INTRODUCTION

A notice of the annual meeting of shareholders of Five Star Quality Care, Inc., a Maryland corporation, or the Company, is on the preceding page and a form of proxy solicited by our Board of Directors, or our Board, accompanies this proxy statement. This proxy statement and a form of proxy, together with our annual report to shareholders for the year ended December 31, 2010, are first being made available, and a Notice Regarding the Availability of Proxy Materials, or the Notice of Internet Availability, is first being mailed, to shareholders on or about February 23, 2011.

The annual meeting record date is February 18, 2011. Only shareholders of record at the close of business on February 18, 2011, are entitled to notice of, and to vote at, the meeting and at any postponement or adjournment thereof. We had 36,019,864 shares of common stock, \$.01 par value per share, or common shares, outstanding on the record date and entitled to vote at the meeting. Our common shares are listed on the New York Stock Exchange, or NYSE. The holders of our outstanding common shares are entitled to one vote per common share.

A quorum of shareholders is required for shareholders to take action at the meeting. The presence, in person or by proxy, of holders of common shares entitled to cast one-third of the votes entitled to be cast at the meeting will constitute a quorum. Common shares represented by valid proxies will count for the purpose of determining the presence of a quorum for the meeting. Abstentions and broker non-votes, if any, will be treated as shares present for purposes of determining whether a quorum is present. Failure of a quorum to be present at the meeting will necessitate adjournment of the meeting and will subject us to additional expense. Under our governing documents, the chairperson of the meeting may adjourn the meeting if less than a quorum is present at the meeting.

The affirmative vote of a majority of the votes cast will be necessary to elect the nominees for Director described in proposals 1 and 2, to approve the resolution regarding named executive officer compensation described in proposal 3, to approve the selection under proposal 4 of every three years as the frequency at which our shareholders will be asked to hold a nonbinding advisory vote on named executive officer compensation and to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm in proposal 5. Proposals 3, 4 and 5 are nonbinding shareholder advisory votes and, if approved, would serve only as recommendations to our Board.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

The individuals named as proxies on a properly completed proxy will vote in accordance with your directions as indicated thereon. If you properly complete your proxy and give no voting instructions, your shares will be voted "FOR" the nominees for Director in proposals 1 and 2, "FOR" proposal 3, to select every "THREE YEARS" in proposal 4 and "FOR" proposal 5.

Shareholders of record may authorize a proxy to vote their shares over the internet or by telephone in the manner provided on the website indicated in the Notice of Internet Availability mailed to them, or, if they requested and received paper or email copies of proxy materials, by completing and returning the proxy card, or by attending the meeting and voting in person. Proxies submitted by mail, over the internet or by telephone must be received by 11:59 p.m. eastern daylight time on May 8, 2011.

Broker non-votes occur in respect of shares held in street name when the broker indicates that voting instructions for a particular matter have not been received from the beneficial owners or other persons entitled to vote those shares and the broker does not have discretionary voting authority to vote those shares on that particular matter. Abstentions and broker non-votes will have no effect on the outcome of any of the proposals 1 through 5. A proxy marked "WITHHOLD" will have the same effect as an abstention.

The record date for the meeting will apply to any adjournment or postponement of the meeting unless our Board fixes a new record date for the adjourned or postponed meeting. If we adjourn the annual meeting, we will announce the time and place of the adjourned meeting at the original meeting, but we do not intend to deliver another notice of the meeting unless we fix a new record date for the adjourned meeting. At any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as they would have been at the original convening of the meeting (except for any proxies which have been effectively revoked or withdrawn).

IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares. If you have any questions or need assistance in voting your shares, please call the firm assisting us in the solicitation of proxies:

PROPOSALS 1 AND 2 ELECTION OF DIRECTORS

The number of our Directors is fixed at five, and our Board is divided into three groups, with two Directors in Group I, two Directors in Group II and one Director in Group III. Directors in each group are elected for three year terms and serve until their successors are duly elected and qualified.

Our current Directors are Barbara D. Gilmore and Barry M. Portnoy in Group I with a term of office expiring at the meeting to which this proxy statement relates, Donna D. Fraiche and Gerard M. Martin in Group II with a term of office expiring at our 2012 annual meeting of shareholders and Bruce M. Gans, M.D. in Group III with a term of office expiring at our 2013 annual meeting of shareholders. The term of the Group I Directors elected at the meeting will expire at our 2014 annual meeting of shareholders.

Our Directors are also categorized as Independent Directors and Managing Directors. Our Board is composed of three Independent Directors and two Managing Directors. Our Independent Directors are Directors who: are not employees of ours or Reit Management & Research LLC, or RMR, our business management and shared services provider; are not involved in our day to day activities; and qualify as independent under our charter and bylaws and applicable rules of the NYSE and the Securities and Exchange Commission, or SEC. Our Managing Directors are Directors who: are not Independent Directors; and have been employees of ours or RMR or have been involved in our day to day activities for at least one year prior to their election. Ms. Gilmore, Dr. Gans and Ms. Fraiche are our Independent Directors, and Messrs. Portnoy and Martin are our Managing Directors. Biographical information relating to our Directors and other information relating to our Board appears elsewhere in this proxy statement.

PROPOSAL 1: ELECTION OF ONE INDEPENDENT DIRECTOR

Our Board has nominated Ms. Gilmore for election as the Independent Director in Group I, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Independent Director in Group I elected at the meeting will expire at our 2014 annual meeting of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Ms. Gilmore, except to the extent that properly completed proxies indicate that the votes should be cast against Ms. Gilmore's election or withheld for Ms. Gilmore.

Ms. Gilmore has agreed to serve as the Independent Director in Group I if elected. However, if Ms. Gilmore becomes unable or unwilling to accept election to our Board, the proxies will be voted for a substitute nominee designated by our Board. Our Board has no reason to believe that Ms. Gilmore will be unable to serve.

The affirmative vote of a majority of the votes cast will be necessary to elect Ms. Gilmore as the Independent Director in Group I.

Our Board recommends you vote "FOR" the election of Ms. Gilmore as the Independent Director in Group I.

PROPOSAL 2: ELECTION OF ONE MANAGING DIRECTOR

Our Board has nominated Mr. Portnoy for election as the Managing Director in Group I, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Managing Director in Group I elected at the meeting will expire at our 2014 annual meeting of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Mr. Portnoy, except to the extent that properly completed proxies indicate that the votes should be cast against Mr. Portnoy's election or withheld for Mr. Portnoy.

Mr. Portnoy has agreed to serve as the Managing Director in Group I if elected. However, if Mr. Portnoy becomes unable or unwilling to accept election to our Board, the proxies will be voted for a substitute nominee designated by our Board. Our Board has no reason to believe that Mr. Portnoy will be unable to serve.

The affirmative vote of a majority of the votes cast will be necessary to elect Mr. Portnoy as the Managing Director in Group I.

Our Board recommends you vote "FOR" the election of Mr. Portnoy as the Managing Director in Group I.

**PROPOSAL 3
ADVISORY APPROVAL RELATING TO EXECUTIVE COMPENSATION**

As required by Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, we are including a proposal for our shareholders to vote to approve, on a nonbinding advisory basis, the compensation of those of our executive officers listed in the Summary Compensation Table elsewhere in this proxy statement, or our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in this proxy statement.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

Our executive compensation is designed to reward executive performance that contributes to our success and increases shareholder value, while encouraging behavior that is in our and our shareholders' long-term best interests. We urge you to read the Compensation Discussion and Analysis and Compensation Tables and narrative discussion in this proxy statement for additional details on our executive compensation, including our compensation philosophy and objectives and the compensation of our named executive officers.

As required by Section 14A of the Exchange Act, we are asking you to vote on the adoption of the following resolution:

RESOLVED: That the shareholders of the Company approve, on a nonbinding, advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the *Compensation Discussion and Analysis* and *Compensation Tables* and narrative discussion in the proxy statement.

The affirmative vote of a majority of the votes cast will be necessary to approve proposal 3. The shareholder vote on proposal 3 is advisory and nonbinding and serves only as a recommendation to our Board. Our Board has not yet determined the frequency with which we will hold the shareholder advisory vote on named executive officer compensation required by Section 14A of the Exchange Act or when the next such shareholder advisory vote on named executive officer compensation will occur.

Our Board recommends you vote "FOR" Proposal 3.

PROPOSAL 4 ADVISORY VOTE ON SELECTION OF FREQUENCY OF EXECUTIVE COMPENSATION VOTE

As required by Section 14A of the Exchange Act, we are including a proposal for our shareholders to indicate, on a nonbinding, advisory basis, the frequency with which they wish to have a nonbinding, advisory vote on the compensation paid to our named executive officers; in other words, how often a proposal similar to this year's proposal 3 will be included in the matters to be voted on at our annual meetings. The choices available under Section 14A are every year, every other year or every three years.

After consideration, our Board recommends that you select every three years as the desired frequency for a nonbinding, advisory vote of shareholders on named executive officer compensation. We believe this frequency is appropriate because it encourages our shareholders to evaluate our executive compensation arrangements over an extended period of performance and to review the compensation of our named executive officers over a three-year period as reported in the Summary Compensation Table.

Please mark your proxy card to indicate your preference on this proposal or your abstention if you wish to abstain. If you properly complete your proxy and fail to indicate your preference or abstention, your shares will be voted to select every three years as the frequency with which our shareholders will be asked to hold a nonbinding, advisory vote on named executive officer compensation.

The affirmative vote of a majority of the votes cast will be necessary to approve the selection under proposal 4 of every three years as the frequency with which our shareholders will be asked to hold a nonbinding, advisory vote on named executive officer compensation. The shareholder vote on proposal 4 is advisory and nonbinding and serves only as a recommendation to our Board. Our Board

has not yet determined the frequency with which we will hold the shareholder advisory vote on named executive officer compensation required by Section 14A of the Exchange Act. Whether or not a majority of votes is cast in favor of any of the options available in this proposal 4, our Board will decide among these options in its discretion.

Our Board recommends you vote for every "THREE YEARS" as the frequency with which a nonbinding shareholder advisory vote on named executive officer compensation will occur.

**PROPOSAL 5
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

On January 11, 2011, our Audit Committee voted to appoint Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (our fiscal year being a calendar year). Ernst & Young LLP acted as our independent registered public accounting firm for 2009 and 2010. A representative of Ernst & Young LLP is expected to be present at the meeting, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at the meeting. Proposal 5 is nonbinding. If the appointment is not ratified, our Audit Committee will consider whether to appoint another independent registered public accounting firm in its discretion. If the appointment is ratified, our Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time if it determines that such a change would be advisable.

The fees for services provided by Ernst & Young LLP to us for the last two fiscal years were as follows:

	2009	2010
Audit fees	\$ 840,000	\$ 840,100
Audit related fees	17,000	
Tax fees	40,375	38,000
<i>Subtotal</i>	\$ 897,375	\$ 878,100
All other fees		
Total fees	\$ 897,375	\$ 878,100

Our Audit Committee has established policies and procedures which are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent registered public accounting firm unless the engagement is specifically approved by our Audit Committee or the services are included within a category which has been approved by our Audit Committee. The maximum charge for services is established by our Audit Committee when the specific engagement or the category of services is approved. In certain circumstances, our management is required to notify our Audit Committee when approved services are undertaken and the Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible to report to our Audit Committee regarding compliance with these policies and procedures.

Our Audit Committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered

public accounting firm to cease to be independent within the meaning of applicable SEC or NYSE rules. In other circumstances, our Audit Committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which we engaged our independent registered public accounting firm in 2009 and 2010 were approved by our Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2009 and 2010 are set forth above. The audit related fees in 2009 were for a special report required by the terms of one of our leases that was not required in 2010 and the tax fees in 2009 and 2010 were for services involved in reviewing our tax reporting and tax compliance procedures related to our income tax returns for the fiscal years ended December 31, 2008 and 2009, respectively. Our Audit Committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP's providing these services would not compromise its independence and that its familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

The affirmative vote of a majority of the votes cast will be necessary for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011. The shareholder vote on proposal 5 is advisory and nonbinding and serves only as a recommendation to our Board.

Our Board recommends you vote "FOR" proposal 5, the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

SOLICITATION OF PROXIES

Proxies may be solicited, without additional compensation, by our Directors, officers and employees and by RMR and its directors, officers and employees by mail, telephone or other electronic means or in person. We are paying the cost of this solicitation, including the preparation, printing, mailing and website hosting of proxy materials. We will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of our common shares and to obtain their voting instructions. We will reimburse those firms for their expenses. In addition, we have retained Innisfree M&A Incorporated, or Innisfree, to assist in the solicitation of proxies for a fee of \$15,000 plus reimbursement of expenses. We have agreed to indemnify Innisfree against certain liabilities arising out of our agreement with Innisfree.

Dr. Gans has been an Independent Trustee of HPT since February 2009. Dr. Gans has served as a Director of AIC since November 2008.

BOARD OF DIRECTORS

Our business is conducted under the general direction of our Board as provided by our charter, our bylaws and the laws of the State of Maryland, the state in which we were reincorporated on September 17, 2001.

Three of our Directors, Bruce M. Gans, M.D., Barbara D. Gilmore and Donna D. Fraiche, are our Independent Directors within the meaning of our bylaws. Two of our Directors, Messrs. Portnoy and Martin, are our Managing Directors within the meaning of our bylaws.

Our bylaws require that a majority of our Board be Independent Directors. In determining the status of those Directors who qualify as Independent Directors, each year our Board affirmatively determines whether the Directors have a direct or indirect material relationship with us, including our subsidiaries, other than serving as our Directors. When assessing a Director's relationship with us, our Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation.

Our Board has determined that Dr. Gans, Ms. Gilmore and Ms. Fraiche currently qualify as independent directors under applicable NYSE rules and are Independent Directors under our bylaws and previously determined that our former director, Arthur G. Koumantzelis, qualified as an independent director under applicable NYSE rules and was an Independent Director under our bylaws. In making these determinations, our Board considered the fact that Dr. Gans served on the board of SNH, our largest landlord and largest shareholder, from 1999 to 2001 and that Mr. Koumantzelis served on the board of SNH from 1999 until October 2003. Our Board also considered each of the Independent Directors' service in other enterprises and on the boards of other companies to which RMR and its affiliates provide management services. Our Board has concluded that none of these Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable NYSE standards.

During 2010, our Board held five meetings, our Audit Committee held ten meetings, our Compensation Committee held four meetings, our Nominating and Governance Committee held two meetings and our Quality of Care Committee held five meetings. During 2010, each Director attended 75% or more of the total number of meetings of our Board and any committee of which he or she was a member during the time in which he or she served on our Board or such committee. All of our Directors attended last year's annual meeting of shareholders.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

Pursuant to our Governance Guidelines, our Independent Directors meet at least once each year without management. The presiding Director at these meetings is the Chair of our Audit Committee, unless the Independent Directors in attendance select another Independent Director to preside.

Board Leadership Structure

Our Board is comprised of both Independent Directors and Managing Directors, with a majority being Independent Directors. Our Independent Directors are not employees of ours or of RMR, are not involved in our day to day activities and are persons who qualify as independent under our bylaws and applicable rules of the NYSE and SEC. Our Managing Directors are not Independent Directors and have been employees of ours or RMR or have been involved in our day to day activities for at least one year. Our Board is composed of three Independent Directors and two Managing Directors. Our President and Chief Executive Officer and our Treasurer and Chief Financial Officer are not members of our Board of Trustees, but they regularly attend Board meetings, as does our Director of Internal Audit. Other officers of ours may also attend Board meetings as, on occasion, may officers of RMR, in each case at the invitation of our Board.

Our Audit, Compensation and Nominating and Governance Committees are comprised solely of our Independent Directors, and an Independent Director serves as Chair of each such committee. Our Quality of Care Committee includes two Independent Directors and a Managing Director. These standing committees have responsibilities related to our leadership and governance, including among other things: (i) our Audit Committee reviews our financial reports, oversees our accounting and financial reporting processes, selects our independent accountants, determines the compensation paid to our independent accountants, and assists our Board with its oversight of our internal audit function and our compliance with legal and regulatory requirements; (ii) our Compensation Committee annually determines the compensation we pay to our Chief Executive Officer and Chief Financial Officer, recommends to our Board the compensation we pay to our other executive officers, administers our 2001 Stock Option and Stock Compensation Plan, or Share Award Plan, including the making of grants of restricted share awards under the Share Award Plan, evaluates the performance of our Director of Internal Audit and approves the compensation we pay to him, reviews our business management and shared services agreement with RMR, or our business management agreement, evaluates RMR's performance under that agreement and the expenses, costs and compensation we pay under that agreement, approves those expenses, costs and compensation that we pay under that agreement, and determines whether that agreement will be renewed, amended, terminated or allowed to expire; (iii) our Nominating and Governance Committee considers nominees to serve on our Board, recommends to our Board nominees for election to our Board, assesses our Board's performance, and reviews and assesses our Board leadership structure and Governance Guidelines and recommends to the Board any changes it determines appropriate; and (iv) our Quality of Care Committee reviews our clinical operations policies, procedures and plans to maintain the quality of healthcare and senior living services we provide to our customers and reports regularly to our Board. The Chairs of the Audit, Compensation, Nominating and Governance and Quality of Care Committees set the agenda for their respective committee meetings, but committee members, our Managing Directors or members of our management may suggest agenda items to be considered by these committees.

We do not have a Chairman of our Board or a lead Independent Director. Special meetings of the Board may be called at any time by any Managing Director, our President and Chief Executive Officer or on the request of any two of the Directors then in office. Our Managing Directors, in consultation

with our President and Chief Executive Officer, Chief Financial Officer and Treasurer, Director of Internal Audit and Senior Vice President, Chief Operating Officer and Chief Clinical Officer, set the agenda for our Board meetings, and any Independent Director may place an item on an agenda by providing notice to a Managing Director, our President and Chief Executive Officer, or our Chief Financial Officer and Treasurer. Discussions at Board meetings are led by the Managing Director or Independent Director who is most knowledgeable on a subject. Our Board is small, which facilitates informal discussions and communication from management to the Board and among Directors. Our Independent Directors meet to consider Company business without the attendance of our Managing Directors or our officers, and they meet separately with our officers, with our Director of Internal Audit and with our outside accountants. In such meetings of our Independent Directors, the Chair of the Audit Committee presides unless the Independent Directors determine otherwise.

In light of the size of our Board and the oversight provided by and involvement of our Independent Directors and Board committees in the leadership of our company, our Board considers that our current leadership structure and conduct combines appropriate leadership with the ability to conduct our business efficiently and with appropriate care and attention.

Risk Oversight

Our Board oversees risk as part of its general oversight of our Company, and oversight of risk is addressed as part of various Board and Board committee activities and through regular and special Board and Board committee meetings. The actual day-to-day business of our Company is conducted by our management, and our management implements risk management in its activities. RMR provides us advice and assistance with our risk management function. In discharging their oversight responsibilities, our Board and Board committees regularly review a wide range of reports provided to them by our management and by RMR and other service providers, including reports on market and industry conditions, operating and compliance reports, reports on our clinical operations, financial reports, reports on risk management activities, regulatory and legislative updates that may impact us, legal proceedings updates and reports on other business related matters, and discusses such matters among themselves and with Company management, representatives of RMR, counsel and our independent accountants. Our Audit Committee, which meets at least quarterly and reports its findings to our Board, performs a lead role in helping our Board fulfill its responsibilities for oversight of our financial reporting, internal audit function, risk management and our compliance with legal and regulatory requirements. Our Board and Audit Committee review periodic reports from our independent registered public accounting firm regarding potential risks, including risks related to our internal controls. Our Audit Committee also annually reviews, approves and oversees an internal audit plan developed by our Director of Internal Audit with the goal of helping our Company systematically evaluate the effectiveness of our risk management, control and governance processes, and periodically meets with our Director of Internal Audit to review the results of our internal audits, and directs or recommends to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of our risk management. Our Quality of Care Committee reviews management reports on our clinical operations and directs or recommends to management and the Board actions or changes it determines appropriate to improve our clinical operations. Our Compensation Committee also evaluates the performance of our Director of Internal Audit and RMR's performance under our business management agreement. Also, our Compensation Committee and our Board consider the fact that we have a share grant program which requires share grants to vest over a period of years, rather than a stock option program such as is employed by many other publicly owned companies. We believe

that the use of share grants vesting over time rather than stock options mitigates the incentives for our management to undertake undue risk and encourages our management to make longer term, less risk prone decisions.

While a number of risk management functions are performed, it is not possible to identify all of the risks that may affect us or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for our Company to bear certain risks to achieve our objectives. As a result of the foregoing and other factors, our Company's ability to manage risk is subject to substantial limitations.

BOARD COMMITTEES

We have a standing Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee, each of which has a written charter. With the exception of the Quality of Care Committee, each of the above committees is currently comprised of Dr. Gans, Ms. Gilmore and Ms. Fraiche, who are independent under applicable NYSE listing standards and each committee's respective charter, and, in the case of our Audit Committee, the applicable independence requirements of the SEC. Dr. Gans, Ms. Gilmore and Mr. Martin currently constitute our Quality of Care Committee. Our Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee are delegated the powers of our Board necessary to carry out their responsibilities. In May 2010, we formed an ad hoc special committee consisting of our Independent Directors to consider possible transactions between us and SNH in light of recent tax law changes with respect to REITs and the enactment of the Patient Protection and Affordable Care Act.

Our Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act. The primary function of our Audit Committee is to assist our Board in fulfilling its responsibilities for oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent registered public accounting firm's qualifications and independence; and (4) the performance of our internal audit function and independent registered public accounting firm. Our Board has determined that Ms. Gilmore is our Audit Committee financial expert and is "independent" as defined by the rules of the SEC and the NYSE. Our Board's determination that Ms. Gilmore is our Audit Committee financial expert was based upon her experience as: (i) a member of our audit committee and the audit committees of TA and GOV and (ii) a professional bankruptcy court law clerk and as a trustee or examiner in various bankruptcy cases involving business finance matters. Under its charter, our Audit Committee has the final authority and responsibility to select our independent registered public accounting firm.

Our Compensation Committee's primary responsibilities include: (1) reviewing and determining the compensation paid by us to our President and Chief Executive Officer and our Treasurer and Chief Financial Officer; (2) recommending to our Board the cash compensation paid by us to individuals who serve as our executive officers other than our Chief Executive Officer and Chief Financial Officer; (3) administering and making grants under the Share Award Plan; (4) reviewing our business management agreement, evaluating RMR's performance under that agreement and the expenses, costs and compensation we pay under that agreement, and approving those expenses, costs and compensation that we are required to pay under that agreement; (5) evaluating the performance of our Director of Internal Audit and determining the compensation paid by us to our Director of Internal Audit; and

(6) reviewing and considering the incentives and risks associated with our compensation policies and practices.

The responsibilities of our Nominating and Governance Committee include: (1) identification of individuals qualified to become members of our Board and recommending to our Board the Director nominees for each annual meeting of shareholders or when Board vacancies occur; (2) development, and recommendation to our Board of governance guidelines; and (3) evaluation of the performance of our Board.

The primary function of our Quality of Care Committee is to review the quality of healthcare and senior living services we provide to our customers.

The charter of each of our standing committees provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter.

Our policy with respect to Board members' attendance at our annual meetings of shareholders can be found in our Governance Guidelines, the full text of which appears at our website at www.fivestarseniorliving.com. In addition to our Governance Guidelines, copies of the charters of our Audit, Compensation, Nominating and Governance and Quality of Care Committees, as well as our Code of Business Conduct and Ethics, may be obtained free of charge at our website, www.fivestarseniorliving.com, or by writing to our Secretary, Five Star Quality Care, Inc., 400 Centre Street, Newton, MA 02458.

COMMUNICATIONS WITH DIRECTORS

Any shareholder or other interested person who desires to communicate with our Independent Directors or any Directors, individually or as a group, may do so by filling out a report at our website (www.fivestarseniorliving.com), by calling our toll free confidential message system at (866) 230-1286, or by writing to the party for whom the communication is intended, care of our Director of Internal Audit, Five Star Quality Care, Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, MA 02458. Our Director of Internal Audit will then deliver any communication to the appropriate party or parties.

SELECTION OF CANDIDATES FOR DIRECTORS; SHAREHOLDER RECOMMENDATIONS, NOMINATIONS AND OTHER PROPOSALS

Our Board has established Governance Guidelines which, together with our bylaws, set forth the qualifications for service on our Board. Our Governance Guidelines may be changed from time to time by our Board upon the recommendation of our Nominating and Governance Committee. Our Board makes nominations of persons to be elected by shareholders as Directors. Our Board also elects Directors to fill Board vacancies which may occur from time to time. In both these circumstances, our Board will act upon recommendations made by our Nominating and Governance Committee.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

In considering candidates to serve as Directors, our Nominating and Governance Committee seeks individuals who have qualities which the Committee believes will be effective in serving our long term best interests. Among the characteristics which the Committee considers are the following: integrity, experience, achievements, judgment, intelligence, competence, personal character, ability to make independent analytical inquiries, willingness to devote adequate time to Board duties, likelihood that a candidate will be able to serve on our Board for an extended period and other matters that our Nominating and Governance Committee deems appropriate. While our Board does not have a specific diversity policy in connection with the selection of nominees for Directors, due consideration is given to our Board's desire for an overall balance of diversity of perspectives, backgrounds and experiences. Our Board does not consider gender, sexual orientation, race, religion, ethnicity, national origin or citizenship to be relevant considerations and does not discriminate on the basis of such criteria. When considering candidates, our Nominating and Governance Committee will also assist our Board in determining the desired mix of experience, skills, attributes and other criteria that will strengthen our Board in a way that best serves the long term interests of our Company and complements the experience, skills, attributes and qualifications of existing Directors. Depending on whether the position to be filled is that of an Independent Director or a Managing Director, the qualifications of the candidate to meet the criteria for each such category of Director is considered. In seeking candidates for Director who have not previously served as our Director, the Nominating and Governance Committee may use the business, professional and personal contacts of its members, it may accept recommendations from other Board members, and, if it considers it appropriate, the Nominating and Governance Committee may engage a professional search firm. In addition to other criteria, our bylaws require that nominees submit any additional information required in connection with our license or regulation by state insurance or healthcare regulatory authorities.

In 2010, we did not pay any third party to identify or to assist in the evaluation of any candidate for election to our Board. We did not receive any shareholder recommendations or nominations for our Board for the 2011 annual meeting of shareholders, except the nominations made by our Board and recommendations by our Nominating and Governance Committee, each of which includes Board members who are shareholders of record.

Shareholder Recommendations for Nominees. A responsibility of our Nominating and Governance Committee is to consider candidates for election as Directors who are properly recommended by shareholders. To be considered by our Nominating and Governance Committee, a shareholder recommendation for a nominee must be made: (i) by a shareholder who is entitled under our bylaws and applicable state and federal laws to nominate the nominee at the meeting and (ii) by written notice to the Chair of our Nominating and Governance Committee and our Secretary given within the 30 day period ending on the last date on which shareholders may give a timely notice of nomination for such meeting under our bylaws and applicable state and federal laws, which notice must be accompanied by the information and documents with respect to the recommended nominee which the recommending shareholder would have been required to provide in order to nominate such nominee for election at the shareholders meeting in accordance with our bylaws and applicable state and federal laws. Our Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder recommending the nominee. Shareholder recommendations which meet the requirements set forth above will be considered using the same criteria as other candidates considered by our Nominating and Governance Committee. We are reviewing our procedures for shareholder recommendations of Director candidates and may amend them in a manner that affects shareholder recommendations of Director candidates to stand for

election at our 2012 meeting. We will publish any such amended procedures on our website. Any shareholder considering making a recommendation of a Director candidate should carefully review and comply with the procedures then in effect for making such a recommendation.

2012 Annual Meeting Deadlines for Shareholder Proposals Pursuant to Rule 14a-8 under the Exchange Act. Shareholder proposals intended to be presented pursuant to Rule 14a-8 under the Exchange Act at our 2012 annual meeting of shareholders must be received at our principal executive offices on or before October 26, 2011 in order to be considered for inclusion in our proxy statement for our 2012 annual meeting of shareholders, provided that if we hold our 2012 annual meeting before April 9, 2012 or after June 8, 2012, shareholders must submit proposals for inclusion in our 2012 proxy statement within a reasonable time before we begin to print our proxy materials. Under Rule 14a-8, we are not required to include shareholder proposals in our proxy materials unless conditions specified in the rule are met.

2012 Annual Meeting Deadlines for Shareholder Nominations and Shareholder Proposals not Made Pursuant to Rule 14a-8 under the Exchange Act. In order for a shareholder properly to propose a nominee for election to our Board or propose business outside of Rule 14a-8 under the Exchange Act, the shareholder must comply in all respects with the advance notice and other provisions set forth in our bylaws, which currently include, among other things, requirements as to the shareholder's timely delivery of advance notice, share ownership and submission of specified information. Our bylaws currently require that shareholder nominations and proposals intended to be made outside of Rule 14a-8 under the Exchange Act at our 2012 annual meeting of shareholders must be submitted, in accordance with the requirements of our bylaws, not later than 5:00 p.m. (Eastern Time) on October 26, 2011 (which is also the date, after which, shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would be considered "untimely" within the meaning of Rule 14a-4(c) under the Exchange Act) and not earlier than September 26, 2011; provided, that, if our 2012 annual meeting is called for a date earlier than April 9, 2012 or later than June 8, 2012, then a shareholder's notice must be so delivered not later than 5:00 p.m. (Eastern Time) on the tenth day following the earlier of the day on which (i) notice of the date of our 2012 annual meeting is mailed or otherwise made available or (ii) public announcement of the date of our 2012 annual meeting is first made by us. We are reviewing our bylaws and may amend them in a manner that affects shareholder nominations or other proposals that shareholders seek to make at our 2012 meeting. Copies of our bylaws, including the provisions which concern the requirements for shareholder nominations and other proposals and any amendment to our bylaws approved by our Board, may be obtained by writing to our Secretary at Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458 or from the SEC's website at www.sec.gov. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions. Under our bylaws, a shareholder is obligated to indemnify us for costs and expenses we incur arising from the shareholder's breach or failure to fully comply with any covenant, condition or provision of our charter or bylaws, including costs and expenses we may incur as a result of the shareholder's failure to comply with the requirements to make nominations and proposals.

COMPENSATION DISCUSSION AND ANALYSIS

There were several changes in our executive officers during 2008, 2009 and 2010. On May 1, 2008, Bruce J. Mackey Jr., who previously was our Treasurer and Chief Financial Officer, became our President and Chief Executive Officer. On December 31, 2009, Paul V. Hoagland, who had been our Vice President Finance, became our Treasurer and Chief Financial Officer. On August 11, 2010, Maryann Hughes, our Vice President and Director of Human Resources notified us of her resignation. Her termination of employment became effective on November 19, 2010. Pursuant to Separation and Accelerated Vesting Agreements we executed with Ms. Hughes on December 14, 2010, in connection with her termination and in exchange for non-solicitation, confidentiality and other covenants in those agreements, Ms. Hughes was paid severance and other benefits and was allowed to retain vested shares awarded to her in 2009 and prior years. At December 31, 2010, we had four executive officers: Bruce J. Mackey, Jr., President and Chief Executive Officer; Paul V. Hoagland, Chief Financial Officer and Treasurer; Rosemary Esposito, Chief Operating Officer, Senior Vice President and Chief Clinical Officer; and Travis K. Smith, Vice President, General Counsel and Secretary. Additional biographical information about our executive officers appears elsewhere in this proxy statement.

Compensation philosophy and process

Individual performance is an important factor in determining each element of compensation. Our Compensation Committee determines the total compensation of our Chief Executive Officer and Chief Financial Officer and the amount of share grants to all of the executive officers. Our Compensation Committee recommends to our Board and the Board determines all compensation, other than share grants, for our executive officers other than our Chief Executive Officer and Chief Financial Officer. There is no formulaic approach to the determinations of an executive officer's compensation as it is in the discretion of our Compensation Committee and our Board and determinations of an executive officer's compensation are not made as a result of benchmarking compensation against that of other companies. We believe it is important to align the interests of our executive officers with those of our shareholders and therefore have determined that a significant portion of an executive officer's annual compensation will be paid in the form of restricted share awards that vest over a period of at least four years. We also believe that performance and retention of our executive officers is improved by paying a substantial portion of each executive officer's cash compensation as an annual bonus. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers.

In making their discretionary compensation determinations each year, our Compensation Committee's and Board's qualitative and subjective considerations of an executive's performance generally include, but are not limited to, the executive officer's:

accomplishments achieved during the year;

ability to identify areas for the company's improvement and to achieve benefits from those improvements;

quality of decisions made;

ability to lead employees both in routine activities and in special projects;

change in performance as compared to the prior year;

perceived potential for future development and for assuming additional or alternative duties in the future;

background, training, education and experience;

specific areas of expertise and value to us, and the likelihood we could find a suitable replacement on a timely and cost effective basis; and

compensation compared to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals.

In addition to the consideration of the various factors described in the preceding paragraphs, our Compensation Committee and our Board consider data regarding historical pay and available compensation data for public companies that are engaged in businesses similar to our business or that possess size or other characteristics which are similar to ours. In order to obtain a general understanding of current trends in compensation practices and ranges of amounts being awarded by other public companies, our management engaged a third party compensation consultant solely to provide comparative data regarding compensation paid by a group of public companies in our industry⁽²⁾.

In September 2010, Ms. Gilmore, the then Chair of our Compensation Committee, met with Mr. Barry Portnoy, our Managing Director who is not also an executive officer of us, Mr. Adam Portnoy, President and Chief Executive Officer of RMR, and the chairs of the compensation committees of other public companies for which RMR provides services. The purpose of this meeting as it concerns our compensation matters was to discuss compensation philosophy regarding potential share grants to be made by us, to consider the compensation payable by us to our Director of Internal Audit who provides services to us and to other companies managed by RMR and its affiliates and to consider the allocation of internal audit and related services costs among us and other companies to which RMR or its affiliates provide internal audit and related services. At a Compensation Committee meeting in November 2010 our Compensation Committee considered recommendations arising from the September 2010 meeting; recommendations provided by management and other factors such as (1) the amounts and value of historical share awards made to each executive officer, (2) the amounts of share awards granted to persons with similar levels of responsibility, (3) the then current market prices of our shares, (4) the performance of each executive officer during 2010, (5) each executive officer's expected future contributions to us, (6) each executive officer's relative mix of cash and noncash compensation, (7) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (8) our financial position and operating performance in the past year and our perceived future prospects. There was no formulaic approach to the use of these various factors in determining the amount of the share awards to each executive officer. The share amounts were determined on a subjective basis using the various factors at our Compensation Committee's sole discretion. Our Compensation Committee did not engage a compensation consultant to participate in the determination or recommendation of the amounts or form of compensation for our executive officers. Messrs. Mackey and Hoagland participated in the Compensation Committee meeting with regard to consideration of compensation generally and to our other officers, but they left that meeting and did not participate in the Compensation Committee's determination and recommendation of their compensation. For bonus amounts paid to our executive officers for 2010, there were no bonus targets established. In addition, no bonus targets have been established for purposes of bonus amounts that may be paid to our executive officers in 2011.

In keeping with our Compensation Committee's desire to reduce the incentives for management to take excessive risk for short term benefit, our Compensation Committee considers historical levels of compensation and gradual increases thereof to be among the most important factors in determining compensation, but certainly not the sole factor.

Compensation components

The mix of base salary, cash bonus and equity compensation that we pay to our executive officers varies depending on the executive officer's position and responsibilities with us. Our Compensation Committee does not follow a set formula or specific guidelines in determining how to allocate among the compensation components.

The components of the compensation packages of our executive officers are as follows:

Base salary

Base salaries are reviewed annually and adjusted, if appropriate, on a subjective basis based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) historical compensation; (2) accomplishments achieved during the year, (3) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (4) quality of decisions made, (5) ability to lead employees both in routine activities and in special projects, (6) change in performance as compared to the prior year, (7) perceived potential for future development and for assuming additional or alternative duties in the future, (8) the executive officer's background, training, education and experience, (9) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis, (10) a comparison of the executive officer's pay to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals, (11) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (12) our financial position and operating performance during 2010. Currently, we limit the annual base salaries of our executive officers to \$300,000. Subject to the limits we have on annual base salaries, we also adjust base salaries, as warranted, for promotions and other changes in the executive officer's role which may occur from time to time.

Annual bonus and share award plan

Each of our executive officers, including our Chief Executive Officer, is eligible to receive an annual cash bonus and share award. There is no formulaic approach used in determining the amount of these annual cash and share awards. The cash bonus and share awards are determined on a subjective basis by our Compensation Committee and Board, as the case may be, based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) historical bonus and share awards to the individual, (2) accomplishments achieved during the year, (3) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (4) quality of decisions made, (5) ability to lead employees both in routine activities and in special projects, (6) change in performance as compared to the prior year, (7) perceived potential for future development and for assuming additional or alternative duties in the future, (8) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis, (9) a comparison of the executive officer's total compensation to that of other individuals within our company and the

relative responsibilities, titles, roles, experiences and capabilities of such other individuals, (10) the amounts of share awards granted to persons with similar levels of responsibility, (11) the then current market prices of our shares, (12) each executive officer's relative mix of cash and noncash compensation, (13) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (14) our financial position and operating performance throughout 2010. In addition, in determining cash bonus and share awards for our executive officers, our Compensation Committee and Board also consider the recommendations of the Chair of the Compensation Committee following her meeting with Mr. Portnoy and the chairs of the compensation committees of other public companies for which RMR provides services, the experiences and insights of RMR with respect to the performances of our executive officers, the evaluation provided by Mr. Mackey of Mr. Hoagland's performance and the evaluations provided by Messrs. Mackey and Hoagland of our other executive officers' performances. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers. For 2010, the increases in the annual cash bonus amounts paid to our executive officers reflect this interplay between the annual base salary limitation and annual cash bonus amounts, within the context of the other factors described above that are taken into account in determining annual cash bonus and share award amounts.

Mr. Mackey's annual bonus is determined on a subjective basis by our Compensation Committee, composed solely of Independent Directors, who base their decision upon their consideration and evaluation of his performance during the year. Considerations may include, but may not be limited to, our financial performance, our growth and our success in achieving strategic initiatives and objectives as well as the other matters noted above that our Compensation Committee considers in making this determination. For 2010, our Compensation Committee awarded Mr. Mackey a bonus of \$500,000 in cash and 60,000 common shares that will vest in five equal annual installments beginning on the grant date. The shares awarded had a fair value at the grant date of \$366,000 of which the vested portion was \$73,200 as of the grant date. In making this cash bonus and this share award, our Compensation Committee considered Mr. Mackey's performance in leading the company through the difficult economic conditions which continued throughout 2010 in the United States, including but not limited to his continuing the integration of communities we acquired in 2008, 2009 and 2010 with our existing communities, managing capital and operating expenditures in relation to the prevailing business levels in order to conserve liquidity and increase our cash balance, maintaining the rates we charge our residents and reducing some of our operating expenses, developing new and enhancing existing marketing programs and leveraging our competitive strengths to maintain and grow our business in a slowly recovering economy and position us for future growth. Our Compensation Committee determined that the share award would vest over time to ensure a continuing commonality of interest between Mr. Mackey and our shareholders, to provide Mr. Mackey with an incentive to remain with us to earn the unvested portion of the award and to encourage a long term risk averse attitude in his decisions affecting our business.

The annual cash bonus for Mr. Hoagland was determined by our Compensation Committee after consideration of the same criteria described above with regard to Mr. Mackey as applied to Mr. Hoagland's performance and after consideration of the other matters noted above that our Compensation Committee considers in determining Mr. Hoagland's compensation. The annual cash bonuses for our other executive officers were recommended by our Compensation Committee and approved by our Board based upon the consideration and evaluation of each executive's performance

and level of total compensation as well as the other matters noted above that our Compensation Committee and Board consider in making these determinations. These considerations included, but were not limited to, our financial and operating performance during 2010 and each executive officer's level of total compensation.

Messrs. Mackey and Hoagland were also officers of RMR throughout all of 2010. Because at least 80% of Messrs. Mackey's and Hoagland's business time is devoted to services to us, 80% of Messrs. Mackey's and Hoagland's total cash compensation (that is, the combined cash compensation paid by us and RMR, including base salary and cash bonus) was paid by us and the remainder was paid by RMR.

No target cash bonus for 2011 has been established for our executive officers.

We made equity awards under our Share Award Plan to our executive officers and others based upon factors that our Compensation Committee considered relevant to align the interests of the persons to whom awards were made with our business objectives, which primarily relate to increasing, on a long term basis, the value of the Company by improving our prospects, our competitive position within our industry, and our profitability and cash generation from operations. In addition to the award of common shares made to Mr. Mackey during 2010, our Compensation Committee awarded common shares to each of our other executive officers who were in our employ at the grant date. These awards ranged in size and value from 15,000 shares, having a grant date value of \$91,500, to 30,000 shares, having a grant date value of \$183,000. In determining the size of each share award, the Compensation Committee considered the responsibilities of the executive, the relation of the size of the award to the size of the share award made to Mr. Mackey and other factors, including their past and expected future performances and possible cash bonuses, prior year share grant amounts, 2010 annual base cash salaries and the Company's improved operational results during 2010. In each case, the Compensation Committee determined that the share awards would vest in five equal annual installments beginning on the date of the grant to ensure a continuing commonality of interest between the recipients and our shareholders, to provide our executives with an incentive to remain with us to earn the unvested portion of the award and to encourage a long term risk averse attitude in their decisions affecting our business.

Perquisites and other benefits

Our executive officers are entitled to participate in our benefit plans on the same terms as our other employees. These plans include medical, dental and life insurance plans and a defined contribution retirement plan.

All other payments

The summary compensation table below includes amounts for 2010, 2009 and 2008 described as "All Other Compensation." Such amounts reflect the company paid portion of executive life insurance premiums and accidental death and disability insurance premiums.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In the past, we have entered arrangements with our former executive officers in connection with the termination of their employment with us, providing for the acceleration of vesting of restricted shares previously granted to the former officer under our Share Award Plan and, in certain instances, payments for future services to us as a consultant or part time employee and continuation of health care and other benefits. Although we have no formal policy, plan or arrangement for payments to our executive officers in connection with their termination of employment with us, we may in the future provide on a discretionary basis for similar payments depending on various factors we then consider relevant and if we believe it is in the Company's best interests to do so.

On August 11, 2010, Maryann Hughes, our Vice President and Director of Human Resources notified us of her resignation. Her termination of employment became effective on November 19, 2010. Pursuant to Separation and Accelerated Vesting Agreements we executed with Ms. Hughes on December 14, 2010, in connection with her termination and in exchange for non-solicitation, confidentiality and other covenants in those agreements, Ms. Hughes was paid severance and other benefits and was allowed to retain unvested shares awarded to her in 2009 and prior years.

Mr. Koumantzelis resigned as Independent Director on November 22, 2010.

(3)

Our Managing Directors do not receive cash compensation for their services as Directors.

Each Independent Director receives an annual fee of \$30,000 for services as a Director, plus a fee of \$750 for each meeting attended. Up to two \$750 fees are paid if a Board meeting and one or more Board committee meetings are held on the same date. The Chairs of our Quality of Care, Audit Committee, Compensation Committee and Nominating and Governance Committee receive an

additional \$15,000, \$12,500, \$4,500 and \$4,500, respectively, each year. In addition, each Director received a grant of 11,000 of our common shares in 2010. We generally reimburse all our Directors for travel expenses incurred in connection with their duties as Directors.

Our Board believes it is important to align the interests of Directors with those of our shareholders and for Directors to hold equity ownership positions in us. Accordingly, our Board believes that a portion of each Director's compensation should be paid in shares. In determining the amount and composition of such compensation, our Board considers the compensation of directors of other comparable enterprises, both with respect to size and industry, including the compensation of directors and trustees of other companies managed by RMR.

In 2010 our Board reviewed the compensation paid to our Directors and determined the amount of the Directors' cash compensation and our Compensation Committee determined the amount of the equity based awards granted to our Directors under our Share Award Plan. Our Managing Directors do not receive any cash compensation for their services as Directors, but they do receive common share grants equal to the share grants awarded to our Independent Directors.

AUDIT COMMITTEE REPORT

In the course of our oversight of the Company's financial reporting process, we have: (i) reviewed and discussed with management the audited financial statements for the year ended December 31, 2010; (ii) discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in rule 3200T; (iii) received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence; (iv) discussed with the independent registered public accounting firm its independence; and (v) considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the SEC.

As of the date first set forth in this paragraph, we do not know of any outstanding rights to acquire our shares of the type specified in Rule 13d-3(d)(1) under the Exchange Act.

Our former Vice President and Director of Human Resources. On August 11, 2010, Ms. Hughes notified us of her resignation. Her termination of employment became effective on November 19, 2010.

(1)

Unless otherwise indicated, the address of each identified person or entity is c/o Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458.

(2)

Our charter places restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class of our equity shares. Additionally, the terms of our leases with SNH and our agreement with RMR contain provisions whereby our rights under these agreements may be cancelled by SNH and RMR, respectively, upon the acquisition by any person or group of more than 9.8% of our voting stock or upon other change in control events, as defined. If the violation of these ownership limitations causes a lease or contract default,

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

shareholders causing the default may become liable to us or to other shareholders for damages. In addition, in order to help us preserve the tax treatment of our net operating losses and other tax benefits, our bylaws generally provide that transfers of our shares to a person, entity or group which is then, or would become as a result, an owner of 5% or more of our outstanding shares would be void in total for transferees then already owning 5% or more of our shares and, for transferees that would otherwise become owners of 5% or more of our shares, to the extent the transfer would so result in such level of ownership by the proposed transferee. The percentages indicated are based upon the number of shares shown divided by the 36,019,864 of our common shares outstanding as of February 18, 2011.

(3)

This information is as of December 31, 2010 and is based solely on a Schedule 13G/A filed with the SEC on February 4, 2011. Based on the information provided in that Schedule 13G/A, the address of SNH is 400 Centre Street, Newton, Massachusetts 02458, which we understand has since changed to Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458. In that Schedule 13G/A, RMR and Reit Management & Research Trust, or RMR Trust, reported that they do not hold any of our common shares, but RMR, as manager of SNH, and RMR Trust, as the sole member of RMR, may, under applicable regulatory definitions, be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 shares beneficially owned by SNH. In that same Schedule 13G/A, RMR and RMR Trust each disclaimed such beneficial ownership. In addition, in that same Schedule 13G/A, Mr. Barry Portnoy reported that he beneficially owns 179,122 of our common shares, and Mr. Adam D. Portnoy reported that he beneficially owns 43,000 of our common shares. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy reported that in their respective positions as Chairman and a director of RMR and Chairman, majority beneficial owner and a trustee of RMR Trust, the sole member of RMR, and as President and Chief Executive Officer and a director of RMR, and President, Chief Executive Officer a beneficial owner and a trustee of RMR Trust, the sole member of RMR, they may also be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 shares beneficially owned by SNH. We were a 100% owned subsidiary of SNH before December 31, 2001, SNH is our largest landlord and SNH is our largest shareholder. On December 31, 2001, SNH distributed substantially all of our then outstanding shares of common stock to its shareholders. At the time of our spin off from SNH, all of the persons serving as our Directors were trustees of SNH. In order to effect this spin off and to govern relations after the spin off, we entered into agreements with SNH and others, including RMR, CWH and HPT. Since then we have entered into various leases with SNH and other agreements which

include provisions that confirm and modify these undertakings. Among other matters, these agreements provide that:

so long as SNH remains a REIT, we may not waive the share ownership restrictions in our charter on the ability of any person or group to acquire more than 9.8% of any class of our equity shares without the consent of SNH;

so long as we are a tenant of SNH, we will not permit nor take any action that, in the reasonable judgment of SNH, might jeopardize the tax status of SNH as a REIT;

SNH has the option to cancel all of our rights under the leases we have with SNH upon the acquisition by a person or group of more than 9.8% of our voting stock and upon other change in control events affecting us, as defined in those documents, including the adoption of any shareholder proposal (other than a precatory proposal) or the election to our Board of any individual if such proposal or individual was not approved, nominated or appointed, as the case may be, by vote of a majority of our Directors in office immediately prior to the making of such proposal or the nomination or appointment of such individual;

the resolution of disputes, claims and controversies arising from our leases with SNH may be referred to binding arbitration proceedings; and

so long as we are a tenant of SNH or so long as we have a business management agreement with RMR we will not acquire or finance any real estate of a type then owned or financed by SNH or any other company managed by RMR without first giving SNH or the other company managed by RMR, as applicable, the opportunity to acquire or finance real estate investments of the type in which SNH or the other company managed by RMR, respectively, invests.

As of February 23, 2011, SNH owned 3.2 million shares of our common stock, which represented approximately 9.0% of our outstanding shares of common stock.

RMR provides management services to both us and SNH; Mr. Barry Portnoy is one of our Managing Directors and is a Managing Trustee of SNH. Mr. Portnoy's son, Mr. Adam Portnoy, is also a Managing Trustee of SNH. All of SNH's officers, our President and Chief Executive Officer and our Treasurer and Chief Financial Officer are employees of RMR. Accordingly, the lease transactions between us and SNH described herein were approved by our Independent Directors and SNH's Independent Trustees who are not trustees or directors of the other company.

As of December 31 2010, we leased 186 of our 216 senior living communities (including four that we report as discontinued operations) and two rehabilitation hospitals from SNH. Under our leases with SNH, we pay SNH rent set at minimum annual amounts (\$186.8 million as of December 31, 2010) plus percentage rent based on increases in gross revenues at certain properties. For the year ended December 31, 2010, our rent expense under our leases with SNH was \$188.8 million, net of amortization of a lease inducement from SNH of \$0.9 million.

During 2010, we engaged in additional transactions with SNH, including:

Pursuant to the terms of our leases with SNH, we sold approximately \$31.9 million of improvements made to our properties leased from SNH, and, as a result, our annual rent payable to SNH increased by approximately \$2.6 million in aggregate for the affected leases.

In August 2010, at our request, SNH sold four skilled nursing facilities in Nebraska with an aggregate 196 living units that we leased from SNH for total consideration of \$1.5 million and our rent to SNH decreased by approximately \$145,000 per year.

In November 2010, at our request, SNH agreed to sell three skilled nursing facilities in Georgia with an aggregate of 329 living units that are leased to us and we expect our annual rent to SNH to decrease by approximately \$1.8 million if and after this sale closes. The sale of these properties is contingent upon the buyer's completion of diligence and other customary closing conditions. We can provide no assurance that the closing of SNH's sale of these properties will be completed.

In November 2010, at our request, SNH agreed to sell one assisted living community in Pennsylvania with 70 living units that are leased to us and we expect our annual rent to SNH to decrease by approximately \$72,000 if and after the sale closes. The sale of this property is contingent upon the buyer's completion of diligence and other customary closing conditions. We can provide no assurance that the closing of SNH's sale of this property will be completed.

At the time we became a separate publicly owned company as a result of the distribution of our shares to SNH's shareholders, we entered a management and shared services agreement, or our business management agreement, with RMR. One of our Managing Directors, Mr. Barry Portnoy, is Chairman and majority owner of RMR. Our other Managing Director, Mr. Martin, is a Director of RMR. Mr. Mackey, our President and Chief Executive Officer, and Mr. Hoagland, our Treasurer and Chief Financial Officer, are both Senior Vice Presidents of RMR. Mr. Portnoy's son, Mr. Adam Portnoy, is an owner, President, Chief Executive Officer and a Director of RMR and serves as a Managing Trustee of SNH. Additionally, Mr. Barry Portnoy's son-in-law, who is Mr. Adam Portnoy's brother-in-law, is an officer of RMR. Messrs. Mackey and Hoagland devote a substantial majority of their business time to our affairs and the remainder to RMR's business, which is separate from our business. Beaus
