PROXY STATEMENT

PROCEDURAL MATTERS

THIS PROXY STATEMENT IS FURNISHED TO THE SHAREHOLDERS OF LIFEWAY FOODS, INC., AN ILLINOIS CORPORATION (THE “COMPANY” or “LIFEWAY”), IN CONNECTION WITH THE SOLICITATION OF PROXIES BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY TO BE VOTED AT THE ANNUAL MEETING OF SHAREHOLDERS (THE “MEETING”) TO BE HELD AT 2:00 P.M., LOCAL TIME, ON JUNE 20, 2013, OR AT ANY ADJOURNMENT OR POSTPONEMENT THEREOF.

On or about May 10, 2013, the Company inadvertently furnished a Notice of Meeting and Proxy Statement (the “Original Proxy Statement”) relating to the Annual Meeting to shareholders. Since that time, the Company has revised the Original Proxy Statement to (i) separate Proposal 2 in the Original Proxy Statement into two separate proposals (Proposal 2 and Proposal 3 in this Proxy Statement) to be submitted to the shareholders at the Meeting and (ii) expand disclosure regarding Proposal 2 and Proposal 3. Proposal 1, Proposal 4, Proposal 5 and Proposal 6 as set forth herein, are substantially unchanged from the Original Proxy Statement.

The proxy card accompanying this Revised Proxy Statement allows you to vote on all six (6) proposals for which the Company is seeking your approval. **VOTES CAST IN CONNECTION WITH THE ORIGINAL PROXY STATEMENT WILL NOT BE COUNTED. IN ORDER FOR YOUR VOTE TO BE COUNTED ON ANY OF THE SIX (6) PROPOSALS FOR WHICH THE COMPANY IS SEEKING YOUR APPROVAL, YOU MUST SUBMIT THE REVISED PROXY CARD ACCOMPANYING THIS REVISED PROXY STATEMENT.**

Shareholders of record of common stock of the Company, no par value (the “Common Stock”) at the close of business on April 26, 2013 (the “Record Date”), will be entitled to notice of and to vote at the Meeting. The Meeting will be held at the Holiday Inn, 5300 W. Touhy Ave., Skokie, Illinois 60077. Proxies received prior to the Meeting will be voted in accordance with the instructions contained in the proxy and, if no choice is specified, will be voted in favor of each nominee for Director named in this Proxy Statement and in favor of each other proposal set forth in this Proxy Statement. A shareholder who votes by proxy may revoke it at any time before it is voted by a written revocation delivered to any of the proxy holders named therein, by submitting another valid proxy bearing a later date or by attending the Meeting and voting in person. Beneficial owners wishing to vote at the Meeting who are not shareholders of record on the Company’s books (e.g., persons holding in street name) must bring to the Meeting a power of attorney or proxy in their favor signed by the holder of record in order to be able to vote.

SOLICITATION OF PROXIES

Our proxy materials are primarily available to shareholders on the Internet, as permitted by rules of the U.S. Securities and Exchange Commission (the "SEC"). Our Proxy Materials are first being mailed to shareholders beginning approximately May __, 2013.

All of the costs and expenses in connection with the solicitation of proxies with respect to the matters described herein will be borne by the Company. In addition to solicitation of proxies by mail, the directors, officers and investor relations staff (who will receive no compensation in addition to their regular remuneration) of the Company named herein may solicit the return of proxies by telephone, telegram or personal interview. As of this date, the Company has retained Broadridge Financial Solutions, Inc. ("Broadridge"), an outside firm, to solicit proxies solely from individual shareholders of record and to print proxy notices and other related materials. The services provided by Broadridge to the Company are expected to cost approximately \$6,000. The Company has also retained Automatic Data Processing, Inc. ("ADP"), at an approximate cost of \$3,000, to contact banks, brokerage houses and other custodians, nominees and fiduciaries with requests to forward copies of the proxy materials to their respective principals and to request instructions for voting the proxies. The expenses of such banks, brokerage houses and other custodians, nominees and fiduciaries in connection therewith are covered by the estimated fee to be paid by the Company to ADP. Action may be taken on the business to be transacted at the Meeting on the date specified in the Notice of Meeting or on any date or dates to which such Meeting may be adjourned.

VOTING OF PROXIES

A form of proxy is provided for use at the Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time thereafter by writing to the Secretary of the Company prior to the Meeting, by execution and delivery of a subsequent proxy, or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such proxy. Shares represented by a valid proxy which if received pursuant to this solicitation and not revoked before it is exercised, will be voted as provided on the proxy at the Meeting or at any adjournment or adjournments thereof.

VOTING SECURITIES AND VOTE REQUIRED

Only holders of the 16,346,017 shares of Common Stock, no par value per share, of record outstanding at the close of business on April 26, 2013, will be entitled to vote at the Meeting. Each holder of Common Stock is entitled to one vote for each share held by such holder. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Under the rules of the SEC, boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish to withhold authority to vote for one or more nominees for Director or for Proposal 1. Votes withheld in connection with the election of one or more of the nominees for Director or Proposal 1 will be counted as votes cast against such individuals or Proposal 1 and will be counted toward the presence of a quorum for the transaction of business. If no direction is indicated, the proxy will be voted for the election of the nominees for Director and for Proposal 1. The form of proxy provides for withholding of votes with respect to the election of Directors and a shareholder present at the Meeting also may abstain with respect to such election.

ANNUAL REPORT ON FORM 10-K

The Company's Annual Report on Form 10-K, for the fiscal year ended December 31, 2012 (the "Annual Report") has been posted along with this Proxy Statement. Shareholders are referred to the Annual Report for information concerning the Company's business and operations, but the Annual Report is not part of the proxy soliciting materials.

PROPOSAL 1: ELECTION OF DIRECTORS

Seven Directors are to be elected at the Meeting. Directors will be elected at the Meeting to serve until the next annual meeting of shareholders of the Company or until each of their successors shall be duly elected and qualified. As noted, unless otherwise indicated thereon, all proxies received will be voted in favor of the election of each of the seven nominees of the Board named below as Directors of the Company. Should any of the nominees not remain a candidate for election at the date of the Meeting (which contingency is not now contemplated or foreseen by the Company), proxies solicited thereunder will be voted in favor of those nominees who do remain candidates and may be voted for substitute nominees elected by the Board. Each of the nominees is currently serving as a Director of the Company.

REQUIRED VOTE

The seven nominees receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as Directors. Votes withheld from any Director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no other legal effect under Illinois law.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO ELECT THE DIRECTORS NOMINATED HEREIN TO SERVE AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

The names of the nominees and certain information with regard to each nominee follows:

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's Officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Based on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that none of its Directors, executive officers or persons who beneficially own more than 10% of the Company's Common Stock failed to comply with Section 16(a) reporting requirements in fiscal year ended December 31, 2012, except for (i) Ms. Julie Smolyansky who failed to timely file one Form 4 regarding six transactions, and (ii) each of Messrs. Paul Lee and Jason Scher, each of whom failed to timely file a Form 3.

BOARD AND COMMITTEE MEETINGS

Board Leadership.

Since 2004, the positions of Chairperson of the Board of the Company and Chief Executive of the Company have been held by different individuals. Currently, Ludmila Smolyansky serves as Chairperson of the Board of the Company and Julie Smolyansky as Chief Executive of the Company. These two individuals provide leadership to the Board of Directors by setting the agenda for Board meetings, preparing information and alternatives for presentation to the Board and leading discussions among, and facilitating decision making by, the Board of Directors.

The Board believes that this structure is appropriate because it results in a balanced leadership, combining a separate independent Chairperson together with a member of management involved in the day-to-day operation of the Company's business.

During 2012, the Company's Board of Directors held four regular meetings (the Company's annual meeting of shareholders and Directors and quarterly meetings). In 2012, four of the five Directors serving at that time attended the Company's annual meeting. Each director except Mr. Valle attended at least 75% of all meetings of our board of directors and committees on which he or she served that were held during such Director's term during 2012. Shareholders of the Company may send communications to the Board of Directors via the Company's Investor Relations department, which makes such communications available to the Directors as appropriate, to LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053, telephone (847) 967-1010, fax (847) 967-6558. The Investor Relations department can be reach via email at: info@lifeway.net.

Related Transactions.

We have determined that there are no related party transactions in excess of the lesser \$120,000 or 1% of the average of the Company's total assets for each of 2011 and 2012, since the beginning of 2011 or currently proposed, involving the Company.

Director Independence.

In evaluating director independence, the Company has adopted the definition set forth in Rule 4200 of the NASDAQ Marketplace Rules. The Company's Board of Directors, taking into consideration the relationships described in the Certain Relationships and Related Transactions section above, has determined that of the Company's current Directors, Pol Sikar, Renzo Bernardi, Paul Lee and Jason Scher were independent of management.

Board Committees.

The Lifeway Audit Committee (the "Committee"), comprised of Messrs. Sikar, Bernardi, and Katz, pre-approved Plante & Moran, PLLC as the Company's independent auditor for the year-ended December 31, 2012 and has adopted the following guidelines regarding the engagement of the Company's independent auditor to perform services for the Company. Mr. Katz thereafter declined to stand for re-election. Mr. Lee was subsequently elected and appointed to fill Mr. Katz' vacancy on the Company's Board of Directors and the Committee.

Up until the expiration of Mr. Katz's term at the 2012 Annual Meeting, the Company's Audit Committee (the "Audit Committee") consisted of Messrs. Sikar, Bernardi and Katz. The Company's Board of Directors examined the qualifications of its Audit Committee members and has determined Mr. Lee to be an "audit committee financial expert," as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated by the SEC, and all of the Audit Committee members have an understanding of finance and accounting and are able to read and understand fundamental financial statements. Audit Committee members are appointed by the full Board.

The functions of the Audit Committee are to review the Company's internal controls, accounting policies and financial reporting practices; to review the financial statements, the arrangements for and scope of the independent audit, as well as the results of the audit engagement; to review the services and fees of the independent auditors, including pre-approval of non-audit services and the auditors' independence; and to recommend to the Board of Directors for its approval and for ratification by the shareholders the engagement of the independent auditors to serve the following year in examining the accounts of the Company.

The Board of Directors does not have a standing nominating committee, compensation committee or any committees performing similar functions. As there are only seven Directors serving on the Board, it is the view of the Board that at least a majority of the Directors should participate in the process for the nomination and review of potential Director candidates and for the review of the Company's executive pay practices. Accordingly, Julie Smolyansky and Ludmila Smolyansky, who are not considered independent, participate in the nominating process and the Company's executive compensation practices, in each case together with the independent Directors. It is the view of the Board that participation of at least a majority of Directors in the duties of the nominating and compensation committees ensures not only as comprehensive as possible a review of Director candidates and executive compensation, but also that the views of independent, employee and shareholder Directors are considered.

The Board does not have any formal policy regarding the consideration of director candidates recommended by shareholders; any recommendation would be considered on an individual basis. The Board believes this is appropriate due to the lack of such recommendations made in the past, and its ability to consider the establishment of such a policy in the event of an increase of such recommendations. Accordingly, there have been no material changes to the procedure by which any security holder may recommend nominees to the Board. The Board welcomes properly submitted recommendations from shareholders and would evaluate shareholder nominees in the same manner that it evaluates a candidate recommended by other means. The deadline for submitting nominees to the Board is January 10, 2014. Shareholders may submit candidate recommendations by mail to LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053. With respect to the evaluation of director nominee candidates, the Board has no formal requirements or minimum standards for the individuals that it nominates. Rather, the Board considers each candidate on his or her own merits. However, in evaluating candidates, there are a number of factors that the Board generally views as relevant and is likely to consider, including the candidate's professional experience, his or her understanding of the business issues affecting the Company, his or her experience in facing issues generally of the level of sophistication that the Company faces, and his or her integrity and reputation. With respect to the identification of nominee candidates, the Board has not developed a formalized process. Instead, its members and the Company's senior management have recommended candidates whom they are aware of personally or by reputation.

The Company does not currently have a formal process for shareholders to send communication to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a formal process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of shareholders of the Company and the infrequency of such communications in the past. While the Board will, from time to time, review the need for a formal policy, at the present time, shareholders who wish to contact the Board may do so by submitting any communication to the Company at LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053 with an instruction to forward the communication to a particular Director or the Board as a whole.

During 2012 through the date of this Proxy Statement, Ludmila Smolyansky, Julie Smolyansky and Edward Smolyansky collectively controlled more than 50% of the voting power of our Common Stock. See “Security Ownership of Certain Beneficial Owners and Management,” below. Consequently, we are a “controlled company” under applicable Nasdaq rules. Under these rules, a “controlled company” may elect not to comply with certain Nasdaq corporate governance requirements, including requirements that: (i) a majority of the Board of Directors consist of independent Directors; (ii) Director nominees be selected or recommended to the Board of Directors for selection by a majority of the independent Directors or by a nominating committee composed solely of independent Directors; and (iii) compensation of officers be determined or recommended to the Board of Directors by a majority of its independent Directors or by a compensation committee that is composed entirely of independent Directors. We have elected to use each of these exemptions although our Board of Directors currently consists of a majority of independent Directors.

Oversight of Risk Management.

The Company’s management is responsible for assessing and managing Lifeway’s exposure to various risks. Responsibility for risk oversight by the Board of Directors lies with the entire Board. Therefore, the responsibility for the administration of this risk oversight lies primarily with the Board’s leadership.

The Company’s principal risks exist in the potential for rising milk prices, the Company’s primary raw material, and from competitors producing dairy-based probiotic products. The Board addresses at least annually the principal current and future risk exposures of the Company. The Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputation risks.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Company. The Audit Committee consists of three Directors, Messrs. Sikar, Bernardi and Lee, each of whom is an independent director in accordance with the Securities and Exchange Act of 1934 (the "Exchange Act") and the Nasdaq listing standards. In accordance with the Exchange Act and the Nasdaq listing standards, Messrs. Sikar, Bernardi and Lee are the Company's only independent Directors. Mr. Sikar is the Chairperson of the Audit Committee. Each of the Audit Committee members has an understanding of finance and accounting and is able to read and understand fundamental financial statements. To the extent Company employees are aware of any financial irregularities, the Audit Committee has been designated to receive such information in a confidential manner.

The Audit Committee reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2012 with the Company's management and the independent auditors, Plante & Moran, PLLC ("Plante"). Additionally, the Audit Committee discussed with Plante matters as required by the Statement of Auditing Standards No. 61, which included Plante's judgments as to the quality not just the acceptability of the financial statements, changes in accounting policies and sensitive accounting estimates.

Plante provided the Audit Committee with written disclosures and a letter required by Independence Standards Board Standard No. 1 ("ISB Standard No. 1"). ISB Standard No. 1 requires Plante to (i) disclose in writing all relationships between Plante and related entities and the Company and its related entities, in Plante's professional judgment, that may reasonably be thought to bear on independence; (ii) confirm that, in Plante's professional opinion, they are independent of the Company within the meaning of the federal securities laws and (iii) discuss Plante's independence with the Audit Committee. The Audit Committee discussed with Plante its independent status.

The Audit Committee amended and restated its written charter governing its actions effective December 17, 2003. The Audit Committee reviews and reassesses the charter annually. The Company is required to attach the charter as an appendix to the Company's proxy statement every three years and filed the charter with its proxy statement for the 2011 annual meeting.

Based on the Audit Committee's review of the year-end audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

The Audit Committee:
Pol Sikar, Director
Renzo Bernardi, Director
Paul Lee, Director

THE FOREGOING AUDIT COMMITTEE REPORT SHALL NOT BE “SOLICITING MATERIAL” OR BE DEEMED “FILED” WITH THE SEC, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES IT BY REFERENCE INTO SUCH FILING.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

For audit services (including statutory audit engagements as required under local country laws), the independent auditor will provide the Committee with an engagement letter during the January-March quarter of each year outlining the scope of the audit services proposed to be performed during the fiscal year. If agreed to by the Committee, this engagement letter will be formally accepted by the Committee at its first or second quarter meeting.

The independent auditor will submit to the Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services, the Company’s management will submit to the Committee for approval (during the second or third quarter of each fiscal year) the list of non-audit services that it recommends the Committee engage the independent auditor to provide for the fiscal year. Company management and the independent auditor will each confirm to the Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year will be provided. The Committee will approve both the list of permissible non-audit services and the budget for such services. The Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Committee delegates to any member thereof the authority to amend or modify the list of approved permissible non-audit services and fees. Any member will report action taken to the Committee at the next Committee meeting.

The independent auditor must ensure that all audit and non-audit services provided to the Company have been approved by the Committee. The Chief Financial Officer will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Committee.

PROPOSAL 2: AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE

The Company's Articles of Incorporation, as amended, currently authorizes the issuance of a total of 20,000,000 shares of Common Stock and 2,500,000 shares of preferred stock, no par value (the "Preferred Stock"). As of April 25, 2013, there were 17,273,776 shares of Common Stock issued and outstanding, including 927,759 issued but not outstanding, which shares are held in treasury and are available for re-issuance by the Company and no shares of Preferred Stock issued and outstanding.

In addition to the 16,346,017 shares of Common Stock currently outstanding and without giving effect to any approval by the Company's shareholders of Proposal Two in this Proxy Statement, the Company has 940,000 shares of Common Stock reserved for issuance pursuant to the Company's Plan.

The aggregate number of outstanding and reserved shares of Common Stock is 17,286,017, leaving only 2,713,983 shares of Common Stock for future issuances. Such future issuances could include the sale of securities in order to raise capital, the payment of consideration in acquisitions, additional shares issued in connection with grants made to employees under new or expanded existing compensation plans or arrangements, and other uses not currently anticipated. Accordingly, the Company is proposing that it increase the number of authorized shares of the Company's stock by 20,000,000 shares and designate such additional shares as Common Stock.

If this Proposal 2 is approved by shareholders and the Articles of Incorporation is amended, there will be 42,500,000 shares of capital stock authorized, of which 40,000,000 will be designated as Common Stock and 2,500,000 will be designated as Preferred Stock.

The Company believes that such actions are in the best interests of the Company and its shareholders, as they would provide the Company with flexibility and alternatives in structuring future transactions, and that it would be detrimental to the Company and its shareholders if the Company were unable to issue shares of Common Stock at such times and upon terms as the Board deems necessary or appropriate.

Future issuances of Common Stock could affect shareholders. Any future issuance of Common Stock, other than on a pro-rata basis, would dilute the percentage ownership and voting interest of the then current shareholders.

There is a potential anti-takeover effect with respect to this amendment. The increased number of unissued and authorized shares of Common Stock could, under certain circumstances, have an anti-takeover effect by, for example, permitting issuances that would dilute the percentage ownership and voting interest of a person seeking to effect a change in the composition of the Board, contemplating a tender or exchange offer or contemplating the combination of the Company with another company. However, this amendment is not being proposed in response to any effort of which management is aware to accumulate Common Stock or obtain control of the Company. Other than this amendment and the other proposals described in this Proxy Statement, the Board does not currently contemplate recommending the adoption of any other amendments to the Articles of Incorporation that could be construed to affect the ability of third parties to take over or change the control of the Company.

The Company does not have any plans, proposals or arrangements to issue for any purpose, including future acquisitions and/or financings, any of the shares of Common Stock that would become newly available for issuance following the increase of the Company's authorized shares of Common Stock.

Neither Proposal 2 nor Proposal 3 below is conditioned upon the approval by shareholders of the other. If one of Proposal 2 and Proposal 3 is approved by shareholders and the other is rejected by shareholders, the one that is approved will take effect as described therein.

Attached as Appendix A is a copy of the amendment proposed under this Proposal 2.

- 15 -

REQUIRED VOTE

An affirmative vote of the holders of a two-thirds of the shares of Common Stock issued and outstanding is required for the approval of this Proposal 2. Abstentions and broker non-votes are considered shares of stock present in person or represented by proxy at the Meeting and entitled to vote and are counted in determining the number of votes necessary for a majority. An abstention will therefore have the practical effect of voting against Proposal 2 because it represents one less vote for approval.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE PROPOSAL TO AMEND THE COMPANY’S ARTICLES OF INCORPORATION TO INCREASE THE AMOUNT OF COMMON STOCK AUTHORIZED FOR ISSUANCE.

PROPOSAL 3: AMENDMENT AND RESTATEMENT OF THE ARTICLES OF INCORPORATION

The Board adopted a resolution to submit to a vote of shareholders a special resolution to amend and restate the Company’s Articles of Incorporation, as amended. If shareholders approve this proposal, the changes to the Company’s Articles of Incorporation, as amended, will become effective promptly after the Meeting upon the filing by the Company of the Amended and Restated Articles of Incorporation, in the form attached hereto as Appendix B, with the Secretary of State of the State of Illinois (the “Amended and Restated Articles”).

The Company reviews its corporate governance and organizational documents on an annual basis. In connection with such annual review, the Company determined that its Articles of Incorporation, as amended, should be revised and updated to include and revise certain provisions that were previously addressed in the Company's Amended and Restated Bylaws as set forth below. The revisions to the Company's Articles of Incorporation include adding provisions that:

- (i) if Proposal 2 above is approved, increase the authorized common stock as further described in Proposal 2 above;
- (ii) set the size of the Board at the number of Directors in office at the time of the filing of the Amended and Restated Articles with the Secretary of State of the State of Illinois, which number may be fixed from time to time by resolution of the Board thereafter in accordance with the Company’s Bylaws;
- (iii) allow vacancies on the Board to be filled by a majority of the Directors then in office;
- (iv) set forth the factors the Board may consider in making decisions, including, the long-term and short-term interests of the employees, suppliers, creditors and customers of the Company and its subsidiaries; the long-term and short-term interests of the communities in which the Company and its subsidiaries conduct any business or other activities; and the long-term and short-term interests of the Company, its subsidiaries and the shareholders, including the possibility that such interests may best be served by the continued independence of the Company;

(v) to move from the Bylaws provisions setting forth limits on the liability of Directors and officers to the extent allowed by Illinois law;

(vi) to move from the Bylaws provisions setting forth the circumstances under which and the method by which the Company may indemnify officers and Directors of the Company to the extent permitted by Illinois law; and

(vii) to move from the Bylaws provisions allowing, to the extent permitted by Illinois law, the Company to purchase and maintain on behalf of any person who is or was such an officer, director, partner, member, manager, employee, agent or trustee against any liability asserted against such person as such an officer, director, partner, member, manager, employee, agent or trustee or arising out of such person's status as such an officer, director, partner, member, manager, employee, agent or trustee and setting forth the circumstances under which such insurance may be reduced or eliminated;

The Company believes that these changes clarify the Company's position as to matters relating to its Board, modernize the Company's organizational documents and will assist the Company in attracting and retaining officers and Directors who will contribute to the Company's ability to provide shareholders with increased value.

These Amended and Restated Articles would not change any of the rights, restrictions, terms or provisions relating to the Common Stock or the Preferred Stock. Under Illinois law, shareholders are not entitled to appraisal rights with respect to this amendment. The Company will not independently provide shareholders with any such right. Additionally, holders of Common Stock do not have any preemptive rights with respect to the issuance of Common Stock.

If this Proposal 3 is approved and the Amended and Restated Articles are adopted, the Company's Bylaws will be amended and restated (the "Second Amended and Restated Bylaws") to:

(i) remove the provisions relating to liability and insurance of officers and Directors that are being included in the Amended and Restated Articles;

(ii) add an advance notice provision setting out requirements for shareholder proposals to be accepted and voted upon at an annual or special meeting of shareholders;

(iii) allow for electronic delivery of notice of shareholders' meetings, and clarify the Company's rules for notice of adjourned meetings and that a waiver of notice a meeting will be treated as notice of such meeting;

(iv) adding a provision to allow Directors to participate in meetings by telephone;

(v) removing a provision relating to the Company's audit committee; and

(vi) expanding and clarifying the descriptions of officer positions the Company may fill and the responsibilities of such officers.

Neither Proposal 2 nor Proposal 3 is conditioned upon the approval by shareholders of the other. If one of Proposal 2 and Proposal 3 is approved by shareholders and the other is rejected by shareholders, the one that is approved will take effect as described therein.

Attached as Appendix B is a copy of the Amended and Restated Articles of Incorporation proposed under this Proposal 3, which assumes the approval of Proposal 2 above. If this Proposal 3 is approved by shareholders but Proposal 2 is not approved by shareholders, the number of shares of authorized common stock reflected in Article Two of Appendix B would be 20,000,000 rather than 40,000,000.

In order that the shareholders can make an informed decision about how to vote on this Proposal 3, we have included a copy of the proposed Second Amended and Restated Bylaws as Appendix C hereto. The shareholders are not being asked to vote on the amendment and restatement of the Bylaws, as such action can be taken by the Board in accordance with Section 12.1 of the Bylaws.

REQUIRED VOTE

An affirmative vote of the holders of a two-thirds of the shares of Common Stock issued and outstanding is required for the approval of this Proposal 3. Abstentions and broker non-votes are considered shares of stock present in person or represented by proxy at the Meeting and entitled to vote and are counted in determining the number of votes necessary for a majority. An abstention will therefore have the practical effect of voting against Proposal 3 because it represents one less vote for approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDED AND RESTATED ARTICLES, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 4: RATIFICATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has designated Plante & Moran, PLLC (“Plante”) as independent auditors of the Company for the next fiscal year. The Audit Committee and the Company have been advised by Plante that neither it nor any member or associate of such firm has any relationship with the Company or with any of its affiliates other than as independent accountants and auditors.

REQUIRED VOTE

An affirmative vote of the holders of a majority of the shares of Common Stock issued and outstanding is required for ratification of the appointment of Plante. Abstentions and broker non-votes are considered shares of stock present in person or represented by proxy at the Meeting and entitled to vote and are counted in determining the number of votes necessary for a majority. An abstention will therefore have the practical effect of voting against ratification of the appointment because it represents one fewer vote for ratification of the appointment. In the event that ratification of the appointment of Plante as the independent public accountants for the Company is not obtained at the Meeting, the Board of Directors will reconsider its appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE RATIFICATION OF THE APPOINTMENT OF PLANTE & MORAN, PLLC AS THE INDEPENDENT AUDITORS FOR THE CURRENT FISCAL YEAR (ENDING DECEMBER 31, 2013), AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

During the two most recent fiscal years, there have been no disagreements with Plante on matters of accounting principles or practices, financial statement disclosure, auditing scope or procedure, or any reportable event.

Representatives of Plante are not expected to be present at the Meeting.

AUDIT FEES

In 2012 and 2011, Plante billed Lifeway approximately \$324,081 and \$247,711, respectively, for professional services rendered for the audit of Lifeway's annual financial statements and review of financial statements included in Lifeway's Forms 10-Q or services that are normally provided in connection with statutory and regulatory filings or engagements in 2011 and 2012.

AUDIT-RELATED FEES

None.

TAX FEES

No professional services were rendered by Plante to Lifeway regarding tax advice, tax compliance and tax planning during 2011 and 2012.

ALL OTHER FEES

No other fees were billed to Lifeway by Plante during 2011 and 2012 other than those described in this report.

No hours expended by Plante in its engagement to audit Lifeway's financial statements for the most recent fiscal year were attributable to work performed by persons other than Plante's full-time permanent employees. The Audit Committee has approved 100% of all services performed by Plante for Lifeway and disclosed above.

PROPOSAL 5: ADVISORY RESOLUTION APPROVING EXECUTIVE COMPENSATION

GENERAL INFORMATION

Shareholders have an opportunity to cast an advisory vote on compensation of our named executive officers, as disclosed in this Proxy Statement. This proposal, commonly known as "Say on Pay," gives shareholders the opportunity to approve, reject or abstain from voting on the proposed resolution regarding our fiscal year 2012 executive compensation program.

Our compensation philosophy policies are comprehensively described in the Compensation of Executive Officers section, and the accompanying tables (including all footnotes) and narrative, beginning on page 13 of this Proxy Statement. Our Board of Directors designs our compensation policies for our named executive officers to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. Based on its review of the total compensation of our named executive officers for fiscal year 2012, the Board believes that the total compensation for each of the named executive officers is reasonable and effectively achieves the designed objectives of driving superior business and financial performance, attracting, retaining and motivating our people, aligning our executives with shareholders' long-term interests, focusing on the long-term and creating balanced program elements that discourage excessive risk taking.

Our Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions as it deems appropriate. The approval of the non-binding resolution approving the compensation of our named executive officers requires that the votes cast in favor of the proposal exceed the number of votes cast in opposition to the proposal. However, neither the approval nor the disapproval of this resolution will be binding on the Board of Directors or us nor construed as overruling a decision by the Board of Directors or us. Neither the approval nor the disapproval of this resolution will create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for the Board of Directors or us.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPANY'S COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS:

"RESOLVED, that the Company's shareholders APPROVE, on a non-binding advisory basis, the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement pursuant to the SEC's compensation disclosure rules, including the compensation tables and narrative discussion."

PROPOSAL NO. 6: NON-BINDING PROPOSAL REGARDING THE FREQUENCY (ONE, TWO OR THREE YEARS) WITH WHICH THE NON-BINDING SHAREHOLDER VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS SHOULD BE CONDUCTED

SEC rules adopted pursuant to the Dodd-Frank Act require that, not less frequently than once every three years, we will include in the proxy materials for a meeting of shareholders where executive compensation disclosure is required by the SEC rules, an advisory resolution subject to a non-binding shareholder vote to approve the compensation of our named executive officers. The approval of this resolution is included as Proposal 6 in this Proxy Statement. The Dodd-Frank Act also requires that, not less frequently than once every six years, we enable our shareholders to vote to approve, on an advisory (non-binding) basis, the frequency (one, two or three years) with which the non-binding shareholder vote to approve the compensation of our named executive officers should be conducted. In accordance with such rules, we are requesting your vote to advise us of whether you believe this non-binding shareholder vote to approve the compensation of our named executive officers should occur every one, two or three years, or abstain.

We believe that a non-binding shareholder vote on executive compensation should occur every three years. Our executive compensation program is designed to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. As described above, one of the core principles of our executive compensation program is to ensure management's interests are aligned with shareholders' long-term interests, focusing on the long-term and creating

balanced program elements that discourage excessive risk taking. Thus, we grant awards with multi-year performance and service periods to encourage our named executive officers to focus on long-term performance. Accordingly, we recommend a triennial vote which would allow our executive compensation programs to be evaluated over a similar time-frame and in relation to our long-term performance.

- 20 -

A triennial vote will provide us with the time to thoughtfully respond to shareholders' sentiments and implement any necessary changes. We carefully review changes to the program to maintain the consistency and credibility of the program which is important in motivating and retaining our employees. We therefore believe that a triennial vote is an appropriate frequency to provide our people and our Board of Directors sufficient time to thoughtfully consider shareholders' input and to implement any appropriate changes to our executive compensation program, in light of the timing that would be appropriate to implement any decisions related to such changes.

We will continue to engage with our shareholders regarding our executive compensation program during the period between shareholder votes. Engagement with our shareholders is a key component of our corporate governance. We seek and are open to input from our shareholders regarding board and governance matters, as well as our executive compensation program, and believe we have been appropriately responsive to our shareholders. We believe this outreach to shareholders, and our shareholders' ability to contact us at any time to express specific views on executive compensation, hold us accountable to shareholders and reduce the need for and value of more frequent advisory votes on executive compensation.

For the reasons stated above, the Board of Directors is recommending a vote FOR a three-year frequency for the non-binding shareholder vote to approve the compensation of our named executive officers. Note that shareholders are not voting to approve or disapprove the recommendation of the Board of Directors with respect to this proposal. Instead, each proxy card provides for four choices with respect to this proposal: a one, two or three year frequency, or shareholders may abstain from voting on the proposal and you are being asked only to express your preference for a one, two or three year frequency or to abstain from voting.

Your vote on this proposal will be non-binding on us and the Board of Directors and will not be construed as overruling a decision by us or the Board of Directors. Your vote will not create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for us or the Board of Directors. However, the Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making such future compensation decisions as it deems appropriate.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR A THREE-YEAR FREQUENCY FOR THE NON-BINDING SHAREHOLDER VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

OTHER MATTERS

The Board of Directors knows of no other business to come before the meeting. If, however, other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy to vote the shares represented thereby in accordance with their best judgment.

SHAREHOLDER PROPOSALS

Any proposal that a shareholder may desire to present to the Company's 2014 Annual Meeting of Shareholders must be received in writing by Edward Smolyansky, the Secretary of the Company, on or before January 10, 2014, in order to be considered for possible inclusion in the Company's proxy materials relating to such meeting.

Attachment to Article 5 of
the Amended and Restated Articles of Incorporation
of Lifeway Foods, Inc.

1. Cumulative Voting. Cumulative voting in the election of directors shall not be permitted by the Corporation.
2. Preemptive Rights. A shareholder of the Corporation shall not be entitled to a preemptive right to purchase, subscribe for, or otherwise acquire any unissued shares of stock of the Corporation, or any options or warrants to purchase, subscribe for or otherwise acquire any such unissued shares or any shares, bonds, notes, debentures, or other securities convertible into or carrying options or warrants to purchase, subscribe for or otherwise acquire any such unissued shares. Notwithstanding anything contained herein to the contrary, the Corporation shall have the power to grant preemptive rights to any of its shareholders by contract.
3. Board; Size. The business and affairs of the Corporation shall be managed by or under the direction of the board of directors. The number of directors shall, at the time of filing of these Amended and Restated Articles of Incorporation with the Secretary of State of the State of Illinois (the "Effective Time"), be the number of directors then in office and shall thereafter, subject to any limitations which may be set forth in the Corporation's bylaws (the "Bylaws") and subject to the right, if any, of holders of shares of Preferred Stock outstanding to elect additional directors expressly set forth in the resolution or resolutions providing for the issuance of such shares or as required pursuant to any written contracts between the Corporation and any shareholders, be such number or such greater or lesser number as may be fixed from time to time and at any time by a resolution or resolutions adopted by the affirmative vote of a majority of the board of directors.
4. Director Vacancies. Except for the right, if any, of holders of shares of Preferred Stock then outstanding to fill such vacancies expressly set forth in the resolution or resolutions providing for the issuance of such shares, as required pursuant to any written contracts between the Corporation and any shareholders, and except as otherwise required by the Business Corporation Act of 1983 (the "BCA"), any vacancies on the board of directors resulting from an increase in the authorized number of directors, from death, resignation, retirement, disqualification or removal of a director or from any other event can be filled by a majority vote of the directors then in office (even though they constitute less than a quorum), unless no directors are then in office in which (but only in which) event such vacancies can be filled by the shareholders. A director elected to fill such a vacancy shall hold office for a term expiring at the next annual meeting of shareholders. No decrease in the authorized number of directors shall shorten the term of any incumbent director.

5. Director Actions. In connection with managing the business and affairs of the Corporation, including, but not limited to, determining whether and to what extent any action may be in the best interests of the Corporation or the shareholders, approving or disapproving any action or determining whether to make any recommendation and what recommendation to make to shareholders with respect to any matter, each director and the board of directors (and any committee of the board of directors) may consider: (i) the long-term and short-term interests of the employees, suppliers, creditors and customers of the Corporation and its subsidiaries; (ii) the long-term and short-term interests of the communities in which the Corporation and its subsidiaries conduct any business or other activities; and (iii) the long-term and short-term interests of the Corporation, its subsidiaries and the shareholders, including the possibility that such interests may best be served by the continued independence of the Corporation.

6. Limitations on Directors' Liability. No director or officer of the Corporation shall be personally liable to the Corporation or its shareholders for damages for breach of fiduciary duty as a director or officer, except: (a) for acts or omissions that involve intentional misconduct, fraud or a knowing violation of law; or (b) the payment of distributions in violation of Section 8.70 of the BCA. If the BCA is amended after the date of filing of these Amended and Restated Articles of Incorporation to further eliminate or limit the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the BCA, as so amended. Any repeal or modification of this Section 6 shall not adversely affect any right or protection of a director or officer of the Corporation existing at the time of such repeal or modification.

7. Indemnification and Insurance.

(a) Each person who is or was made a party or is threatened to be made a party to, or is or was involved (including, without limitation, involvement as a witness) in, any action, suit or proceeding, whether civil (including, without limitation, arbitral), criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, partner, member, manager, employee, agent or trustee of another corporation or of a partnership, joint venture, limited liability company, trust or other entity or enterprise (including, without limitation, a direct or indirect subsidiary of the Corporation and an employee benefit plan of the Corporation or any of its subsidiaries), whether the basis of such proceeding is alleged action or inaction in an official capacity as an officer or director or in any other capacity while so serving, shall be indemnified by the Corporation for and held harmless by the Corporation from and against, to the fullest extent authorized by the BCA, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader or greater rights to indemnification than the BCA prior to such amendment permitted the Corporation to provide), all expenses, liabilities and losses actually and reasonably incurred or suffered by such person in connection therewith; provided, however, that except as provided herein with respect to proceedings seeking to enforce rights to indemnification, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Corporation's board of directors.

(b) Such right to indemnification shall include the right of such a director, officer, partner, member, manager, employee, agent or trustee to be paid the expenses incurred in preparing for, participating (including, without limitation, participation as a witness) in, defending and settling or otherwise resolving a proceeding (collectively called the “defense of a proceeding”) in advance of its final disposition to the fullest extent authorized by the BCA, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader or greater rights to indemnification than the BCA prior to such amendment permitted the Corporation to provide); provided, however, that, if the BCA requires, the payment of such expenses incurred by a director or officer of the Corporation in his or her capacity as a director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such person while a director or officer of the Corporation, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined by a court of competent jurisdiction that such director or officer is not entitled to be indemnified by the Corporation. Such an undertaking shall not and shall not be deemed to require repayment if such director or officer is entitled to be indemnified by the Corporation for any reason or on any basis. No collateral shall be required to secure performance by such person of his or her obligations under such an undertaking. An undertaking delivered to the Corporation shall be sufficient regardless of the prospective ability of the person delivering such undertaking to perform his or her obligations thereunder.

(c) Such right to indemnification may be granted by the Corporation, if at all, to any other employee or agent of the Corporation or its subsidiaries only as authorized in the specific case upon a determination that indemnification of the employee or agent is proper under the circumstances. Such determination shall be made with respect to a person who is an employee or agent of the Corporation or its subsidiaries at the time of such determination (a) by the Corporation’s board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding, (b) if a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so determines, by independent legal counsel in a written opinion, (c) if a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion, or (d) by the shareholders of the Corporation. To obtain indemnification under this Section 7 of this Article 5, such person shall submit to the Corporation a written request, including therewith such documents as are reasonably available to such person and are reasonably necessary to determine whether and to what extent such person is entitled to indemnification.

(d) To the extent that a present or former director, officer employee or agent of the Corporation has been successful, on the merits or otherwise (including, without limitation, the dismissal of an action without prejudice), in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, such person shall be indemnified against all expenses actually and reasonably incurred by such person or on such person’s behalf in connection therewith.

(e) If a claim under this Section 7 of this Article 5 is not paid in full by the Corporation within thirty (30) days after a written demand therefor has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall also be entitled to be paid all expenses of prosecuting such suit. It shall be a defense to any such suit (other than a suit brought to enforce a claim for expenses incurred in the defense of a proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the BCA for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including the Corporation's board of directors, independent legal counsel to the Corporation or the shareholders) to have made a determination prior to the commencement of such suit that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the BCA nor an actual determination by the Corporation (including the Corporation's board of directors, independent legal counsel to the Corporation or the shareholders) that the claimant has not met such applicable standard of conduct shall be a defense to such suit or create a presumption in such suit that the claimant has not met the applicable standard of conduct.

(f) Pursuant to Section 8.75(a) of the BCA, the termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, or that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that the conduct was unlawful.

(g) Pursuant to Section 8.75(b) of the BCA, indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Corporation or for amounts paid in settlement to the Corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

(h) The indemnification of any person under this Section 7 of this Article 5, or the right of any person to indemnification under this Section 7 of this Article 5, shall not limit or restrict in any way the power of the Corporation to indemnify or pay expenses for such person in any other manner permitted by law or be deemed exclusive of, or invalidate, any other right which such person may have or acquire under any law, agreement, vote of shareholders or disinterested directors, or otherwise.

(i) The right of any person to indemnification under this Section 7 of Article 5 shall (A) survive and continue as to a person who has ceased to be such an officer, director, partner, member, manager, employee, agent or trustee, (B) inure to the benefit of the heirs, distributees, beneficiaries, executors, administrators and other legal representatives of such person, (C) not be impaired, eliminated or otherwise adversely affected after such cessation due to any action or inaction by the Corporation, the board of directors or the shareholders (including, without

limitation, amendment of these Amended and Restated Articles of Incorporation (including, without limitation, a modification or repeal of this Section 7 of this Article 5) or the Bylaws or a merger, consolidation, recapitalization, reorganization or sale of assets of the Corporation or any of its subsidiaries), with respect to any claim, proceeding or suit which arose or transaction, matter, event or condition which occurred or existed before such cessation, (D) be a contract right, enforceable as such, and (E) be binding upon all successors of the Corporation.

For purposes of this Section 7 of Article 5, a “successor” of the Corporation includes (A) any person who acquires a majority of the assets or businesses of the Corporation and its subsidiaries (on a consolidated basis) in a single transaction or a series of related transactions, (B) any person with whom the Corporation merges or consolidates (unless the Corporation is the survivor of such merger or consolidation) and (C) any person who is the ultimate parent of any person with whom the Corporation merges or consolidates where the Corporation is the survivor of such merger or consolidation (unless the person with whom the Corporation merges or consolidates was, prior to such merger or consolidation, more creditworthy and had a larger market capitalization than the Corporation prior to such merger or consolidation). For purposes of the preceding sentence, “merger,” “consolidation” and like terms shall include binding share exchanges and similar transactions.

The Corporation’s board of directors shall, as a condition precedent to any transaction described in the preceding paragraph, require the successor to irrevocably and unconditionally assume the obligations contemplated by this Section 7 of this Article 5.

(j) The Corporation may purchase and maintain insurance on behalf of any person who is or was such an officer, director, partner, member, manager, employee, agent or trustee against any liability asserted against such person as such an officer, director, partner, member, manager, employee, agent or trustee or arising out of such person’s status as such an officer, director, partner, member, manager, employee, agent or trustee, whether or not the Corporation would have the power to indemnify such person against such liability and expenses under the provisions of this Section 7 of this Article 5 or applicable law.

The Corporation shall not, without prior approval of the Corporation’s board of directors (and, as to each director and executive officer of the Corporation who ceased to be a director or executive officer within three (3) years prior to the effective date thereof, the prior approval of each such director and executive officer), reduce or eliminate in any material respect, or fail to renew, any such insurance then in effect. A reduction in insurance includes, without limitation, an increase in deductibles or co-payments, a reduction in the aggregate amount of insurance or an addition of exclusions from coverage or other reduction in scope of coverage.

(k) Definitions of Certain Terms.

(i) For purposes of this Section 7 of this Article 5: references to “fines” shall include any excise taxes assessed on a person with respect to an employee benefit plan; any service as a director, officer, fiduciary, employee or agent of the Corporation or any of its subsidiaries which imposes duties on, or involves services by, such director, officer, fiduciary, employee or agent with respect to an employee benefit plan, its trusts, its participants or its beneficiaries (including, without limitation, service as a member of any

committee that manages, administers or performs similar functions with respect to any employee benefit plan, trust, participant or beneficiary) shall be deemed to be service covered by Section 7(a) of this Article 5; references to “indemnification” and like terms shall include holding harmless and payment of expenses as provided herein; and references to “proceedings” shall include all related appeals of any kind.

(ii) For the purposes of this Section 7 of this Article 5 and the BCA, a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan, its trusts, its participants or its beneficiaries shall be deemed to have acted in a manner “not opposed to the best interest of the Corporation.” For the purposes of this Section 7 of this Article 5: references to “expenses” shall include all attorneys’ fees, retainers, court costs, transcript costs, expert fees, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and other disbursements or expenses of the types customarily incurred in connection with the defense of a proceeding or prosecution of a suit, all costs relating to any appeal bond and all federal, state, local or foreign taxes, charges, duties and similar imposts and assessments incurred or assessed as a result of the actual or deemed receipt of any expenses under this Section 7 of this Article 5; and references to “liabilities and losses” shall include judgments, fines, amounts paid or to be paid in settlement, and assessments, and all federal, state, local or foreign taxes, charges, duties and similar imposts and assessments incurred or assessed as a result of the actual or deemed receipt of any liabilities or losses under this Section 7 of this Article 5.

WHEREAS, the Corporation has heretofore been formed as a corporation under the Illinois Business Corporation Act of 1983 (805 ILCS §§5/1.01, et seq.) (the “Business Corporation Act”), as amended, pursuant to the Articles of Incorporation filed in the office of the Illinois Secretary of State on May 19, 1986, and thereafter amended and restated (the “Articles of Incorporation”);

WHEREAS, the Board desires to amend and restate the Bylaws of the Corporation in their entirety; and

WHEREAS, the Board has the authority to amend the Bylaws pursuant to Section 12.1 hereof.

NOW, THEREFORE, the Board, hereby amends and restates the Bylaws in their entirety as follows:

ARTICLE I

OFFICES

SECTION 1.1. The Corporation shall continuously maintain in the State of Illinois a registered office and a registered agent whose business office is identical with such registered office, and may have other offices within or without the state.

ARTICLE II

SHAREHOLDERS

SECTION 2.1. ANNUAL MEETING. An annual meeting of the shareholders shall be held on the first Monday in June of each year or at such time as the Board may designate for the purpose of electing directors and for the transaction of such other business as may come before the meeting, in each case at such location or by remote communications as may be determined by the Board. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. Any annual meeting of shareholders may from time to time be adjourned, postponed or canceled in accordance with Section 2.4(c) of this Article II.

SECTION 2.2. SPECIAL MEETINGS. Special meetings of the shareholders may be called either by the president, by the Board or by the holders of not less than one-fifth of all the outstanding shares of the Corporation entitled to vote, for the purpose or purposes stated in the call of the meeting. Any special meeting of shareholders may from time to time be adjourned, postponed or canceled in accordance with Section 2.4(c) of this Article II.

SECTION 2.3. PLACE OF MEETING. The Board may designate any place, as the place of meeting for any annual meeting or for any special meeting called by the Board. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be at Lifeway Foods, Inc., 6431 West Oakton St., Morton Grove, Illinois 60053.

SECTION 2.4. NOTICE OF MEETINGS.

(a) Written notice stating the place, date, and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than sixty (60) days before the date of the meeting, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets not less than twenty (20) nor more than sixty (60) days before date of the meeting, either personally or by mail, by or at the direction of the president, or the secretary, or the officer or persons calling the meeting, to each shareholder of record entitled to vote at such meeting. Except as otherwise provided in the next two (2) paragraphs of this Section 2.4(a), such notice shall be given either by personal delivery or mail. If mailed, such notice shall be deemed to have been duly given to a shareholder when it is deposited in the United States mail, postage prepaid, directed to the shareholder at his or her address as it appears on the stock records of the Corporation or, if he or she shall have filed with the Secretary a written request that notices to him or her be mailed to some other address, then directed to him or her at such other address.

Any notice required or permitted to be given by the Corporation under the Business Corporation Act, the Articles of Incorporation or these Bylaws to any shareholder shall be deemed to have been duly given to such shareholder if (i) such notice is given by electronic transmission and (ii) such shareholder shall have consented to the giving of such notice or notices generally to such shareholder by electronic transmission. Such shareholder may revoke such consent at any time by giving written notice to that effect to the secretary. Such shareholder shall be deemed to have revoked such consent if (i) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation to such shareholder in accordance with such consent and (ii) such inability becomes known to the secretary or an assistant secretary of the Corporation, the transfer agent for the class of capital stock of the Corporation held by such shareholder or some other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not affect the validity of any meeting of shareholders or any action taken thereat. Notice given to such shareholder by electronic transmission in accordance with these Bylaws shall be deemed to have been duly given to such shareholder: (i) if by facsimile telecommunication, when directed to a number at which such shareholder has consented to receive notice; (ii) if by electronic mail, when directed to an electronic mail address at which such shareholder has consented to receive notice; (iii) if by posting on an electronic network together with separate notice to such shareholder of such specific posting, upon the later of such posting or the giving of such separate notice; and (iv) if by another form of electronic transmission, when directed to such shareholder.

For purposes of these Bylaws, “electronic transmission” means any form of communication, not directly involving the physical transmission of paper that creates a record that may be retained, retrieved and reviewed by a recipient thereof and that may be directly reproduced in paper form by such a recipient through an automated process.

(b) A written waiver of notice of a meeting of shareholders signed by a shareholder entitled to notice of such meeting, before or after such meeting, shall be deemed to be equivalent to the giving of proper notice to such shareholder of such meeting. Attendance of a shareholder at a meeting of shareholders shall constitute a waiver of notice of such meeting, except when such shareholder attends such meeting for the express purpose of objecting, at the commencement of such meeting, to the transaction of any business at such meeting because such meeting was not lawfully called or convened. Neither the business to be transacted at nor the purpose of any meeting of shareholders is required to be specified in any written waiver of notice of such meeting.

(c) Any meeting of shareholders may be adjourned, postponed or canceled at any time and from time to time, regardless of whether a quorum is present, by the Board or the Chairperson of the meeting for any reason (including, without limitation, when a quorum is not present at the commencement of such meeting or where necessary, appropriate or expedient for the proper and orderly conduct of such meeting or to tabulate any vote, the tabulation of which is necessary for the continued conduct of such meeting). When a meeting of shareholders is adjourned to another date, hour or place (or, if adjourned by the Board, remote communications), it shall not be necessary to give any notice of the adjourned meeting if the date, hour and place (or, if adjourned by the Board, remote communications) to which such meeting is adjourned are announced at such meeting. Any business may be transacted at such adjourned meeting which might have been transacted at such meeting. If the adjournment is for more than thirty (30) days or if, after such adjournment, the Board fixes a new record date for such adjourned meeting, a notice of such adjourned meeting shall be given to each person entitled to notice of such adjourned meeting.

SECTION 2.5. FIXING OF RECORD DATE. For the purpose of determining the shareholders entitled to notice of or to vote at any meeting of shareholders, or shareholders entitled to receive payment of any dividend, or in order to make a determination of shareholders for any other proper purpose, the Board of the Corporation may fix in advance a date as the record date to any such determination of shareholders, such date in any case to be not more than sixty (60) days and for a meeting of shareholders, less than ten (10) days, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets, less than twenty (20) days before the date of such meeting. If no record date is fixed for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders, or shareholders entitled to receive payment of a dividend, the date on which notice of the meeting is mailed or the date on which the resolution of the Board declaring such dividend is adopted, as the case may be, shall be the record date for such determination of shareholders. A determination of shareholders shall apply to any adjournment of the meeting.

SECTION 2.6. VOTING LISTS. The officer or agent having charge of the transfer book for shares of the Corporation shall make, within twenty (20) days after the record date for a meeting of shareholders or ten (10) days before such meeting, whichever is earlier, a complete list of the shareholders entitled to vote at such meeting, arranged in alphabetical order, with the address of and the number of shares held by each, which list, for a period of ten (10) days prior to such meeting, shall be kept on file at the registered office of the Corporation and shall be subject to inspection by any shareholder, and to copying at the shareholder's expense, at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder during the whole time of the meeting. The original share ledger or transfer book, or a duplicate thereof kept in this State, shall be prima facie evidence as to who are the shareholders entitled to examine such list or share ledger or transfer book or to vote at any meeting of shareholders.

SECTION 2.7. QUORUM. The holders of a majority of the outstanding shares of the Corporation entitled to vote on a matter, represented in person or by proxy, shall constitute a quorum for consideration of such matter at any meeting of shareholders, but in no event shall a quorum consist of less than one-third of the outstanding shares entitled so to vote; provided that if less than a majority of the outstanding shares are represented at said meeting, a majority of the shares so represented may adjourn the meeting at any time without further notice. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting shall be the act of the shareholders, unless the vote of a greater number or voting by classes is required by the Business Corporation Act, the Articles of Incorporation or these Bylaws. At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting. Withdrawal of shareholders from any meeting shall not cause failure of a duly constituted quorum at that meeting.

SECTION 2.8. PROXIES. Each shareholder may appoint a proxy to vote or otherwise act for him or her by signing an appointment form and delivering it to the person so appointed, but no such proxy shall be valid after 11 months from the date of its execution, unless otherwise provided in the proxy.

SECTION 2.9. VOTING OF SHARES. Each outstanding share, regardless of class, shall be entitled to one vote in each matter submitted to vote at a meeting of shareholders, and in all elections for directors every shareholder shall have the right to vote the number of shares owned by such shareholder for as many persons as there are directors multiplied by the number of such shares. Each shareholder may vote either in person or by proxy as provided in Section 2.8 hereof.

SECTION 2.10. VOTING OF SHARES BY CERTAIN HOLDERS. Shares held by the Corporation in a fiduciary capacity may be voted and shall be counted in determining the total number of outstanding shares entitled to vote at any given time.

Shares registered in the name of another corporation, domestic or foreign, may be voted by any officer, agent, proxy or other legal representative authorized to vote such shares under the law of incorporation of such corporation.

Shares registered in the name of a deceased person, a minor ward or a person under legal disability, may be voted by his or her administrator, executor or court appointed guardian, either in person or by proxy without a transfer of such shares into the name of such administrator, executor or court appointed guardian. Shares registered in the name of a trustee may be voted by him or her, either in person or by proxy.

Shares registered in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his or her name if authority to do so is contained an appropriate order of the court by which such receiver was appointed.

A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

Any number of shareholders may create a voting trust for the purpose of conferring upon a trustee or trustees the right to vote or otherwise represent their shares, for a period not to exceed ten (10) years, by entering into a written voting trust agreement specifying the terms and conditions of the voting trust, and by transferring their shares to such trustee or trustees for the purpose of the agreement. Any such trust agreement shall not become effective until a counterpart of the agreement is deposited with the Corporation at its registered office. The counterpart of the voting trust agreement so deposited with the Corporation shall be subject to the same right of examination by a shareholder of the Corporation, in person or by agent or attorney, as are the books and records of the Corporation, and shall be subject to examination by any holder of a beneficial to rest in the voting trust, either in person or by agent or attorney, at any reasonable time for any proper purpose.

Shares of its own stock belonging to this Corporation shall not be voted, directly or indirectly, at any meeting and shall not be counted in determining the total number of outstanding shares at any given time, but shares of its own stock held by it in a fiduciary capacity may be voted and shall be counted in determining the total number of outstanding shares at any given time.

SECTION 2.11. CUMULATIVE VOTING. In all elections for directors there shall be no right of cumulative voting.

SECTION 2.12. INSPECTORS. At any meeting of shareholders, presiding officer may, or upon the request of any shareholder, shall appoint one or more persons as inspectors for such meeting.

Such inspectors shall ascertain and report the number of shares represented at the meeting, based upon their determination of the validity and effect of proxies; count all votes and report the results; and do such other acts as are proper to conduct the election and voting with impartiality and fairness to all the shareholders.

Each report of an inspector shall be in writing and signed by him or her or by a majority of them if there be more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors. The report of the inspector or inspectors on the number of shares represented at the meeting and the results of the voting shall be prima facie evidence thereof.

SECTION 2.13. INFORMAL ACTION BY SHAREHOLDERS. Any action required to be taken at a meeting of the shareholders, or any other action which may be taken at a meeting of the shareholders, taken without a meeting and without a vote, if a consent in writing, setting forth the action so taken shall be signed (a) if 5 days prior notice of the proposed action is given in writing to all of the shareholders entitled to vote with respect to the subject matter hereof, by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voting or (b) by all of the shareholders entitled to vote with respect to the subject matter thereof.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given in writing to those shareholders who have not consented in writing. In the event that the action which is consented to is such as would have required the filing of a certificate under any section of the Business Corporation Act if such action had been voted on by the shareholders at a meeting thereof, the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of shareholders, that written consent has been given in accordance with the provisions of Section 7.10 of the Business Corporation Act and that written notice has been given as provided in such Section 7.10.

SECTION 2.14. VOTING BY BALLOT. Voting on any question or in any election may be by voice unless the presiding officer shall order or any shareholder shall demand that voting be by ballot.

SECTION 2.15. BUSINESS TRANSACTED.

(a) No business shall be transacted at any meeting of shareholders unless it shall have been brought in accordance with this Section 2.15(a), and no business may be brought before a special meeting of shareholders unless it shall have been duly set forth in the notice of such special meeting.

Such notice shall be deemed to have not been timely given if, at any time after it is first given, the information set forth therein ceases to be accurate or complete in any material respect unless such proponent shall have given a subsequent notice to the Secretary in writing correcting such inaccurate or incomplete information within three (3) business days after any such information shall have become inaccurate or incomplete in any material respect (and, in any event, not less than five (5) business days prior to such meeting or any adjournment or postponement thereof).

The chairperson of such meeting shall determine whether any business to be brought before such meeting will be properly so brought in accordance with this Section 2.15(a) and, if he should determine that such business will not be properly so brought, he shall so declare at such meeting and such business shall not be transacted at such meeting. If such proponent does not appear in person or by proxy at such meeting to bring business before such meeting, such business proposed by such proponent need not be submitted at such meeting.

(b) No individual shall be eligible for election as a director at any meeting of shareholders unless he shall have been nominated in accordance with this Section 2.15(b) and a proposal to elect one or more directors at such meeting shall have been duly set forth in the notice of such meeting.

Nominations of individuals for election as directors may be made at a meeting of shareholders at which directors are to be elected only (i) by or at the direction of the Board, a nominating committee of the Board or any other person or persons who could call a special meeting of shareholders as permitted by the Articles of Incorporation or (ii) by a shareholder who is a shareholder of record at each of (x) the time at which notice is given to the Secretary that the shareholder proposes to make such nomination at such meeting, (y) the record date for such meeting and (z) the time of such meeting, who is entitled to vote for the election of directors at such meeting and who complies with the procedures set forth in this Section 2.15(b).

For nominations to be made at a meeting of shareholders by a shareholder, such shareholder must have given timely notice of his intention to do so to the Secretary in writing. Such notice must set forth:

- (i) the name and address, as they appear on the stock records of the Corporation, of such shareholder (and, if such shareholder is a Nominee of a beneficial owner for whom it is acting, such beneficial owner (such shareholder (other than a Nominee) and such beneficial owner being individually and collectively called the “proponent”), and a written representation as to whether such proponent is acting on his own or in whole or in part on behalf of any other person, whether as a nominee, agent, proxyholder, representative, advisor, fiduciary or otherwise;

In addition, the Corporation may require such individual to furnish such other information as the Corporation may deem necessary or appropriate to evaluate actual or potential compensation committee interlocks that could be required to be disclosed under the Exchange Act or interlocking directorate violations that could arise under the Clayton Act and determine the eligibility of such individual to meet the qualifications for a director set forth in the Articles of Incorporation, Bylaws, or other governing documents, if any, and serve as an independent director of the Board, the Compensation Committee, if any, and the Audit Committee.

Such notice shall be deemed to have not been timely given if, at any time after it is first given, the information set forth therein ceases to be accurate or complete in any material respect unless such proponent or individual, as the case may require, shall have given a subsequent notice to the Secretary in writing correcting such inaccurate or incomplete information within three (3) business days after any such information shall have become inaccurate or incomplete in any material respect (and, in any event, not less than five (5) business days prior to the meeting or any adjournment or postponement thereof).

The chairperson of such meeting shall determine whether any nomination to be made at such meeting will be properly so made in accordance with this Section 2.15(b) and, if he should determine that such nomination will not be properly so made, he shall so declare at such meeting and such nomination shall not be made at such meeting. If such proponent does not appear in person or by proxy at such meeting to make such nomination before such meeting and such individual does not appear at the meeting to answer any questions that shareholders or directors may submit, such nomination by such proponent need not be submitted at such meeting.

SECTION 3.2. NUMBER, TENURE AND QUALIFICATIONS. The number of directors of the Corporation shall not be less than three (3) and not more than seven (7). The number of directors within that range may be set by the Board by resolution from time to time. Each director shall hold office until the next annual meeting of shareholders; or until his or her successor shall have been elected and qualified. Directors need not be residents of Illinois or shareholders of the Corporation. The number of directors may be increased or decreased from time to time by the amendment of this section. No decrease shall have the effect of shortening the term of any incumbent director.

SECTION 3.3. REGULAR MEETINGS. A regular meeting of the Board shall be held without other notice than this Bylaw, immediately after the annual meeting of shareholders. The Board may provide, by resolution, the time and place for holding of additional regular meetings without other notice than such resolution.

SECTION 3.4. SPECIAL MEETINGS. Special meetings of the Board may be called by or at the request of the president, the chairperson or any two directors. The person or persons authorized to call special meetings of the Board may fix any as the place for holding any special meeting of the Board called by them.

SECTION 3.5. NOTICE. Notice of any special meeting shall be given at least 10 days previous thereto by written notice to each director at his or her business address. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice is given by facsimile transmission, such notice shall be deemed to be delivered upon the day the facsimile transmission is sent. If notice is given by electronic mail transmission, such notice shall be deemed to be delivered upon the day the electronic mail transmission is sent. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting

SECTION 3.6. QUORUM. A majority of the number of directors fixed by these by- laws shall constitute a quorum for transaction of business at any meeting of the Board, provided that if less than a majority of such number of directors are present at said meeting, a majority of the directors present may adjourn the meeting at any time without further notice.

SECTION 3.7. MANNER OF ACTING. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board, unless the act of a greater number is required by statute, these Bylaws, or the Articles of Incorporation.

SECTION 3.8. PARTICIPATION IN MEETING BY TELEPHONE. One or more directors may participate in a meeting of the Board or a committee thereof by means of conference telephone or similar communications equipment by means of which all persons participating in such meeting can hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

SECTION 3.9. VACANCIES. Any vacancy on the Board may be filled by election at the next annual or special meeting of shareholders. A majority of the Board may fill any vacancy prior to such annual or special meeting of shareholders.

SECTION 3.10. RESIGNATION AND REMOVAL OF DIRECTORS. A director may resign at any time upon written notice to the Board. A director may be removed with or without cause, by a majority of shareholders if the notice of the meeting names the director or directors to be removed at said meeting.

SECTION 3.12. COMPENSATION. The Board, by the affirmative vote of a majority of directors then in office, and irrespective of any personal interest of any of its members shall have authority to establish reasonable compensation of all directors for services to the Corporation as directors, officers or otherwise notwithstanding any director conflict of interest. By resolution of the Board, the directors may be paid their expenses, if any, of attendance at each meeting of the board. No such payment previously mentioned in this section shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor.

SECTION 3.13. PRESUMPTION OF ASSENT. A director of the Corporation who is present at a meeting of the Board at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his or her dissent shall be entered in the minutes of the meeting or unless he or she shall file his or her written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered or certified mail to the secretary of the Corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

SECTION 3.14. COMMITTEES. A majority of the Board may create one or more committees of two or more members to exercise appropriate authority of the Board. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Vacancies may be filled or new offices created and filled at any meeting of the Board. Each officer shall hold office until his or her successor shall have been duly elected and shall have qualified or until his or her death or until he or she shall resign or shall have been removed in the manner hereinafter provided. Election of an officer shall not of itself create contract rights.

A chief officer shall, subject to the control of the Board and the chief executive officer (or, if the position of chief executive officer is vacant, the president), have the authority and general supervision over such matters as may be assigned to him or her by the Board and the chief executive officer (or, if the position of chief executive officer is vacant, the president) and shall report to such other executive officers as may be specified by the chief executive officer (or, if the position of the chief executive officer is vacant, the president).
