Item 1.01

Entry into a Material Definitive Agreement

On March 23, 2012, Central Hudson Gas & Electric Corporation (the “Company”), a wholly-owned subsidiary of CH Energy Group, Inc. (“CH Energy Group”), entered into a Second Supplemental Indenture dated as of March 23, 2012 (the “Second Supplemental Indenture”) with U.S. Bank Trust National Association (the “Trustee”). The Second Supplemental Indenture supplements the Indenture dated as of April 1, 1992 between the Company and the Trustee, as successor to Morgan Guaranty Trust Company of New York, as supplemented by the First Supplemental Indenture dated as of March 16, 2010 (as so supplemented, the “Indenture”) by adding to the Indenture a covenant of the Company for the benefit of all holders of notes issued under the Indenture.

The additional covenant provides that if in the future the Company is not required to file with the Securities and Exchange Commission information, documents or reports pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 or by rules and regulations prescribed by the Commission, the Company will provide to the Trustee and the holders of the notes issued under the Indenture: (i) annual audited financial statements of the Company, and (ii) quarterly unaudited financial statements of the Company certified by an officer of the Company.

On February 21, 2012, CH Energy Group announced that it had entered into an agreement and plan of merger under which, subject to approval by shareholders, approval by applicable regulatory authorities, and other customary closing conditions, CH Energy Group will be acquired by Fortis, Inc. Upon completion of that transaction, the Company may (but has not determined to) seek to suspend its reporting obligations under the Securities and Exchange Act of 1934, subject to applicable rules and regulations of the Securities and Exchange Commission, in which event the additional covenant set forth in the Second Supplemental Indenture would become applicable.

A copy of the Second Supplemental Indenture is filed hereby as Exhibit 4.1 and incorporated herein by reference.
