GENERAL INSTRUCTIONS

1. This form is required by Rule 12b-25 (17 CFR 240.12b-25) of the General Rules and Regulations under the Securities Exchange Act of 1934.
2. One signed original and four conformed copies of this form and amendments thereto must be completed and filed with the Securities and Exchange Commission, Washington, D.C. 20549, in accordance with Rule 0-3 of the General Rules and Regulations under the Act. The information contained in or filed with the form will be made a matter of public record in the Commission files.
3. A manually signed copy of the form and amendments thereto shall be filed with each national securities exchange on which any class of securities of the registrant is registered.
4. Amendments to the notifications must also be filed on Form 12b-25 but need not restate information that has been correctly furnished. The form shall be clearly identified as an amended notification.
5. Electronic Filers: This form shall not be used by electronic filers unable to timely file a report solely due to electronic difficulties. Filers unable to submit reports within the time period prescribed due to difficulties in electronic filing should comply with either Rule 201 or Rule 202 of Regulation S-T (§232.201 or §232.202 of this chapter) or apply for an adjustment in filing date pursuant to Rule 13(b) of Regulation S-T (§232.13(b) of this chapter).

ATTACHMENT

The net loss for the year ended May 31, 2011 is expected to be approximately \$(606,000) compared to net income of \$503,320 for the year ended May 31, 2010.

The net loss to common shareholders for the year ended May 31, 2011 is expected to be approximately \$(1,020,000), or \$(0.04) per share, compared to net income of \$97,746, or \$0.00 per share, for the year ended May 31, 2010.

The net loss for the year ended May 31, 2011, when compared to the net income for the year ended May 31, 2010, is primarily related to decrease in gross profit from sales. The decrease in gross profit from sales is primarily due to repair and maintenance costs incurred on the pallet production lines during the first half of fiscal year 2011 and a lower profit margin on pelletized sales when compared to the profit margins on pallet sales.
