("CHMS.OB") in connection with the Annual Meeting of Shareholders (the "Meeting") to be held on July 28, 2005 and at any adjournments thereof (the "Meeting"). WE ARE ASKING YOU FOR A PROXY
YOU ARE REQUESTED TO SEND US A PROXY

We are soliciting proxies but the holders of more than 50% percent of the shares entitled to vote have indicated that they intend to vote in favor of these proposals. In light of the size of the holdings of these shareholders, the current Board and management of the Company deems the likelihood of a favorable vote on the proposals sufficient. VOTING

SHAREHOLDERS ENTITLED TO VOTE

Holders of record of common stock, at the close of business on the date of mailing this proxy statement will be entitled to vote at the Annual Meeting. As of this date, June 13, 2005, 15,826,670 shares of common stock were issued and outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder. We have only the single class of stock, namely our common stock. Each share of Common Stock is entitled to one (1) vote for as many separate nominees as there are directors to be elected and for or against all other matters presented. For action to be taken at the Annual Meeting, a majority of the shares entitled to vote must be represented at the Annual Meeting in person or by proxy. Shares of stock may not be voted cumulatively. Abstentions and broker non-votes each will be included in determining the number of shares present and voting at the Annual Meeting. Abstentions will be counted in tabulations of the votes cast on proposals, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

QUORUM AND VOTE NECESSARY FOR APPROVALS.

A majority of the shares of common stock outstanding at the record date must be represented at the Annual Meeting in person or by proxy in order for a quorum to be present and in order to take action upon all matters to be voted upon, but if a quorum should not be present, the meeting may be adjourned without further notice to shareholders, until a quorum is assembled. Each shareholder will be entitled to cast one vote at the Annual Meeting for each share of common stock registered in such shareholder's name at the record date.

Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the Annual Meeting. Holders of shares of Common Stock are not entitled to cumulative voting rights.

The favorable vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is necessary to elect the nominees for directors of the Company. To take the other actions at the meeting a majority of the shares outstanding must vote in favor of the proposals present in person or by Proxy.

A majority of shares issued and outstanding is sufficient to approve the proposal for a reverse split and name change to be incorporated in Amendments to the Articles of Incorporation.

PROXIES

In voting their Common Stock, stockholders may vote in favor of or against the proposal to approve the proposals on the agenda or may abstain from voting. Stockholders should specify their choice on the accompanying proxy card. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted at the Meeting in accordance with the directions given. If no specific instruction are given with regard to the matter to be voted upon, then the shares represented by a signed proxy card will be voted "FOR" the approval of the Proposals and in the discretion of such proxies to any other procedural matters which may properly come before the Meeting or any adjournments thereof. All proxies delivered pursuant to this solicitation are

revocable at any time before they are voted at the option of the persons executing them by (i) giving written notice to the Secretary of the Company, (ii) by delivering a later dated proxy card, or (iii) by voting in person at the Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to Angela Du, President, #900 - 789 West Pender Street Vancouver, B.C. Canada V6C 1H2.

IF THEY WISH TO VOTE, HOLDERS OF COMMON STOCK ARE REQUIRED TO COMPLETE, DATE, AND SIGN THE ACCOMPANYING PROXY CARD AND RETURN IT PROMPTLY TO THE COMPANY IN THE ACCOMPANYING ENVELOPE.

The person named as proxy is Angela Du, President of the Company.

In addition to the solicitation of proxies by mail, the Company, through its directors, officers, and employees, may solicit proxies from stockholders personally or by telephone or other forms of communication. The Company will not reimburse anyone for out-of-pocket costs and expenses incurred in the solicitation of proxies. The Company also will request brokerage houses, nominees, fiduciaries, and other custodians to forward soliciting materials to beneficial owners, and the Company will reimburse such persons for their reasonable expenses incurred in doing so. All expenses incurred in connection with the solicitation of proxies will be borne by the Company.

PROPOSAL #3

INCREASE IN AUTHORIZED SHARES
INVOLVING CHANGES IN CORPORATE CAPITAL STRUCTURE

We are asking shareholders to authorize an increase in the number of authorized shares from 50,000,000 common shares to 500,000,000 common shares. This requires an amendment to our Articles of Incorporation.

We believe increase in the authorized shares in our Articles of Incorporation is in the best interest of our corporation because we believe we have insufficient shares to accomplish growth in the future. We do not have any current plans, proposals, or arrangements, written or otherwise regarding the use of increased authorized shares. We do not have any current plans to acquire assets or engage in any new business or investment opportunity at this time. We do however intend to raise additional capital in the future with stock sales but have not specified any offering parameters nor timing.

Discussion of Background for Proposed Action

Pursuant to this Proxy Statement, you, as stockholders, are informed that the action sought is to increase the number of shares of stock that the Company is authorized to issue to 500 million shares of common stock.

The shares of common stock to be authorized and issued have full voting rights and have no dividend or interest rates, conversion prices, redemption prices, maturity dates, or other matters. There are no preemptive rights

regarding the shares of common stock.

8

It is emphasized that management of the Company may effect transactions having a potentially adverse impact upon the Company's stockholders pursuant to the authority and discretion of the Company's management to complete share issuances without submitting any proposal to the stockholders for their consideration. Holders of the Company's securities should not anticipate that the Company necessarily will furnish such holders with any documentation concerning the proposed issuance prior to any share issuances. All determinations (except involving a merger where the number of shares of common stock of the Company issued will equal more than 20% of the issued and outstanding shares of common stock of the Company prior to the transaction) involving share issuances are in the discretion and business judgment of the Board of Directors in their exercise of fiduciary responsibility, but require a determination by the Board that the shares are being issued for fair and adequate consideration.

The rights of the existing holders of common stock will not be affected, except that the authorization of a large number of additional shares and the issuance of additional shares for the pending transaction will allow, in the future, the following types of actions or events to occur without the current stockholders being able to effectively prevent such actions or events:

1. Dilution may occur due to the issuance of additional shares. The percentage ownership of the Company by the existing shareholders will be diluted from 100% to an indeterminate amount upon completion of any new transactions for stock.
2. Control of the Company by stockholders may change due to new issuances.
3. The election of the Board of Directors will be dominated by new large stockholders, effectively blocking current stockholders from electing directors.
4. Business plans and operations may change.
5. Mergers, acquisitions, or divestitures may occur which are approved by the holders of the newly issued shares.

In the future event that the Board continues to issue shares for capital, services, or acquisitions, the present management and stockholders of the Company most likely will not have control of a majority of the voting shares of the Company.

It is likely that the Company may acquire other compatible business opportunities through the issuance of common stock of the Company. Although the terms of any such transaction cannot be predicted, this could result in substantial additional dilution in the equity of those who were stockholders of the Company prior to such issuance. There is no assurance that any future issuance of shares will be approved at a price or value equal to or greater than the price which a prior stockholder has paid, or at a price greater than the then current market price. Typically, unregistered shares are issued at less than market price due to their illiquidity and restricted nature as a result of, among other things, the extended holding period and sales limitations which such shares are subject to.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE INCREASE.

PROPOSAL #4

Decisions of the 2005 Plan Administrator shall be final and binding on all parties who have an interest in the 2005 Plan or any outstanding option or share issuance.

ELIGIBILITY.

(a) The persons eligible to receive option grants pursuant to the 2005 Plan (each an "Optionee") are limited to the following:

(1) key employees (including officers and directors) of the Corporation (or its parent or subsidiary corporations, if any) who render services which contribute to the success and growth of the Corporation (or any parent or subsidiary corporations) or which may reasonably be anticipated to contribute to the future success and growth of the Corporation (or any parent or subsidiary corporations);

(2) the non-employee members of the Board or the non-employee members of the board of directors of any parent or subsidiary corporations; and

(3) those consultants or independent contractors who provide valuable services to the Corporation (or any parent or subsidiary corporations).

We may issue options to third parties in exchange for services for consulting and for marketing, in the discretion of the Board.

(b) The 2005 Plan Administrator shall have full authority to determine, with respect to the option grants made under the 2005 Plan, which eligible individuals are to receive option grants, the number of shares to be covered by each such grant, the status of the granted option as either an Incentive Option or a Non-Statutory Option, the time or times at which each granted option is to become exercisable and the maximum term for which the option may remain outstanding.

STOCK SUBJECT TO THE 2005 PLAN.

(a) The stock issuable under the 2005 Plan shall be shares of the Corporation's authorized but unissued or reacquired Common Stock, \$0.0001 par value (the "Common Stock"). The maximum number of shares which may be issued over the term of the 2005 Plan shall not exceed 3.5 million shares of Common Stock. The total number of shares issuable under the 2005 Plan shall be subject to adjustment from time to time in accordance with the provisions of Section 4(c).

(b) Shares subject to (i) the portion of one or more outstanding options which are not exercised or surrendered prior to expiration or termination and (ii) outstanding options canceled in accordance with the cancellation-regrant provisions of Section 9 will be available for subsequent option grants or stock issuances under the 2005 Plan.

(c) In the event any change is made to the Common Stock issuable under the 2005 Plan by reason of any stock dividend, stock split, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without receipt of consideration, then appropriate adjustments shall be made to (i) the aggregate number and/or class of shares issuable under the 2005 Plan and (ii) the aggregate number and/or class of shares and the option price per share in effect under each outstanding option in order to prevent the dilution or enlargement of benefits thereunder. The adjustments determined by the 2005 Plan Administrator shall be final, binding and conclusive.

(d) Common Stock issuable under the 2005 Plan may be subject to such restrictions on transfer, repurchase rights or other restrictions as may be determined by the Plan Administrator.

TERMS AND CONDITIONS OF OPTIONS. Options granted pursuant to the 2005 Plan shall be authorized by action of the 2005 Plan Administrator and may, at the discretion of the 2005 Plan Administrator, be either Incentive Options or Non-Statutory Options. Each granted option shall be evidenced by one or more instruments in the form approved by the 2005 Plan Administrator; PROVIDED, HOWEVER, that each such instrument shall comply with and incorporate the terms and conditions specified below. In addition, each instrument evidencing an Incentive Option shall be subject to the applicable provisions of Section 7.

(a) OPTION PRICE

(1) The option price per share shall be fixed by the 2005 Plan Administrator.

12

(2) The option price shall become immediately due upon exercise of the option, and subject to the provisions of Section 11, shall be payable in cash or check drawn to the Corporation's order. Should the Corporation's outstanding Common Stock be registered under Section 12(g) of the Securities Exchange Act of 1934, as amended (the "1934 Act") at the time the option is exercised, then the option price may also be paid as follows:

(A) in shares of Common Stock held by the optionee for the requisite period necessary to avoid a charge to the Corporation's earnings for financial reporting purposes and valued at Fair Market Value on the Exercise Date; or

(B) through a special sale and remittance procedure pursuant to which the Optionee (i) is to provide irrevocable written instructions to a designated brokerage firm to effect the immediate sale of the purchased shares and remit to the Corporation, out of the sale proceeds, an amount

sufficient to cover the aggregate option price payable for the purchased shares plus all applicable Federal and State income and employment taxes required to be withheld by the Corporation by reason of such purchase and (ii) concurrently provides written directives to the Corporation to deliver the certificates for the purchased shares directly to such brokerage firm in order to effect the sale transaction.

(b) TERM AND EXERCISE OF OPTIONS. Each option granted under the 2005 Plan shall be exercisable at such time or times, during such period, and for such number of shares as shall be determined by the 2005 Plan Administrator and set forth in the stock option agreement evidencing such option. However, no option granted under the 2005 Plan shall have a term in excess of ten (10) years from the grant date.

(c) TERMINATION OF SERVICE

(1) The 2005 Plan Administrator shall have complete discretion to limit the period of time that an option granted under the 2005 Plan may be exercised should the Optionee cease to remain in Service for any reason (including death or Permanent Disability). In no event, however, shall any such option be exercisable after the specified expiration date of the option term. During such limited period of exercisability, the option may not be exercised for more than that number of shares (if any) for which such option is exercisable on the date of the Optionee's cessation of Service. Upon the expiration of such period or (if earlier) upon the expiration of the option term, the option shall terminate and cease to be exercisable.

(2) Notwithstanding subsection (1) above, the 2005 Plan Administrator shall have complete discretion, exercisable either at the time the option is granted or at the time the Optionee ceases Service, to allow one or more outstanding options held by the Optionee to be exercised, during the period of exercisability following the Optionee's cessation of Service, not only with respect to the number of shares for which the option is exercisable.

(3) Notwithstanding any provision of this 2005 Plan to the contrary, any options granted under this 2005 Plan shall terminate as of the date the Optionee ceases to be in the Service of the Corporation if the Optionee was terminated for "cause" or could have been terminated for "cause." If the Optionee has an employment or a consulting agreement with the Corporation, the term "cause" shall have the meaning given that term in the employment or consulting agreement. If the Optionee does not have an employment or consulting agreement with the Corporation, or if such employment or consulting agreement does not define the term "cause," the term "cause" shall mean: (A) misconduct or dishonesty that materially adversely affects the Corporation, including without limitation (i) an act materially in

conflict with the financial interests of the Corporation, (ii) an act that could damage the reputation or customer relations of the Corporation, (iii) an act that could subject the Corporation to liability, (iv) an act constituting sexual harassment or other violation of the civil rights of co-workers, (v) failure to obey any lawful instruction of the Board or any officer of the Corporation and (vi) failure to comply with, or perform any duty required under, the terms of any confidentiality, inventions or non-competition agreement the Optionee may have with the Corporation, or (B) acts constituting the unauthorized disclosure of any of the trade secrets or confidential information of the Corporation, unfair competition with the Corporation or the inducement of any customer of the Corporation to breach any contract with the Corporation. The right to exercise any option shall be suspended automatically during the pendency of any investigation by the Board, or its designee, and/or any negotiations by the Board, or its designee, and the Optionee, regarding any actual or alleged act or

omission by the Optionee of the type described in this paragraph.

(d) SHAREHOLDER RIGHTS. An Optionee shall have none of the rights of a shareholder with respect to any shares covered by the option until such Optionee shall have exercised the option and paid the option price.

(e) TRANSFERABILITY. Unless otherwise specified in the Agreement relating to an option, options granted hereunder may be transferable (i) by will or the laws of descent and distribution, (ii) pursuant to beneficiary designation procedures approved by the Company, (iii) pursuant to a domestic relations order, (iv) to one or more family members of the optionee, (v) to a trust or trusts for the exclusive benefit of the optionee and/or one or more family members of the optionee, (vi) to a partnership in which the optionee and/or one or more family members of the optionee are the only partners, (vii) to a limited liability company in which the optionee and/or one or more family members of the optionee are the only members, or (viii) to such other persons or entities as may be specified in the agreement relating to an option or approved in writing by the Committee prior to such transfer. Except to the extent permitted by the preceding sentence, each option may be exercised during the optionee's lifetime only by the optionee or the optionee's legal representative or similar person. Except as permitted by the second preceding sentence, (i) no option granted hereunder shall be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process and (ii) upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any option granted hereunder, such option and all rights thereunder shall immediately become null and void.

INCENTIVE OPTIONS. The terms and conditions specified below shall be applicable to all Incentive Options granted under the 2005 Plan. Incentive Options may only be granted to individuals who are Employees. Options which are specifically designated as Non-Statutory Options when issued under the 2005 Plan shall NOT be subject to such terms and conditions.

(a) OPTION PRICE. The option price per share of the Common Stock subject to an Incentive Option shall in no event be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the grant date; provided, if the individual to whom the option is granted is at the time a Ten Percent Shareholder, then the option price per share shall not be less than one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the grant date.

14

(b) DOLLAR LIMITATION. The aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which one or more options granted to any Employee under this 2005 Plan (or any other option 2005 Plan of the Corporation or any Parent or Subsidiary corporation) may for the first time become exercisable as Incentive Stock Options under the Federal tax laws during any one calendar year shall not exceed the sum of one hundred thousand dollars (\$100,000). To the extent the Employee holds two or more such options which become exercisable for the first time in the same calendar year,

the foregoing limitation on the exercisability thereof as Incentive Options under the Federal tax laws shall be applied on the basis of the order in which such options are granted.

(c) OPTION TERM FOR TEN PERCENT SHAREHOLDER. No option granted to a Ten Percent Shareholder shall have a term in excess of five (5) years from the grant

date.

(d) ACCELERATED TERMINATION OF OPTION TERM. The option term shall terminate prior to the expiration date established by the 2005 Plan Administrator should any of the following provisions become applicable:

(1) Except as otherwise provided in subparagraph (2) or (3) below, should an Optionee cease to remain in Service while his/her option is outstanding, then the period for exercising his/her option shall be reduced to a three (3) month period commencing with the date of such cessation of Service, but in no event shall such option be exercisable at any time after the expiration date. Upon the expiration of such three (3) month period or (if earlier) upon the expiration date, the option shall terminate and cease to be outstanding.

(2) Should the Optionee die while his/her option is outstanding, his/her option shall cease to be exercisable, upon the EARLIER of (a) the expiration of the twelve (12) month period measured from the date of Optionee's death or (b) the expiration date of the option. Upon the expiration of such twelve (12) month period or (if earlier) upon the expiration date, the option shall terminate and cease to be outstanding.

(3) Should the Optionee become Permanently Disabled and cease by reason thereof to remain in Service while his/her option is outstanding, then the Optionee shall have a period of twelve (12) months (commencing with the date of such cessation of Service) during which to exercise his/her option, but in no event shall this option be exercisable at any time after the expiration date of the option. Upon the expiration of such limited period of exercisability or (if earlier) upon the expiration date, his/her option shall terminate and cease to be outstanding.

(4) During the limited period of exercisability applicable under subparagraphs (1), (2), or (3) above, the Optionee's option may be exercised for any or all of the option shares in which the Optionee, at the time of cessation of Services, is vested in accordance with the exercise/vesting provisions specified in his/her stock option documents.

(e) TRANSFERABILITY. An Incentive Option shall not be transferable otherwise than by will or the laws of descent and distribution and may be exercisable during the Optionee's lifetime only by such Optionee or the Optionee's legal representative or similar person. Except as modified by the preceding provisions of this Section 7, all the provisions of the 2005 Plan shall be applicable to the Incentive Options granted hereunder.

15

CORPORATE TRANSACTION.

(a) In the event of any Corporate Transaction, each option outstanding under the 2005 Plan shall terminate upon the consummation of such Corporate Transaction and cease to be exercisable, unless assumed by the successor corporation or parent thereof.

(b) In connection with any such Corporate Transaction, the 2005 Plan Administrator may, at its sole discretion, (i) accelerate each or any outstanding option under the 2005 Plan so that each or any such option shall, immediately prior to the specified effective date for such Corporate Transaction, become fully exercisable with respect to the total number of shares of Common Stock at the time subject to such option and may be exercised for all or any portion of such shares, (ii) arrange for each or any outstanding option

to either to be assumed by the successor corporation or parent thereof or to be replaced with a comparable option to purchase shares of the capital stock of the successor corporation or parent thereof, (iii) arrange for the option to be replaced by a comparable cash incentive program of the successor corporation based on the option spread (the amount by which the Fair Market Value of the shares of Common Stock at the time subject to the option exceeds the option price payable for such shares) or (iv) take none of the actions described in clauses (i), (ii) or (iii) above and allow the option to terminate as provided in Section 2(a) above. The determination of comparability under clauses (ii) and (iii) above shall be made by the 2005 Plan Administrator, and such determination shall be final and conclusive.

(c) The exercisability as Incentive Stock Options under the Federal tax laws of any options accelerated in connection with the Corporate Transaction shall remain subject to the applicable dollar limitation of subsection 7(b).

(d) If the outstanding options under the 2005 Plan are assumed by the successor corporation (or parent thereof) in the Corporate Transaction or are otherwise to continue in effect following such Corporate Transaction, then each such assumed or continuing option shall, immediately after such Corporate Transaction, be appropriately adjusted to apply and pertain to the number and class of securities or other property that would have been issuable to the option holder, in consummation of the Corporate Transaction, had the option been exercised immediately prior to such Corporate Transaction.

(e) The grant of options under this 2005 Plan shall in no way affect the right of the Corporation to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

CANCELLATION AND NEW GRANT OF OPTIONS. The 2005 Plan Administrator shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionees, the cancellation of any or all outstanding options under the 2005 Plan and to grant in substitution therefore new options under the 2005 Plan covering the same or different numbers of shares of Common Stock but having, in the case of an Incentive Option, an option price per share not less than one hundred percent (100%) of such Fair Market Value per share of Common Stock on the new grant date, or, in the case of a Ten Percent Shareholder, not less than one hundred and ten percent (110%) of such Fair Market Value.

16

EXTENSION OF EXERCISE PERIOD. The 2005 Plan Administrator shall have full power and authority to extend (either at the time when the option is granted or at any time while the option remains outstanding) the period of time for which the option is to remain exercisable following the Optionee's cessation of Service, from the limited period set forth in the option agreement, to such greater period of time as the 2005 Plan Administrator may deem appropriate under the circumstances. In no event, however, shall such option be exercisable after the specified expiration date of the option term.

LOANS.

(a) The 2005 Plan Administrator may assist any Optionee (including an Optionee who is an officer or director of the Corporation) in the exercise of one or more options granted to such Optionee under the 2005 Plan, including the satisfaction of any Federal and State income and employment tax obligations arising therefrom, by:

(1) authorizing the extension of a loan from the Corporation to such Optionee, or

(2) permitting the Optionee to pay the option price for the purchased Common Stock in installments over a period of years.

(b) The terms of any loan or installment method of payment (including the interest rate and terms of repayment) shall be established by the 2005 Plan Administrator in its sole discretion. Loans or installment payments may be granted with or without security or collateral; however, any loan made to a consultant or other non-employee director must be secured by property other than the purchased shares of Common Stock. In all events, the maximum credit available to each may not exceed the SUM of (i) the aggregate option price payable for the purchased shares less the aggregate par value for such shares plus (ii) any Federal and State income and employment tax liability incurred by the Optionee in connection with such exercise.

(c) The 2005 Plan Administrator may, in its absolute discretion, determine that one or more loans extended under the financial assistance program shall be subject to forgiveness by the Corporation in whole or in part upon such terms and conditions the Board in its discretion deems appropriate.

AMENDMENT OF THE 2005 PLAN AND AWARDS.

(a) The Board shall have complete and exclusive power and authority to amend or modify the 2005 Plan in any or all respects whatsoever. However, no such amendment or modification shall adversely affect the rights and obligations of an Optionee with respect to options at the time outstanding under the 2005 Plan, nor adversely affect the rights of any Participant with respect to Common Stock issued under the 2005 Plan prior to such action, unless the Optionee consents to such amendment. In addition, the Board shall not, without the approval of the Corporation's shareholders, amend the 2005 Plan to (i) materially increase the maximum number of shares issuable under the 2005 Plan (except for permissible adjustments under Section 4(c)), (ii) materially increase the benefits accruing to individuals who participate in the 2005 Plan, or (iii) materially modify the eligibility requirements for participation in the 2005 Plan.

17

(b) Options to purchase shares of Common Stock may be granted under the 2005 Plan which are in excess of the number of shares then available for issuance under the 2005 Plan, provided any excess shares actually issued under the 2005 Plan are held in escrow until there is obtained shareholder approval of an amendment sufficiently increasing the number of shares of Common Stock available for issuance under the 2005 Plan. If such shareholder approval is not obtained within twelve (12) months after the date the initial excess issuances are made, then (i) any unexercised options representing such excess shall terminate and cease to be exercisable and (ii) the Corporation shall promptly refund to the Optionees the option price paid for any excess shares issued under the 2005 Plan and held in escrow, together with interest (at the applicable Short Term Federal Rate) for the period the shares were held in escrow.

EFFECTIVE DATE AND TERM OF 2005 PLAN.

(a) The 2005 Plan shall become effective when adopted by the Board and approved by the Corporation's shareholders. If such shareholder approval is not obtained within twelve (12) months after the date of the Board's adoption of the 2005 Plan, then all options previously granted under the 2005 Plan shall

terminate, and no further options shall be granted. Subject to such limitation, the 2005 Plan Administrator may grant options under the 2005 Plan at any time after the effective date and before the date fixed herein for termination of the 2005 Plan.

(b) The 2005 Plan shall terminate upon the EARLIER of (i) ten years after the adoption of the 2005 Plan or (ii) the date on which all shares available for issuance under the 2005 Plan have been issued or canceled pursuant to the exercise or surrender of options granted under the 2005 Plan. If the date of termination is determined under clause (i) above, then no options outstanding on such date under the 2005 Plan shall be affected by the termination of the 2005 Plan, and such securities shall thereafter continue to have force and effect in accordance with the provisions of the stock option agreements evidencing such Options.

USE OF PROCEEDS. Any cash proceeds received by the Corporation from the issuance of shares of Common Stock under the 2005 Plan shall be used for general corporate purposes.

WITHHOLDING. The Corporation's obligation to deliver shares upon the exercise or surrender of any options granted under the 2005 Plan shall be subject to the satisfaction of all applicable Federal, State and local income and employment tax withholding requirements.

REGULATORY APPROVALS. The implementation of the 2005 Plan, the granting of any options under the 2005 Plan, and the issuance of Common Stock upon the exercise or surrender of the option grants made hereunder shall be subject to the Corporation's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the 2005 Plan, the options granted under it, and the Common Stock issued pursuant to it.

Committees and Procedures

- (1) The registrant has no standing audit, nominating and compensation committees of the Board of Directors, or committees performing similar functions. The Board acts itself in lieu of committees due to its small size.
- (2) The view of the board of directors is that it is appropriate for the registrant not to have such a committee because all directors participate in the consideration of director nominees and the board is so small.
- (3) Each of the members of the Board which acts as nominating committee is not independent, pursuant to the definition of independence of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)).
- (4) The nominating committee has no policy with regard to the consideration of any director candidates recommended by security holders, but the committee will consider director candidates recommended by security holders.
- (5) The basis for the view of the board of directors that it is appropriate for the registrant not to have such a policy is that there is no need to adopt a policy for a small company.
- (6) The nominating committee will consider candidates recommended by security holders, and by security holders in submitting such recommendations; should provide a completed Directors Questionnaire to the Company.
- (7) There are no specific, minimum qualifications that the nominating committee believes must be met by a nominee recommended by security holders except to find anyone willing to serve with clean background. There are no differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee

is recommended by a security holder, or found by the board.

- (8) The nominating committee's process for identifying and evaluation nominees for director, including nominees recommended by security holders, is to find anyone willing to serve with clean background. There are no differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee is recommended by a security holder, or found by the board.

24

This 2005 China Mobility Solutions, Inc. Capitalized terms used herein shall have the meanings ascribed to such terms in Paragraph 5.

2. ADMINISTRATION OF THE 2005 PLAN

(a) The 2005 Plan shall be administered by the Board. subject to removal by the Board at any time. The Board may also at any time terminate the functions of the Committee and reassume all powers and authority previously delegated to the Committee.

(b) The 2005 Plan Administrator (either the Board or the Committee, to the extent the Committee is at the time responsible for the administration of the 2005 Plan) shall have full power and authority (subject to the provisions of the 2005 Plan) to establish such rules and regulations as it may deem appropriate for the proper 2005 Plan administration and to make such determinations under, and issue such interpretations of, the 2005 Plan and any outstanding option grants or share issuances as it may deem necessary or advisable. Decisions of the 2005 Plan Administrator shall be final and binding on all parties who have an interest in the 2005 Plan or any outstanding option or share issuance.

3. ELIGIBILITY

(a) The persons eligible to receive option grants pursuant to the 2005 Plan (each an "Optionee") are limited to the following:

(1) key employees (including officers and directors) of the Corporation (or its parent or subsidiary corporations, if any) who render services which contribute to the success and growth of the Corporation (or any parent or subsidiary corporations) or which may reasonably be anticipated to contribute to the future success and growth of the Corporation (or any parent or subsidiary corporations);

(a) The stock issuable under the 2005 Plan shall be shares of the Corporation's authorized but unissued or reacquired Common Stock, \$0.0001 par value (the "Common Stock"). The maximum number of shares which may be issued over the term of the 2005 Plan shall not exceed 3.5 million shares of Common Stock. The total number of shares issuable under the 2005 Plan shall be subject to adjustment from time to time in accordance with the provisions of Section 4(c).

(b) Shares subject to (i) the portion of one or more outstanding options which are not exercised or surrendered prior to expiration or termination and (ii) outstanding options canceled in accordance with the cancellation-regrant provisions of Section 9 will be available for subsequent option grants or stock issuances under the 2005 Plan.

(c) In the event any change is made to the Common Stock issuable under the 2005 Plan by reason of any stock dividend, stock split, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without receipt of consideration, then appropriate adjustments shall be

made to (i) the aggregate number and/or class of shares issuable under the 2005 Plan and (ii) the aggregate number and/or class of shares and the option price per share in effect under each outstanding option in order to prevent the dilution or enlargement of benefits thereunder. 6. TERMS AND CONDITIONS OF OPTIONS

Options granted pursuant to the 2005 Plan shall be authorized by action of the 2005 Plan Administrator and may, at the discretion of the 2005 Plan Administrator, be either Incentive Options or Non-Statutory Options. Each granted option shall be evidenced by one or more instruments in the form approved by the 2005 Plan Administrator; PROVIDED, HOWEVER, that each such instrument shall comply with and incorporate the terms and conditions specified below. In addition, each instrument evidencing an Incentive Option shall be subject to the applicable provisions of Section 7.

(a) OPTION PRICE

(1) The option price per share shall be fixed by the 2005 Plan Administrator.

(2) The option price shall become immediately due upon exercise of the option, and subject to the provisions of Section 11, shall be payable in cash or check drawn to the Corporation's order. Should the Corporation's outstanding Common Stock be registered under Section 12(g) of the Securities Exchange Act of 1934, as amended (the "1934 Act") at the time the option is exercised, then the option price may also be paid as follows:

(A) in shares of Common Stock held by the optionee for the requisite period necessary to avoid a charge to the Corporation's earnings for financial reporting purposes and valued at Fair Market Value on the Exercise Date; or (B) through a special sale and remittance procedure pursuant to which the Optionee (i) is to provide irrevocable written instructions to a designated brokerage firm to effect the immediate sale of the purchased shares and remit to the Corporation, out of the sale proceeds, an amount sufficient to cover the aggregate option price payable for the purchased shares plus all applicable Federal and State income and employment taxes required to be withheld by the Corporation by reason of such purchase and (ii) concurrently provides written directives to the Corporation to deliver the certificates for the purchased shares directly to such brokerage firm in order to effect the sale transaction.

(b) TERM AND EXERCISE OF OPTIONS

Each option granted under the 2005 Plan shall be exercisable at such time or times, during such period, and for such number of shares as shall be determined by the 2005 Plan Administrator and set forth in the stock option agreement evidencing such option. However, no option granted under the 2005 Plan shall have a term in excess of ten (10) years from the grant date.

(c) TERMINATION OF SERVICE

(1) The 2005 Plan Administrator shall have complete discretion to limit the period of time that an option granted under the 2005 Plan may be exercised should the Optionee cease to remain in Service for any reason (including death or Permanent Disability). In no event, however, shall any such option be exercisable after the specified expiration date of the option term. During such limited period of

exercisability, the option may not be exercised for more than that number of shares (if any) for which such option is exercisable on the date of the Optionee's cessation of Service. Upon the expiration of such period or (if earlier) upon the expiration of the option term, the option shall terminate and cease to be exercisable.

(2) Notwithstanding subsection (1) above, the 2005 Plan Administrator shall have complete discretion, exercisable either at the time the option is granted or at the time the Optionee ceases Service, to allow one or more outstanding options held by the Optionee to be exercised, during the period of exercisability following the Optionee's cessation of Service, not only with respect to the number of shares for which the option is exercisable.

(3) Notwithstanding any provision of this 2005 Plan to the contrary, any options granted under this 2005 Plan shall terminate as of the date the Optionee ceases to be in the Service of the Corporation if the Optionee was terminated for "cause" or could have been terminated for "cause." If the Optionee has an employment or a consulting agreement with the Corporation, the term "cause" shall have the meaning given that term in the employment or consulting agreement. If the Optionee does not have an employment or consulting agreement with the Corporation, or if such employment or consulting agreement does not define the term "cause," the term "cause" shall mean: (A) misconduct or dishonesty that materially adversely affects the Corporation, including without limitation (i) an act materially in

- 4 -

conflict with the financial interests of the Corporation, (ii) an act that could damage the reputation or customer relations of the Corporation, (iii) an act that could subject the Corporation to liability, (iv) an act constituting sexual harassment or other violation of the civil rights of co-workers, (v) failure to obey any lawful instruction of the Board or any officer of the Corporation and (vi) failure to comply with, or perform any duty required under, the terms of any confidentiality, inventions or non-competition agreement the Optionee may have with the Corporation, or (B) acts constituting the unauthorized disclosure of any of the trade secrets or confidential information of the Corporation, unfair competition with the Corporation or the inducement of any customer of the Corporation to breach any contract with the Corporation. The right to exercise any option shall be suspended automatically during the pendency of any investigation by the Board, or its designee, and/or any negotiations by the Board, or its designee, and the Optionee, regarding any actual or alleged act or omission by the Optionee of the type described in this paragraph.

(d) SHAREHOLDER RIGHTS. An Optionee shall have none of the rights of a shareholder with respect to any shares covered by the option until such Optionee shall have exercised the option and paid the option price.

(e) TRANSFERABILITY. Unless otherwise specified in the Agreement relating to an option, options granted hereunder may be transferable (i) by will or the laws of descent and distribution, (ii) pursuant to beneficiary designation procedures approved by the Company, (iii) pursuant to a domestic relations order, (iv) to one or more family members of the optionee, (v) to a trust or trusts for the exclusive benefit of the optionee and/or one or more family members of the optionee, (vi) to a partnership in which the optionee and/or one or more family members of the optionee are the only partners, (vii) to a

limited liability company in which the optionee and/or one or more family members of the optionee are the only members, or (viii) to such other persons or entities as may be specified in the agreement relating to an option or approved in writing by the Committee prior to such transfer. Except to the extent permitted by the preceding sentence, each option may be exercised during the optionee's lifetime only by the optionee or the optionee's legal representative or similar person. Except as permitted by the second preceding sentence, (i) no option granted hereunder shall be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process and (ii) upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any option granted hereunder, such option and all rights thereunder shall immediately become null and void.

7. INCENTIVE OPTIONS

The terms and conditions specified below shall be applicable to all Incentive Options granted under the 2005 Plan. Incentive Options may only be granted to individuals who are Employees. Options which are specifically designated as Non-Statutory Options when issued under the 2005 Plan shall NOT be subject to such terms and conditions.

(a) OPTION PRICE. The option price per share of the Common Stock subject to an Incentive Option shall in no event be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the grant date; provided, if the individual to whom the option is granted is at the time a Ten Percent Shareholder, then the option price per share shall not be less than one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the grant date.

(b) DOLLAR LIMITATION. The aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which one or more options granted to any Employee under this 2005 Plan (or any other option 2005 Plan of the Corporation or any Parent or Subsidiary corporation) may for the first time become exercisable as Incentive Stock Options under the Federal tax laws during any one calendar year shall not exceed the sum of one hundred thousand dollars (\$100,000). To the extent the Employee holds two or more such options which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability thereof as Incentive Options under the Federal tax laws shall be applied on the basis of the order in which such options are granted.

(c) OPTION TERM FOR TEN PERCENT SHAREHOLDER. No option granted to a Ten Percent Shareholder shall have a term in excess of five (5) years from the grant date.

- 5 -

(d) ACCELERATED TERMINATION OF OPTION TERM. The option term shall terminate prior to the expiration date established by the 2005 Plan Administrator should any of the following provisions become applicable:

(1) Except as otherwise provided in subparagraph (2) or (3) below, should an Optionee cease to remain in Service while his/her option is outstanding, then the period for exercising his/her option shall be reduced to a three (3) month period commencing with the date of such cessation of Service, but in no event shall such option be exercisable at any time after

the expiration date. Upon the expiration of such three (3) month period or (if earlier) upon the expiration date, the option shall terminate and cease to be outstanding.

(2) Should the Optionee die while his/her option is outstanding, his/her option shall cease to be exercisable, upon the EARLIER of (a) the expiration of the twelve (12) month period measured from the date of Optionee's death or (b) the expiration date of the option. Upon the expiration of such twelve (12) month period or (if earlier) upon the expiration date, the option shall terminate and cease to be outstanding.

(3) Should the Optionee become Permanently Disabled and cease by reason thereof to remain in Service while his/her option is outstanding, then the Optionee shall have a period of twelve (12) months (commencing with the date of such cessation of Service) during which to exercise his/her option, but in no event shall this option be exercisable at any time after the expiration date of the option. Upon the expiration of such limited period of exercisability or (if earlier) upon the expiration date, his/her option shall terminate and cease to be outstanding.

(4) During the limited period of exercisability applicable under subparagraphs (1), (2), or (3) above, the Optionee's option may be exercised for any or all of the option shares in which the Optionee, at the time of cessation of Services, is vested in accordance with the exercise/vesting provisions specified in his/her stock option documents.

(e) TRANSFERABILITY. An Incentive Option shall not be transferable otherwise than by will or the laws of descent and distribution and may be exercisable during the Optionee's lifetime only by such Optionee or the Optionee's legal representative or similar person. Except as modified by the preceding provisions of this Section 7, all the provisions of the 2005 Plan shall be applicable to the Incentive Options granted hereunder.

8. CORPORATE TRANSACTION

(a) In the event of any Corporate Transaction, each option outstanding under the 2005 Plan shall terminate upon the consummation of such Corporate Transaction and cease to be exercisable, unless assumed by the successor corporation or parent thereof.

(b) In connection with any such Corporate Transaction, the 2005 Plan Administrator may, at its sole discretion, (i) accelerate each or any outstanding option under the 2005 Plan so that each or any such option shall, immediately prior to the specified effective date for such Corporate Transaction, become fully exercisable with respect to the total number of shares of Common Stock at the time subject to such option and may be exercised for all or any portion of such shares, (ii) arrange for each or any outstanding option to either to be assumed by the successor corporation or parent thereof or to be replaced with a comparable option to purchase shares of the capital stock of the successor corporation or parent thereof, (iii) arrange for the option to be replaced by a comparable cash incentive program of the successor corporation based on the option spread (the amount by which the Fair Market Value of the shares of Common Stock at the time subject to the option exceeds the option price payable for such shares) or (iv) take none of the actions described in clauses (i), (ii) or (iii) above and allow the option to terminate as provided in Section 2(a) above. The determination of comparability under clauses (ii) and (iii) above shall be made by the 2005 Plan Administrator, and such determination shall be final and conclusive.

(c) The exercisability as Incentive Stock Options under the Federal tax laws of any options accelerated in connection with the Corporate Transaction shall remain subject to the applicable dollar limitation of subsection 7(b).

(d) If the outstanding options under the 2005 Plan are assumed by the successor corporation (or parent thereof) in

- 6 -

the Corporate Transaction or are otherwise to continue in effect following such Corporate Transaction, then each such assumed or continuing option shall, immediately after such Corporate Transaction, be appropriately adjusted to apply and pertain to the number and class of securities or other property that would have been issuable to the option holder, in consummation of the Corporate Transaction, had the option been exercised immediately prior to such Corporate Transaction.

(e) The grant of options under this 2005 Plan shall in no way affect the right of the Corporation to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

9. CANCELLATION AND NEW GRANT OF OPTIONS

The 2005 Plan Administrator shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionees, the cancellation of any or all outstanding options under the 2005 Plan and to grant in substitution therefore new options under the 2005 Plan covering the same or different numbers of shares of Common Stock but having, in the case of an Incentive Option, an option price per share not less than one hundred percent (100%) of such Fair Market Value per share of Common Stock on the new grant date, or, in the case of a Ten Percent Shareholder, not less than one hundred and ten percent (110%) of such Fair Market Value.

10. EXTENSION OF EXERCISE PERIOD

The 2005 Plan Administrator shall have full power and authority to extend (either at the time when the option is granted or at any time while the option remains outstanding) the period of time for which the option is to remain exercisable following the Optionee's cessation of Service, from the limited period set forth in the option agreement, to such greater period of time as the 2005 Plan Administrator may deem appropriate under the circumstances. In no event, however, shall such option be exercisable after the specified expiration date of the option term.

11. LOANS

(a) The 2005 Plan Administrator may assist any Optionee (including an Optionee who is an officer or director of the Corporation) in the exercise of one or more options granted to such Optionee under the 2005 Plan, including the satisfaction of any Federal and State income and employment tax obligations arising therefrom, by:

(1) authorizing the extension of a loan from the Corporation to such Optionee, or

(2) permitting the Optionee to pay the option price for the purchased Common Stock in installments over a period of years.

(b) The terms of any loan or installment method of payment (including the interest rate and terms of repayment) shall be established by the 2005 Plan Administrator in its sole discretion. Loans or installment payments may be granted with or without security or collateral; however, any loan made to a consultant or other non-employee director must be secured by property other than

the purchased shares of Common Stock. In all events, the maximum credit available to each may not exceed the SUM of (i) the aggregate option price payable for the purchased shares less the aggregate par value for such shares plus (ii) any Federal and State income and employment tax liability incurred by the Optionee in connection with such exercise.

(c) The 2005 Plan Administrator may, in its absolute discretion, determine that one or more loans extended under the financial assistance program shall be subject to forgiveness by the Corporation in whole or in part upon such terms and conditions the Board in its discretion deems appropriate.

12. AMENDMENT OF THE 2005 PLAN AND AWARDS

(a) The Board shall have complete and exclusive power and authority to amend or modify the 2005 Plan in any or all respects whatsoever. However, no such amendment or modification shall adversely affect the rights and obligations of an Optionee with respect to options at the time outstanding under the 2005 Plan, nor adversely affect the rights of any Participant with respect to Common Stock issued under the 2005 Plan prior to such action, unless the Optionee

- 7 -

consents to such amendment. In addition, the Board shall not, without the approval of the Corporation's shareholders, amend the 2005 Plan to (i) materially increase the maximum number of shares issuable under the 2005 Plan (except for permissible adjustments under Section 4(c)), (ii) materially increase the benefits accruing to individuals who participate in the 2005 Plan, or (iii) materially modify the eligibility requirements for participation in the 2005 Plan.

(b) Options to purchase shares of Common Stock may be granted under the 2005 Plan which are in excess of the number of shares then available for issuance under the 2005 Plan, provided any excess shares actually issued under the 2005 Plan are held in escrow until there is obtained shareholder approval of an amendment sufficiently increasing the number of shares of Common Stock available for issuance under the 2005 Plan. If such shareholder approval is not obtained within twelve (12) months after the date the initial excess issuances are made, then (i) any unexercised options representing such excess shall terminate and cease to be exercisable and (ii) the Corporation shall promptly refund to the Optionees the option price paid for any excess shares issued under the 2005 Plan and held in escrow, together with interest (at the applicable Short Term Federal Rate) for the period the shares were held in escrow.

13. EFFECTIVE DATE AND TERM OF 2005 PLAN

(a) The 2005 Plan shall become effective when adopted by the Board and approved by the Corporation's shareholders. If such shareholder approval is not obtained within twelve (12) months after the date of the Board's adoption of the 2005 Plan, then all options previously granted under the 2005 Plan shall terminate, and no further options shall be granted. Subject to such limitation, the 2005 Plan Administrator may grant options under the 2005 Plan at any time after the effective date and before the date fixed herein for termination of the 2005 Plan.

(b) The 2005 Plan shall terminate upon the EARLIER of (i) ten years after the adoption of the 2005 Plan or (ii) the date on which all shares available for issuance under the 2005 Plan have been issued or canceled pursuant to the exercise or surrender of options granted under the 2005 Plan. If the date of termination is determined under clause (i) above, then no options outstanding on

such date under the 2005 Plan shall be affected by the termination of the 2005 Plan, and such securities shall thereafter continue to have force and effect in accordance with the provisions of the stock option agreements evidencing such Options.

14. USE OF PROCEEDS

Any cash proceeds received by the Corporation from the issuance of shares of Common Stock under the 2005 Plan shall be used for general corporate purposes.

15. WITHHOLDING

The Corporation's obligation to deliver shares upon the exercise or surrender of any options granted under the 2005 Plan shall be subject to the satisfaction of all applicable Federal, State and local income and employment tax withholding requirements.

16. REGULATORY APPROVALS

The implementation of the 2005 Plan, the granting of any options under the 2005 Plan, and the issuance of Common Stock upon the exercise or surrender of the option grants made hereunder shall be subject to the Corporation's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the 2005 Plan, the options granted under it, and the Common Stock issued pursuant to it.

WITNESSETH:

RECITALS

A. The Board has adopted the 2005 Stock Option Plan (the "2005 Plan") for the purpose of attracting and retaining the services of selected key employees (including officers and directors), non-employee members of the Board and consultants and other independent contractors who contribute to the financial success of the Corporation.

B. Optionee is an individual who is to render valuable services to the Corporation, and this Agreement is executed pursuant to, and is intended to carry out the purposes of, the 2005 Plan in connection with the Corporation's grant of a stock option to Optionee.

C. Capitalized terms used in this Agreement shall, unless the context clearly indicates otherwise, have the meaning assigned to such terms in Paragraph 20 of this Agreement.

NOW, THEREFORE, it is hereby agreed as follows:

1. GRANT OF OPTION. Subject to and upon the terms and conditions set forth in this Agreement, the Corporation hereby grants to Optionee, as of the Grant Date, a stock option to purchase up to that number of Option Shares as is specified in

the Grant Notice. The Option Shares shall be purchasable from time to time during the Option term at the Option Price per share specified in the Grant Notice.

2. OPTION TERM. This Option shall expire at the close of business on the Expiration Date specified in the Grant Notice, unless sooner terminated in accordance with Paragraphs 5, 6, or 17 hereof; provided, in no event shall this Option have a maximum term in excess of ten (10) years measured from the Grant Date.

3. OPTION NONTRANSFERABLE; EXCEPTION. Unless otherwise specified in the Agreement relating to an option, options granted hereunder may be transferable (i) by will or the laws of descent and distribution, (ii) pursuant to beneficiary designation procedures approved by the Company, (iii) pursuant to a domestic relations order, (iv) to one or more family members of the optionee, (v) to a trust or trusts for the exclusive benefit of the optionee and/or one or more family members of the optionee, (vi) to a partnership in which the optionee and/or one or more family members of the optionee are the only partners, (vii) to a limited liability company in which the optionee and/or one or more family members of the optionee are the only members, or (viii) to such other persons or entities as may be specified in the agreement relating to an option or approved in writing by the Committee prior to such transfer. Except to the extent permitted by the preceding sentence, each option may be exercised during the optionee's lifetime only by the optionee or the optionee's legal representative or similar person. Except as permitted by the second preceding sentence, (i) no option granted hereunder shall be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process and (ii) upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any option granted hereunder, such option and all rights thereunder shall immediately become null and void. Additional transferability restrictions apply to Incentive Stock Options in accordance with Paragraph 18(a) hereof.

4. DATES OF EXERCISE. This Option may not be exercised in whole or in part at any time prior to the time the 2005 Plan is approved by the Corporation's shareholders in accordance with Paragraph 17. Provided such shareholder approval is obtained, this Option shall thereupon become exercisable for the Option Shares in one or more installments as is specified in the Grant Notice. As the Option becomes exercisable in one or more installments, the installments shall accumulate and the Option shall remain exercisable for such installments until the Expiration Date or the sooner termination of the Option term under Paragraph 5 or Paragraph 6 of this Agreement.

- 10 -

5. ACCELERATED TERMINATION OF OPTION TERM. The option term specified in Paragraph 2 shall terminate (and this Option shall cease to be exercisable) prior to the Expiration Date should any of the following provisions become applicable:

(a) Except as otherwise provided in subparagraph (b) or (c) below, should Optionee cease to remain in Service while this Option is outstanding, then the period for exercising this Option shall be reduced to a three (3) month period commencing with the date of such cessation of Service, but in no event shall this Option be exercisable at any time after the Expiration Date. Upon the expiration of such three (3) month period or (if earlier) upon the Expiration Date, this Option shall terminate and cease to be outstanding.

(b) Should Optionee die while this Option is outstanding, then the personal representative of the Optionee's estate or the person or persons to whom the

Option is transferred pursuant to the Optionee's will or in accordance with the law of descent and distribution shall have the right to exercise this Option. Such right shall lapse, and this Option shall cease to be exercisable, upon the EARLIER of (i) the expiration of the twelve (12) month period measured from the date of Optionee's death or (ii) the Expiration Date. Upon the expiration of such twelve (12) month period or (if earlier) upon the Expiration Date, this Option shall terminate and cease to be outstanding.

(c) Should Optionee become Permanently Disabled and cease by reason thereof to remain in Service while this Option is outstanding, then the Optionee shall have a period of twelve (12) months (commencing with the date of such cessation of Service) during which to exercise this Option, but in no event shall this Option be exercisable at any time after the Expiration Date. Upon the expiration of such limited period of exercisability or (if earlier) upon the Expiration Date, this Option shall terminate and cease to be outstanding.

(d) During the limited period of exercisability applicable under subparagraphs (a), (b) or (c) above, this Option may be exercised for any or all of the Option Shares in which the Optionee, at the time of cessation of Service, is vested in accordance with the exercise/vesting provisions specified in the Grant Notice or the special acceleration provisions of Paragraph 6 of this Agreement.

(e) Notwithstanding any provisions of this paragraph 5 or any other provision of this Agreement or the 2005 Plan to the contrary, any options granted under the 2005 Plan shall terminate as of the date Optionee ceases to be in the Service of the Corporation if Optionee was terminated for "cause" or could have been terminated for "cause." If Optionee has an employment or consulting agreement with the Corporation, the term "cause" shall have the meaning given that term in the employment or consulting agreement. If Optionee does not have an employment or consulting agreement with the Corporation, or if such employment or consulting agreement does not define the term "cause," the term "cause" shall mean: (1) misconduct or dishonesty that materially adversely affects the Corporation, including without limitation (i) an act materially in conflict with the financial interests of the Corporation, (ii) an act that could damage the reputation or customer relations of the Corporation, (iii) an act that could subject the Corporation to liability, (iv) an act constituting sexual harassment or other violation of the civil rights of co-workers, (v) failure to obey any lawful instruction of the Board or any officer of the Corporation and (vi) failure to comply with, or perform any duty required under, the terms of any confidentiality, inventions, or noncompetition agreement Optionee may have with the Corporation, or (2) acts constituting the unauthorized disclosure of any trade secrets or confidential information of the Corporation, unfair competition with the corporation or the inducement of any customer of the Corporation to breach any contract during the pendency of any investigation by the Board, or its designee, and/or any negotiations by the Board, or its designee, and Optionee, regarding any actual or alleged act or omission by Optionee of the type described in this paragraph.

6. CORPORATE TRANSACTION.

(a) This Option shall terminate upon the consummation of any Corporate Transaction, unless expressly assumed by the successor corporation or parent thereof.

(b) In connection with any such Corporate Transaction, the 2005 Plan Administrator may, at its sole discretion, (i) accelerate this Option so that this Option shall, immediately prior to the specified effective date for such Corporate Transaction, become fully exercisable with respect to all of the Option Shares and may be exercised for all or any

portion of such shares, (ii) arrange for this Option either to be assumed by the successor corporation or parent thereof or to be replaced with a comparable option to purchase shares of the capital stock of the successor corporation or parent thereof, (iii) arrange for this Option to be replaced by a comparable cash incentive program of the successor corporation based on the option spread (the amount by which the Fair Market Value of the shares of Common Stock at the time subject to the Option exceeds the Option Price payable for such shares) or (iv) take none of the actions described in clauses (i), (ii) or (iii) above and allow this Option to terminate as provided in Paragraph 6(a) above. The determination of comparability under clauses (ii) and (iii) above shall be made by the 2005 Plan Administrator, and its determination shall be final and conclusive.

(c) The exercisability of this Option as an Incentive Stock Option under the Federal tax laws (if designated as such in the Grant Notice) shall, in connection with any such Corporate Transaction, be subject to the applicable dollar limitation of Paragraph 18.

(d) This Agreement shall not in any way affect the right of the Corporation to adjust, reclassify, reorganize or otherwise make changes in its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

7. ADJUSTMENT IN OPTION SHARES

(a) In the event any change is made to the Corporation's outstanding Common Stock by reason of any stock split, stock dividend, combination of shares, exchange or conversion of shares, or other change affecting the outstanding Common Stock as a class without receipt of consideration, then appropriate adjustments shall be made to (i) the total number of Option Shares subject to this Option and (ii) the Option Price payable per share in order to reflect such change and thereby preclude a dilution or enlargement of benefits hereunder.

(b) If this Option is to be assumed or is otherwise to remain outstanding after the Corporate Transaction, then this Option shall be appropriately adjusted to apply and pertain to the number and class of securities that would have been issuable to the Optionee in the consummation of such Corporation Transaction had the option been exercised immediately prior to such Corporate Transaction, and appropriate adjustments shall also be made to the Option Price payable per share, provided the aggregate Option Price payable hereunder shall remain the same.

8. PRIVILEGE OF STOCK OWNERSHIP. The holder of this Option shall not have any of the rights of a shareholder with respect to the Option Shares until such individual shall have exercised the option and paid the Option Price.

9. MANNER OF EXERCISING OPTION.

(a) In order to exercise this Option with respect to all or any part of the Option Shares for which this Option is at the time exercisable, Optionee (or in the case of exercise after Optionee's death, the Optionee's executor, administrator heir or legatee, as the case may be) or Transferee (in the case of certain Incentive Options) must take the following actions:

(1) Execute and deliver to the Secretary of the Corporation the Purchase Agreement.

(2) Pay the aggregate Option Price for the purchased shares either by full payment in cash or check, or any other form approved by the 2005 Plan

Edgar Filing: CHINA MOBILITY SOLUTIONS, INC. (formerly Xin Net Corp.) - Form DEFR14A

Administrator at the time of exercise in accordance with the provisions of Paragraph 14.

(3) Furnish to the Corporation appropriate documentation that the person or persons exercising the Option (if other than Optionee) have the right to exercise this Option.

(b) Should the Corporation's outstanding Common Stock be registered under Section 12(g) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), at the time the Option is exercised, then the Option Price may also be paid as follows:

(1) in shares of the Common Stock held by the Optionee for the requisite period necessary to avoid a charge to the

- 12 -

Corporation's earnings for financial reporting purposes and valued at Fair Market Value on the Exercise Date; or (2) through a special sale and remittance procedure pursuant to which the Optionee (i) is to provide irrevocable written instructions to a designated brokerage firm to effect the immediate sale of the purchased shares and remit to the Corporation, out of the sale proceeds, an amount sufficient to cover the aggregate Option Price payable for the purchased shares plus all applicable Federal and state income and employment taxes required to be withheld by the Corporation by reason of such purchase and (ii) concurrently provides written directives to the Corporation to deliver the certificates for the purchased shares directly to such broker-dealer in order to effect the sale transaction.

(c) Except to the extent the special sale and remittance procedure is utilized to exercise this Option, payment of the Option Price must accompany the delivery of the Purchase Agreement. As soon after such payment is practical, the Corporation shall mail or deliver to Optionee (or to the other person or persons exercising this Option) a certificate or certificates representing the shares so purchased and paid for, with the appropriate legend affixed thereto.

(d) In no event may this Option be exercised for any fractional shares.

10. COMPLIANCE WITH LAWS AND REGULATIONS.

(a) The exercise of this Option and the issuance of Option Shares upon such exercise shall be subject to compliance by the Corporation and the Optionee with all applicable requirements of law relating thereto and with all applicable regulations of any stock exchange on which shares of the Corporation's Common Stock may be listed at the time of such exercise and issuance.

(b) In connection with the exercise of this Option, Optionee shall execute and deliver to the Corporation such representations in writing as may be requested by the Corporation in order for it to comply with the applicable requirements of Federal and state securities laws.

11. SUCCESSORS AND ASSIGNS. Except to the extent otherwise provided in Paragraphs 3, 6 and 18(a) the provisions of this Agreement shall inure to the benefit of, and be binding upon, the successors, administrators, heirs, legal representatives and assigns of Optionee and the successors and assigns of the Corporation.

12. LIABILITY OF CORPORATION.

(a) If the Option Shares covered by this Agreement exceed, as of the Grant Date, the number of shares of Common Stock that may be issued under the 2005 Plan without shareholder approval, then this Option shall be void with respect to such excess shares, unless shareholder approval of an amendment sufficiently increasing the number of shares of Common Stock issuable under the 2005 Plan is obtained in accordance with the applicable provisions of the 2005 Plan.

(b) The inability of the Corporation to obtain approval from any regulatory body having authority the Corporation deems necessary to the lawful issuance and sale of any Common Stock pursuant to this Option shall relieve the Corporation of any liability with respect to the non-issuance of the Common Stock as to which such approval shall not have been obtained. The Corporation, however, shall use its best efforts to obtain all such approvals.

13. NOTICES. Any notice required to be given or delivered to the Corporation under the terms of this Agreement shall be in writing and addressed to the Corporation in care of the Corporate Secretary at its principal corporate offices. Any notices required to be given or delivered to the Optionee shall be in writing and addressed to Optionee at the address indicated below Optionee's signature line on the Grant Notice. All notices shall be deemed to have been given or delivered upon personal delivery or upon deposit in the U.S. Mail, postage prepaid and properly addressed to the party to be notified.

14. LOANS. The 2005 Plan Administrator may, in its absolute discretion and without any obligation to do so, assist the Optionee in the exercise of this Option by (i) authorizing the extension of a loan to the Optionee from the Corporation or (ii) permitting the Optionee to pay the option price for the purchased Common Stock in installments over a period of years. The terms of any such loan or installment method of payment (including the interest rate, the requirement for collateral and the terms of repayment) shall be established by the 2005 Plan Administrator in its sole discretion.

- 13 -

15. CONSTRUCTION. This Agreement and the Option evidenced hereby are made and granted pursuant to the 2005 Plan and are in all respects limited by and subject to the express terms and provisions of the 2005 Plan. All decisions of the 2005 Plan Administrator with respect to any question or issue arising under the 2005 Plan or this Agreement shall be conclusive and binding on all persons having an interest in this Option.

16. GOVERNING LAW. The interpretation, performance, and enforcement of this Agreement shall be governed by the laws of the State of Delaware.

17. SHAREHOLDER APPROVAL. The grant of this Option is subject to approval of the 2005 Plan by the Corporation's shareholders within twelve (12) months after the adoption of the 2005 Plan by the Board. NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, THIS OPTION MAY NOT BE EXERCISED IN WHOLE OR IN PART UNTIL SUCH SHAREHOLDER APPROVAL IS OBTAINED. In the event that such shareholder approval is not obtained, then this Option shall terminate in its entirety and the Optionee shall have no further rights to acquire any Option Shares hereunder.

18. ADDITIONAL TERMS APPLICABLE TO AN INCENTIVE STOCK OPTION. In the event this Option is designated an Incentive Stock Option in the Grant Notice, the following terms and conditions shall also apply to the grant:

(c) In the event this Option is designated as immediately exercisable in the Grant Notice, then except in the event of a Corporate Transaction, this Option shall not become exercisable in the calendar year in which granted if (and to the extent) the aggregate Fair Market Value (determined at the Grant Date) of the Common Stock for which this Option would otherwise first become exercisable in such calendar year would, when added to the aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which one or more other post-1986 Incentive Stock Options granted to the Optionee prior to the Grant Date (whether under the 2005 Plan or any other option 2005 Plan of the Corporation or any Parent or Subsidiary corporations) first become exercisable during the same calendar year, exceed one hundred thousand dollars (\$100,000) in the aggregate. To the extent the exercisability of this Option is deferred by reason of the foregoing limitation, the deferred portion will first become exercisable in the first calendar year or years thereafter in which the one hundred thousand dollar (\$100,000) limitation of this Paragraph 18(b) would not be contravened.

(d) In the event this Option is designated as an installment option in the Grant Notice, no installment under this Option (whether annual or monthly) shall qualify for favorable tax treatment as an Incentive Stock Option under the Federal tax laws if (and to the extent) the aggregate Fair Market Value (determined at the Grant Date) of the Common Stock for which such installment first becomes exercisable hereunder will, when added to the aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which this Option or one or more other post-1986 Incentive Stock Options granted to the Optionee prior to the Grant Date (whether under the 2005 Plan or any other option 2005 Plan of the Corporation or any Parent or Subsidiary corporations) first become exercisable during the same calendar year, exceed one hundred thousand dollars (\$100,000) in the aggregate.

(e) Should the exercisability of this Option be accelerated upon a Corporate Transaction, then this Option shall qualify for favorable tax treatment as an Incentive Stock Option under the Federal tax laws only to the extent the aggregate Fair Market Value (determined at the Grant Date) of the Common Stock for which this Option first becomes exercisable in the calendar year in which the Corporate Transaction occurs does not, when added to the

- 14 -

aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which this Option or one or more other post-1986 Incentive Stock Options granted to the Optionee prior to the Grant Date (whether under the 2005 Plan or any other option 2005 Plan of the Corporation or any Parent or Subsidiary corporations) first become exercisable during the same calendar year, exceed one hundred thousand (100,000) in the aggregate.

(f) To the extent this Option should fail to qualify as an Incentive Stock Option under the Federal tax laws, the Optionee will recognize compensation income in connection with the acquisition of one or more Option Shares hereunder, and the Optionee must make appropriate arrangements for the satisfaction of all Federal, state or local income tax withholding requirements

and Federal Social Security employee tax requirements applicable to such compensation income.

19. ADDITIONAL TERMS APPLICABLE TO A NON-STATUTORY STOCK OPTION.
