Item 1.01. Entry into a Material Definitive Agreement.

On November 22, 2005, our operating partnership and wholly-owned subsidiary, Caplease, LP, entered into an agreement with Allstate Insurance Company (“Allstate”), to purchase three Allstate office buildings for an aggregate purchase price of \$59.0 million. We agreed to enter into 10 year net leases with Allstate for each of the properties concurrent with our purchase. The size and location of the three properties are summarized below.

<u>Property Location</u>	<u>Rentable Square Feet</u>
Charlotte, North Carolina	192,000
Roanoke, Virginia	166,000
Pittsburgh, Pennsylvania	19,500

The purchase of the properties is subject to various customary closing conditions, including our satisfactory completion of due diligence during a due diligence period ending on December 17, 2005.

Pursuant to the agreement, we paid \$1.0 million into escrow. We have the right to terminate the agreement and receive a refund of these funds if we make certain adverse discoveries about the properties during our due diligence review, including discovery of an environmental or physical condition that Allstate is unable to cure during the lease term. We are required to pay an additional \$2.0 million into escrow upon expiration of the due diligence period. The funds we have paid into escrow will be applied against the purchase price at closing. If we default in our obligations under the agreement, Allstate will be entitled to payment of the funds we have paid into escrow.

There is no material relationship between us and Allstate.

The transaction is scheduled to close on December 21, 2005. The Company provides no assurance as to the timing or certainty of the closing of this transaction.
