#### INVESTMENT OBJECTIVE AND POLICY

MassMutual Corporate Investors (the "Trust"), a closed-end investment company, was offered to the public in September 1971 and its shares are listed on the New York Stock Exchange. The share price of Corporate Investors can be found in the financial section of most newspapers as "MassCp" or "MassMuInv" under the New York Stock Exchange listings. The Trust's New York Stock Exchange trading symbol is "MCI".

The Trust's investment objective is to maintain a portfolio of securities providing a fixed yield and at the same time offering an opportunity for capital gains. The Trust's principal investments are privately placed, below-investment grade, long-term corporate debt obligations with equity features such as warrants, conversion rights, or other equity features and, occasionally, preferred stocks. The Trust typically purchases these investments, which are not publicly tradable, directly from their issuers, which tend to be smaller companies. In addition, the Trust may temporarily invest, subject to certain limitations, in marketable investment grade debt securities, other marketable debt securities (including high yield securities) and marketable common stocks.

David L. Babson & Company Inc. manages the Trust on a total return basis. The Trust distributes substantially all of its net income to shareholders each year. Accordingly, the Trust pays dividends to shareholders quarterly in January, May, August, and November. The Trust pays dividends to its shareholders in cash, unless the shareholder elects to participate in the Dividend Reinvestment and Share Purchase Plan.

#### PROXY VOTING POLICIES & PROCEDURES

A copy of MassMutual Corporate Investors' Proxy Voting policy and procedures used to determine how to vote proxies relating to portfolio securities is available (1) without charge, upon request, by calling, toll-free, 866-399-1516; (2) on MassMutual Corporate Investors' website: www.massmutual.com/mci; and (3) on the U.S. Securities and Exchange Commission website at http://www.sec.gov.

#### TO OUR SHAREHOLDERS

#### April 30, 2004

We are pleased to present the March 31, 2004 Quarterly Report of MassMutual Corporate Investors (the "Trust"). At the Trust's Annual Shareholder Meeting, which was held on April 30, 2004, shareholders re-elected Donald E. Benson, Donald Glickman and Robert E. Joyal as Trustees, each for a three-year term. The shareholders also approved the continuance of the Investment Services Contract between the Trust and David L. Babson & Company Inc. ("Babson").

The Board of Trustees declared an increase in the quarterly dividend to 41 cents per share, payable on May 17, 2004 to shareholders of record on May 7, 2004. A quarterly dividend of 36 cents per share was paid in the previous quarter.

U.S. equity markets, as measured by several broad market indices, were mixed. During the quarter ended March 31, 2004, large stocks, as approximated by the Dow Jones Industrial Average, decreased 0.43%. On the other hand, smaller stocks, as approximated by the Russell 2000 Index, increased 6.26%. A large part of this return on the Russell 2000 Index was earned in the month of January (4.34%) with more modest returns posted in February and March (0.90% and 0.93%, respectively). U.S. fixed income markets, as measured by selected indices, posted positive returns for the quarter. The Lehman Brothers Government/Credit Index and the Lehman Brothers U.S. Corporate High Yield Index increased 3.08% and 2.34%, respectively, for the quarter.

During the quarter ended March 31, 2004, net assets of the Trust increased to \$202,618,278 or \$22.74 per share compared to \$193,786,114 or \$21.84 per share on

December 31, 2003, which translates into a 4.12% return for the quarter, based on change in net assets with reinvestment of dividends. Long term, the Trust's portfolio had average annualized returns of 21.47%, 10.78%, 14.20% and 14.65% for the 1-, 5-, 10- and 25- year time periods ended March 31, 2004, respectively, based on change in net assets with reinvestment of dividends. The Trust earned 42 cents per share of net investment income for the quarter, compared to 44 cents per share in the previous quarter.

During the quarter, the Trust made private placement investments in four new issuers and closed two "follow-on" investments, totaling approximately \$8.9 million. The follow-on investments purchased by the Trust were in securities of Colibri Holdings Corp. and Dwyer Group, Inc. The four new issuers the Trust invested in were American Hospice Management, Kele and Associates, Inc., Nonni's Food Company and Roto-Rooter, Inc. The weighted average coupon of these investments was 12.1%. (A brief description of these investments can be found in the Schedule of Investments.)

Thank you for your continued interest in and support of  ${\tt MassMutual}$  Corporate Investors.

Sincerely,

/s/ Roger W. Crandall

Roger W. Crandall President
