Item 8.01. Other Events.

On July 1, 2010, the underwriters of the previously announced public offering of 4,200,000 shares of common stock of Bottomline Technologies (de), Inc. (the “Company”) exercised an over-allotment option to purchase 354,000 additional shares of the Company’s common stock from the Company at \$14.50 per share, less underwriting discounts and commissions. Including the over-allotment, the Company issued a total of 4,554,000 shares of common stock in the offering and received net proceeds from the offering, after underwriting discounts and commissions and offering expenses, of approximately \$62.4 million.

The offering was made pursuant to a registration statement previously filed and declared effective by the Securities and Exchange Commission on March 25, 2010.
