the members of the Company's Stock Option Committee of the Board of Directors, which serves as the administrator for our 2002 Stock Incentive Plan. All option grants are approved by the Stock Option Committee.

Edgar Filing: P&F INDUSTRIES INC - Form DEF 14A

The Compensation Committee makes all final decisions with respect to the compensation received by the named executive officers. It engages in arm's length negotiation and discussions with the named executive officers with respect to each of their compensation packages, but

deliberates outside their presence when making decisions on such matters. Richard A. Horowitz, our Chairman, President and CEO, annually reviews the performance of our other executive officer. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Compensation Committee. The Compensation Committee exercises its full discretion in evaluating such recommendations. The Compensation Committee has the authority to retain its own compensation consultant and to obtain advice and assistance from internal or external legal, accounting or other advisors as it sees fit. In 2008 and 2009, the Compensation Committee engaged the Nadel Consulting Group, Inc., an independent third-party compensation consultant, to review and assess the Company's annual incentive plans for its executives and provide feedback regarding the employment agreement with Richard A. Horowitz, the Company's Chairman of the Board, President and CEO, and the compensation of Joseph A. Molino, Jr, the Company's Vice President, Chief Operating Officer and Chief Financial Officer. The Compensation Committee also engaged the law firm of Proskauer Rose LLP during such years with regard to certain compensation-related legal matters.

Nominating Committee

During 2009 and as of the record date, the members of the Nominating Committee were Messrs. Utay (Chairman) and Dubofsky. During 2009, the Nominating Committee held two meetings.

All members of the Nominating Committee have been determined to meet the NASDAQ standards for independence. See "Director Independence" above.

The Nominating Committee does not have a formal policy relating specifically to the consideration of diversity in making recommendations of qualified nominees for election to the Board of Directors.

The Nominating Committee recommends to the Board of Directors as director nominees individuals of established personal and professional integrity, ability and judgment, who are chosen with the primary goal of ensuring that the entire Board of Directors collectively serves the interests of the Company's stockholders. Due consideration is given to assessing the qualifications of potential nominees and any potential conflicts with the Company's interests. The Nominating Committee also assesses the contributions of the Company's incumbent directors in connection with their potential re-nomination. In identifying and recommending director nominees, the Committee members take into account such factors as they determine appropriate, including recommendations made by the Board of Directors and stockholders. Once the Nominating Committee has identified prospective nominees, background information is elicited about the candidates, following which they are interviewed and evaluated by the Committee, which then reports to the Board of Directors. With respect to the election of directors at the Annual Meeting, only incumbent directors were nominated.

The Nominating Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's Web site at www.pfina.com.

In October 2009, the Board of Directors adopted a policy setting forth that the Nominating Committee will consider individuals suggested by stockholders for nomination as candidates for election to the Board of Directors at annual meetings of stockholders. Such suggested nominees will be considered in the context of the Nominating Committee's determination regarding all issues relating to the composition of the Board of Directors, including the size of the Board of Directors, any criteria the Nominating Committee may develop for prospective Board of Directors candidates and the qualifications of candidates relative to any such criteria. Any stockholder who wishes to submit an individual for nomination as a Board of Directors candidate by the Nominating Committee should be

directed in writing to the Chair of the Nominating Committee, c/o the Secretary of the Company, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Such submission should include the name of the individual submitted for nomination, information as to such individual's background and experience and a representation from such individual that he or she is willing to be nominated by the Nominating Committee and, if elected, to serve, and the information regarding such individual that would be required by the rules and regulations of the SEC to be included in the Company's proxy statement issued in connection with its annual meeting. Stockholders are also permitted to submit nominees for election directly to stockholders subject to compliance with the advance notice requirements of the Company's By-laws, summarized below under "Stockholder Nominations for Board of Directors Membership and Other Proposals for 2011 Annual Meeting".

Consistent with the policy described in the preceding paragraph, the Nominating Committee is in the process of evaluating suggestions that have been received as to candidates for addition to the Board of Directors as an additional independent director. Candidates are being evaluated with a view to determining their levels of interest in joining the Board of Directors, their ability to commit to full participation in the Board of Directors' work, their backgrounds and their qualifications for serving on the Board of Directors, enhancing the Board of Directors' deliberations and contributing to the Board of Director's stewardship responsibilities. If the Nominating Committee identifies a suitable candidate through this process and that candidate agrees to serve if invited, the Nominating Committee expects that it will recommend to the Board the addition of that individual as an additional independent director, increasing the size of the Board to nine, and the Board will then evaluate that recommendation. The outcome of this process is not anticipated to be completed prior to the holding of the 2010 Annual Meeting. If the Nominating Committee recommends an additional independent director to the Board of Directors, the Board of Directors accepts that recommendation after evaluation of the candidate, and the candidate agrees to serve, after the 2010 Annual Meeting, the individual would be appointed by the Board immediately to fill a newly-created vacancy in whichever of the three classes the Board of Directors determines. However, the Nominating Committee's process is ongoing and the outcome is not currently determinable.

See "Stockholder Nominations for Board Membership and Other Proposals for 2011 Annual Meeting."

Stock Option Committee

During 2009 and as of the record date, the members of the Stock Option Committee were Messrs. Solomon and Goldberg. The Stock Option Committee administers the Company's 2002 Stock Incentive Plan. During 2009, no stock options were granted and the Stock Option Committee did not meet.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics, which is designed to help officers, directors and employees resolve ethical issues in an increasingly complex business environment. The Code of Business Conduct and Ethics is applicable to all of the Company's officers, directors and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller and other persons performing similar functions. The Code of Business Conduct and Ethics covers topics, including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws and regulations.

Waivers from the Code of Business Conduct and Ethics are discouraged. Any waivers from the Code of Business Conduct and Ethics that relate to the Company's directors and executive officers must be approved by the Board of Directors, and will be posted on the Company's Web site at www.pfina.com.

The Code of Business Conduct and Ethics can be obtained free of charge from the Company's Web site at www.pfina.com.

Board Leadership Structure

The Company's Chief Executive Officer also serves as its Chairman of the Board. The Board of Directors believes that a combined CEO/Chairman of the Board arrangement is currently the best structure for the Company's Board of Directors, as its Chief Executive Officer is most familiar with the Company's business and industry, and most capable of effectively identifying the Company's priorities and leading the execution of its strategy. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings company-specific experience and expertise. Combining the role of Chairman and Chief Executive Officer facilitates information flow between management and the Board of Directors.

Board Role in Risk Oversight

While risk management is primarily the responsibility of the Company's management team, the Board of Directors is responsible for overall supervision of the company's risk management efforts as they relate to the key business risks facing the organization. Management identifies, assesses, and manages the risks most critical to the Company's operations and routinely advises the Board of Directors on those matters. Those areas of material risk can include operational, financial, legal and regulatory, human capital, informational technology, and strategic and reputational risks. In addition, the Board of Directors regularly reviews with management, at Board of Director meetings, any risk management issues that any director wishes to discuss.

Directors' Attendance at Annual Meetings of Stockholders

It is the policy of Company's Board of Directors to expect that all directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. All of the Company's eight members of the Board of Directors in office at such time attended the Company's 2009 Annual Meeting of Stockholders.

Communication with the Board of Directors

Any stockholder or interested party who wishes to communicate with the Board of Directors, or specific individual directors, or the non-management directors as a group, may do so by directing a written request addressed to such directors or director, care of the Chairman of the Nominating Committee, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Communication(s) directed to members of the Board of Directors who are not non-management directors will be relayed to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent directors. Any communication so withheld will nevertheless be made available to any non-management director who wishes to review it.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures

The Company's Code of Ethics provides that the Company's compliance officer (currently the Company's General Counsel) must be fully informed of any proposed transaction between the Company, on the one hand, and any employee, officer or director, on the other, and must communicate the Company's approval of any such transaction before the agreement or transaction can be commenced. Further, pursuant to Nasdaq Rule 4350(h), the Company's Audit Committee (or another committee made up of independent directors) must approve all transactions with related parties required to be disclosed under Securities and Exchange Commission ("SEC") Regulation S-K, Item 404. "Related parties" include the Company's directors, executive officers, and shareholders known by the Company to be the beneficial owner of more than five percent of the Company's Common Stock, and their respective immediate families. The Company does not have formal written procedures to implement this policy, and instead the Audit Committee reviews and approves related party transactions on a case by case basis. Other than the relationships set forth below, there have been no related party transactions proposed in 2009.

Related Party Transactions

Pursuant to a reimbursement agreement, dated as of June 8, 2009 (the "Reimbursement Agreement"), between Mr. Horowitz and the Company's subsidiary, WM Coffman LLC ("WMC"), WMC (1) requested that Mr. Horowitz cause New York Commercial Bank ("NYCB") to issue to the lender under its credit facility, PNC Bank, National Association ("PNC"), two letters of credit, each in the amount of \$145,000, and (2) agreed that any drawing under the letters of credit that resulted in Mr. Horowitz being liable to NYCB for the amount of such draw shall be converted into a loan from Horowitz to Purchaser and evidenced by a note issued by Purchaser to the order of Mr. Horowitz (the "Letter of Credit Note"), bearing interest at the rate of six and one half percent (6.5%) from the date of the Letter of Credit Note to its maturity. Kenneth M. Scheriff, a member of the Board of Directors, is an executive vice president of NYCB. In November 2009, the letters of credit were drawn upon and each Letter of Credit Note was issued in favor of Mr. Horowitz, who subsequently sold such notes to an unaffiliated third-party vendor of the Company.

On February 22, 2010, contemporaneously with WMC entering into a forbearance agreement with PNC (the "Forbearance Agreement"), Mr. Horowitz and a trust controlled by an officer of WMC, entered into a junior participation agreement, dated as of February 22, 2010, with PNC. Pursuant to the junior participation agreement, the junior participants purchased a junior and subordinate secured "last out" participation in the "revolving advances" as defined in WMC's loan agreement with PNC in the aggregate amount of \$250,000. Pursuant to such junior participation agreement, all amounts payable to the junior participants (whether regarding principal, interest or otherwise) shall be payable by PNC only on the termination of all of the transactions of WMC with PNC, and only out of any surplus received by PNC remaining after the payment in full in cash to PNC of all obligations owing to PNC. Such investment was a condition of effectiveness of the Forbearance Agreement, with such amount to be used to increase the amounts otherwise available to WMC under the Loan Agreement. Also on February 22, 2010, the Company and the junior participants, including Mr. Horowitz, entered into an indemnity agreement pursuant to which the Company agreed to indemnify, protect and hold harmless the junior participants from and against any and all damages, losses, liabilities, obligations, penalties, judgments, costs or expense resulting from any claim, litigation, demand, suit, action or proceeding made or commenced against the junior participants arising from or relating to the junior participation. The Company is not required to make any payments under such indemnification for, among other reasons, any loss, direct or indirect, of principal and/or interest that may be suffered by the junior participants (including failure of the junior participants to obtain repayment of the junior participation). The amount and structure of the junior participation was one of several proposed debt

transaction structures considered by WMC, PNC and Mr. Horowitz during the negotiation of the forbearance agreement referred to above.

On April 23, 2010, the Company entered into an amendment and waiver (the "Credit Agreement Amendment") to the credit agreement relating to its primary credit facility. The Credit Agreement Amendment was conditioned on, among other things, Mr. Horowitz lending \$250,000 to the Company on a secured subordinated basis, as evidenced by a secured subordinated promissory note, dated as of April 23, 2010 (the "Horowitz Promissory Note"). The Horowitz Promissory Note bears interest at the rate of 8% per year (with a default interest rate of an additional 2%), with all interest and principal under the Horowitz Promissory Note due and payable on January 2, 2011. Under the Horowitz Promissory Note and a related subordination and intercreditor agreement, all priority of claims and all rights of payment are at all times subordinate to those of the senior lenders (the "Senior Lenders"). As a condition of the Senior Lenders entering into the Credit Agreement Amendment, the Company and Mr. Horowitz agreed, that a portion of Mr. Horowitz' salary would be deferred. (See "Employment Agreement with Executive Officer" below.)

Mr. Horowitz has a subordinated security interest in certain assets of the Company and those subsidiaries that are co-borrowers under the credit agreement (the "Co-Borrowers"), as set forth in security agreements with each of the Co-Borrowers, each dated as of April 23, 2010. Such security interest is junior and subordinate to the security interests of the Senior Lenders.

As a condition of advancing funds to the Company pursuant to the Horowitz Promissory Note, the Company and Mr. Horowitz entered into an indemnification agreement (the "Indemnification Agreement") dated as of April 23, 2010. Pursuant to the Indemnification Agreement, the Registrant agreed to indemnify Mr. Horowitz if any claim, litigation, demand, suit, action or proceeding is made or commenced by any person or entity against the Mr. Horowitz arising from or relating to the Loan. Such indemnification obligations are limited by, among other things, Mr. Horowitz's subordination agreements with the Senior Lenders.

The 2010 loan-related agreements between Mr. Horowitz and the Company discussed above were negotiated and approved on behalf of the Company by a special committee of the Board of Directors comprised of three independent directors: Messrs. Franklin, Scheriff and Utay.

BWD Group LLC ("BWD"), an insurance brokerage group of which Robert L. Dubofsky, one of the Company's directors, is Managing Director and a principal, provides certain insurance brokerage services to the Company. Total insurance premiums and fees paid through BWD in 2009 were approximately \$545,000. It is presently anticipated that such firm will continue to provide such services and will receive payments for its services at rates and in amounts not greater than would be paid to unrelated insurance brokerage performing similar services.

Table of Contents

Pension Benefits and Nonqualified Deferred Compensation

The named executive officers are covered by a Company-sponsored defined contribution retirement plan, which covers all eligible employees of the Company. The named executive officers have no other reportable pension benefits provided by the Company and no nonqualified deferred compensation in 2009.

Employment Agreement with Executive Officer

On February 12, 2007, the Company and Richard A. Horowitz entered into an executive employment agreement (the "Employment Agreement"), effective as of January 1, 2007. The Employment Agreement supersedes the previous employment agreement which was in effect at such time.

The Employment Agreement provides for Mr. Horowitz to serve as the Company's President and Chief Executive Officer and, if elected by the Board of Directors, Chairman of the Board, for a term expiring on December 31, 2011, unless sooner terminated pursuant to the provisions of the Employment Agreement. Pursuant to the Employment Agreement, Mr. Horowitz will receive a minimum annual base salary of \$975,000. The Employment Agreement also provides that Mr. Horowitz's base salary will be reviewed annually by the Board of Directors and may be increased, but not decreased, from time to time. The Employment Agreement provides that Mr. Horowitz will be eligible for an annual discretionary incentive payment under the Company's Executive 162(m) Bonus Plan. This agreement also provides that Mr. Horowitz will also receive (i) senior executive level employee benefits, (ii) an annual payment of \$45,064.37 to cover premiums on a life insurance policy, and (iii) a Company provided automobile.

In the event Mr. Horowitz's employment is terminated by the Company without Cause (as defined in the Employment Agreement), or Mr. Horowitz resigns for Good Reason (as defined in the Employment Agreement), then subject to his execution of a general release, (i) he will continue to receive his base salary for 18 months, (ii) he will receive a pro rata bonus for the year of termination (the "Pro Rata Bonus"), and (iii) the Company will pay his monthly COBRA premiums until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA (the "COBRA Payments").

In the event Mr. Horowitz's employment is terminated by the Company without Cause or he resigns for Good Reason within two years following a Change in Control (as defined in the Employment Agreement) or, under certain circumstances, within six months prior to a Change in Control, then subject to his execution of a general release, he will receive the Pro Rata Bonus, the COBRA Payments, and a lump sum amount equal to the greater of (i) 18 months base salary or (ii) the lesser of (a) two times the sum of his base salary plus the amount of any bonus he received for the year prior to the Change in Control, or (b) 3% of the value on the date of the Change in Control of the Company's outstanding shares on a fully diluted basis immediately prior to the Change in Control. Notwithstanding the foregoing, amounts paid to Mr. Horowitz upon a Change in Control will be reduced to 2.99 times his "base amount" (as determined in accordance with Sections 280G of the Internal Revenue Code of 1986, as amended).

Pursuant to the Employment Agreement, during the term of his employment and for a period of eighteen months after termination of his employment, Mr. Horowitz is prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Employment Agreement also prohibits Mr. Horowitz from using or disclosing any of the Company's non-public, proprietary or confidential information.

Table of Contents

On December 19, 2008, the Employment Agreement was amended and restated to conform with certain changes to the U.S. tax code, particularly with respect to Section 409A of such code.

We have no employment agreement, change of control agreement or severance protection agreements with our other executive officer, Mr. Joseph A. Molino, Jr., who is deemed to be an employee "at will." In February 2008, the Company's Compensation Committee increased Mr. Molino's base salary from \$325,000 to \$350,000 per year, effective January 1, 2008.

As part of the Company's overall cost savings measures established in 2009, which included salary reductions throughout the Company, including its corporate headquarters, the Company reduced base salaries by five percent beginning April 1, 2009. Such reduction included Mr. Horowitz (who consented to such reduction) and Mr. Molino. The Company shall, from time to time, consider whether to reinstate the pre-April 1, 2009 salary levels.

In connection with the transactions described above under "Related Party Transactions" relating to the Credit Agreement Amendment, Mr. Horowitz made an election pursuant to a CEO Deferred Compensation Plan, pursuant to which he elected to defer a portion of his 2010 salary equivalent to the amount in excess of the amount that he would have been paid at the annual rate of \$750,000 per year beginning April 1, 2010. Such deferral will continue through at least December 31, 2010, with any deferred amounts to be accrued by the Company and repaid no earlier than January 2, 2012.

Executive 162(m) Bonus Plan

On January 25, 2006, the Compensation Committee created the P&F Industries, Inc. Executive 162(m) Bonus Plan (the "162(m) Bonus Plan"). The 162(m) Bonus Plan was approved by the Board of Directors on March 14, 2006 and by the stockholders at the 2006 Annual Meeting on May 31, 2006.

The Compensation Committee adopted the 162(m) Bonus Plan to ensure, when appropriate, that awards paid under the 162(m) Bonus Plan qualify as performance-based compensation and are, therefore, fully deductible by us for income tax purposes under Section 162(m) of the Internal Revenue Code of 1986. Payments made under the 162(m) Bonus Plan to the named executive officers are fully deductible by us.

Under the 162(m) Bonus Plan, the Compensation Committee selects the employees of our Company and its subsidiaries who will participate in the 162(m) Bonus Plan for each performance period. The Compensation Committee establishes the objective performance goals, formulae or standards and the individual target performance award (if any) applicable to each participant for a performance period prior to the beginning of such performance period or at such later date as permitted under Section 162(m) of the tax code, and while the outcome of the performance goals are substantially uncertain.

In March 2008, the Compensation Committee determined that Messrs. Horowitz and Molino would be participating in the 162(m) Bonus Plan for 2008, and set forth the criteria for 2008 based on the payment of a percentage of the Company's profits to each participant in relation to the achievement of certain target levels with respect to return on stockholder equity. The Compensation Committee determined that this was an appropriate quantifiable measure of success that would serve to align the named executive officers with the interests of the shareholders of the Company. The Company reserved the right to award less than the maximum award, but was not permitted to exceed the maximum award. In March 2009, the Compensation Committee awarded cash bonuses to Messrs. Horowitz and Molino of \$157,766 and \$39,716, respectively, for 2008, which were paid to such executive officers later in 2009.

AUDIT COMMITTEE REPORT*

The Audit Committee of the Board of Directors of P&F Industries, Inc. is composed of three independent directors appointed by the Board of Directors (each of whom is independent under NASDAQ and applicable SEC rules) and operates under a written charter adopted by the Board of Directors on March 9, 2004. During 2009, and as of the record date, the members of the Audit Committee were Messrs. Franklin (Chairman), Goldberg and Solomon. Management is responsible for the Company's internal accounting and financial controls, the financial reporting process and the internal audit function. The Company's independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and report its findings to the Board of Directors.

In this context, the Audit Committee has met and held discussions separately, and jointly, with each of management and the Company's independent registered public accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants. The Audit Committee discussed with the independent registered public accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee discussed with the independent registered public accountants the independent registered public accountants' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (which were received by the Audit Committee), and considered the compatibility of non-audit services provided by the independent registered public accountants with the registered public accountants' independence.

Based on the Audit Committee's discussion with management and the independent registered public accountants, and the Audit Committee's review of the representation of management and the report of the independent registered public accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 filed with the SEC.

PROPOSAL 2

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed J.H. Cohn LLP ("J.H. Cohn") as independent registered public accounting firm for the Company and its subsidiaries for the year 2010. J.H. Cohn has audited the Company's financial statements since 2008. Representatives of J.H. Cohn are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's By-laws (as amended on October 8, 2009) (the "By-laws") nor other governing documents or law require stockholder ratification of the selection of the Company's independent registered public accounting firm. However, the Audit Committee seeks to have the appointment of J.H. Cohn ratified. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of J.H. Cohn. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

CHANGE OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

On March 27, 2008, Grant Thornton LLP ("Grant Thornton") informed the Company's Audit Committee that it was resigning as the Company's independent registered public accounting firm effective as of the date of the completion of Grant Thornton's review of the Company's interim financial information in connection with the Company's fiscal quarter ended March 31, 2008 (the "Resignation Date").

Grant Thornton's report on the Company's consolidated financial statements for the fiscal years ended December 31, 2007 and 2006 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2007 and 2006, and during the period from January 1, 2008 through the Resignation Date, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement if not resolved to the satisfaction of Grant Thornton, would have caused them to make reference to the subject matter of the disagreement(s) in connection with their report.

During the fiscal years ended December 31, 2007 and 2006, and during the period from January 1, 2008 through the Resignation Date, Grant Thornton did not advise the Company of any matter set forth in Item 304(a)(1)(v)(A) through (D) of Regulation S-K under the Securities Exchange Act of 1934.

The Company requested that Grant Thornton furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements contained in the Current Report on Form 8-K filed, dated March 27, 2008, with the Securities and Exchange Commission relating to the resignation of Grant Thornton. A copy of Grant Thornton's letter is filed as Exhibit 16.1 to such Current Report on Form 8-K.

The Audit Committee has also established pre-approved services for which the Company's management can engage the Company's independent registered public accountants. Any work in addition to these pre-approved services in a quarter requires the advance approval of the Audit Committee. The Audit Committee considers whether the provision of permitted non-audit services is compatible with maintaining its independent registered public accountants' independence. All non-audit services provided in 2009 were pre-approved by the Audit Committee. There were no such non-audit services provided in 2008.
