Item 9. Regulation FD Disclosure

On December 15, 2003, ENGlobal Corporation sold assets of its manufacturing segment, which had been owned by the Company's wholly-owned subsidiary, Thermaire, Inc. d/b/a Thermal Corporation ("Thermaire"). Accordingly, ENGlobal no longer operates a manufacturing segment. Due to the sale of Thermaire, Note 20 to the Company's financial statements, as filed in its Annual Report on Form 10-K for the year ended December 31, 2003, restated financial information for the Company's 2003 quarterly and annual periods to reflect the discontinued operations separate from continuing operations. As indicated in Note 20, this quarterly data did not agree to previously filed financial statements.

The attached financial statements reflect the divestiture of the manufacturing segment and provide a more thorough breakdown of the Company's revenues, gross profit, percentage of sales, income from continuing operations, net income and earnings per share information for the past five years. Previously reported amounts will not agree to the amounts presented except net income. The Company is filing this Current Report on Form 8-K in order to be in a position to respond to a request for this information from an analyst.

The selected financial data should be read in conjunction with the Company's financial statements and the notes thereto included in Part IV, Item 15, and Part II, Item 7, Management's Discussion and Analysis of Financial Condition and
