NOTICE OF STOCKHOLDER ACTION BY WRITTEN CONSENT
AND
INFORMATION STATEMENT

August 30, 2011

Dear Stockholders:

China XD Plastics Company Limited, a Nevada corporation (“we,” “us,” “our,” the “Company”) is furnishing this notice of written consent and the accompanying information statement (this “Information Statement”) to holders of our common stock, par value \$0.0001 per share (“Common Stock”) and our series B preferred stock, par value \$0.0001 per share (“Series B Preferred Stock”), pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Regulation 14C promulgated thereunder, to notify you of the action by written consent of holders of a majority of our issued and outstanding voting securities. No action is requested or required on your part.

On August 15, 2011, we entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with MSPEA Modified Plastics Holding Limited (“MSPEA”), which is a Cayman Islands company affiliated with Morgan Stanley, XD. Engineering Plastic Company Limited (“XDE”), and Mr. Jie Han (“Mr. Han”), for the issuance and sale of 16,000,000 shares of series D junior convertible preferred stock, par value \$0.0001 per share (the “Series D Preferred Stock”), to MSPEA for an aggregate purchase price of \$100.0 million, or \$6.25 per share. XDE and Mr. Han, which we refer to as the “Majority Stockholders”, collectively hold an aggregate of 32,510,131 shares of our Common Stock and 1,000,000 shares of our Series B Preferred Stock, representing approximately 81.0% of the combined voting power of all of our issued and outstanding voting securities.

Upon the closing of the transaction contemplated in the Securities Purchase Agreement (the “Issuance Transaction”), MSPEA will own approximately 23.8% of our issued and outstanding shares of Common Stock on a fully-diluted basis. Pursuant to the Securities Purchase Agreement, MSPEA is entitled to receive additional shares of Common Stock from XDE and/or Mr. Han if we do not achieve certain consolidated net income target for each of fiscal year 2011, 2012, or 2013, or elect to receive the same number of shares from us in which case we are obligated to redeem such number of shares of Common Stock from XDE and/or Mr. Han. In no event, however, shall the total number of shares of Common Stock held by MSPEA on a fully-diluted basis as a result of purchase of shares of the Series D Preferred Stock and such share transfers as described above exceed 33% of our total number of shares of Common Stock outstanding after the closing on a fully-diluted basis.

On August 15, 2011, we received a written consent from the Majority Stockholders (i) approving (x) the Issuance Transaction and all other transactions contemplated by the Securities Purchase Agreement and other related transaction documents, and (y) the Second Amendment to Articles of Incorporation of the Company (the “Charter Amendment”) and the execution and filing of the Certificate of Designation, Preferences and Rights of Series D Preferred Stock and the Charter Amendment with the Secretary of State of the State of Nevada; and (ii) ratifying the appointment of KPMG by the Audit Committee (the “Audit Committee”) of our board of directors (the “Board”) as our independent registered public accounting firm for the fiscal year ending December 31, 2011 to replace Moore Stephens, our existing auditor.

Our Common Stock is listed on the Nasdaq Global Markets and therefore we are subject to the Nasdaq Stock Market Listing Rules. Pursuant to Nasdaq Stock Market Listing Rule 5635(d)(1), stockholder approval is required prior to the issuance in a private placement of securities convertible into common stock at a price less than the greater of book or market value which together with sales by officers, directors or substantial shareholders of the issuer equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance (the "20% Rule"). Pursuant to our current Articles of Incorporation (the "Charter") and the Nevada Revised Statutes, as amended (the "NRS"), approval by the holders of a majority of the combined voting power of all of our issued and outstanding voting securities is required to amend the Charter. On August 15, 2011, the Audit Committee approved the dismissal of Moore Stephens Hong Kong as our independent registered public accounting firm, and the appointment of KPMG, effective August 15, 2011, as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (the "Auditor Appointment"). Also on August 15, 2011, the Board resolved to have our stockholders ratify the Auditor Appointment. Ratification by the holders of a majority of the combined voting power of all of our issued and outstanding voting securities is required to ratify the Auditor Appointment.

The consent by the Majority Stockholders that we received on August 15, 2011 constitutes the approval required under the 20% Rule and the only stockholder approval required for the transactions contemplated by the Securities Purchase Agreement and other transaction documents. The consent by the Majority Stockholders that we received on August 15, 2011 also constitutes the approval required for the Charter Amendment and the ratification required for the Auditor Appointment under the Charter, our Amended and Restated Bylaws and the NRS.

This Information Statement is first mailed on or about August 30, 2011, to stockholders of record as of August 15, 2011, the date of the written consent of the Majority Stockholders. This Information Statement is being provided to you for your information to comply with the requirements of the Exchange Act. You are urged to read the Information Statement in its entirety. However, your vote or consent is not required to approve, and you are not being asked to take any action in connection with, any matters described in this Information Statement, including with respect to the approval or ratification, as applicable, of any of the actions described above. No meeting of our stockholders will be held and no proxies will be requested for these matters since they have already been consented to by the Majority Stockholders, acting by written consent in lieu of a meeting, in their capacity as the holders of a majority of the combined voting power of all of our issued and outstanding voting securities.

Under the rules of the Securities and Exchange Commission, the Majority Stockholders' approval and ratification will become effective no earlier than September 19, 2011, or 20 days after we first mail this Information Statement. In addition, the Issuance Transaction and the filing of the Second Amendment to Articles of Incorporation with the Nevada Secretary of State will not occur or become effective until certain conditions set forth in the Securities Purchase Agreement have been satisfied or waived.

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER WHICH ARE DESCRIBED HEREIN. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

The control share acquisition and dissenter's rights provisions of Chapter 78 of the NRS are not applicable to the matters discussed in this Information Statement. Accordingly, there are no stockholder dissenters' or appraisal rights in connection with any of the matters discussed in this Information Statement.

INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A
PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

GENERAL

China XD Plastics Company Limited, a Nevada corporation (which we refer to in this Information Statement as “our Company”, “we”, “us” or “our”), is sending you this Information Statement for the purpose of informing you, as a holder of our common stock, par value \$0.0001 per share (“Common Stock”) or our series B preferred stock, par value \$0.0001 per share (“Series B Preferred Stock”), in the manner required under Regulation 14C promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), that our board of directors (the “Board”) has approved, and the holders of a majority of the outstanding shares of our voting securities, as permitted by our current Articles of Incorporation (the “Charter”), our Amended and Restated Bylaws (the “Bylaws”), and the Nevada Revised Statutes, as amended (the “NRS”), have executed an Action By Written Consent of Stockholders, in each case approving and ratifying, as applicable, the actions described below in this Information Statement.

SUMMARY OF STOCKHOLDER ACTIONS

On August 15, 2011, we entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with MSPEA Modified Plastics Holding Limited (“MSPEA”), which is a Cayman Islands company affiliated with Morgan Stanley, XD. Engineering Plastic Company Limited (“XDE”), and Mr. Jie Han (“Mr. Han”), as attached hereto as Exhibit A, pursuant to which we will issue 16,000,000 shares of Series D Preferred Stock (as defined below), at \$6.25 per share to MSPEA (the “Issuance Transaction”). The Issuance Transaction is exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”) under Section 4(2) thereof and Regulation D thereunder. XDE and Mr. Han, who we refer to collectively as the “Majority Stockholders”, collectively hold an aggregate of 32,510,131 shares of our Common Stock and 1,000,000 shares of our Series B Preferred Stock, representing approximately 81.0% of the combined voting power of all of our issued and outstanding voting securities. Pursuant to the Securities Purchase Agreement, MSPEA will have the right to purchase a certain number of additional shares of Common Stock at par value from the Majority Stockholders if the Company does not achieve certain consolidated net income target for fiscal year 2011, 2012 or 2013. The same economic effect of such share adjustment could be effected, at MSPEA’s discretion, by way of the Company’s issuance of the same number of shares of Common Stock to MSPEA at par value and simultaneous redemption of such number of shares of Common Stock at par value from the Majority Stockholders.

In connection with the Securities Purchase Agreement, on August 15, 2011, the Board resolved to create a Series D Junior Convertible Preferred Stock, par value \$0.0001 per share (the “Series D Preferred Stock”), with the rights, preferences, privileges and restrictions set forth in the Certificate of Designation, Preferences and Rights of Series D Junior Convertible Preferred Stock in substantially the form attached hereto as Exhibit B (the “Certificate of Designation”), and to file the Certificate of Designation with the Nevada Secretary of State. Also in connection with the Securities Purchase Agreement, on August 15, 2011, the Company and MSPEA entered into a Registration Rights Agreement as attached hereto as Exhibit C (the “Registration Rights Agreement”) and XDE, Mr. Han and MSPEA entered into a Stockholders’ Agreement, as attached hereto as Exhibit D (the “Stockholders’ Agreement”). In addition, in connection with the Securities Purchase Agreement, XDE and MSPEA will enter into a Pledge Agreement as attached

hereto as Exhibit E (the “Pledge Agreement”) at the closing of the Issuance Transaction (the “Closing”), and the Company will enter into an Indemnification Agreement, a form of which is attached hereto as Exhibit F (an “Indemnification Agreement”), with each of Eddy Huang and Jun Xu, the two designees of MSPEA on the Board, immediately before the Closing. We refer to the Securities Purchase Agreement, the Certificate of Designation, the Registration Rights Agreement, the Stockholders Agreement, the Pledge Agreement and the Indemnification Agreements collectively as the “Transaction Documents.”

On August 15, 2011, the Board approved all transactions contemplated by the Transaction Documents, the Second Amendment to Articles of Incorporation of the Company (the “Charter Amendment”), and approved and adopted the Bylaws which is attached hereto as Exhibit H. On August 15, 2011, the Audit Committee of the Board (the “Audit Committee”) approved the appointment (the “Audit Appointment”) of KPMG (“KPMG”) as our independent registered public accounting firm, effective as of August 15, 2011, for the fiscal year ending December 31, 2011 to replace Moore Stephens Hong Kong, our existing auditor and the Board resolved to have our stockholders ratify such appointment.

Following the approval by the Board, also on August 15, 2011 (the “Record Date”), the Majority Stockholders executed a written consent, as attached hereto as Exhibit H,

(i) approving:

a) all transactions contemplated by the Transaction Documents, including without limitation:

i. the Issuance Transaction,

ii. the issuance by the Company of shares of Common Stock as may be issuable upon the conversion of any and all of shares of the Series D Preferred Stock pursuant to the terms of the Certificate of Designation, and

iii. the potential additional issuance and sale of shares of Common Stock of the Company to MSPEA by XDE and/or Mr. Han or the Company pursuant to the share adjustment mechanism set forth in the Securities Purchase Agreement, by XDE and/or Mr. Han pursuant to the Stockholders’ Agreement and by XDE pursuant to the Pledge Agreement;

b) the increase in the number of authorized directors constituting the Board from seven to nine, effective immediately prior to the Closing and the filing of the Certificate of Designation with the Nevada Secretary of State; and

c) the Charter Amendment and the execution and filing of the Certificate of Designation and the Charter Amendment with the Nevada Secretary of State; and

(ii) ratifying the Auditor Appointment.

(each of the above, a “Stockholder Action” and together the “Stockholder Actions”).

Such consent by the Majority Stockholders as described above is sufficient to approve and ratify, as applicable, all of the Stockholder Actions proposed by the Board under the Nasdaq Stock Market Listing Rules, the NRS, the Charter and the Bylaws, as applicable.

VOTE REQUIRED; MANNER OF APPROVAL

We are subject to the Nasdaq Stock Market Listing Rules because our Common Stock is currently listed on the Nasdaq Capital Market. Pursuant to Nasdaq Stock Market Listing Rule 5635(d)(1), stockholder approval is required prior to the issuance in a private placement of securities convertible into common stock at a price less than the greater of book or market value which together with sales by officers, directors or substantial shareholders of the issuer equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance (the "20% Rule"). Pursuant to Nasdaq Stock Market Listing Rule 5635(e)(3), a holder of an interest of 5% or more of either the number of shares of common stock or the voting power outstanding of an issuer shall be considered a substantial shareholder. Upon the Closing, MSPEA will own approximately 23.8% of our issued and outstanding shares of Common Stock on a fully-diluted basis.

In addition, MSPEA is entitled to receive additional shares of Common Stock from XDE and/or Mr. Han at par value, either (i) pursuant to the Stockholders' Agreement, if we issue or sell any shares of Common Stock or equity securities (other than certain customary exempted issuances) at a price per share of Common Stock, or at a conversion or exercise price, as applicable, that is less than the then effective conversion price of the Series D Preferred Stock, so that MSPEA will hold the same number of shares of Common Stock as if the conversion price of the Series D Preferred Stock has been lowered to equal to the new issue price, or (ii) pursuant to the Securities Purchase Agreement, if we do not achieve certain consolidated net income target for each of fiscal year 2011, 2012, or 2013. In either case of (i) and (ii), because each of XDE and Mr. Han owns more than 5% of both the number of shares of our Common Stock and our outstanding voting power and thus will be deemed by Nasdaq as a substantial shareholder of the Company, and because Mr. Han is a director of the Company, even if the initial conversion price of the Series D Preferred Stock of \$6.25 may be greater than the greater of the book or market value of our Common Stock immediately before the Closing, the effective price for all shares of Common Stock and Series D Preferred Stock that MSPEA will potentially hold resulting from the Issuance Transaction may be below the greater of the book or market value of our Common Stock immediately before the Closing. Therefore, prior approval by our stockholders is required for the Issuance Transaction.

Pursuant to our Charter and the Bylaws, the affirmative vote of the holders of a majority of the voting power of our Company is required to increase the number of directors constituting the Board.

Pursuant to our Articles of Incorporation and Section 78.390 of the NRS, the affirmative vote of the holders of a majority of the voting power of our Company is required to amend our Charter.

On August 15, the Audit Committee approved the dismissal of Moore Stephens Hong Kong as our independent registered public accounting firm, and the appointment of KPMG, effective August 15, 2011, as our independent registered public accounting firm for the fiscal year ending December 31, 2011. On August 15, the Board resolved to have our stockholders ratify the Auditor Appointment, for which ratification by the holders of a majority of the combined voting power of all of our issued and outstanding voting securities is required.

The Company's Bylaws and Section 78.320 of the NRS provide that stockholders may take action without a meeting of the stockholders and without prior notice if a consent in writing, setting forth the action so taken, is signed by the holders of the outstanding voting shares holding not less than the minimum number of votes that would be necessary to approve such action at a stockholders meeting. The written consent delivered to us by the Majority Stockholders on the Record Date satisfies the vote required to take each Stockholder Action. Under the rules of the Securities and Exchange Commission, or SEC, the Majority Stockholders' approval and ratification, as applicable, will become effective no earlier than September 19, 2011, or 20 days after we mail this Information Statement. In addition, the Issuance Transaction and the filing of the Charter Amendment with the Secretary of State of the State of Nevada will not occur or become effective until certain conditions set forth in the Securities Purchase Agreement have been satisfied or waived.

REASONS FOR THE ISSUANCE TRANSACTION AND RELATED MATTERS

As discussed in our Annual Report filed on Form 10-K with the SEC on March 31, 2011 (as amended by Amendment No. 1 filed with the SEC on April 27, 2011), we are a leading producer of automotive modified plastics in China. The Board and the Majority Stockholders considered the terms of the Issuance Transaction and other related transactions contemplated by the Transaction Documents and determined that the Issuance Transaction and other related transactions contemplated by the Transaction Documents will enable the Company to accelerate our domestic capacity expansion and production line upgrade plans and to invest in developing new products to better satisfy the demand for the Company's products in the market. In addition, Morgan Stanley Private Equity Asia has a track record of over 18 years of success in guiding and supporting companies to achieve their strategic and financial goals. As an affiliate of Morgan Stanley Private Equity Asia, MSPEA could, by investing in our Company and becoming a significant stockholder, bring international best practices and financial and capital markets expertise to our Company. As a result, the Board and the Majority Stockholders approved the Issuance Transaction and the other transactions contemplated by the Transaction Documents.

EFFECT OF THE ISSUANCE TRANSACTION ON OUR STOCKHOLDERS

The Issuance Transaction will have certain effect on our existing stockholders, as to dividend, liquidation preferences, ownership percentage and voting rights.

The Series D Preferred Stock is junior to each of the Series B Preferred Stock and our Series C Convertible Preferred Stock, par value \$0.0001 per share (the "Series C Preferred Stock") and senior to our Common Stock and each other class or series of our capital stock created after the Closing which does not expressly rank *pari passu* with or senior to the Series D Preferred Stock (the "Junior Stock"), in each case as to the payment of dividends and liquidation preference. Each share of Series D Preferred Stock is entitled to be paid non-cumulative dividend or other distribution by us simultaneously with any dividend or distribution on any shares of Common Stock or any other Junior Stock. If we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, each holder of the Series D Preferred Stock will be entitled to receive out of our assets available for distribution to stockholders, after satisfaction of liabilities to creditors, if any, and before any distribution of assets is made on the our Common Stock or any of our other shares of Junior Stock, a liquidating distribution in the amount calculated pursuant to the Certificate of Designation. In any such distribution, if our assets are not sufficient to pay the liquidation preferences in full to all holders of shares of the Series D Preferred Stock, the amounts paid to the holders of shares of Series D Preferred Stock will be paid *pro rata* in accordance with the respective aggregate liquidation preferences of those holders. If the liquidation preference has been paid in full to all holders of shares of Series D Preferred Stock then the holders of the Common Stock and the Junior Stock will be entitled to receive all of our remaining assets according to their respective rights and preferences. Holders of shares of the Series D Preferred Stock will have the right to participate, *pro rata* and on an *as-converted* basis, in any grant, issuance, or sale by us of any equity securities or other property to the record holders any class of Common Stock.

Our stockholders will incur immediate dilution of their percentage ownership in the Company if the Issuance Transaction occurs. Upon the Closing, MSPEA will own approximately 23.8% of our issued and outstanding shares of Common Stock on a fully-diluted basis. Even though the percentage ownership interest of the holders of our outstanding Common Stock will be reduced upon the issuance of the Series D Preferred Stock, the proceeds from the Issuance Transaction will provide the Company with the funds necessary to accelerate its domestic capacity expansion and production line upgrade plans and to invest in developing new products to take advantage of rapidly growing market opportunities. See "Reasons for the Issuance Transaction and Related Matters" above.

The holders of the Series D Preferred Stock will be entitled to vote together with shares of Common Stock as a single class upon all matters upon which holders of Common Stock have the right to vote. Each holder of outstanding shares of Series D Preferred Stock will be entitled to cast the number of votes equal to the number of votes that would be attributable to the shares of Common Stock issuable upon conversion of such shares of Series D Preferred Stock, assuming such conversion took place on the record date for determining the stockholders entitled to vote on such matter. Upon the Closing, MSPEA will have approximately 15.1% of the combined voting power of all of our issued and outstanding voting securities.

Holders of Series D Preferred Stock have the right to elect, voting as a separate class, two directors to serve on the Board so long as at least 12,800,000 (adjusted for any dilutive corporate actions) shares of Series D Preferred Stock are outstanding, and one director to serve on the Board if the number of shares of Series D Preferred Stock outstanding at such time is less than 12,800,000 (adjusted for any dilutive corporate actions) but more than 1,600,000 (adjusted for any dilutive corporate actions). For so long as at least 1,600,000 (adjusted for any dilutive corporate actions) shares of Series D Preferred Stock remain outstanding, holders of Series D Preferred Stock have veto rights over certain material corporate actions of the Company and its subsidiaries as described in the Certificate of Designation.

USE OF PROCEEDS

We intend to use the proceeds from the Issuance Transaction to accelerate our capacity expansion in China and production line upgrade plans, to invest in developing new products to take advantage of rapidly growing market opportunities, and for other general corporate purposes.

OUTSTANDING SHARES AND VOTING RIGHTS

The Company has fixed August 15, 2011 as the record date for determining stockholders entitled to receive copies of this Information Statement.

As of the Record Date, our authorized capitalization is 550,000,000 shares, including (i) 500,000,000 shares of Common Stock, of which 47,628,367 were issued and outstanding, and (ii) 50,000,000 share of preferred stock of par value \$0.0001 per share (collectively, the "Preferred Stock"), of which 1,000,002 were issued and outstanding, consisting of 1,000,000 shares of Series B Preferred Stock and 2 shares of Series C Preferred Stock.

VOTING AND VOTE REQUIRED

This Information Statement is not a notice of a special meeting of stockholders and no stockholder meeting will be held to consider any matter described herein. We are not seeking consent, authorization or proxies from you. Terms of the Series D Preferred Stock

Below is a summary of the key terms of the Series D Preferred Stock as set forth in the Certificate of Designation to be filed with the Nevada Secretary of State upon the Closing:

- **Ranking:** The Series D Preferred Stock is junior to each of the Series B Preferred Stock and the Series C Preferred Stock and senior to our Common Stock and the Junior Stock, in each case as to the payment of dividends and liquidation preference.
- **Dividend:** Each share of Series D Preferred Stock is entitled to be paid non-cumulative dividend or other distribution by us simultaneously with any dividend or distribution on any shares of Common Stock or any Junior Stock in an amount equal to the product of (i) the dividend or distribution payable on each share of Common Stock or Junior Stock multiplied by (ii) the number of shares of Common Stock issuable upon conversion of a share of Series D Preferred Stock.
- **Conversion:** The shares of Series D Preferred Stock are convertible into shares of Common Stock at any time on or after January 1, 2012 but on or before the date that is three years from the issuance date (the “Maturity Date”) at the then applicable conversion price, subject to mandatory or optional redemption arrangement in certain circumstances as described in the Certificate of Designation. At any time on or after the Maturity Date, and if each of the Income Targets has been achieved, the Company will have the right to require each holder of any share of Series D Preferred Stock to convert any outstanding share of Series D Preferred Stock into Common Stock at the then applicable conversion price. The initial conversion price is \$6.25 per share and is subject to customary anti-dilution adjustments for stock split, stock combination, issuance of shares of Common Stock as a dividend or distribution on shares of the Common Stock or mergers or reorganization.

- **Voting Rights:** The holders of the Series D Preferred Stock will be entitled to vote upon all matters upon which holders of Common Stock have the right to vote, such votes to be counted together with shares of Common Stock as a single class. Each holder of outstanding shares of Series D Preferred Stock will be entitled to cast the number of votes equal to the number of votes that would be attributable to the shares of Common Stock issuable upon conversion of such shares of Series D Preferred Stock, assuming such conversion took place on the record date for determining the stockholders entitled to vote on such matter. Holders of Series D Preferred Stock have the right to elect, voting as a separate class, two directors to serve on the Board so long as at least 12,800,000 (adjusted for any dilutive corporate actions) shares of Series D Preferred Stock are outstanding, and one director to serve on the Board if the number of shares of Series D Preferred Stock outstanding at such time is less than 12,800,000 (adjusted for any dilutive corporate actions) but more than 1,600,000 (adjusted for any dilutive corporate actions). For so long as at least 1,600,000 (adjusted for any dilutive corporate actions) shares of Series D Preferred Stock remain outstanding, holders of Series D Preferred Stock have veto rights over certain material corporate actions of the Company and its subsidiaries as described in the Certificate of Designation.
- **Redemption:** Holders of the shares of the Series D Preferred Stock have the right to require us to redeem all or a portion of the outstanding shares of the Series D Preferred Stock, subject to certain restriction on the redemption date, at a price per share equal to an amount that would yield a total internal rate of return of 15% to such holder on the original issue price of the Series D Preferred Stock of \$6.25 per share (as adjusted, for any reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, combination or other like changes in our capital structure) (the “IRR Price”) upon the occurrence of the following events: (i) our failure to achieve an adjusted consolidated net income of RMB360 million for fiscal year 2011, or RMB468 million for fiscal year 2012, or RMB608 million for fiscal year 2013, (ii) a breach by us, XDE or Mr. Han of any representation, warranty, covenant or other agreement in any Transaction Document that (A) in the case of a breach of a covenant or agreement that is curable, has remained uncured for 30 days after notice and (B) has had or could reasonably be expected to have a material adverse impact on (x) the business, operations, properties, financial position (including any material increase in provisions), earnings or condition of the Company and its subsidiaries taken as a whole, or (y) the value, marketability or liquidity of the Series D Preferred Stock taking into account any remedies already sought and received in connection with such breach, (iii) the commencement by the Company or any of its subsidiaries of any bankruptcy, insolvency, reorganization or other similar applicable law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by the Company or such subsidiary to the entry of a decree or order for relief in respect of the Company or any of its subsidiaries in an involuntary case, or (iv) the appointment of a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar officials of the Company or any of its subsidiaries for the winding up or liquidation of its affairs. On or after the Maturity Date, holders of any outstanding shares of Series D Preferred Stock shall require us to redeem each share of Series D Preferred Stock in cash at the IRR Price.
- **Liquidation Preference:** If we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, each holder of the Series D Preferred Stock will be entitled to receive out of our assets available for distribution to stockholders, after satisfaction of liabilities to creditors, if any, and before any distribution of assets is made on the our Common Stock or any of our other shares of Junior Stock, a liquidating distribution in the amount that is the greater of (a) an amount per share of the IRR Price, taking into account of all cash dividends and distributions paid by us and received by such holder, and (b) the amount such holder would receive as a holder of Common Stock assuming the prior conversion of each share of our Series D Preferred Stock. In any such distribution, if our assets are not sufficient to pay the liquidation preferences in full to all holders of shares of the Series D Preferred Stock, the amounts paid to the holders of shares of Series D Preferred Stock will be paid pro rata in accordance with the respective aggregate liquidation preferences of those holders. If the liquidation preference has been paid in full to all holders of shares of Series D Preferred Stock then the holders of the Common Stock and the Junior Stock will be entitled to receive all of our remaining assets according to their respective rights and preferences.

- **Purchase Rights:** Holders of shares of the Series D Preferred Stock will have the right to participate, pro rata and on an as-converted basis, in any grant, issuance, or sale by us of any equity securities or other property to the record holders any class of Common Stock.
- **Transferability:** A holder of shares of Series D Preferred Stock may transfer, directly or indirectly, some or all of the Series D Preferred Stock and the accompanying rights under the Certificate of Designation held by such holder without our consent, provided that such assignment is in compliance with applicable securities laws and the transferee is not principally engaged in our principal business in China unless otherwise approved in writing by us.

Stockholder's Agreement

In connection with the Securities Purchase Agreement, XDE, Mr. Han and MSPEA entered into the Stockholders' Agreement on August 15, 2011. Pursuant to the Stockholders' Agreement, so long as MSPEA holds any of our equity securities, without MSPEA's prior written consent, neither XDE nor Mr. Han may transfer or otherwise dispose of or suffer to exist any encumbrance on any our equity securities directly or indirectly held by XDE or Mr. Han, and Mr. Han may not transfer or otherwise dispose of any equity securities of XDE, subject to certain exceptions specified in the Stockholders' Agreement.

In addition, so long as MSPEA holds any of our equity securities, if a transfer of any of our equity securities by XDE or Mr. Han to a third party may result in the change of control of our Company, MSPEA shall have the right but not the obligation to require the potential transferee to purchase all or a portion of the equity securities of our Company held by MSPEA based on the same terms and conditions as offered to XDE and/or Mr. Han.

Furthermore, if we issue or sell any shares of Common Stock or equity securities (other than certain customary exempted issuances) at a price per share of Common Stock, or in the case of other equity securities exchangeable or convertible into shares of Common Stock, at a conversion or exercise price for a share of Common Stock (in each case, the "New Issue Price") that is less than the then effective conversion price of the Series D Preferred Stock, MSPEA shall have the right to purchase from XDE and/or Mr. Han, and XDE and/or Mr. Han shall transfer to MSPEA, at par value per share, a number of shares of Common Stock that is equal to (i) the number of shares of Common Stock that the Series D Preferred Stock held by MSPEA would have been convertible into as if the then effective conversion price is equal to the New Issue Price, minus (ii) the number of shares of Common Stock that the outstanding Series D Preferred Stock held by MSPEA are convertible into under the then effective conversion price.

The Stockholders' Agreement will terminate when MSPEA and its permitted transferees no longer hold at least 1,600,000 (adjusted for any dilutive corporate actions) shares of Series D Preferred Stock.

Share Pledge

In connection with the Stockholders' Agreement, XDE and MSPEA will enter into the Pledge Agreement on or prior to the Closing. Pursuant to the Pledge Agreement, XDE will pledge 16,000,000 shares of Common Stock it holds (the "Pledged Shares") at the Closing to guarantee its and Mr. Han's obligations under the Transaction Documents. The Pledge Agreement will terminate upon the earlier of (i) the redemption in full of all of the shares of Series D Preferred Stock held by MSPEA, or (ii) the conversion of all of the shares of Series D Preferred Stock into Common Stock, so long as there is no outstanding claim or dispute between MSPEA and its affiliates on the one hand, and the Company, XDE or Mr. Han on the other hand.

Registration Rights Agreement

In connection with the Securities Purchase Agreement, we entered into the Registration Rights Agreement with MSPEA on August 15, 2011, pursuant to which we are required to file a shelf registration statement within 30 or 60 days (depending on the form of the shelf registration statement required to be used) after the request from the holders of at least 25% of our outstanding registrable securities. Such shelf registration statement shall be declared effective no later than the earlier of (i) the date that is 60 days after the filing date (or 90 days after the filing date if the SEC reviews and has written comments to the filed registration statement), or (ii) five business days following the date the SEC or its staff notifies us that it will not review the registration statement or that we may request effectiveness of the registration statement. If we breach certain of our obligations under the Registration Rights Agreement, we will be obligated to pay liquidated damages to the holder of registrable securities, up to a maximum of 0.05% of (i) the number of SEC approved registrable securities then held by such holder as of such date, multiplied by (ii) the purchase price paid by such holder for such SEC approved registrable securities then held, for each day the timely filing is not done, excluding the day on which it first occurred.

In connection with the indemnification obligation of the Indemnifying Party as set forth above, the Indemnifying Party shall, upon presentation of appropriate invoices containing reasonable detail, reimburse each Indemnified Party for all such expenses as they are incurred by such Indemnified Party.

(B) For purposes hereof, any transaction or series of related transactions that constitute (i) the sale, conveyance, exchange, lease or other transfer of all or substantially all of the assets of the Group taken as a whole, (ii) any acquisition of the Company by means of a consolidation, stock exchange, stock sale, merger or other form of corporate reorganization of the Company with any other entity in which the Company's stockholders prior to the consolidation or merger own less than a majority of the voting securities or economic interests of the surviving entity (or, if the surviving entity is a wholly-owned subsidiary of another corporation following such merger or consolidation, the parent corporation of such surviving entity), (iii) the sale or disposition (including by way of merger, consolidation or otherwise) of one or more subsidiaries of the Company if substantially all of the assets of the Company and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale or disposition is to a wholly-owned subsidiary of the Company, or (iv) transaction or series of related transactions following which the Company's stockholders prior to such transaction or series of related transactions own less than a majority of the voting securities or economic interests of the Company or surviving entity (or, if the surviving entity is a wholly-owned subsidiary of another corporation following such transaction or series of related transactions, the parent corporation of such surviving entity) (any such event, a "Reorganization Event") shall be deemed to be a Liquidation unless otherwise determined by the holders of at least a majority of the shares of Series D Preferred Stock then outstanding. Notwithstanding the foregoing, any merger or reorganization exclusively between the Company and a wholly-owned subsidiary of the Company shall not be deemed to be a Reorganization Event.

(C) Without prejudice to the right of the holders of shares of Series D Preferred Stock under Section 4(C)(vi), the Company shall not have the power to effect any transaction constituting a Reorganization Event pursuant to Section 5(B) above unless the agreement or plan of merger or consolidation provides that the consideration payable to the stockholders of the Company shall be allocated among the holders of capital stock of the Company in accordance with Section 5(A) above.

(ii) **Company's Response.** Upon receipt by the Company of a facsimile copy of a Conversion Notice, the Company shall within two (2) Business Days send, via facsimile, a confirmation of receipt of such Conversion Notice to such holder. Upon receipt by the Company of an originally executed Conversion Notice, the Company or its designated transfer agent (the "Transfer Agent"), as applicable, shall, within five (5) Business Days following the date of receipt by the Company of the originally executed Conversion Notice (so long as the applicable Preferred Stock Certificates and original Conversion Notice are received by the Company on or before such fifth (5th) Business Day), issue and deliver to the Depository Trust Company ("DTC") account on the holder's behalf via the Deposit Withdrawal Agent Commission System ("DWAC") as specified in the Conversion Notice, registered in the name of the holder or its designee, for the number of shares of Common Stock to which the holder shall be entitled. Notwithstanding the foregoing to the contrary, the Company or the Transfer Agent shall only be required to issue and deliver the shares to the DTC on a holder's behalf via DWAC if such conversion is in connection with a sale and all requirements to effect such DWAC have been met, including, but not limited to, such shares being registered for resale pursuant to an effective registration statement and satisfaction of applicable prospectus delivery requirements, if any. If the Company or the Transfer Agent cannot issue the shares to a holder via DWAC because the aforementioned conditions are not satisfied, the Company shall deliver physical certificates to the holder or its designee. If the number of shares of Series D Preferred Stock represented by the Preferred Stock Certificate(s) submitted for conversion is greater than the number of shares of Series D Preferred Stock being converted, then the Company shall, as soon as practicable, issue and deliver to the holder a new Preferred Stock Certificate representing the number of shares of Series D Preferred Stock not converted.

(iii) Record Holder. The person or persons entitled to receive the shares of Common Stock issuable upon a Voluntary Conversion of Series D Preferred Stock shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Voluntary Conversion Date.

(C) Mandatory Conversion.

(i) At any time on or after the third anniversary of the Original Issuance Date, if the consolidated net income of the Company after all charges and provisions for taxes and adjusted to exclude all Excluded Items (as determined by a Big 4 Accounting Firm based upon the annual consolidated financial statements prepared and audited by a Big 4 Accounting Firm) for each of the fiscal years ended December 31, 2011, December 31, 2012 and December 31, 2013 is equal to or greater than RMB 360 million, RMB 520 million and RMB 800 million, respectively, the Company shall have the right to require each holder of shares of Series D Preferred Stock to convert (the "Mandatory Conversion Right") each outstanding share of Series D Preferred Stock into a number of fully paid and nonassessable shares of Common Stock equal to the quotient of (i) the aggregate of (x) the Series D Original Issue Price plus (y) an amount equal to any declared and unpaid dividends on such share of Series D Preferred Stock prior to the Mandatory Conversion Date (as defined below) divided by (ii) the Conversion Price of Series D Preferred Stock in effect on the Mandatory Conversion Date.

(ii) To exercise the Mandatory Conversion Right, the Company shall deliver to each holder of record of Series D Preferred Stock an irrevocable written notice indicating the effective date of such conversion (the "Mandatory Conversion Date") thirty (30) days prior to such date.

(iii) On the Mandatory Conversion Date, the outstanding shares of Series D Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Company or its Transfer Agent, and certificates previously representing shares of Series D Preferred Stock shall represent only the shares of Common Stock into which the shares of Series D Preferred Stock previously represented thereby have been converted pursuant hereto; provided, however, that the Company shall not be obligated to issue the shares of Common Stock issuable upon such conversion of any shares of Series D Preferred Stock unless certificates evidencing such shares of Series D Preferred Stock are either delivered to the Company or the holder notifies the Company that such certificates have been lost, stolen, or destroyed, and executes an agreement reasonably satisfactory to the Company to indemnify the Company from any loss incurred by it in connection therewith. Upon the occurrence of the conversion of shares of Series D Preferred Stock pursuant to this Section 6(C), the holders of shares of Series D Preferred Stock shall surrender the certificates representing such shares to the Company and the Company shall cause its Transfer Agent to deliver the shares of Common Stock issuable upon such conversion (in the same manner set forth in Section 6(B)(ii)) to the holder within three (3) Business Days of the holder's delivery of the applicable Series D Preferred Stock certificates.

(iv) Record Holder. The person or persons entitled to receive the shares of Common Stock issuable upon a conversion of Series D Preferred Stock effected by the Company's exercise of the Company Conversion Right shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Mandatory Conversion Date.

(D) Conversion Price. The term "Conversion Price" shall mean US\$6.25 per share, subject to adjustment under Section 6(E) hereof.

(E) Adjustments of Conversion Price.

(i) Adjustments for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Issuance Date, effect a stock split of the outstanding shares of Common Stock, the Conversion Price shall be proportionately decreased. For example, a 2:1 stock split shall result in a decrease in the Conversion Price by $\frac{1}{2}$, taking into account all prior adjustments made thereto under this Section 6(E). If the Company shall at any time or from time to time after the Issuance Date, combine the outstanding shares of Common Stock, the Conversion Price shall be proportionately increased. For example, a 1:2 combination shall result in an increase in the Conversion Price by a multiple of 2, taking into account all prior adjustments made thereto under this Section 6(E). Any adjustments under this Section 6(E)(i) shall be effective at the close of business on the date the stock split or combination becomes effective.

(ii) Adjustments for Dividends and Distributions of Common Stock. If the Company shall at any time or from time to time after the Original Issuance Date, make or issue or set a record date for the determination of holders of shares of Common Stock entitled to receive a dividend or other distribution payable in shares of Common Stock, then, and in each event, the Conversion Price shall be decreased as of the time of such issuance or, in the event such record date shall have been fixed, as of the close of business on such record date, by multiplying the Conversion Price then in effect by a fraction:

a) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date; and

b) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

(iii) Adjustment for Merger or Reorganization, etc. If at any time or from time to time after the Original Issuance Date there shall occur any reorganization, recapitalization, reclassification, consolidation, merger or other reorganization event (collectively, the "Reorganization Adjustment Event") involving the Company (other than a Reorganization Event deemed to be a Liquidation pursuant to Section 5(B)) in which shares of Common Stock (but not shares of Series D Preferred Stock) are converted into or exchanged for securities, cash or other property (other than a transaction covered by Section 6(E)(i) or Section 6(E)(ii)), then, following any such Reorganization Adjustment Event, each share of Series D Preferred Stock shall thereafter be convertible (without taking into account any limitations or restrictions on the convertibility of the shares of Series D Preferred Stock), in lieu of the shares of Common Stock, into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Company issuable upon conversion of one share of Series D Preferred Stock immediately prior to such Reorganization Adjustment Event would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the holders of a majority of shares of Series D Preferred Stock then outstanding) shall be made in the application of the provisions in this Section 6(E) with respect to the rights and interests thereafter of the holders of shares of Series D Preferred Stock, to the end that the provisions set forth in this Section 6 (including provisions with respect to changes in and other adjustments to the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the shares of Series D Preferred Stock.

(iv) Successive Adjustments; Multiple Adjustments. After an adjustment is made to the Conversion Price under this Section 6, any subsequent event requiring an adjustment under this Section 6 shall cause an adjustment to such Conversion Price, as so adjusted.

(v) Waiver of Adjustments. Notwithstanding anything to the contrary, the Company may avoid any adjustment to the Conversion Price required hereunder or make a partial adjustment to the Conversion Price if the holders of a majority of the outstanding shares of Series D Preferred Stock agree in writing to waive such an adjustment or accept such partial adjustment to the Conversion Price.

(F) Certificates as to Adjustments. Upon occurrence of each adjustment or readjustment of the Conversion Price, or number of shares of Common Stock issuable upon conversion of shares of Series D Preferred Stock pursuant to this Section 6, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of such shares of Series D Preferred Stock a certificate setting forth such adjustment and readjustment, showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon written request of the holder of any such affected shares of Series D Preferred Stock, at any time, furnish or cause to be furnished to such holder a like certificate setting forth such adjustments and readjustments, the Conversion Price in effect at the time, and the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon the conversion of a share of such Series D Preferred Stock.

(G) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the shares of Series D Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall pay to such holder cash equal to the product of such fraction multiplied by the average of the closing prices of the shares of Common Stock on the NASDAQ Global Market for the five (5) consecutive trading days immediately preceding the Voluntary Conversion Date or Company Conversion Date, as applicable.

(H) Reservation of Common Stock. The Company shall, so long as any shares of Series D Preferred Stock are outstanding, reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of Series D Preferred Stock according to the terms hereof, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all of Series D Preferred Stock then outstanding.

(I) Partial Conversion of Series D Preferred Stock. Conversion of shares of Series D Preferred Stock shall be deemed to have been effected on the Voluntary Conversion Date or Company Conversion Date, as applicable, and such date is referred to herein as the "Conversion Date." Upon conversion of only a portion of the number of shares of Series D Preferred Stock represented by a certificate surrendered for conversion, the Company shall issue and deliver to such holder at the expense of the Company, a new certificate covering the number of shares of Series D Preferred Stock representing the unconverted portion of the shares of Series D Preferred Stock so surrendered.

Section 7. Redemption Upon Triggering Events.

(A) In addition to all other rights of the holders of Series D Preferred Stock contained herein, upon the occurrence of a Triggering Event, each holder of the then outstanding shares of Series D Preferred Stock shall have the right, at such holders' option, to require the Company to redeem, all or a portion of the shares of Series D Preferred Stock, at the IRR Price (provided that the three-month period immediately following the delivery of the Redemption Request (as defined below) shall be excluded for the purpose of calculating the IRR Price under this Section 7(A)) (the "Redemption Price"), by delivery of written notice to the Company (the "Redemption Request") at least 6 months prior to the proposed date of redemption (the "Redemption Date") set forth in the Redemption Request, provided that in no event shall the Redemption Date be prior to March 3, 2013 (or such later date that is the earliest date that would not violate Section 8 of the Certificate of Designation, Preferences and Rights of the Series C Convertible Preferred Stock, par value \$0.0001 per share, of the Company (the "Series C Stock") if the maturity date of the Series C Stock is extended pursuant to the terms of the Certificate of Designation, Preferences and Rights of the Series C Stock) if any shares of Series C Stock remain outstanding, unless otherwise consented to by holders of shares of the Series C Stock.

(B) Promptly following receipt of the Redemption Request and no later than ten (10) days prior to a Redemption Date, the Company shall mail a notice of optional redemption by first-class mail, postage prepaid to each holder of shares of Series D Preferred Stock, which notice shall state (i) the Redemption Date and the applicable Redemption Price of the proposed redemption, (ii) the then applicable Conversion Price for Series D Preferred Stock then in effect, and (iii) reference to this Section 7.

(C) The Company shall pay the applicable Redemption Price on the later of (i) the Redemption Date and (ii) upon the receipt of surrender of the certificates representing the shares of Series D Preferred Stock to be redeemed (properly endorsed or assigned for transfer, if the Company shall so reasonably require and letters of transmittal and instructions therefor on reasonable terms as are included in the notice sent by the Company); provided, that if such certificates are lost, stolen or destroyed, the Company may require such holder to execute an agreement reasonably satisfactory to the Company to indemnify the Company from any loss incurred by it in connection therewith, prior to paying such Redemption Price.

(D) Shares of Series D Preferred Stock to be redeemed on the Redemption Date will from and after the Redemption Date, no longer be deemed to be outstanding; and all powers, designations, preferences and other rights of the holder thereof as a holder of shares of Series D Preferred Stock (except the right to receive from the Company the applicable Redemption Price) shall cease and terminate with respect to such shares; provided, that in the event that a share of Series D Preferred Stock is not redeemed due to a default in payment by the Company or because the Company is otherwise unable to pay the applicable Redemption Price in cash in full, such share of Series D Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights (including but not limited to the Conversion Rights) as provided herein.

(E) Notwithstanding anything in this Section 7 to the contrary, each holder shall retain the right to convert shares of Series D Preferred Stock subject to redemption, at any time on or prior to the Business Day immediately preceding the Redemption Date; provided, however, that any shares of Series D Preferred Stock for which a holder delivers a Conversion Notice to the Company on or prior to the Business day immediately preceding the Redemption Date shall not be redeemed pursuant to this Section 7.

(F) Any redemption of shares of Series D Preferred Stock pursuant to this Section 7 (such redemption, the "Event Redemption") shall be payable out of any cash legally available therefor, and if there is not a sufficient amount of cash available, then out of the remaining assets of the Company legally available therefor. At the time of the Event Redemption, the Company shall take all actions required or permitted under Nevada law to permit the Event Redemption, including, without limitation, through the revaluation of its assets in accordance with Nevada law, to make funds legally available for such Event Redemption. To the extent that the Company has insufficient funds to redeem all of the shares of Series D Preferred Stock upon the Event Redemption, the Company shall use available funds to redeem a pro rata portion of such shares of Series D Preferred Stock.

Section 8. Mandatory Redemption upon Maturity. If any shares of Series D Preferred Stock remain outstanding on the Maturity Date, the holders of such shares shall require the Company to redeem each share of Series D Preferred Stock in cash at a price equal to the IRR Price (provided that the three-month period immediately following the delivery of the Redemption Request (as defined below) shall be excluded for the purpose of calculating the IRR Price under this Section 8) (the "Mandatory Redemption Price") by delivery of written notice (the "Mandatory Redemption Request") on the Maturity Date by first-class mail, postage prepaid to the Company, which notice shall state (i) the mandatory redemption date that shall be the date that is six months after the Maturity Date (the "Mandatory Redemption Date"), (ii) the applicable Mandatory Redemption Price, and (iii) reference to this Section 8.

(A) The Company shall pay the applicable Mandatory Redemption Price by wire transfer of immediately available on the later of (i) the Mandatory Redemption Date and (ii) upon the receipt of surrender of the certificates representing the shares of Series D Preferred Stock to be redeemed (properly endorsed or assigned for transfer, if the Company shall so reasonably require and letters of transmittal and instructions therefor on reasonable terms as are included in the notice sent by the Company); provided, that if such certificates are lost, stolen or destroyed, the Company may require such holder to execute an agreement reasonably satisfactory to the Company to indemnify the Company from any loss incurred by it in connection therewith, prior to paying such Mandatory Redemption Price.

(B) Shares of Series D Preferred Stock to be redeemed on the Mandatory Redemption Date will from and after the Mandatory Redemption Date, no longer be deemed to be outstanding; and all powers, designations, preferences and other rights of the holder thereof as a holder of shares of Series D Preferred Stock (except the right to receive from the Company the Mandatory Redemption Price) shall cease and terminate with respect to such shares; provided, that regardless of the Mandatory Redemption Date and any other provision to the contrary, in the event that a share of Series D Preferred Stock is not redeemed due to a default in payment by the Company or because the Company is otherwise unable to pay the Mandatory Redemption Price in cash in full, such share of Series D Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights as provided herein.

(C) Any redemption of shares of Series D Preferred Stock pursuant to this Section 8 (such redemption, the "Mandatory Redemption") shall be payable out of any cash legally available therefor, and if there is not a sufficient amount of cash available, then out of the remaining assets of the Company legally available therefor. At the time of the Mandatory Redemption, the Company shall take all actions required or permitted under Nevada law to permit the Mandatory Redemption, including, without limitation, through the revaluation of its assets in accordance with Nevada law, to make funds legally available for such Mandatory Redemption. To the extent that the Company has insufficient funds to redeem all of the shares of Series D Preferred Stock upon the Mandatory Redemption, the Company shall use all funds to redeem a pro rata portion of such shares of Series D Preferred Stock.

Section 9. Retirement of Reacquired Shares. Any shares of Series D Preferred Stock purchased, converted or otherwise acquired by the Company in any manner whatsoever shall be retired and canceled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein, but may not be reissued as shares of Series D Preferred Stock.

Section 10. Purchase Right. If at any time the Company grants, issues or sells any Equity Securities or other property pro rata to the record holders of any class of Common Stock, then the holders of Series D Preferred Stock will be entitled to acquire, upon the terms applicable to such Equity Securities or such other property, the aggregate amount of such Equity Securities or such other property which such holder of Series D Preferred Stock could have acquired if such holder had held the number of shares of Common Stock acquirable upon complete conversion of its Series D Preferred Stock (without taking into account any limitations or restrictions on the convertibility of the shares of Series D Preferred Stock) immediately before the date on which a record is taken for the grant, issuance or sale of such Equity Securities or such other property, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Equity Securities or such other property.

Section 11. Lost or Stolen Certificates. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any certificates representing the shares of Series D Preferred Stock, and, in the case of loss, theft or destruction, of an indemnification undertaking by the holder of such shares of Series D Preferred Stock to the Company in customary form and, in the case of mutilation, upon surrender and cancellation such certificates, the Company shall execute and deliver new preferred stock certificate(s) of like tenor and date; provided, however, the Company shall not be obligated to re-issue certificates of such shares of Series D Preferred Stock if the holder contemporaneously requests the Company to convert such shares of Series D Preferred Stock into shares of Common Stock.

Section 12. Injunctive Relief. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the holders of shares of Series D Preferred Stock and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holders shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

Section 13. Failure or Indulgence Not Waiver. No failure or delay on the part of a holder of shares of Series D Preferred Stock in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

A holder of shares of Series D Preferred Stock may transfer, directly or indirectly (including without limitation the transfer of control of the Person holding such shares) some or all of the Series D Preferred Stock and the accompanying rights hereunder held by such holder without the consent of the Company; provided that such assignment is in compliance with applicable securities laws and the assignee is not principally engaged in the Principal Business in the PRC unless otherwise approved in writing by the Company.

The Company may treat the person in whose name any of Series D Preferred Stock is registered on the register as the owner and holder thereof for all purposes, notwithstanding any notice to the contrary, but in all events recognizing any properly made transfers.

Section 16. Stockholder Matters. Any stockholder action, approval or consent required, desired or otherwise sought by the Company pursuant to the rules and regulations of the applicable stock market, the Nevada Revised Statutes, this Certificate of Designation or otherwise with respect to the issuance of shares of Series D Preferred Stock or the common stock Series D Preferred Stock may convert into may be effected by written consent of the Company's stockholders or at a duly called meeting of the Company's stockholders, all in accordance with the applicable rules and regulations of the applicable stock market and the Nevada Revised Statutes. This provision is intended to comply with the applicable sections of the Nevada Revised Statutes permitting stockholder action, approval and consent affected by written consent in lieu of a meeting.

Section 17. Waiver of Corporate Opportunity. - (c) Headings. Headings are included for convenience only and shall not affect the construction of any provision of this Agreement.
- (d) Include not Limiting. "Include," "including," "are inclusive of" and similar expressions are not expressions of limitation and shall be construed as if followed by the words "without limitation."
- (e) Law. References to "law" shall include all applicable laws, regulations, rules and orders of any Governmental Authority, or any other self-regulating body, any common or customary law, constitution, code, ordinance, statute or other legislative measure and any regulation, rule, treaty, order, decree or judgment; and "lawful" shall be construed accordingly.

SECTION 2
GENERAL; SECURITIES SUBJECT TO THIS AGREEMENT

- 2.1 Grant of Rights. The Company hereby grants registration rights to the Designated Holders upon the terms and conditions set forth in this Agreement.
- 2.2 Registrable Securities. For the purposes of this Agreement, securities of the Company listed in the definition of "Registrable Securities" in Section 1.1 hereof will cease to be Registrable Securities, when (i) a Registration Statement covering such Registrable Securities has been declared effective under the 1933 Act by the SEC and all such Registrable Securities have been disposed of pursuant to such effective Registration Statement, (ii) the entire amount of the Registrable Securities owned by a Designated Holder may be sold in a single sale without any limitation as to volume pursuant to Rule 144 (or any successor provision then in effect) under the 1933 Act or (iii) such Registrable Securities have been sold pursuant to Rule 144 under the 1933 Act. Wherever reference is made in this Agreement to a request or consent of Holders of a certain percentage of Registrable Securities, the determination of such percentage shall be calculated on a fully-diluted basis.
- 2.3 Holders of Registrable Securities. A Person is deemed to be a holder of Registrable Securities whenever such Person owns of record Registrable Securities, or holds an option to purchase, or a security convertible into or exercisable or exchangeable for, Registrable Securities whether or not such acquisition or conversion has actually been effected; provided, in each case, that if such Registrable Securities were acquired from the original holder, such transfer was made in compliance with Section 9.5 hereof. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of the instructions, notice or election received from the record owner of such Registrable Securities. Registrable Securities issuable upon exercise of an option or upon conversion, exercise or exchange of another security shall be deemed outstanding for the purposes of this Agreement.

SECTION 3
DEMAND REGISTRATION

3.1 Request for Demand Registration.

- (a) At any time, and from time to time, Designated Holders holding at least twenty five percent (25%) of the outstanding Registrable Securities (the "Initiating Holders") shall have the right to request, in writing, that the Company file with the SEC a registration statement pursuant to Rule 415 of the 1933 Act (the "Shelf Registration Statement") on Form S-3 (or any successor form thereto), or if Form S-3 may not be used by the Company pursuant to applicable law, on Form S-1 (or any successor form thereto), with respect to the resale, from time to time, covering all, but not less than all, of the Registrable Securities held by the Designated Holders, provided that Designated Holders may not effect more than three (3) registrations on Form S-1 pursuant to this Section 3.1. The Company shall file the Shelf Registration Statement no later than thirty (30) days following request from the Initiating Holders (such 30th day, the "Required Filing Date"). The Company shall give written notice of the filing of each of Shelf Registration Statements at least fifteen (15) days prior to filing each such Registration Statement to all Designated Holders and shall include in such Registration Statements all Registrable Securities of any Designated Holder that has delivered a written request to the Company to include its Registrable Securities 5 days prior to the filing date of the applicable Registration Statement. The disposition of Registrable Securities from the Shelf Registration Statement may occur, at any time, in one or more underwritten offerings, block transactions, broker transactions, at-market transactions or in such other manner or manners as may be specified by the applicable Designated Holders. Notwithstanding the above, if the Company is required to file the Registration Statement on a Form S-1, then the Company shall have sixty (60) days from the date of the request from the Initiating Shareholders to prepare and file the Registration Statement and the Required Filing Date shall be, in such case, the sixtieth (60th) day after the request from the Initiating Holders.
- (b) Each Designated Holder shall be obligated to: (x) furnish to the Company in writing such information with respect to such Designated Holder, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities, as shall be reasonably required to effect the registration of such Registrable Securities and (y) shall timely execute such documents in connection with such registration as the Company may reasonably request. The Required Filing Dates listed above and the resulting Required Effectiveness Dates shall be extended to the extent that any delay is attributable to any failure on the part of any such Designated Holder to fulfill its obligations pursuant to the first sentence of this Section 3.1(b).

3.2

Effective Shelf Registration Statement.

- (a) The Company shall use its reasonable best efforts to cause the Shelf Registration Statement to become effective as soon as practicable but in any event on or prior to the Required Effectiveness Date, and shall use its reasonable best efforts to keep the Shelf Registration Statement continuously effective under the 1933 Act, subject to the provisions of Sections 6.4 and 6.5 hereof, until the earlier of (i) such time as the Company delivers a notice that each Designated Holder may sell in the open market in a single transaction all Registrable Securities then held by each such Designated Holder pursuant to Rule 144 of the 1933 Act (or any similar provision then in force) without being subject to the volume limitations thereof or otherwise under an applicable exemption from the registration requirements of the 1933 Act, as amended, and all other applicable securities and blue sky laws or (ii) all Registrable Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement or pursuant to Rule 144 (such period being the "Effectiveness Period").
- (b) Notwithstanding anything to the contrary in this Agreement (other than Section 3.2(d) below), in the event the staff of the SEC (the "Staff") or the SEC seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities by or on behalf of the Company such that Rule 415 is not available to the Company to register the resale of such Registrable Securities and, as a result, the Staff or the SEC does not permit such Registration Statement to become effective and used for resales in a manner that permits the continuous resale at the market by the Designated Holders participating therein (or as otherwise may be acceptable to each Designated Holder) without being named therein as an "underwriter," then the Company shall reduce the number of shares to be included in such Registration Statement (in accordance with the following sentence) until such time as the Staff and the SEC shall so permit such Registration Statement to become effective as aforesaid. In making such reduction, the Company shall reduce the number of Registrable Securities to be included by all other Designated Holders on a pro rata basis (based upon the number of Registrable Securities otherwise required to be included for each such Designated Holder) unless the inclusion of shares by a particular Designated Holder or a particular set of Designated Holders results in the Staff or the SEC's taking the position that the inclusion of such Registrable Securities by such Designated Holders would constitute a registration "by or on behalf of the Company," in which event, the shares held by such Designated Holder or set of Designated Holders shall be the only shares subject to reduction. In addition, in the event that the Staff or the SEC requires any Designated Holder seeking to sell securities under a Registration Statement filed pursuant to this Agreement to be specifically identified as an "underwriter" (an "Underwriter Identification") in order to permit such Registration Statement to become effective, and such Designated Holder (subject to Section 3.2(d) below) does not consent to being so named as an underwriter in such Registration Statement, then, in each such case, the Company shall reduce the total number of Registrable Securities to be registered on behalf of such Designated Holder, only to the extent necessary as would cause the Staff or the SEC not to require such Underwriter Identification or until such Designated Holder accepts such Underwriter Identification and the manner thereof. In the event of any reduction in Registrable Securities pursuant to this Section 3.2(b), if requested by a Designated Holder holding Registrable Securities that were so excluded from such registration, the Company shall use its reasonable best efforts to cause such Registrable Securities to be registered to the greatest extent and at the earliest opportunity practicable and in any event not later sixty (60) days after the earliest practicable date permitted under applicable guidance of the SEC and the Staff (and shall use its reasonable best efforts to effect additional registrations of Registrable Securities until all such securities have been included in additional Registration Statements).

- (c) Notwithstanding anything to the contrary in this Agreement, a Designated Holder shall have the right to require the Company to exclude all or any portion of such Designated Holder's Registrable Securities from any Registration Statement, by written notice to the Company upon such Designated Holder's reasonable belief that (i) inclusion of such Registrable Securities in the Registration Statement could subject such Designated Holder to underwriter liability, or (ii) the SEC or the Staff will impose material restrictions and terms on the disposition of such Registrable Securities. In such event, the Company shall be required to file a new Registration Statement for such excluded shares in accordance with Section 3.2(b).
- (d) If any such Registration Statement and related prospectus refer to any Designated Holder by name or otherwise as the holder of any securities of the Company and if in such holder's sole and exclusive judgment, such holder is or might be deemed to be an underwriter or a controlling person of the Company, or that such reference could reasonably be expected to result in an Underwriting Identification requirement, such holder shall have the right to (i) require the insertion therein of language, in form and substance satisfactory to such holder and presented to the Company in writing, to the effect that the holding by such holder of such securities is not to be construed as a recommendation by such holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such holder will assist in meeting any future financial requirements of the Company, or (ii) in the event that such reference to such holder by name or otherwise is not required by the 1933 Act or any similar federal statute then in force, require the deletion of the reference to such holder.

3.3 Event Payments. Should an Event (as defined below) occur then, upon each monthly anniversary of the occurrence of such Event (an "Event Payment Date") until the applicable Event is cured, as relief for the damages suffered therefrom by the Designated Holders (the parties hereto agreeing that the liquidated damages provided for in this Section 3.3 constitute a reasonable estimate of the damages that may be incurred by the Designated Holder by reason of such Event and that such liquidated damages represent the exclusive monetary remedy for the Designated Holders for damages suffered due to such Event; provided, however, that this shall in no manner limit the Designated Holders' entitlement to specific performance as provided for in Section 9.3), the Company shall pay to each Designated Holder an amount in cash, as liquidated damages and not as a penalty, equal to one-twentieth of a percent (0.05%) of (i) the number of SEC Approved Registrable Securities then held by such Investor as of the date of such Event, multiplied by (ii) the purchase price paid by such Investor for such SEC Approved Registrable Securities then held, for each day that such Event continues, excluding the day on which such Event has been cured. The payments to which an Investor shall be entitled pursuant to this Section 3.3 are referred to herein as "Event Payments." In the event the Company fails to make Event Payments to an Investor within five (5) Business Days after an Event Payment Date, such Event Payments owed to such Investor shall bear interest at the rate of one half percent (0.5%) per month (prorated for partial months) until paid in full. All pro rated calculations made pursuant to this paragraph shall be based upon the actual number of days in such pro rated month. Notwithstanding the foregoing provisions, in no event shall the Company be obligated to pay such liquidated damages in an aggregate amount that exceeds five percent (5%) of the purchase price paid by the Investors for its Registrable Securities pursuant to the Purchase Agreement.

For such purposes, each of the following shall constitute an "Event":

- (a) (i) a Registration Statement is not filed on or prior to the Required Filing Date or is not declared effective on or prior to the Required Effectiveness Date except: (A) as provided for in Section 6.4, (B) in the event that the SEC or the Staff (whether by means of a comment letter provided by the SEC or the Staff relating to the Registration Statement or otherwise) makes a determination that the registration of the Registrable Securities under the Registration Statement may not be appropriately characterized as secondary offerings that are eligible to be made on a shelf basis under Rule 415 or that one or more of the Designated Holders should be subjected to Underwriter Identification or (C) such extensions deemed appropriate pursuant to Section 3.1(b); or

- (b) on and after the effective date of a Registration Statement filed hereunder, a Designated Holder is not permitted to sell SEC Approved Registrable Securities under the Registration Statement (or a subsequent Registration Statement filed in replacement thereof) for any reason (other than the fault of such Designated Holder) for more than sixty (60) days in any one hundred and eighty day (180) day period or for more than one hundred (100) days in any twelve month period.
- 3.4 Expenses. The Company shall bear all Registration Expenses in connection with this Section 3, whether or not the Shelf Registration Statement becomes effective.

9

SECTION 4
INCIDENTAL OR "PIGGY-BACK" REGISTRATION

- 4.1 Request for Incidental Registration. At any time after the date hereof until the end of the Effectiveness Period, if (i) the Company proposes to file a Registration Statement under the 1933 Act with respect to an offering by the Company for its own account (other than a Registration Statement on Form S-4 or S-8 or any successor thereto), or (ii) the Company proposes to file a Registration Statement under the 1933 Act with respect to an offering for the account of any stockholder of the Company other than any Designated Holder, then in each case the Company shall give written notice of such proposed filing to each of the Designated Holders at least thirty (30) days before the anticipated filing date, and such notice shall specify, at minimum, the proposed date of filing of such Registration Statement, any proposed means of distribution of such Registrable Securities or other securities, any proposed managing underwriter or underwriters of such Registrable Securities or other securities and a good faith estimate by the Company of the proposed maximum offering price thereof (or reasonable range thereof), as such price is proposed to appear on the facing page of such registration statement, and offer such Designated Holders the opportunity to register the number of Registrable Securities as each such Designated Holder may request (an "Incidental Registration"). The Company shall (within twenty (20) days of the notice by the Designated Holders provided for below in this sentence cause the managing underwriter or underwriters in the case of a proposed underwritten offering (the "Company Underwriter") to permit each of the Designated Holders who have requested in writing to the Company within ten (10) Business Days of the giving of the notice by the Company to participate in the Incidental Registration to include its, his or her Registrable Securities in such offering on the same terms and conditions as the securities of the Company or the account of such other stockholder, as the case may be, included therein. In connection with any Incidental Registration under this Section 4.1 involving an underwritten offering, the Company shall not be required to include any Registrable Securities in such underwritten offering unless the Designated Holders thereof accept the terms of the underwritten offering as reasonably agreed upon between the Company, such other stockholders, if any, and the Company Underwriter. If the Company Underwriter determines in writing to the Company that the registration of all or part of the Registrable Securities which the Designated Holders have requested to be included in an offering by the Company for its own account (other than a Registration Statement on Form S-4 or S-8 or any successor thereto) would materially adversely affect the price, timing or distribution of the securities offered or the price per security that will derive from such registration, then the Company shall be required to include in such Incidental Registration, to the extent of the amount that the Company Underwriter believes may be sold without causing such adverse effect, (i) all of the securities to be offered for the account of the Company, (ii) the Registrable Securities to be offered for the account of the Designated Holders pursuant to this Section 4, as a group, which Registrable Securities shall be allocated pro rata among such Designated Holders based on the number of Registrable Securities requested to be included in such offering by each such Designated Holder and (iii) other securities requested to be included in such offering; provided, however, that no such reduction shall reduce the shares of Registrable Securities held by the Designated Holders included in the registration to below 20% of the total amount of securities included in such registration, unless such adverse effect is related to any of the matters contemplated by Section 3.2(b) hereof, in which case such 20% floor shall not apply and such Registrable Securities may be excluded pursuant to the provisions of Section 3.2(b) hereof. If the Company Underwriter determines in writing to the Company that the registration of all or part of the Registrable Securities which the Designated Holders have requested to be included in an offering for the account of any stockholder of the Company other than any Designated Holders ("Other Stockholders") would materially adversely affect the price, timing or distribution of the securities offered or the price per security that will derive from such registration, then the Company shall be required to include in such Incidental Registration, to the extent of the amount that the Company Underwriter believes may be sold without causing such adverse effect, (i) all of the securities to be offered for the account of such Other Stockholders, (ii) the Registrable Securities to be offered for the account of the Designated Holders pursuant to this Section 4, as a group, which Registrable Securities shall be allocated pro rata among such other Designated Holders based on the number of Registrable Securities requested to be included in such offering by each such Designated Holder, (iii) all of the securities to be offered for the account of the

Company, and (iv) other securities requested to be included in such offering; provided, however, that no such reduction shall reduce the shares of Registrable Securities held by the Designated Holders included in the registration to below 35% of the total amount of securities included in such registration unless such adverse effect is related to any of the matters contemplated by Section 3.2(b) above, in which case such 35% floor shall not apply and such Registrable Securities may be excluded pursuant to the provisions of Section 3.2(b). For the avoidance of doubt, no registration pursuant to this Section 4.1 shall relieve the Company of its obligations to register Registrable Securities pursuant to Sections 3.1 and 3.2.

- 4.2 **Right to Terminate Registration.** The Company shall have the right to terminate or withdraw any registration initiated by it under Section 4.1 prior to the effectiveness of such registration whether or not any Designated Holder has elected to include Registrable Securities in such registration. A Designated Holder shall have the right, by written notice to the Company, to exclude all or any portion of such Designated Holder's Registrable Securities from any Registration Statement effected pursuant to this Section 4 at any time prior to its effectiveness.
- 4.3 **Expenses.** The Company shall bear all Registration Expenses in connection with any Incidental Registration pursuant to this Section 4, whether or not such Incidental Registration becomes effective.

SECTION 5 UNDERWRITTEN OFFERINGS

- 5.1 **Market Underwritten Offering.** The Designated Holders may distribute all or any portion of the Registrable Securities by means of an underwritten offering; provided, that: (i) a Majority Interest has requested such underwritten offering (the "Electing Holders"), (ii) the Electing Holders provide written notice to the Company and the other Designated Holders of their intention to distribute Registrable Securities by means of an underwritten offering; (iii) the managing underwriter or underwriters thereof shall be designated by the Electing Holders (provided, however, that such designated managing underwriter or underwriters shall be reasonably acceptable to the Company); (iv) each Designated Holder participating in such underwritten offering (each a, "Participating Holder," and collectively, the "Participating Holders") agrees to sell such Participating Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Electing Holders entitled selecting the managing underwriter or underwriters hereunder; (v) each Participating Holder participating in such underwritten offering completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements; and (vi) the underwritten sale pursuant to this Section must be for a number of Registrable Securities, which based on the good faith determination by the Electing Holders, would result in gross proceeds of at least \$10 million.
- 5.2 The Company agrees that in the event an underwritten offering pursuant to this Section 5.1 is undertaken, the Company shall (without limitation to the obligations of the Company set forth in Article VI):
- (a) enter into and perform customary agreements (including an indemnity agreement with customary indemnification provisions) and take such other actions as reasonably required in order to expedite or facilitate the disposition of such Registrable Securities, including causing its officers to participate in "road shows" and other information meetings organized by the underwriter, if applicable;

- (b) make available at reasonable times for inspection by any Designated Holder, any managing underwriter participating in any disposition of such Registrable Securities pursuant to a Registration Statement, Holders' Counsel and any attorney, accountant or other agent retained by any such Designated Holder or any managing underwriter (each, an "Inspector" and, collectively, the "Inspectors"), all financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and such other information (collectively, the "Records") as shall be reasonably necessary to enable any such Inspector to exercise their due diligence responsibility, and cause the Company's and its subsidiaries' officers, directors and employees, and the independent public accountants of the Company, to supply all information reasonably requested by any such Inspector in connection with such Registration Statement. Notwithstanding the foregoing, Records and other information that the Company determines, in good faith, to be confidential, and which is delivered to the Inspectors pursuant to written instruction to keep such information confidential, shall not be disclosed by the Inspectors or used for any purpose other than as necessary or appropriate for the purpose of such inspection (and the Inspectors shall confirm their agreement in writing in advance to the Company if the Company shall so request) unless (i) the disclosure of such Records is necessary, in the Company's judgment, to avoid or correct a misstatement or omission in the Registration Statement, (ii) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction after exhaustion of all appeals therefrom or (iii) the information in such Records was and/or becomes otherwise known to the Inspectors on a non-confidential basis, prior to or after its disclosure by the Company, or was and/or becomes generally available to the public. Each Designated Holder agrees that it shall promptly, upon learning that disclosure of such Records is sought in a court of competent jurisdiction, give notice to the Company and allow the Company, at the Company's expense, to undertake appropriate action to prevent disclosure of the Records deemed confidential, and such Designated Holder shall reasonably cooperate with the Company in connection therewith;
- (c) furnish, at the request of any seller of Registrable Securities on the date such securities are delivered to the underwriters for sale pursuant to such registration or, if such securities are not being sold through underwriters, on the date the Registration Statement with respect to such securities becomes effective and dated as of such date, an opinion of counsel representing the Company for the purposes of such registration, addressed to the underwriters, if any, and to the seller making such request, covering such legal matters with respect to the registration in respect of which such opinion is being given as the underwriters, if any, and such seller may reasonably request and are customarily included in such opinions; and
- (d) obtain one or more "cold comfort" letters, dated the effective date of such Registration Statement and dated the date of the closing under the applicable underwriting agreement, signed by the independent certified public accountants of the Company who have certified the financial statements included in such Registration Statement, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the holders of a Majority Interest.

SECTION 6
REGISTRATION PROCEDURES

- 6.1 Obligations of the Company. Whenever registration of Registrable Securities has been requested pursuant to Section 3 or Section 4 of this Agreement, the Company shall use its reasonable best efforts to effect the registration of such Registrable Securities in accordance with the intended method of distribution thereof, and in connection with any such request, the Company shall, as expeditiously as possible:
- (a) before filing a Registration Statement or prospectus or any amendments or supplements thereto relating to Registrable Securities, the Company shall provide a single counsel selected by the Designated Holders holding a majority of the Registrable Securities being registered in such registration ("Holders' Counsel") with an adequate and appropriate opportunity to review and comment on such Registration Statement and each prospectus included therein (and each amendment or supplement thereto) to be filed with the SEC, subject to such documents being under the Company's control. The Company shall reasonably cooperate with Holders' Counsel in performing the Company's obligations under this Agreement. The Company shall promptly notify the Holders' Counsel and each seller of Registrable Securities of any stop order issued or threatened by the SEC relating to Registrable Securities and take all actions required to prevent the entry of such stop order or to remove it if entered;
 - (b) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for the period specified in such Section 3, or with respect to Section 4 and if not so specified therein, the lesser of (A) one hundred and eighty (180) days and (B) such shorter period which will terminate when all Registrable Securities covered by such Registration Statement have been sold and shall comply with the provisions of the 1933 Act with respect to the disposition of all securities covered by such Registration Statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement;
 - (c) furnish to each seller of Registrable Securities, prior to filing a Registration Statement relating to Registrable Securities, at least one executed copy of such Registration Statement as is proposed to be filed, and thereafter such number of conformed copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto), the prospectus included in such Registration Statement (including each preliminary prospectus and any summary prospectus) and such other documents or prospectus as each such seller may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such seller;

- (d) register or qualify such Registrable Securities under such other securities or "blue sky" laws of such jurisdictions as any seller of Registrable Securities may reasonably request, and continue such registration or qualification in effect in such jurisdiction for as long as permissible pursuant to the laws of such jurisdiction, or for as long as any such seller reasonably requests or until all of such Registrable Securities are sold, whichever is shortest, and do any and all other acts and things which may be reasonably necessary or advisable to enable any such seller to consummate the public sale or other disposition in such jurisdictions of the Registrable Securities owned by such seller; provided, however, that the Company shall not be required to (A) qualify generally to do business as a foreign entity in any jurisdiction where it would not otherwise be required to qualify but for this Section 6.1(d), or (B) consent to general service of process in any such jurisdiction;
- (e) promptly notify each seller of Registrable Securities: (i) when a prospectus, any prospectus supplement, a Registration Statement or a post-effective amendment to a Registration Statement (but only if relating to Registrable Securities) has been filed with the SEC, and, with respect to a Registration Statement or any post-effective amendment (but only if relating to Registrable Securities), when the same has become effective; (ii) of any comments or request by the SEC or any other federal or state Governmental Authority for amendments or supplements to a Registration Statement or related prospectus or for additional information (but only if relating to Registrable Securities); (iii) of the issuance by the SEC or any other Governmental Authority of any stop order suspending the effectiveness of a Registration Statement relating to Registrable Securities or of any order suspending or preventing the use of any related prospectus or the initiation or threatening of any proceedings for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceedings for such purpose; (v) of the existence of any fact or happening of any event (including the passage of time) of which the Company has knowledge which makes any statement of a material fact in such Registration Statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue or which would require the making of any changes to the Registration Statement or prospectus in order that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of such prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and (vi) determination by counsel of the Company that a post-effective amendment to a Registration Statement relating to Registrable Securities is advisable;
- (f) upon the occurrence of any event contemplated by clause (v) of Section 6.1(e), as promptly as practicable, prepare a supplement, amendment or post-effective amendment to such Registration Statement or related prospectus and furnish to each seller of Registrable Securities a reasonable number of copies of such supplement to or an amendment or post-effective amendment of such Registration Statement or prospectus as may be necessary so that, after delivery to the purchasers of such Registrable Securities, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of such prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

- (g) upon the occurrence of any event contemplated by clauses (iii) or (iv) of Section 6.1(e), as promptly as practicable, use its reasonable best efforts to promptly obtain the withdrawal of any such order or suspension and shall immediately notify each seller of Registrable Securities of any such withdrawal;
- (h) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed; provided, that the applicable listing requirements are satisfied;
- (i) keep Holders' Counsel reasonably advised in writing as to the initiation and progress of any registration hereunder; provided, that the Company shall provide Holders' Counsel with all correspondence with Staff or the SEC in connection with any Registration Statement filed hereunder to the extent that such Registration Statement has not been declared effective on or prior to the date required hereunder;
- (j) provide reasonable cooperation to each seller of Registrable Securities and each underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the FINRA;
- (k) cooperate with the Designated Holders of the Registrable Securities to facilitate the timely preparation and delivery of certificates representing such Registrable Securities to be delivered to a transferee pursuant to a Registration Statement, which certificates shall be free of any restrictive legends and in such denominations and registered in such names as such Designated Holders may request;
- (l) not later than the Required Effectiveness Date of any Registration Statement, provide CUSIP numbers for the Registrable Securities registered for resale under such Registration Statement, and provide the transfer agent for the Registrable Securities one or more certificates for such Registrable Securities, in a form eligible for deposit with the Depository Trust Company; and
- (m) take all other steps reasonably necessary and advisable to effect the registration of the Registrable Securities contemplated hereby.

6.2 Seller Information. The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish, and such seller shall furnish, to the Company such information regarding the distribution of such securities as the Company may from time to time reasonably request in writing in response to requests made by the Staff or to permit the Company to comply with the rules and regulations of the SEC. The furnishing of such information shall be a condition to the inclusion of the seller's shares in such registration.

- 6.3 Registration Expenses. The Company shall pay all expenses arising from or incident to its performance of, or compliance with, this Agreement, including, without limitation, (i) SEC, stock exchange and FINRA registration (including fees, charges and disbursements of counsel in connection with FINRA registration) and filing fees, (ii) all fees and expenses incurred in complying with securities or "blue sky" laws (including reasonable fees, charges and disbursements of counsel to any underwriter incurred in connection with "blue sky" qualifications of the Registrable Securities as may be set forth in any underwriting agreement), (iii) all printing, messenger and delivery expenses, (iv) the reasonable fees, charges and expenses of the Holders' Counsel (including without limitation the fees charges and expenses incurred in connection with any amendments to a Registration Statement), which shall in no event exceed US\$100,000 per each Registration Statement and as amended), and (v) the reasonable fees, charges and expenses of counsel to the Company and of its independent certified public accountants and any other accounting fees, charges and expenses incurred by the Company (including, without limitation, any expenses arising from any "cold comfort" letters or any special audits incident to or required by any registration or qualification), regardless of whether such Registration Statement is declared effective. All of the expenses described in the preceding sentence of this Section 6.3 are referred to herein as "Registration Expenses." The Designated Holders of Registrable Securities sold pursuant to a Registration Statement shall bear the expense of any broker's commission or underwriter's discount or commission relating to registration and sale of such Designated Holders' Registrable Securities.
- 6.4 Notice to Discontinue. Each Designated Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in clause (v) of Section 6.1(e), such Designated Holder shall forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Designated Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 6.1(f) and, if so directed by the Company, such Designated Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Designated Holder's possession, of the prospectus covering such Registrable Securities which is current at the time of receipt of such notice. If the Company shall give any such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement (including, without limitation, the period referred to in Section 6.1(b)) by the number of days during the period from and including the date of the giving of such notice pursuant to clause (v) of Section 6.1(e) to and including the date when sellers of such Registrable Securities under such Registration Statement shall have received the copies of the supplemented or amended prospectus contemplated by, and meeting the requirements of, Section 6.1(f); provided, that, no single suspension under this Section 6.4 shall exceed forty-five (45) days in any one hundred and eighty (180) day period and in no event shall more than one suspension event exceed, in the aggregate, sixty (60) days in any twelve (12) month period.

- 6.5 Suspension of Sales. Notwithstanding anything in this Agreement to the contrary, so long as the Registration Statement is on Form S-1 or on any other form that does not allow for forward incorporation by reference of reports and other materials filed by the Company pursuant to Section 13(a) or 15(d) of the 1934 Act, the Company may suspend sales under such Registration Statement as follows (but, in any event, no single suspension event shall exceed sixty (60) days in any one hundred and eighty (180) day period) and in no event shall more than one suspension event exceed, in the aggregate, ninety (90) days in any twelve (12) month period: (i) for the period commencing at the time that the Company disseminates a press release announcing its preliminary financial results for any fiscal period and ending on the third (3rd) Business Day after the earlier of (A) the date that the related report on Form 10-K or 10-Q, as applicable, under the 1934 Act is filed with the SEC and (B) the date on which such report is required to be filed under the 1934 Act (giving effect to Rule 12b-25 promulgated thereunder); (ii) for the period commencing at the time that the Company disseminates a press release announcing a material development that would make a statement of a material fact in such Registration Statement untrue or misleading and ending on the third (3rd) Business Day after the earlier of (A) the date that the related report on Form 8-K is filed with the SEC and (B) the date on which such report is required to be filed under the 1934 Act (giving effect to Rule 12b-25 promulgated thereunder); (iii) to the extent necessary to allow any post-effective amendment to the Registration Statement or supplement to the prospectus to be prepared and, if necessary, filed with the SEC and, in the case of a post-effective amendment, declared effective; and (iv) for a period during which the Company, in the good faith opinion of the Board of Directors, determines that the disclosure of material, non-public information concerning the Company or any of its subsidiaries would be materially detrimental to the Company; provided, that the Company shall promptly notify the Designated Holders in writing (I) of the existence of such material, non-public information (provided that in each notice the Company will not disclose the content of such material, non-public information to the Designated Holders) and the date on which such suspension will begin and (II) of the date on which such suspension ends. The Company will use its reasonable best efforts to minimize periods during which the Registration Statement is not effective.

SECTION 7 INDEMNIFICATION; CONTRIBUTION

- 7.1 Indemnification by the Company. The Company agrees to indemnify and hold harmless each Designated Holder, its general or limited partners, members, directors, officers, Affiliates and each Person who controls (within the meaning of Section 15 of the 1933 Act) any of the foregoing from and against any and all losses, claims, damages, liabilities and expenses (including reasonable costs of investigation) or any action or proceeding in respect thereof (including reasonable costs of investigation and reasonable attorneys' fees and expenses) (each, a "Liability" and collectively, "Liabilities"), (i) arising out of or based upon or relating to any untrue, or allegedly untrue, statement of a material fact contained in any Registration Statement, prospectus or preliminary, final or summary prospectus including any free writing prospectus, or document incorporated by reference into any of the foregoing, or notification or offering circular (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), (ii) arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which such statements were made, except insofar as such Liability arises out of or is based upon any untrue statement or omission contained in such Registration Statement, preliminary prospectus or final prospectus in reliance and in conformity with information concerning such Designated Holder furnished in writing to the Company by such Designated Holder specifically for use therein, or (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any state securities laws or any rule or regulation promulgated under the 1933 Act, the 1934 Act or any state securities laws in connection with the sale of securities by such Designated Holder pursuant to any Registration Statement in which such Designated Holder is participating. The Company shall also provide customary indemnities to any underwriters (or persons, including broker-dealers or agents deemed "underwriters" within the meaning of the 1933 Act) of the Registrable Securities, their officers, directors and employees and each Person who controls such underwriters (within the meaning of Section 15 of the 1933 Act) to the same extent as provided above with respect to the

indemnification of the Designated Holders of Registrable Securities.

17

- 7.2 Indemnification by Designated Holders. In connection with any Registration Statement in which a Designated Holder is participating pursuant to Section 3 or Section 4 hereof, each such Designated Holder shall promptly furnish to the Company in writing such information with respect to such Designated Holder as may be required by law or regulation for use in connection with any such Registration Statement or prospectus and all information required to be disclosed in order to make the information previously furnished to the Company by such Designated Holder not materially misleading or necessary to cause such Registration Statement or prospectus not to omit a material fact with respect to such Designated Holder necessary in order to make the statements therein not misleading. Each Designated Holder agrees to indemnify and hold harmless the Company, its directors, officers, Affiliates, and each Person who controls the Company to the same extent as the foregoing indemnity from the Company to the Designated Holders, but only if such untrue statement or omission was made in reliance upon and in conformity with information with respect to such Designated Holder furnished in writing to the Company by such Designated Holder specifically for use in such Registration Statement or preliminary, final or summary prospectus or amendment or supplement, or a document incorporated by reference into any of the foregoing; provided, however, that the total amount to be indemnified by such Designated Holder pursuant to this Section 7.2 shall be limited to the net proceeds (after deducting the underwriters' discounts and commissions) received by such Designated Holder in the offering to which the Registration Statement or prospectus relates.
- 7.3 Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder (the "Indemnified Party") agrees to give prompt written notice to the indemnifying party (the "Indemnifying Party") after the receipt by the Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; provided, however, that the failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of any Liability that it may have to the Indemnified Party hereunder (except to the extent that the Indemnifying Party is materially prejudiced or otherwise forfeits substantive rights or defenses by reason of such failure). If notice of commencement of any such action is given to the Indemnifying Party as above provided, the Indemnifying Party shall be entitled to participate in and, to the extent it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such Indemnified Party. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the Indemnified Party unless (i) the Indemnifying Party agrees to pay the same, (ii) the Indemnifying Party fails to assume the defense of such action with counsel reasonably satisfactory to the Indemnified Party or (iii) such parties have been advised in writing by such counsel that either (x) representation of such Indemnified Party and the Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (y) there may be one or more legal defenses available to the Indemnified Party which are different from or additional to those available to the Indemnifying Party, in any of such cases, the Indemnifying Party shall not have the right to assume the defense of such action on behalf of such Indemnified Party, it being understood, however, that the Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all similarly-situated Indemnified Parties. No Indemnifying Party shall be liable for any settlement entered into without its written consent, which consent shall not be unreasonably withheld. No Indemnifying Party shall, without the consent of such Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Party is a party and indemnity has been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability for claims that are the subject matter of such proceeding.

7.4

Contribution.

- (a) If the indemnification provided for in this Section 7 from the Indemnifying Party is unavailable to an Indemnified Party hereunder in respect of any Liabilities referred to herein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Liabilities in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions which resulted in such Liabilities, as well as any other relevant equitable considerations. The relative faults of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the Liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 7.1 and 7.2, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding; provided, that the total amount to be contributed by such Designated Holder shall be limited to the net proceeds (after deducting the underwriters' discounts and commissions) received by such Designated Holder in the offering.
- (b) The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 7.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in Section 7.4(a). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

SECTION 8
COVENANTS

- 8.1 Rule 144. The Company covenants that from and after the date hereof it shall use its commercially reasonable best efforts to (a) file any reports required to be filed by it under the 1934 Act and (b) take such further action as each Designated Holder may reasonably request (including providing any information necessary to comply with Rule 144 under the 1933 Act), all to the extent required from time to time to enable such Designated Holder to sell Registrable Securities without registration under the 1933 Act within the limitation of the exemptions provided by (i) Rule 144 under the 1933 Act, as such rule may be amended from time to time, or Regulation S under the 1933 Act or (ii) any similar rules or regulations hereafter adopted by the SEC. The Company shall, upon the request of any Designated Holder, deliver to such Designated Holder a written statement as to whether it has complied with such requirements.

19

8.2

Other Listings.

- (a) In addition to the rights of the Designated Holders under Section 3, Section 4 and Section 5 of this Agreement, in the event of the admission or listing of any Common Stock of the Company to or on an Asian or European securities exchange (a "Asian/European Listing"), the Company shall take such action as may be necessary or required to include in such Asian/European Listing all Registrable Securities held by the Designated Holders such that the Designated Holders are able to freely transfer such Registrable Securities to the same extent as any other holder of Common Stock of the Company on such securities exchange, and to maintain any such Asian/European Listing, subject to any "close periods" under the rules of such securities exchange.
- (b) Without limiting the generality of subsection (a), the Company shall take such action, including, without limitation, preparing, printing and circulating listing particulars and other offering documents setting forth current information regarding the Company, to the extent reasonably required to facilitate and permit the offering and sale of Registrable Securities by, and on behalf of, the Designated Holders on such securities exchange.
- (c) If any part of the equity share capital of the Company is to be offered in Asia or Europe by the Company or any of its shareholders in a manner requiring the publication of a prospectus or listing particulars (an "Asian/European Public Offering") pursuant to a firm commitment underwriting, the Company shall (i) each such time give written notice to the Designated Holders of its intention to do so and (ii) include in such Asian/European Public Offering all of the Registrable Securities held by such Designated Holders from whom the Company has received written request for inclusion thereof within ten (10) Business Days of the receipt by such Designated Holders of the notice referred to in clause (i) above, to the same extent as provided by the incidental or "piggy-back" rights held by the Designated Holders pursuant to Section 4.
- (d) The Company shall pay all expenses arising from or incident to its performance of, or compliance with, this Section 8.2, including, without limitation, (i) listing, filing and other fees required to effect a Asian/European Listing or Asian/European Public Offering, (ii) all fees and expenses incurred in complying with securities laws or rules of the applicable jurisdiction or stock exchange (including reasonable fees, charges and disbursements of counsel to any underwriter incurred in connection with such compliance as may be set forth in any underwriting agreement, if applicable), (iii) all printing, messenger and delivery expenses, (iv) the fees, charges and disbursements of counsel to the Company and of its independent public accountants and any other accounting fees, charges and expenses incurred by the Company (including, without limitation, any expenses arising from any "cold comfort" letters or any special audits incident to or required by any Asian/European Listing or Asian/European Public Offering) and any legal fees, charges and expenses incurred by the Company, and (v) any liability insurance or other premiums for insurance obtained for the benefit of the Company and/or its directors and officers in connection with any Asian/European Listing or Asian/European Public Offering, regardless of whether such Asian/European Listing becomes effective or such Asian/European Public Offering commences. In the event any of the Registrable Securities held by the Designated Holders are sold pursuant to an Asian/European Public Offering, each Designated Holder shall bear the respective expense of any broker's commission or an underwriter's discount or commission relating to the sale of such Designated Holders' Registrable Securities.

- 8.3 Limitations on Registration Rights. No Person shall, without the prior written consent of a Majority Interest, be permitted to include securities of the Company in any registration filed under Section 3 hereto.
- 8.4 Adjustments Affecting Registrable Securities. Except for the exercise of existing rights (as of the date hereof) held by holders of its securities, the Company shall not take any action, or permit any change to occur, with respect to the rights, privileges and preferences of its existing securities that would adversely affect the ability of the Designated Holders of Registrable Securities to include such Registrable Securities in a registration undertaken pursuant to this Agreement or that would adversely affect the marketability of such Registrable Securities in any such registration (including, without limitation, effecting a stock split or a combination of shares).

SECTION 9 MISCELLANEOUS

- 9.1 Recapitalizations, Exchanges, etc. The provisions of this Agreement shall apply to the full extent set forth herein with respect to (i) the shares of Common Stock and other Equity Securities, (ii) any and all shares of voting common stock of the Company into which the shares of Common Stock or other Equity Securities are converted, exchanged or substituted in any recapitalization or other capital reorganization by the Company and (iii) any and all equity securities of the Company or any successor or assign of the Company (whether by merger, consolidation, sale of assets or otherwise) which may be issued in respect of, in conversion of, in exchange for or in substitution of, the shares of Common Stock or other Equity Securities and shall be appropriately adjusted for any stock dividends, splits, reverse splits, combinations, recapitalizations and the like occurring after the date hereof. The Company shall cause any successor or assign (whether by merger, consolidation, sale of assets or otherwise) to enter into a new registration rights agreement with the Designated Holders on terms substantially the same as this Agreement as a condition of any such transaction.
- 9.2 Other Registration Rights. The Company shall not enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Designated Holders in this Agreement or grant any additional registration rights to any Person or with respect to any securities which are not Registrable Securities which are prior in right to or inconsistent with the rights granted in this Agreement, except with the prior written consent of a Majority Interest. Other than as set forth in this Agreement, no holder of the securities of the Company has the right to register securities of the Company on the initial or any subsequent Shelf Registration Statement.
- 9.3 Remedies. The Designated Holders, in addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, shall be entitled to specific performance of their rights under this Agreement. The Company agrees that monetary damages alone (including those specified in Section 3.3) would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive and not to assert in any action for specific performance the defense that a remedy at law would be adequate.

- 9.4 Notices. All notices, demands and other communications provided for or permitted hereunder shall be made in the manner provided for under the Securities Purchase Agreement.
- 9.5 Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of the parties hereto as hereinafter; provided, that the rights of the Designated Holders contained in this Agreement shall be automatically transferred to the transferee of any Registrable Security provided that (i) such transfer is permitted under the terms of such Registrable Security; (ii) such transferee agrees to become a party to this Agreement and be fully bound by, and subject to, all of the terms and conditions of the Agreement as though an original party hereto; (iii) the Company is furnished with written notice of (a) the name and address of such transferee, and (b) the securities with respect to which such registration rights are being transferred; (iv) immediately following such transfer the further disposition of such securities by the transferee is restricted under the 1933 Act or applicable state securities laws if so required; and (v) such transfer shall have been conducted in accordance with all applicable federal and state securities laws. All of the obligations of the Company hereunder shall survive any transfer. Except as provided in Section 7, no Person other than the parties hereto and their successors and permitted assigns are intended to be a beneficiary of this Agreement.
- 9.6 Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless consented to in writing by (i) the Company and (ii) the Designated Holders holding at least a Majority Interest; provided that any party hereto may give a waiver in writing as to itself. No failure or delay by a party to this Agreement in exercising any right, power or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of the same preclude any further exercise thereof or the exercise of any other right, power or remedy. Without limiting the foregoing, no waiver by a party to this Agreement of any breach by any other Party of any provision hereof shall be deemed to be a waiver of any subsequent breach of that or any other provision hereof.
- 9.7 Aggregation of Stock. All shares of Registrable Securities held or acquired by Affiliated entities or Persons or entities or Persons under common management or control shall be aggregated together for the purpose of determining the availability of any rights under this Agreement.
- 9.8 Counterparts. This Agreement may be executed in one or more counterparts including counterparts transmitted by telecopier or facsimile, each of which shall be deemed an original, but all of which signed and taken together, shall constitute one document.

With respect to any such action, service of process upon any party hereto in the manner provided in the Purchase Agreement for the giving of notices shall be deemed, in every respect, effective service of process upon such party. If there is no applicable jurisdiction in such federal court, each of the parties hereto shall submit itself to the jurisdiction of the state court for the State of New York.
- 9.11 WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO ENFORCE OR DEFEND ANY RIGHTS OR REMEDIES UNDER THIS AGREEMENT.

This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto with respect to the subject matter contained herein. There are no restrictions, promises, representations, warranties or undertakings with respect to the subject matter contained herein, other than those set forth or referred to herein. This Agreement supersedes all prior agreements and understandings among the parties with respect to such subject matter.

- 9.14 Service of Process. The Company hereby irrevocably designates and appoints Favor Sea (US) Inc. (the "Process Agent"), as the authorized agent of the Company upon whom process may be served in any such suit or proceeding, it being understood that the designation and appointment of the Process Agent as such authorized agent shall become effective immediately without any further action on the part of the Company. The Company hereby represents that it has notified the Process Agent of such designation and appointment and that the Process Agent has accepted the same in writing. The Company hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. The Company further agrees that service of process upon the Process Agent and written notice of said service to the Company mailed by prepaid registered first class mail or delivered to the Process Agent at its principal office, shall be deemed in every respect effective service of process upon the Company, in any such suit or proceeding. Nothing herein shall affect the right of any Party to serve process in any other manner permitted by law. The Company further agrees to take any and all actions, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of the Process Agent in full force and effect so long as the Company has any outstanding obligations under this Agreement.

SECTION 2
RESTRICTIONS ON TRANSFER OF SHARES

2.1 Limitation on Transfers. So long as the Investor holds any Equity Security of the Company, without the Investor's prior written consent, (a) neither XD Engineering nor Mr. Han shall directly or indirectly, sell, give, assign, hypothecate, pledge, encumber, grant a security interest in or otherwise dispose of, or suffer to exist (whether by operation of law or otherwise) any Encumbrance on, any Equity Securities of the Company directly or indirectly held by XD Engineering or Mr. Han or any right, title or interest therein or thereto (including any contractual or other legal arrangement having the effect of transferring any or all of the benefits of ownership or economic rights), or otherwise take any action to the effect that any other Person will become a "beneficial owner" (as defined in Rule 13d-3 promulgated under the 1934 Act) of any Equity Security of the Company directly or indirectly held by XD Engineering or Mr. Han (each, a "Transfer"); and (b) Mr. Han shall not directly or indirectly Transfer any Equity Security of XD Engineering. Notwithstanding the forgoing, XD Engineering and Mr. Han shall be entitled to, at its or his sole discretion, hypothecate, pledge, encumber or otherwise grant a security interest in those Equity Securities that are not subject to the pledge pursuant to the Pledge Agreement in favor of a bona fide third party in connection with a business transaction with a valid business purpose; provided that the foregoing transaction shall not result in XD Engineering and/or Mr. Han losing the control or ownership of the Equity Securities being hypothecated, pledged, encumbered or otherwise granted a security interest on.

2.2

Tag-Along Rights.

- (a) So long as the Investor holds any Equity Security of the Company, if XD Engineering and/or Mr. Han (as applicable, in such capacity, the "Transferring Stockholder") proposes to directly or indirectly Transfer any Equity Securities of the Company in one or a series of transactions to a third party (the "Transferee") which could reasonably be expected to result in a Change of Control, the Transferring Stockholder shall send a written notice to the Investor (the "Transfer Notice") at least sixty (60) calendar days prior to the proposed closing of such Transfer between the Transferring Stockholder and the Transferee. The Transfer Notice shall state, (i) the name of the Transferring Stockholder, (ii) the name and address of the Transferee, (iii) the amount of Equity Securities to be Transferred (the "Offered Shares"), (iv) the amount and form of the proposed consideration for the proposed Transfer and (v) the other terms and conditions of the proposed Transfer.
- (b) The Investor shall have the right (the "Tag-Along Right") but not the obligation to require the Transferee to purchase from the Investor, at the same consideration per share of Common Stock (or, if the consideration per share of Common Stock is not applicable, at the same consideration for the same amount of voting power associated with the Equity Securities being transferred by the Transferring Stockholder) offered to the Transferring Stockholder and upon the same terms and conditions as to be paid and given to the Transferring Stockholder as set forth in the Transfer Notice, all or a portion of the Equity Securities held by the Investor.
- (c) For the Investor to exercise such Tag-Along Right, within thirty (30) calendar days after the delivery of the Transfer Notice, the Investor shall deliver a notice of such election (the "Tag-Along Notice") to the Transferring Stockholder, specifying the amount of Equity Securities with respect to which it has elected to exercise its Tag-Along Right. Such Tag-Along Notice shall be irrevocable and shall constitute a binding agreement by the Investor to Transfer such Equity Securities on the terms and conditions set forth in the Transfer Notice; provided however, in connection with any such Transfer from the Investor to the Transferee as contemplated hereunder, the Investor shall not be required to make any representation, warranty or indemnity regarding any matter concerning the business of any Group Member.
- (d) Where the Investor has properly elected to exercise its Tag-Along Right and the proposed Transferee fails to purchase the Investor's Equity Securities specified in the Tag-Along Notice from the Investor, the Transferring Stockholder shall not make the proposed Transfer, and if any Transfer is purported to be made, such Transfer shall be void and null ab initio.

2.3 Avoidance of Restrictions. The Parties agree that the Transfer restrictions in this Agreement shall not be capable of being avoided by the holding of Equity Securities of the Company indirectly through a company or other entity that can itself be sold in order to dispose of an interest in the Equity Securities of the Company free of such restrictions. Any Transfer or other disposal of any shares (or other interest) of the entity holding equity interest in a Party shall be treated as being a Transfer of the Equity Securities of the Company held by that Party, and the provisions of this Agreement that apply in respect of the Transfer of the Equity Securities of the Company shall thereupon apply in respect of the Equity Securities of the Company so held.

SECTION 3
REPRESENTATIONS, WARRANTIES, COVENANTS AND UNDERTAKINGS

3.1 Representations and Warranties. XD Engineering and Mr. Han jointly and severally represent to the Investor, and the Investor represents to XD Engineering and Mr. Han (to the extent applicable), that:

- (a) such Party has the full power and authority to enter into, execute and deliver this Agreement and to perform the transactions contemplated hereby, and such Party is duly incorporated or organized and existing under the laws of the jurisdiction of its incorporation or organization;
- (b) the execution and delivery by such Party of this Agreement and the performance by such Party of the transactions contemplated hereby have been duly authorized by all necessary corporate or other action of such Party;
- (c) assuming the due authorization, execution and delivery hereof by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally; and
- (d) the execution, delivery and performance of this Agreement by such Party and the consummation of the transactions contemplated hereby will not (i) violate any provision of any organizational or governance document of such Party, (ii) require such Party to obtain any consent, approval or action of, or make any filing with or give any notice to, any Governmental Authority in such Party's country of organization or any other Person pursuant to any instrument, contract or other agreement to which such Party is a party or by which such Party is bound, other than any such consent, approval, action or filing that has already been duly obtained or made or otherwise explicitly required hereunder, (iii) conflict with or result in any breach or violation of any of the terms and conditions of, or constitute (or with notice or lapse of time or both constitute) a default under, any instrument, contract or other agreement to which such Party is a party or by which such Party is bound, or (iv) violate any law.

3.2 Non-Competition.

Each of XD Engineering and Mr. Han undertakes to the Investor that it/he will not, and will ensure that the other companies that it/he directly or indirectly Controls or holds equity interests in (other than the Group Members) will not, without the prior written consent of the Investor:

- (a) enter into any business that is engaged in the Principal Business (or any part thereof) anywhere in the PRC or otherwise competes directly or indirectly with any Group Member;
- (b) solicit for itself/himself or any entity other than a Group Member the business or a customer or client of any Group Member; or
- (c) persuade, solicit or encourage any employee of any Group Member to leave such Group Member's employ.

3.3

Transaction Documents.

- (a) Subject to Section 10 of the Securities Purchase Agreement, XD Engineering and Mr. Han shall be severally and not jointly liable with the Company for the Company's obligations under the Transaction Documents. In the event that the Company does not pay the applicable full amount of the Voluntary Redemption Price (as defined in the Certificate of Designation) and/or the Mandatory Redemption Price (as defined in the Certificate of Designation) to the Investor for any reason within six months after the Redemption Date (as defined in the Certificate of Designation) or the Mandatory Redemption Date (as defined in the Certificate of Designation), as applicable, XD Engineering and Mr. Han shall immediately make payment to the Investor such that the Investor will receive the applicable full amount of the Voluntary Redemption Price and/or the Mandatory Redemption Price.
- (b) Subject to Section 10.2(b) of the Securities Purchase Agreement, XD Engineering and Mr. Han undertake to the Investor that if for any reason any provision of the Certificate of Designation is not enforceable or alleged to be unenforceable by any Person, XD Engineering and Mr. Han will transfer shares or pay the relevant price or take other means to transfer the economic interest to the Investor, to the effect that the Investor will enjoy the full economic benefit under the Certificate of Designation as if such unenforceability of alleged unenforceability had not occurred.

3.4 Anti-Dilution Protection. If the Company shall at any time issue or sell any shares of Common Stock or Equity Securities, other than an issuance or sale in an Exempted Issuance, at a price per share of Common Stock, or in the case other Equity Securities exchangeable or convertible into shares of Common Stock, at a conversion or exercise price for a share of Common Stock (in each case, the "New Issue Price") that is less than the then effective Conversion Price of Series D Preferred Stock (as defined in the Certificate of Designation of Series D Preferred Stock) (treating the price per share of Common Stock, in the case of the issuance of any Equity Securities, as equal to (x) the sum of the price for such Equity Securities plus any additional consideration payable (without regard to any anti-dilution adjustments) upon the conversion, exchange or exercise of such Equity Securities divided by (y) the number of shares of Common Stock initially underlying such Equity Securities), the Investor shall have the right to purchase from XD Engineering and/or Mr. Han, and XD Engineering and/or Mr. Han shall sell and transfer to the Investor, at par value per share, a number of shares of Common Stock that is equal to (i) the number of shares of Common Stock that the Series D Preferred Stock held by the Investor would have been convertible into as if the then effective Conversion Price is equal to the New Issue Price, minus (ii) the number of shares of Common Stock that the outstanding Series D Preferred Stock held by the Investor are convertible into under the then effective Conversion Price. Such sale and purchase shall be completed within 10 Business Days after the date of issuance of the Common Stock or other Equity Securities or a later date requested by the Investor.

In case the consideration received by the Company from such sale or issuance is not cash, the amount of the consideration shall be the Fair Market Value of such non-cash consideration. If the terms of any Equity Securities of the Company other than the Series D Preferred Stock are amended, modified or adjusted by operation of their terms (including any anti-dilution adjustment) or in any other manner that results in a reduction of the New Issue Price of such Equity Securities, XD Engineering and/or Mr. Han shall sell and transfer to the Investor, and the Investor shall purchase from XD Engineering and/or Mr. Han, additional number of shares of Common Stock at par value in accordance with this Section 3.4, as if the New Issue Price after such reduction had been the original New Issue Price of such Equity Securities.

The "Fair Market Value" of any property in connection with any given transaction means:

- (i) if it is a security listed on a national securities exchange, then the value shall be deemed to be the average of the closing prices of the securities on such exchange over the thirty (30) day period ending three (3) days prior to the closing of such transaction;
- (ii) if it is a security actively traded over the counter, the value shall be deemed to be the average of the closing bid prices over the thirty (30) day period ending three (3) days prior to the closing of such transaction; and

PLEDGE AGREEMENT

Final Form

PLEDGE AGREEMENT

THIS PLEDGE AGREEMENT (as amended, supplemented or modified in accordance with the terms hereof, this “Agreement”), dated as of [], 2011 is entered into by and between MSPEA Modified Plastics Holding Limited, a company incorporated and existing under the laws of Cayman Islands (the “Pledgee”) and XD. Engineering Plastics Company Limited, a corporation organized under the laws of the British Virgin Islands (the “Pledgor”).

WHEREAS, pursuant to the Securities Purchase Agreement, dated as of August 15, 2011 (the “Securities Purchase Agreement”), among the Pledgee, Mr. Jie Han, a citizen of the People’s Republic of China (“Mr. Han”), the Pledgor and China XD Plastics Company, a corporation organized and existing under Chapter 78 of the Nevada Revised Statutes of the State of Nevada (the “Company”), the Company has agreed to issue and sell to the Pledgee an aggregate of 16,000,000 shares of its series D junior convertible preferred stock, par value \$0.0001 per share (the “Series D Preferred Stock”);

WHEREAS, in connection with the transactions contemplated by the Securities Purchase Agreement, the parties hereto, Mr. Han and the Company have entered into other Transaction Documents (as defined in the Securities Purchase Agreement);

WHEREAS, the Pledgor is a stockholder of the Company;

WHEREAS, in order to induce the Pledgee to enter into the transactions contemplated by the Transaction Documents the Pledgor has agreed to grant to the Pledgee a security interest in certain shares of the common stock of the Company, par value \$0.0001 per share (the “Common Stock”) owned by the Pledgor as set forth in Schedule A attached hereto (the “Pledged Shares”) to secure the performance by the Company, Mr. Han and the Pledgor of their obligations under the Transaction Documents.

NOW, THEREFORE, in consideration of the premises and other consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor hereby agrees with the Pledgee, as follows:

Section 1. Pledge. The Pledgor hereby pledges, assigns and grants to the Pledgee, a first priority security interest and lien in the following property (the “Collateral”) to secure the payment and performance of the Secured Obligations (as defined below):

- (a) any and all right, title interests in the Pledged Shares including, without limitation, all certificates, agreements or instruments, if any, representing the Pledged Shares, any options and other rights of any nature whatsoever which may be issued or granted to the Pledgor in respect of the Pledgor’s interest in the Pledged Shares while this Agreement is in effect; and, subject to Section 6 of this Agreement, all income and benefits, including, without limitation, dividends, distributions payable or distributable in cash, property, or stock, registration rights and subscription rights, instruments and other property (the “Proceeds”) from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Pledgor’s interest in any of the foregoing; and

2

- (b) all additions, substitutes and replacements for and Proceeds of the property described in paragraph (a) above (including all shares or other proceeds arising out of conversions or splits of any securities described in paragraph (a) above). Any securities received by the Pledgor which shall constitute such additions, substitutes and replacements for, or Proceeds of, the property described in paragraph (a) above, shall, if delivered to the Pledgor, be held in trust by the Pledgor for the Pledgee and shall be delivered immediately to the Pledgee.

Section 2. Secured Obligations. The following obligations (collectively, the “Secured Obligations”) are secured by the Collateral under this Agreement:

- (a) The full and prompt payment when due (whether at stated maturity, by redemption or acceleration or otherwise) of all debts, obligations and liabilities of the Pledgor (including liabilities for which the Pledgor is jointly and severally liable) and Mr. Han owing to the Pledgee, whether now existing or hereafter incurred, arising under the Transaction Documents and any and all renewals, extensions and rearrangements thereof, and the due performance and compliance by the Company, the Pledgor and Mr. Han with all of the terms, conditions and agreements contained in the Transaction Documents; and
- (a) All reasonable costs and expenses incurred by the Pledgee, including, without limitation, reasonable attorney’s fees and expenses, to enforce this Agreement and maintain, preserve, collect and realize upon the Collateral; provided, however, that the Pledgee shall notify the Pledgor and Mr. Han in writing as soon as possible if such costs and expenses are reasonably estimated to have reached US\$100,000 (it being understood that no failure or delay of the Pledgee to so notify the Pledgor or Mr. Han shall prejudice the validity or status of the Secured Obligations).

Section 3. Procedure.

To the extent that the Pledgor at any time or from time to time owns, acquires or obtains any right, title or interest in any Collateral, such Collateral shall automatically (and without the taking of any action by the Pledgee) be pledged pursuant to Section 3 of this Agreement, and the Pledgor shall take such actions as the Pledgee shall reasonably request with respect thereto to perfect its security interest therein. The Pledgor shall deliver all investment securities and other instruments and documents which are a part of the Collateral and in the Pledgor’s possession to the Pledgee, in a form suitable for transfer by delivery or accompanied by duly executed instruments of transfer or assignment in blank with signatures appropriately guaranteed in form and substance suitable to the Pledgee.

Section 4. Representations and Warranties. The Pledgor hereby represents and warrants to the Pledgee as follows:

- (a) The Pledgor has full power and capacity to execute and deliver this Agreement and to incur and perform the obligations provided for herein. No consent or approval of any governmental authority or other third party is or will be required as a condition to the enforceability of this Agreement.

- (b) This Agreement is duly authorized, executed and delivered by the Pledgor and is enforceable against the Pledgor in accordance with its terms.
- (c) The Pledgor is, and (as to any substitute Collateral) shall be, the sole record and beneficial owner of the Collateral, free and clear of any setoff, claim, restriction, pledge, lien, security interest, encumbrance or other charge of any type, except for (i) the security interest created by this Agreement and (ii) restrictions imposed by applicable laws, and, subject to the same exceptions, the Pledgor has and shall have the right to transfer such Collateral and to grant a security interest therein to the Pledgee as provided in this Agreement.
- (d) Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor the fulfillment of, nor the compliance with, the terms, conditions or provisions hereof, will conflict with, result in a breach of, or constitute a default under (i) any relevant statute, law, ordinance, rule or regulation applicable to the Pledgor or the Collateral or (ii) any indenture, agreement or other instrument, or any judgment, order or decree, to which the Pledgor is a party or by which any of its assets including, without limitation, the Collateral, may be bound. There is no litigation, claim or judicial, administrative or governmental proceeding of which the Pledgor has been notified or, to the knowledge of the Pledgor, threatened with respect to the Collateral, nor is there any basis for any such litigation, claim or proceeding.
- (e) The pledge of the Collateral pursuant to this Agreement creates a valid security interest in the Collateral and a perfected first priority security interest in the Collateral, securing the performance of the Secured Obligations.
- (f) No financing statement or similar notice covering any Collateral is or shall be on file in any recording office, and no other pledge or assignment thereof has been made, or shall have been made, other than in favor of the Pledgee.

Section 5. Pledgor's Covenants. Until the payment and performance in full of all of the Secured Obligations, the Pledgor covenants that, unless the Pledgee otherwise consents in writing:

- (a) The Pledgor shall defend the Collateral against all claims and demands of all persons at any time claiming any interest therein adverse to the Pledgee. The Pledgor shall keep the Collateral free from all claims, restrictions, encumbrances, security interests, pledges, liens, demands or charges of any type, except the security interest hereby created.
 - (b) Except as contemplated by the Transactional Documents, the Pledgor shall not sell, assign, transfer, lease, lend, assign or otherwise hypothecate, pledge or encumber the Collateral or any interest therein nor reduce the Pledgor's interest in any of the Collateral. The Pledgor shall not consent to the amendment to any document, instrument or agreement governing the terms of the Collateral or the rights of the Pledgor with respect thereto except with the consent of the Pledgee.
-

4

- (c) The Pledgor shall pay all costs necessary to enforce the security interest created by this Agreement, including but not limited to taxes, assessments, reasonable attorney's fees, legal expenses and expenses of sales. Whether the Collateral is or is not in the Pledgee's possession, and without any obligation to do so and without waiving the Pledgor's default for failure to make any such payment, the Pledgee at its option may pay any such reasonable costs and expenses and discharge encumbrances on the Collateral, and such payments shall be a part of the Secured Obligations.
 - (d) The Pledgor shall sign and deliver, at its own cost, any instruments furnished by the Pledgee, including, without limitation, financing statements and continuation statements, which are necessary or desirable in the good faith and reasonable judgment of the Pledgee to obtain, create, maintain and perfect the security interest hereunder and to enable the Pledgee to comply with any federal or state law in order to obtain, create or perfect the Pledgee's interest in the Collateral or to obtain proceeds of the Collateral.
 - (e) The Pledgor shall notify the Pledgee immediately of any change in the Pledgor's place of business, and any change in any matter warranted or represented by the Pledgor in this Agreement.
 - (f) The Pledgor appoints the Pledgee and any officer thereof as the Pledgor's attorney-in-fact with full power in the Pledgor's name and on the Pledgor's behalf, from time to time after the occurrence and during the continuance of an "Event of Default", to do every act which Pledgor is obligated to do or may be required to do hereunder; however, nothing in this paragraph shall be construed to obligate the Pledgee to take any action hereunder nor shall the Pledgee be liable to the Pledgor for failure to take any action hereunder. This appointment shall be deemed a power coupled with an interest and shall not be terminable as long as any Secured Obligations are outstanding.
 - (g) No renewal or extensions of or any other indulgence with respect to the Secured Obligations or any part thereof, no modification of the terms of the Transaction Documents, no release of any security, no delay in enforcement of payment, and no delay or omission or lack of diligence or care in exercising any right or power with respect to the Secured Obligations or any security therefor or guaranty thereof or under this Agreement shall in any manner impair or affect the rights of the Pledgee under any law, hereunder or under any other Transaction Documents. The Pledgee shall not be required to file suit or assert a claim for personal judgment against any person for any part of the Secured Obligations or seek to realize upon any other security for the Secured Obligations, before foreclosing or otherwise realizing upon the Collateral. The Pledgor waives any right that can be waived to the benefit of or to require or control application of any other security or proceeds thereof, and agrees that the Pledgee shall have no duty or obligation to the Pledgor to apply to the Secured Obligations any such other security or proceeds thereof. The Pledgor waives any right to require that any action be brought against any other person or to require that resort be had to any other security. The Pledgor further waives any right of subrogation or to enforce any right of action against any other obligor on any Secured Obligations or other pledgor to the Pledgee of collateral for the Secured Obligations.
-

- (h) Except to the extent required by the Transaction Documents, so long as any Secured Obligations remain outstanding, the Pledgor shall not create or incur or suffer to be created, incurred or exist any mortgage, pledge, lien, charge, security interest or other similar encumbrance of any kind upon the shares of the Common Stock held by the Pledgor that are not Pledged Shares.
- (i) Unless and until there shall have occurred an Event of Default, the Pledgor shall be entitled to exercise all voting rights, if any, attaching to any of the Collateral, and to give consents, waivers or ratifications in respect thereof; provided, that no such action shall violate or be inconsistent with the terms of the Transaction Documents. All such rights of the Pledgor to vote and to give consents, waivers and ratifications shall cease in the case that an Event of Default shall occur and Section 9 of this Agreement shall then become applicable.

Section 6. Dividends and Distributions. Unless and until there shall have occurred an Event of Default, all cash dividends, cash distributions, cash proceeds and other cash amounts payable in respect of the Collateral shall be paid to the Pledgor. The Pledgee shall be entitled to receive directly, and to retain as part of the Collateral all other or additional stock, notes, instruments or other securities or property (other than cash dividend or distribution) paid or distributed by way of dividend or otherwise in respect of the Collateral or by reason of any consolidation, merger, exchange of stock, conveyance of assets, liquidation or similar corporate reorganization. All dividends, distributions or other payments which are received by the Pledgor contrary to this Section 6 shall be received in trust for the benefit of the Pledgee, shall be segregated from other property of the Pledgor and shall be forthwith paid over to the Pledgee as Collateral in the same form received (with any necessary endorsement).

Section 7. Preservation of Collateral.

- (a) The Pledgee shall give to the Collateral the same degree of care and protection which it gives to its own property, provided, however, that it shall have no liability to the Pledgor for any losses, costs, expenses or damages due to any acts or omissions of third parties, or due to any acts of God or other causes beyond its control. The Pledgee shall have no duty to preserve any rights with respect to any Collateral, including, without limitation, rights against prior parties, or to take, or to notify the Pledgor of the need to take, any action respecting any rights, privileges or options relating to any Collateral. To replace any certificates, however, the Pledgor shall not be required to supply any bond or other indemnity.
- (b) The Pledgor shall furnish to the Pledgee, promptly upon receipt thereof, copies of all notices, requests and other documents received by the Pledgor relating to the Collateral unless the same were sent by the Pledgee.

6

Section 8. Defaults. An “Event of Default” shall be deemed to have occurred hereunder if the Company, the Pledgor or Mr. Han, fails in any respect to perform its or his respective Secured Obligations, or if any representation or warranty made by the Company, the Pledgor or Mr. Han under any Transaction Document was untrue in any material respect when made; provided, however, if such default is curable, then an “Event of Default” shall be deemed to have occurred only if such default shall not have been cured within thirty (30) days after the occurrence of such default.

Section 9. Remedies. Upon and after the occurrence of any Event of Default:

- (a) The Pledgee may exercise its rights with respect to the Collateral, without regard to the existence of any other security or source of payment for the Secured Obligations, and may demand, sue for collection or make any other compromise or settlement with respect to other rights and remedies provided for herein or otherwise available to it, and the Pledgee shall have all of the rights and remedies of a secured party in New York under the Uniform Commercial Code.
 - (b) Except as specifically reserved herein, the Pledgor waives all suretyship defenses at law and in equity, including waste and impairment of the Collateral, and further waives the requirement of any demand and presentment. Ten (10) days’ prior notice to the Pledgor at the address provided below or at such other address as the Pledgor shall provide to the Pledgee in writing for such purpose, of the time and place of any public sale of the Collateral, or of the time after which any private sale or any other intended disposition is to be made, shall constitute reasonable notification.
 - (c) The Pledgee is authorized at any such sale (including without limitation any sale to itself or its affiliate, the same being expressly authorized and contemplated herein), if the Pledgee deems it advisable to do so, in order to comply with any applicable securities laws, to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment, and not with a view to the distribution or resale thereof. Sales made subject to such restriction shall not, solely by reason thereof, be deemed not to have been made in a commercially reasonable manner.
 - (d) The Pledgee is specifically authorized, with respect to any Collateral that consists of security, to acquire such Collateral itself or to transfer such Collateral to any affiliate of the Pledgee at a price which shall be determined reasonably and in good faith by the mutual agreement of the Pledgor and the Pledgee. The Pledgor expressly waives any requirement that the Pledgee conduct a public or private sale with respect to such Collateral and agree that such a disposition is commercially reasonable.
 - (e) In case of any sale of all or part of the Collateral on credit for future delivery, the Collateral so sold shall be retained by the Pledgee until the purchase price is paid. The Pledgee shall incur no liability in case of the failure of the purchaser to pay for the Collateral as so sold if the Collateral is recovered, or of the failure of the Pledgee to make any sale of the Collateral after giving notice thereof, and in case of any such failure, such Collateral may again be sold.
-

7

(f) All cash proceeds received by the Pledgee in respect of any sale, collection or other enforcement or disposition of the Collateral shall be applied (after deduction of any amounts payable to the Pledgee for reasonable expenses of the sale, collection or disposition of the Collateral) against the Secured Obligations in such order as the Pledgee shall elect. Upon payment or performance in full of all of the Secured Obligations, the Pledgor shall be entitled to the return of all Collateral pledged by them and all proceeds thereof, which have not been used or applied toward the payment of the Secured Obligations as herein authorized.

The Pledgor specifically understands and agrees that any sale by the Pledgee of all or part of the Collateral pursuant to the terms of this Agreement may be effected by the Pledgee at times and in manners which could result in the proceeds of such sale being significantly and materially less than might have been received if such sale had occurred at different times or in different manners, and the Pledgor hereby releases the Pledgee and its officers and representatives from and against any and all obligations and liabilities arising out of or related to the timing or manner of any such sale.

Section 10. Waivers and Remedies. Except as otherwise provided herein or by law, the Pledgor waives presentment, demand, notice and protest, notice of acceptance of this Agreement, and except as provided in Section 9(b) notice of all action by the Pledgee in reliance hereon. No failure by the Pledgee to exercise, no delay by the Pledgee in exercising, and no single or partial exercise of, any right, remedy or power hereunder or under any other agreement relating to the Secured Obligations or to Collateral shall operate as a waiver thereof, or of any other right, remedy or power at any time. No amendment, modification or waiver of any provision of this Agreement shall be effective unless contained in a writing signed by the Pledgee. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. The rights, remedies and powers of the Pledgee and the Pledgor, not only hereunder, but also under any other agreements of the Pledgor with the Pledgee including the Transaction Documents and applicable law, are cumulative and may be exercised successively, concurrently or alternatively.

Section 11. Term; Assignment; Binding Effect. This Agreement shall remain in full force and effect until the earlier of (i) the redemption in full of all of the Series D Preferred Stock held by the Pledgee pursuant to the Transaction Documents, or (ii) the conversion of all of the Series D Preferred Stock into Common Stock of the Company pursuant to the Transaction Documents, so long as there is no outstanding claim or dispute between the Investor and/or its affiliates, on the one hand, and the Company, the Pledgor and/or Mr. Han, on the other hand, under the Transaction Documents. The Pledgor may not assign this Agreement or any of its rights or duties hereunder to any Person. The Pledgee may not assign its rights hereunder except to an affiliate of the Pledgee to which the Pledgee has validly transferred some or all of the Series D Preferred Stock held by the Pledgee.

Section 12. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, except to the extent that the perfection of the security interest granted hereby in respect of any item of the Collateral may be governed by the applicable law of another jurisdiction. Unless otherwise defined herein, all words and terms used in this Agreement shall have the meanings provided in the New York Uniform Commercial Code. If any provision of this Agreement, or the application thereof to any person or circumstance, is held invalid, such provision shall be deemed to be modified to comply with applicable law or if not able to be so modified, shall be deemed to be severed from the Agreement, the remaining provisions of which to be valid and enforceable.

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT (this “Agreement”) is made as of [_____], 2011, by and between China XD Plastics Company Limited (the “Company”) and [_____] (“Indemnitee”). Capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in Article 1.

WHEREAS, the Company desires to attract and retain the services of highly qualified individuals, such as Indemnitee, to serve the Company;

WHEREAS, in order to induce Indemnitee to provide or continue to provide services to the Company, the Company wishes to provide for the indemnification of, and advancement of expenses to, Indemnitee to the fullest extent permitted by law;

WHEREAS, the Company and Indemnitee further recognize the substantial increase in corporate litigation in general, subjecting directors, officers, employees, agents and fiduciaries to expensive litigation risks at the same time as the availability and scope of coverage of liability insurance provide increasing challenges for the Company;

WHEREAS, the Company’s Amended Articles of Incorporation (as the same may be amended and/or restated from time to time, the “Articles of Incorporation”) and the Bylaws of the Company (the “Bylaws”) require indemnification of the officers and directors of the Company, and Indemnitee may also be entitled to indemnification pursuant to applicable provisions of the Nevada Revised Statutes (the “NRS”). The Articles of Incorporation, the Bylaws of the Company and the NRS expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts providing for indemnification may be entered into between the Company and members of the Board, executive officers and other key employees of the Company;

WHEREAS, this Agreement is a supplement to and in furtherance of the Articles of Incorporation and Bylaws of the Company and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder (regardless of, among other things, any amendment to or revocation of governing documents or any change in the composition of the Board or any Corporate Transaction); and

WHEREAS, Indemnitee will serve or continue to serve as a director, officer or key employee of the Company for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders his resignation or is otherwise terminated by the Company.

NOW, THEREFORE, in consideration of the promises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

- 1.1. “Affiliate” shall have the meaning set forth in Rule 405 under the Securities Act of 1933, as amended (as in effect on the date hereof).
- 1.2. “Agreement” shall have the meaning set forth in the preamble.
- 1.3. “Articles of Incorporation” shall have the meaning set forth in the recitals.

 - (a) Acquisition of Stock by Third Party. Any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 30% of the combined voting power of the Company’s then outstanding Voting Securities, unless (i) the change in the relative Beneficial Ownership of the Company’s securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors, or (ii) such acquisition was approved in advance by the Continuing Directors and such acquisition would not constitute a Change in Control under part (c) of this definition;
 - (b) Change in Board of Directors. Individuals who, as of the date hereof, constitute the Board, and any new director whose election by the Board or nomination for election by the Company’s stockholders was approved by a vote of at least a majority of the directors then still in office who were directors on the date hereof or whose election or nomination for election was previously so approved (collectively, the “Continuing Directors”), cease for any reason to constitute at least a majority of the members of the Board;

(c) Corporate Transactions. The effective date of a reorganization, merger or consolidation of the Company (a “Corporate Transaction”), in each case, unless, following such Corporate Transaction: (i) all or substantially all of the individuals and entities who were the Beneficial Owners of Voting Securities immediately prior to such Corporate Transaction beneficially own, directly or indirectly, more than 51% of the combined voting power of the then outstanding Voting Securities of the Company resulting from such Corporate Transaction (including, without limitation, a corporation that as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more Subsidiaries) in substantially the same proportions as their ownership of Voting Securities immediately prior to such Corporate Transaction; (ii) no Person (excluding any corporation resulting from such Corporate Transaction) is the Beneficial Owner, directly or indirectly, of 30% or more of the combined voting power of the then outstanding Voting Securities of the surviving corporation, except to the extent that such ownership existed prior to such Corporate Transaction; and (iii) at least a majority of the board of directors of the corporation resulting from such Corporate Transaction were Continuing Directors at the time of the execution of the initial agreement, or of the action of the Board, providing for such Corporate Transaction;

(d) Liquidation. The approval by the stockholders of the Company of a complete liquidation of the Company or an agreement or series of agreements for the sale or disposition by the Company of all or substantially all of the Company’s assets, other than factoring the Company’s current receivables or escrows due (or, if such approval is not required, the decision by the Board to proceed with such a liquidation, sale, or disposition in one transaction or a series of related transactions); or

(e) Other Events. There occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) under the Exchange Act, whether or not the Company is then subject to such reporting requirement.

1.8. “Company” shall have the meaning set forth in the preamble and shall also include, in addition to the resulting corporation or other entity, any constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger that, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that if Indemnitee is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, Indemnitee shall stand in the same position under the provisions of this Agreement with respect to the resulting or surviving corporation or other entity as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

1.9. “Continuing Directors” shall have the meaning set forth in Section 1.7(b).

1.10. “Corporate Status” shall describe the status as such of a person who is or was a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of the Company or of any other Enterprise which such person is or was serving at the request of the Company.

1.11. “Disinterested Director” shall mean a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

1.12. “Enterprise” shall mean the Company and any other corporation, constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned Subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent.

1.13. “Exchange Act” shall mean the Securities Exchange Act of 1934, as amended.

1.14. “Expenses” shall include all reasonable attorneys’ fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settling or negotiating for the settlement of, responding to or objecting to a request to provide discovery in, or otherwise participating in, any Proceeding. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding, including, without limitation, the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent and any federal, state, local or foreign taxes imposed on the Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments, fines or penalties against Indemnitee.

1.15. “Fund Indemnitors” shall have the meaning set forth in Section 15.4.

1.16. “Indemnitee” shall have the meaning set forth in the preamble.

1.17. “Independent Counsel” shall mean a law firm, or a member of a law firm, that is of outstanding reputation, experienced in matters of corporation law and neither is as of the date of selection of such firm, nor has been during the period of three years immediately preceding the date of selection of such firm, retained to represent: (a) the Company or Indemnitee in any material matter (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements); or (b) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees and expenses of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto. For purposes of this definition, a “material matter” shall mean any matter for which billings exceeded or are expected to exceed \$100,000.

1.18. “NRS” shall have the meaning set forth in the recitals.

1.19. “Person” shall have the meaning set forth in Sections 13(d) and 14(d) of the Exchange Act (as in effect on the date hereof); provided, however, that the term “Person” shall exclude: (a) the Company; (b) any Subsidiaries of the Company; and (c) any employee benefit plan of the Company or a Subsidiary of the Company or any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary of the Company or of a corporation or other entity owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

1.20. “Proceeding” shall include any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, including, without limitation, any and all appeals, whether brought by or in the right of the Company or otherwise and whether of a civil (including, without limitation, intentional or unintentional tort claims), criminal, administrative or investigative nature, whether formal or informal, in which Indemnitee was, is, will or might be involved as a party or otherwise by reason of the fact that Indemnitee is or was a director or officer of the Company, by reason of any action taken by or omission by Indemnitee, or of any action or omission on Indemnitee’s part, while acting as a director or officer of the Company, or by reason of the fact that Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise; in each case whether or not acting or serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement or NRS 78.7502; including one pending on or before the date of this Agreement but excluding one initiated by Indemnitee to enforce Indemnitee’s rights under this Agreement or NRS 78.7502.

1.21. “Subsidiary” with respect to any Person, shall mean any corporation or other entity of which a majority of the voting power of the voting equity securities or equity interest is owned, directly or indirectly, by that Person.

1.22. “Voting Securities” shall mean any securities of the Company (or a surviving entity as described in the definition of a “Change in Control”) that vote generally in the election of directors (or similar body).

1.23. References to “fines” shall include any excise tax or penalty assessed on Indemnitee with respect to any employee benefit plan; references to “other enterprise” shall include employee benefit plans; references to “serving at the request of the Company” shall include any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, such director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Agreement.

1.24. The phrase “to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law” shall include, but not be limited to: (a) to the fullest extent authorized or permitted by the provision of the NRS that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the NRS, and (b) to the fullest extent authorized or permitted by any amendments to or replacements of the NRS adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

ARTICLE 2 INDEMNITY IN THIRD-PARTY PROCEEDINGS

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 2 if Indemnitee is, was or is threatened to be made, a party to or a participant (as a witness or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law, Indemnitee shall be indemnified against all Expenses, judgments, fines, penalties and, subject to Section 10.3, amounts paid in settlement actually and reasonably incurred by Indemnitee or on Indemnitee’s behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful.

ARTICLE 3 INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 3 if Indemnitee is, was or is threatened to be made, a party to or a participant in any Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee’s behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee is not liable pursuant to NRS 78.138 or if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. No indemnification for Expenses shall be made under this Article 3 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged (and not subject to further appeal) by a court of competent jurisdiction to be liable to the Company, except to the extent that any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

ARTICLE 4

INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL

Notwithstanding any other provisions of this Agreement, to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith. For the avoidance of doubt, if Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with each resolved claim, issue or matter, whether or not Indemnitee was wholly or partly successful; provided, that Indemnitee shall only be entitled to indemnification for Expenses with respect to unsuccessful claims under this Article 4 to the extent Indemnitee is not liable pursuant to NRS 78.138 or Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful. For purposes of this Article 4 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, or by settlement, shall be deemed to be a successful result as to such claim, issue or matter.

ARTICLE 5

INDEMNIFICATION FOR EXPENSES OF A WITNESS

Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

ARTICLE 6

ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS

Notwithstanding any limitations in Articles 2, 3 or 4, but subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law if Indemnitee is, was or is threatened to be made, a party to or a participant in any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and, subject to Section 10.3, amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with the Proceeding. No indemnity shall be available under this Article 6 on account of Indemnitee's conduct that constitutes a breach of Indemnitee's duty of loyalty to the Company or its stockholders or is an act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law.

ARTICLE 7
CONTRIBUTION IN THE EVENT OF JOINT LIABILITY

7.1. To the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law, if the indemnification rights provided for in this Agreement are unavailable to Indemnitee in whole or in part for any reason whatsoever, in respect of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such Proceeding), the Company, in lieu of indemnifying Indemnitee, shall pay, in the first instance, the entire amount incurred by Indemnitee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, without requiring Indemnitee to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnitee.

7.2. The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such Proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

7.3. The Company hereby agrees to fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company (other than Indemnitee) who may be jointly liable with Indemnitee.

ARTICLE 8
EXCLUSIONS

8.1. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity, contribution or advancement of Expenses in connection with any claim made against Indemnitee:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy of the Company or its Subsidiaries or other indemnity provision of the Company or its Subsidiaries, except with respect to any excess beyond the amount paid under any insurance policy, contract, agreement, other indemnity provision or otherwise; or

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act (or any similar successor statute) or similar provisions of state statutory law or common law; or

(c) in connection with any Proceeding (or any part of any Proceeding) initiated or brought voluntarily by Indemnitee, including, without limitation, any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, other than a Proceeding initiated by Indemnitee to enforce its rights under this Agreement, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) or (ii) the Company provides the indemnification payment, in its sole discretion, pursuant to the powers vested in the Company under applicable law; or

(d) for the payment of amounts required to be reimbursed to the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002, as amended, or any similar successor statute; or

(e) for any payment to Indemnitee that is finally determined to be unlawful under the procedures and subject to the presumptions of this Agreement.

The exclusion in Section 8.1(c) shall not apply to counterclaims or affirmative defenses asserted by Indemnitee in an action brought against Indemnitee.

ARTICLE 9 ADVANCES OF EXPENSES; SELECTION OF LAW FIRM

9.1. Subject to Article 8, the Company shall, unless prohibited by applicable law, advance the Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding within ten business days after the receipt by the Company of a statement or statements requesting such advances, together with a reasonably detailed written explanation of the basis therefor and an itemization of legal fees and disbursements in reasonable detail, from time to time, whether prior to or after final disposition of any Proceeding. Advances shall be unsecured and interest free. Indemnitee shall qualify for advances, to the fullest extent permitted by applicable law, solely upon the execution and delivery to the Company of an undertaking providing that Indemnitee undertakes to repay the advance to the extent that it is ultimately determined by final judicial decision of a court of competent jurisdiction from which there is no further right to appeal that Indemnitee is not entitled to be indemnified by the Company under the provisions of this Agreement. This Section 9.1 shall not apply to any claim made by Indemnitee for which an indemnification payment is excluded pursuant to Article 8.

9.2. If the Company shall be obligated under Section 9.1 hereof to pay the Expenses of any Proceeding against Indemnitee, then the Company shall be entitled to assume the defense of such Proceeding upon the delivery to Indemnitee of written notice of its election to do so. If the Company elects to assume the defense of such Proceeding, then unless the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, the Company shall assume such defense using a single law firm selected by the Company representing Indemnitee and other present and former directors or officers of the Company. The retention of such law firm by the Company shall be subject to prior written approval by Indemnitee, which approval shall not be unreasonably withheld, delayed or conditioned. If the Company elects to assume the defense of such Proceeding and the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, then the Company shall assume such defense using a single law firm selected by Indemnitee and any other present or former directors or officers of the Company who are parties to such Proceeding. After (x) in the case of retention of any such law firm selected by the Company, delivery of the required notice to Indemnitee, approval of such law firm by Indemnitee and the retention of such law firm by the Company, or (y) in the case of retention of any such law firm selected by Indemnitee, the completion of such retention, the Company will not be liable to Indemnitee under this Agreement for any Expenses of any other law firm incurred by Indemnitee after the date that such first law firm is retained by the Company with respect to the same Proceeding, provided, that in the case of retention of any such law firm selected by the Company (a) Indemnitee shall have the right to retain a separate law firm in any such Proceeding at Indemnitee's sole expense; and (b) if (i) the retention of a law firm by Indemnitee has been previously authorized by the Company, (ii) Indemnitee shall have reasonably concluded that there may be a conflict of interest between either (1) the Company and Indemnitee or (2) Indemnitee and another present or former director or officer of the Company also represented by such law firm in the conduct of any such defense, or (iii) the Company shall not, in fact, have retained a law firm to prosecute the defense of such Proceeding within thirty days, then the reasonable Expenses of a single law firm retained by Indemnitee shall be at the expense of the Company.

ARTICLE 10
PROCEDURE FOR NOTIFICATION; DEFENSE OF CLAIM; SETTLEMENT

10.1. Indemnitee shall, as a condition precedent to Indemnitee's right to be indemnified under this Agreement, give the Company notice in writing promptly of any claim made against Indemnitee for which indemnification will or could be sought under this Agreement, provided, however, that a delay in giving such notice shall not deprive Indemnitee of any right to be indemnified under this Agreement unless, and then only to the extent that, such delay is materially prejudicial to the defense of such claim. The omission or delay to notify the Company will not relieve the Company from any liability for indemnification which it may have to Indemnitee otherwise than under this Agreement. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

10.2. The Company will be entitled to participate in the Proceeding at its own expense.

10.3. The Company shall have no obligation to indemnify Indemnitee under this Agreement for any amounts paid in settlement of any claim effected without the Company's prior written consent, provided the Company has not breached its obligations hereunder. The Company shall not settle any claim, including, without limitation, any claim in which it takes the position that Indemnitee is not entitled to indemnification in connection with such settlement, nor shall the Company settle any claim which would impose any fine or any obligation on Indemnitee, without Indemnitee's prior written consent. Neither the Company nor Indemnitee shall unreasonably withhold, delay or condition their consent to any proposed settlement.

ARTICLE 11
PROCEDURE UPON APPLICATION FOR INDEMNIFICATION

11.1. Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 10.1, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in the specific case: (a) if a Change in Control shall have occurred, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; or (b) if a Change in Control shall not have occurred, (i) by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, (ii) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, or (iii) if there are less than three Disinterested Directors or, if such Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, and, if it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten business days after such determination. Indemnitee shall cooperate with the Person making such determination with respect to Indemnitee's entitlement to indemnification, including, without limitation, providing to such Person upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination, provided, that nothing contained in this Agreement shall require Indemnitee to waive any privilege Indemnitee may have. Any costs or expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the Person making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

11.2. If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 11.1 hereof, the Independent Counsel shall be selected as provided in this Section 11.2. If a Change in Control shall not have occurred, the Independent Counsel shall be selected by the Board, and the Company shall give written notice to Indemnitee advising Indemnitee of the identity of the Independent Counsel so selected. If a Change in Control shall have occurred, the Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board, in which event the preceding sentence shall apply), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. In either event, Indemnitee or the Company, as the case may be, may, within ten business days after such written notice of selection shall have been given, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Article 1 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within twenty days after submission by Indemnitee of a written request for indemnification pursuant to Section 10.1 hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may seek arbitration for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the arbitrator or by such other person as the arbitrator shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 11.1 hereof. Such arbitration referred to in the previous sentence shall be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association, and Article 13 hereof shall apply in respect of such arbitration and the Company and Indemnitee. Upon the due commencement of any judicial proceeding pursuant to Section 13.1 of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

ARTICLE 12 PRESUMPTIONS AND EFFECT OF CERTAIN PROCEEDINGS

12.1. In making a determination with respect to entitlement to indemnification hereunder, the Person making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 10.1 of this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its Board, its Independent Counsel and its stockholders) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification or advancement of expenses is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its Board, its Independent Counsel and its stockholders) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

12.2. If the Person empowered or selected under Article 11 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within thirty days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (a) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (b) a final judicial determination that any or all such indemnification is expressly prohibited under applicable law; provided, however, that such thirty-day period may be extended for a reasonable time, not to exceed an additional fifteen days, if the Person making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

12.3. The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement (with or without court approval), conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee is liable pursuant to NRS 78.138 or Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

12.4. For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if, among other things, Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the directors or officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, its Board of Directors, any committee of the Board of Directors or any director, or on information or records given or reports made to the Enterprise, its Board of Directors, any committee of the Board of Directors or any director, by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise, its Board of Directors, any committee of the Board of Directors or any director. The provisions of this Section 12.4 shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement. In any event, it shall be presumed that Indemnitee has at all times acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

12.5. The knowledge and/or actions, or failure to act, of any other director, officer, trustee, partner, managing member, fiduciary, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

12.6. The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

ARTICLE 13 REMEDIES OF INDEMNITEE

13.1. In the event that (a) a determination is made pursuant to Article 11 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (b) advancement of Expenses, to the fullest extent permitted by applicable law, is not timely made pursuant to Article 9 of this Agreement, (c) no determination of entitlement to indemnification shall have been made pursuant to Section 11.1 of this Agreement within thirty days after receipt by the Company of the request for indemnification and of reasonable documentation and information which Indemnitee may be called upon to provide pursuant to Section 11.1, (d) payment of indemnification is not made pursuant to Articles 4, 5, 6, or Section 11.1 of this Agreement within ten business days after receipt by the Company of a written request therefor, (e) a contribution payment is not made in a timely manner pursuant to Article 7 of this Agreement, or (f) payment of indemnification pursuant to Article 3 or 6 of this Agreement is not made within ten business days after a determination has been made that Indemnitee is entitled to indemnification, Indemnitee shall be entitled to an adjudication by a court of competent jurisdiction of Indemnitee's entitlement to such indemnification, contribution or advancement of Expenses. Alternatively, Indemnitee, at his or her option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Except as set forth herein, the provisions of Nevada law (without regard to its conflict of laws rules) shall apply to any such arbitration. The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration. The award rendered by such arbitration will be final and binding upon the parties hereto, and final judgment on the arbitration award may be entered in any court of competent jurisdiction.

13.2. In the event that a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Article 13 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Article 13, Indemnitee shall be presumed to be entitled to receive advances of Expenses under this Agreement and the Company shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and the Company may not refer to or introduce into evidence any determination pursuant to Section 11.1 of this Agreement adverse to Indemnitee for any purpose. If Indemnitee commences a judicial proceeding or arbitration pursuant to this Article 13, Indemnitee shall not be required to reimburse the Company for any advances pursuant to Article 9 until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal shall have been exhausted or lapsed).

13.3. If a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Article 13, absent (a) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (b) a prohibition of such indemnification under applicable law.

13.4. The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Article 13 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

13.5. The Company shall indemnify and hold harmless Indemnitee to the fullest extent permitted by law against all Expenses and, if requested by Indemnitee, shall (within ten days after the Company's receipt of such written request) pay to Indemnitee, to the fullest extent permitted by applicable law, such Expenses which are incurred by Indemnitee in connection with any judicial proceeding or arbitration brought by Indemnitee (a) to enforce his rights under, or to recover damages for breach of, this Agreement or any other indemnification, advancement or contribution agreement or provision of the Articles of Incorporation, or the Bylaws now or hereafter in effect; or (b) for recovery or advances under any insurance policy maintained by any person for the benefit of Indemnitee, regardless of the outcome and whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement, contribution or insurance recovery, as the case may be (unless such judicial proceeding or arbitration was not brought by Indemnitee in good faith).

13.6. Interest shall be paid by the Company to Indemnitee at the legal rate under Nevada law for amounts which the Company indemnifies, or is obliged to indemnify, for the period commencing with the date on which Indemnitee requests indemnification, contribution, reimbursement or advancement of any Expenses and ending with the date on which such payment is made to Indemnitee by the Company.

ARTICLE 14 SECURITY

Notwithstanding anything herein to the contrary, to the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

ARTICLE 15
NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; PRIMACY OF INDEMNIFICATION;
SUBROGATION

15.1. The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Articles of Incorporation, the Company's Bylaws, any agreement, a vote of stockholders, a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Articles of Incorporation, the Company's Bylaws or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

15.2. The NRS, the Articles of Incorporation and the Company's Bylaws permit the Company to purchase and maintain insurance or furnish similar protection or make other arrangements, including, but not limited to, providing a trust fund, letter of credit, or surety bond ("Indemnification Arrangements") on behalf of Indemnitee against any liability asserted against Indemnitee or incurred by or on behalf of Indemnitee or in such capacity as a director, officer, employee or agent of the Company, or arising out of Indemnitee's status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability under the provisions of this Agreement or under the NRS, as it may then be in effect. The purchase, establishment, and maintenance of any such Indemnification Arrangement shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and obligations of the Company or the other party or parties thereto under any such Indemnification Arrangement.

15.3. To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners, managing members, fiduciaries, employees, or agents of the Company or of any other Enterprise which such person serves at the request of the Company, the Company shall cause Indemnitee to be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, trustee, partner, managing member, fiduciary, employee or agent under such policy or policies. If, at the time the Company receives notice from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness or otherwise), the Company has director and officer liability insurance in effect, the Company shall give prompt notice of the commencement of such Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies.

15.4. The Company hereby acknowledges that Indemnitee has certain rights to indemnification, advancement of Expenses and/or insurance provided by Morgan Stanley Private Equity Asia and certain of its Affiliates (collectively, the “Fund Indemnitors”). The Company hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to Indemnitee are primary and any obligation of the Fund Indemnitors to advance Expenses or to provide indemnification for the same Expenses or liabilities incurred by Indemnitee are secondary), (ii) that it shall be required to advance the full amount of Expenses incurred by Indemnitee and shall be liable for the full amount of all Expenses, judgments, penalties, fines and amounts paid in settlement to the extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law and as required by the terms of this Agreement and the Articles of Incorporation or Bylaws of the Company (or any other agreement between the Company and Indemnitee), without regard to any rights Indemnitee may have against the Fund Indemnitors, and, (iii) that it irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Fund Indemnitors on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company shall affect the foregoing and the Fund Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Indemnitee against the Company. The Company and Indemnitee agree that the Fund Indemnitors are express third party beneficiaries of the terms of this Section 15.4.

15.5. In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Fund Indemnitors), who shall execute all papers reasonably required and take all action reasonably necessary to secure such rights, including, without limitation, execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

15.6. The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (or for which advancement is provided hereunder) if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

15.7. The Company’s obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification payments or advancement of Expenses from such Enterprise. Notwithstanding any other provision of this Agreement to the contrary, (a) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification advancement, contribution or insurance coverage among multiple parties possessing such duties to Indemnitee prior to the Company’s satisfaction and performance of all its obligations under this Agreement, and (b) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, contribution or insurance coverage rights against any person or entity other than the Company.

ARTICLE 16
ENFORCEMENT AND BINDING EFFECT

16.1. The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve or continue to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving or continuing to serve as a director, officer or key employee of the Company.

16.2. This Agreement shall be effective as of the date set forth on the first page and may apply to acts or omissions of Indemnitee which occurred prior to such date if Indemnitee was an officer, director, employee or other agent of the Company, or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise, at the time such act or omission occurred.

16.3. The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult to prove, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which he may be entitled. The Company and Indemnitee further agree that Indemnitee shall be entitled to such specific performance and injunctive relief, including, without limitation, temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by the Court, and the Company hereby waives any such requirement of such a bond or undertaking.

ARTICLE 17
MISCELLANEOUS

17.1. Successors and Assigns. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee's assigns, heirs, executors and administrators. The Company shall require and cause any successor (whether direct or indirect successor by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

17.2. Section 409A. It is intended that any indemnification payment or advancement of Expenses made hereunder shall be exempt from Section 409A of the Internal Revenue Code of 1986, as amended, and the guidance issued thereunder (“Section 409A”) pursuant to Treasury Regulation Section 1.409A-1(b)(10). Notwithstanding the foregoing, if any indemnification payment or advancement of Expenses made hereunder shall be determined to be “nonqualified deferred compensation” within the meaning of Section 409A, then (i) the amount of the indemnification payment or advancement of Expenses during one taxable year shall not affect the amount of the indemnification payments or advancement of Expenses during any other taxable year, (ii) the indemnification payments or advancement of Expenses must be made on or before the last day of the Indemnitee’s taxable year following the year in which the expense was incurred, and (iii) the right to indemnification payments or advancement of Expenses hereunder is not subject to liquidation or exchange for another benefit.

17.3. Severability. In the event that any provision of this Agreement is determined by a court to require the Company to do or to fail to do an act which is in violation of applicable law, such provision (including, without limitation, any provision within a single Article, Section, paragraph or sentence) shall be limited or modified in its application to the minimum extent necessary to avoid a violation of law, and, as so limited or modified, such provision and the balance of this Agreement shall be enforceable in accordance with their terms to the fullest extent permitted by law.

17.4. Entire Agreement. Without limiting any of the rights of Indemnitee under the Articles of Incorporation or Bylaws of the Company as they may be amended from time to time, this Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

17.5. Modification, Waiver and Termination. No supplement, modification, termination, cancellation or amendment of this Agreement shall be binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

17.6. Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (a) if delivered by hand and received for by the party to whom said notice or other communication shall have been directed, or (b) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed:

(i) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee shall provide in writing to the Company.

(ii) If to the Company, to:

Telephone number: (86) 451-8434-6600

or to any other address as may have been furnished to Indemnitee in writing by the Company.

17.7. **Applicable Law.** This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Nevada, without regard to its conflict of laws rules.

17.8. **Identical Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

17.9. **Headings.** The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

17.10. **Representation by Counsel.** Each of the parties has been represented by and has had an opportunity to consult legal counsel in connection with the negotiation and execution of this Agreement. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party by any court or arbitrator or any governmental authority by reason of such party having drafted or being deemed to have drafted such provision.

17.11. **Period of Limitations.** No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company against Indemnitee, Indemnitee's spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action such shorter period shall govern.

17.12. **Additional Acts.** If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required, the Company undertakes to cause such act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

Section 9. Shares standing in the name of another corporation, domestic or foreign, may be voted by such officer, agent or proxy as the bylaws of such corporation may prescribe or, in the absence of such provision, as the board of directors of such corporation may determine. Shares standing in the name of a deceased person may be voted by the executor or administrator of such deceased person, either in person or by proxy. Shares standing in the name of a guardian, conservator or trustee may be voted by such fiduciary, either in person or by proxy, but no such fiduciary shall be entitled to vote shares held in such fiduciary capacity without a transfer of such shares into the name of such fiduciary. Shares standing in the name of a receiver may be voted by such receiver. A stockholder whose shares are pledged shall be entitled to vote such shares, unless, in the transfer by the pledgor on the books of the corporation, he/she has expressly empowered the pledgee to vote thereon, in which case only the pledgee or his/her proxy may represent the stock and vote thereon.

Section 10. There shall be issued no fractional shares of the Corporation. In the event a stockholder shall be entitled to a fractional share by virtue of the declaration of a stock dividend or stock split or otherwise, the Corporation shall issue to said stockholder a certificate, called scrip, acknowledging the right of said stockholder to said fractional share. At any time that a stockholder shall become the holder of sufficient scrip to total one or more whole shares, then, at the request of said stockholder, the Corporation shall issue said whole share or shares to said stockholder. No holder of any scrip shall be entitled to any vote on account thereof.

Section 11. All issued shares of the Corporation shall be fully paid and nonassessable; there shall be issued no partially paid shares of the Corporation.

Section 12. Shares of the Corporation shall be issued for such consideration as shall be fixed from time to time by the Board of Directors; provided, however, that no such shares shall be issued for consideration less than the par value of such shares.

Section 13. Treasury shares may be disposed of by the Corporation for such consideration as may be fixed from time to time by the Board of Directors.

ARTICLE III
MEETINGS OF STOCKHOLDERS

Section 1. An annual meeting of the stockholders shall be held annually, within five (5) months of the end of each fiscal year of the Corporation. The annual meeting shall be held at such time and place and on such date as the Board of Directors shall determine from time to time and as shall be specified in the notice of the annual meeting; at which time the stockholders shall elect a Board of Directors and transact such other business as may be properly brought before the annual meeting. Notwithstanding the foregoing, the Board of Directors may cause the annual meeting of stockholders to be held on such other date in any year as they shall determine to be in the best interests of the Corporation; and any business transacted at said meeting shall have the same validity as if transacted on the date designated herein.

Notice of the annual meeting, stating the time and place thereof, shall be mailed to each stockholder at his/her address as shown on the records of the Corporation not less than ten (10) days and not more than sixty (60) days prior to such meeting.

Section 2. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or stockholders entitled to receive payment of dividends, the Board of Directors may fix in advance a date as the record date for any such determination of stockholders, such date in any case to be not less than ten (10) nor more than sixty (60) days prior to the date on which the particular action requiring such determination of stockholders is to be taken. If no record date is fixed for the determination of stockholders entitled to notice of or to vote at a meeting of stockholders, or stockholders entitled to receive payment of dividends, the date on which notice of the meeting is mailed, or the date on which the resolution of the Board of Directors declaring such dividend is adopted, as the case may be, shall be the record date. When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this Section, such determination shall apply to any adjournment thereof.

Section 3. A simple majority of the capital stock issued and outstanding, represented in person or by proxy, shall constitute a quorum for the transaction of business at any stockholders' meeting.

Section 4. A special meeting of the stockholders may be called at any time by the President or as directed by a majority vote of the Board of Directors. The same notice shall be given of special meetings as is herein provided for the annual meeting, except that, in the case of special meetings, the notice shall state the objective and the purpose for which the special meeting is called (including the matters that will be presented to the stockholders for action), and no matters may be considered except those set forth in said notice.

Section 5. A special meeting of the stockholders shall be called by the Corporation upon the written request of the holders of not less than twenty-five (25%) percent of the outstanding shares of the Corporation. Such written request shall be presented to the Secretary of the Corporation. The Secretary shall then comply with the provisions of this Article III regarding notice to stockholders of any special or annual meeting.

Section 6. Notice of stockholder meetings, both annual and special, may be waived by any stockholder, and his/her presence at such meetings will constitute such a waiver.

Section 7. At all meetings of stockholders, all questions shall be determined by a majority vote of the holders of each class of capital stock entitled to vote, present in person or by proxy, unless otherwise provided for by these Bylaws, the Corporation's Articles of Incorporation or by the Nevada Revised Statutes, as amended.

Section 8. Any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding not less than the number of shares required to take such action at a meeting of stockholders.

Section 9. At the option of the Board of Directors, and subject to compliance with applicable laws, including U.S. Federal and Nevada state securities laws, stockholders may participate in a meeting of stockholders by means of a telephone conference or similar methods of communication by which all persons participating in the meeting can hear each other. Participation in a stockholder meeting pursuant to this Section shall constitute presence in person at the meeting.

Section 10. The Board of Directors may adopt whatever rules it deems necessary or desirable for the orderly transaction of business at any meeting of stockholders; provided that such rules shall be in writing and shall be distributed to the stockholders prior to or at the beginning of said meeting, and provided further that such rules shall not abrogate any right of the holders of capital stock as defined by statute or by these Bylaws.

ARTICLE IV BOARD OF DIRECTORS

Section 1. The business and affairs of the Corporation shall be managed by its Board of Directors, which may exercise all powers of the Corporation as are not, by the Nevada Revised Statutes, as amended, by the Articles of Incorporation or by these Bylaws, directed or required to be exercised or done by the stockholders.

Section 2. The number of Directors which shall constitute the whole Board shall be not less than one (1) nor more than fifteen (15). Such number of Directors shall from time to time be fixed and determined by the Directors, subject to the approval of the stockholders, and shall be set forth in the notice of any meeting of stockholders held for the purpose of electing Directors. Provided a quorum of stockholders is present in person or by proxy, at the Annual Meeting of Stockholders, a vote of the stockholders shall be taken to confirm the number of Directors fixed by the Board and to be elected. If holders of a majority of the shares entitled to vote do not approve the number of Directors fixed by the Board, then the number of Directors to be elected shall revert to the number of Directors elected at the previous year's Annual Meeting of Stockholders until the next Annual Meeting of Stockholders. Directors shall be elected at the Annual Meeting of the Stockholders, except as provided in Section 3 of this Article IV, and each Director elected shall hold office until his/her successor shall be elected and shall qualify, or his/her resignation or removal. Except as provided otherwise herein, Directors must be natural persons at least 18 years of age, but need not be residents of Nevada or stockholders of the Corporation. Notwithstanding the foregoing, neither the Board nor any subsequent stockholder action shall have the effect of eliminating any Director position(s) with respect to which any series of Preferred Stock has the authority under the Articles of Incorporation (including any Certificate of Designation) to elect the Director to serve in such position.

Section 3. Any Director may resign at any time by written notice to the Board of Directors. Any such resignation shall take effect at the date of receipt of such notice or any later time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. If any vacancy occurs on the Board of Directors caused by death, resignation, retirement, disqualification or removal from office of any Director or otherwise, or if any new directorship is created by an increase in the authorized number of Directors, a majority of the Directors then in office, though less than a quorum, or a sole remaining Director may choose a successor or fill the newly created directorship; and a Director so chosen shall hold office until the next annual meeting and until his/her successor shall be duly elected and shall qualify or his/her resignation or removal, unless sooner displaced.

Section 4. An annual meeting of the Board of Directors shall be held each year, without other notice than this Bylaw, at the place of and immediately following the annual meeting of stockholders, and regular meetings of the Board of Directors shall be held each year, at such time and place as the Board of Directors may provide, by resolution, either within or without the State of Nevada, without other notice than such resolution.

Section 5. A special meeting of the Board of Directors may be called by the President and shall be called by the Secretary on the written request of any two Directors. The President so calling, or the Directors so requesting, any such meeting shall fix the time and place, either within or without the State of Nevada, as the place for holding such meeting.

Section 6. Written notice of special meetings of the Board of Directors shall be given to each Director at least twenty-four (24) hours prior to the time of any such meeting. Any Director may waive notice of any meeting. The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any special meeting of the Board of Directors needs to be specified in the notice or waiver of notice of such meeting, except that notice shall be given of any proposed amendment to the Bylaws if it is to be adopted at any special meeting or with respect to any other matter where notice is required by the Nevada Revised Statutes, as amended.

Section 7. A simple majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, and the act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by the Nevada Revised Statutes, as amended, by the Corporation's Articles of Incorporation or by these Bylaws. If a quorum shall not be present at any meeting of the Board of Directors, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 8. Unless otherwise restricted by the Corporation's Articles of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof, as provided in Article V of these Bylaws, may be taken without a meeting; provided that a written consent thereto is signed by all members of the Board or of such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

Section 9. Directors, as such, shall not be entitled to any stated salary for their services unless approved by a vote by the Board of Directors. By resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, may be allowed for attendance at each annual, regular or special meeting of the Board of Directors or any meeting of a committee of the Board Directors. No provision of these Bylaws shall be construed to preclude any Director from serving the Corporation in any other capacity and receiving compensation therefore.

Section 10. Members of the Board of Directors, or any committee designated by such Board, may participate in a meeting of such Board or committee by means of telephone conference or similar methods of communication by which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

ARTICLE V COMMITTEES OF DIRECTORS

Section 1. The Board of Directors may, by resolution passed by a majority of the entire Board of Directors, designate one or more committees, including, if it shall so determine, an Executive Committee. Each such committee shall consist of two or more of the Directors of the Corporation, which shall have and may exercise such of the powers of the Board of Directors in the management of the business and affairs of the Corporation as may be provided in this Article and may authorize the seal of the corporation to be affixed to all papers which may require it. Each committee may also include one or more non-Directors as determined by a resolution of the Board of Directors. The Board of Directors may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. Such committee or committees shall have such name or names and such authority as may be determined from time to time by resolution adopted by the Board of Directors.

Section 2. In the event the Board of Directors shall, pursuant to Section 1 of this Article V, designate an Executive Committee to have and exercise the full powers of the Board of Directors, such power shall extend to the full limit of the powers of the entire Board of Directors, except that no committee of Directors shall have or exercise any of the following powers: amend the Corporation's Articles of Incorporation; undertake any actions toward merger or consolidation of the Corporation; recommend the lease, sale or exchange of all or substantially all of the assets of the Corporation; amend these Bylaws; declare any dividend; or authorize the issuance of any of the stock of the Corporation.

Section 3. Each committee of the Board of Directors shall keep regular minutes of its proceedings and report same to the Board of Directors when required.

Section 4. Members of special or standing committees may be allowed compensation for attending committee meetings, if the Board shall so determine.

ARTICLE VI
NOTICE

Section 1. Whenever, under the provisions of the Nevada Revised Statutes, as amended, the Articles of Incorporation or these Bylaws, notice is required to be given to any Directors, members of any committee or stockholders, such notice shall be in writing, signed on behalf of the Corporation as required by the Nevada Revised Statutes, as amended, and shall be delivered personally or mailed to such Director, member of any committee or stockholder or, in the case of a Director or a member of any committee, may be delivered in person or given orally by telephone. The notice to the stockholders must state the purpose or purposes for which the meeting is called, the time when and the place where it is to be held, and the means of electronic communications, if any, by which the stockholders and proxies shall be deemed to be present in person and vote. If mailed, notice to a Director, member of a committee or stockholder shall be deemed to be given when deposited in the United States mail in a sealed envelope, with postage thereon prepaid, addressed, in the case of a stockholder, to the stockholder at the stockholder's address as it appears on the records of the Corporation or, in the case of a Director or a member of a committee, to such person at his/her business address. Any notice to stockholders given by the Corporation is also effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given. The consent is revocable by the stockholder by written notice to the Corporation. Electronic transmission includes: (a) by facsimile machine to a number at which the stockholder has consented to receive notice, (b) by electronic mail to an electronic mail address at which the stockholder has consented to receive notice, (c) by posting on an electronic network with separate notice to the stockholder of the specific posting, and (d) by any other form of electronic transmission when directed to the stockholder.

Section 2. Whenever any notice is required to be given under the provisions of the Nevada Revised Statutes, as amended, the Corporation's Articles of Incorporation or these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent thereto.

ARTICLE VII
OFFICERS

Section 1. The officers of the Corporation must include a President, a Secretary and a Treasurer. The Corporation may also have one or more Vice Presidents, any one or which may be designated Executive Vice President and the Board of Directors may appoint such other officers and agents, including Assistant Secretaries and Assistant Treasurers, as it shall deem necessary, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined by the Board. Any two or more offices may be held by the same person. The President shall be elected from among the Directors. With that exception, none of the other officers need be a Director, and none of the officers need be a stockholder of the Corporation.

Section 2. The officers of the Corporation shall be elected annually by the Board of Directors at its annual meeting held after the annual meeting of stockholders or as soon thereafter as conveniently possible. Each officer shall hold office until his/her successor shall have been chosen and shall have qualified, or until his/her death or the effective date of his/her resignation or removal, or until he/she shall cease to be a Director in the case of the President.

Section 3. Any officer or agent elected or appointed by the Board of Directors may be removed with or without cause by affirmative vote of a majority of the Board of Directors whenever, in its judgment, the best interests of the Corporation shall be served thereby, but such removal shall be without prejudice to the contractual rights, if any, of the person so removed. Any officer may resign at any time by giving written notice to the Corporation. Any such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 4. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise may be filled by the Board of Directors for the unexpired portion of the term.

Section 5. The salaries of all officers and agents of the Corporation shall be fixed by the Board of Directors or pursuant to its direction, and no officer shall be prevented from receiving such salary by reason of his/her also being a Director.

Section 6. The President shall be the chief executive officer of the Corporation and subject to the control of the Board of Directors, shall generally supervise and control the business and affairs of the Corporation. The President shall preside at all meetings of the Board of Directors and the stockholders. He/She shall have the power to appoint and remove subordinate officers, agents and employees, except those elected or appointed by the Board of Directors. The President shall keep the Board of Directors and the Executive Committee fully informed and shall consult with them concerning the business of the Corporation. The President may sign, with the Secretary or any other officer of the Corporation thereunto authorized by the Board of Directors, certificates for shares of the Corporation and any deeds, bonds, mortgages, contracts, checks, notes, drafts or other instruments which the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof has been expressly delegated by these Bylaws or by the Board of Directors to some other officer or agent of the Corporation, or shall be required by law to be otherwise executed. The President shall vote, or give a proxy to any other officer of the Corporation to vote, all shares of stock of any other Corporation standing in the name of the Corporation and, in general, shall perform all other duties incident to the office of President and such other duties as may be prescribed by the Board of Directors or the Executive Committee from time to time.

Section 7. In the absence of the President, or in the event of his/her inability or refusal to act, the Executive Vice President (or, in the event there shall be no Vice President designated Executive Vice President, any Vice President designated by the Board) shall perform the duties and exercise the powers of the President. The Vice Presidents shall perform such other duties as from time to time may be assigned to them by the President, the Board of Directors or the Executive Committee.

Section 8. The Secretary shall: (a) keep the minutes of the meetings of the stockholders, the Board of Directors and the committees of the Board Directors; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by the Nevada Revised Statutes, as amended; (c) be custodian of the corporate records and of the seal of the Corporation, and see that the seal is affixed to all stock certificates for shares or a facsimile thereof is affixed to all stock certificates for shares prior to the issuance thereof and to all documents, the execution of which on behalf of the Corporation under its seal is duly authorized in accordance with the provisions of these Bylaws or the Nevada Revised Statutes, as amended; (d) keep or cause to be kept a register of the post office address of each stockholder as furnished by each stockholder; (e) sign, with the President, stock certificates for shares of the Corporation, the issuance of which shall have been authorized by resolution of the Board of Directors; (f) have general charge of the stock transfer books of the Corporation; and (g) in general, perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned by the President, the Board of Directors or the Executive Committee.

Section 9. The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the Corporation; (b) receive and give receipts for monies due and payable to the Corporation from any source whatsoever and deposit all such monies in the name of the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of these Bylaws; (c) prepare or cause to be prepared, for submission at each regular meeting of the Directors, at each annual meeting of the stockholders and at such other times as may be required by the Directors, the President or the Executive Committee, a statement of financial condition of the Corporation in such detail as may be required; and (d) in general, perform all of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned by the President, Board of Directors or Executive Committee.

Section 10. The Assistant Secretaries and Assistant Treasurers shall, in general, perform such duties as shall be assigned to them by the Secretary or the Treasurer, respectively, or by the President, Board of Directors or Executive Committee. The Assistant Secretaries and Assistant Treasurers shall, in the absence of the Secretary or Treasurer, respectively, perform all functions and duties which such absent officers may delegate, but such delegation shall not relieve the absent officer from the responsibilities and liabilities of his/her office. The Assistant Treasurers shall, if required by the Board of Directors, give bonds for the faithful discharge of their duties in such sums and with such sureties as the Board of Directors shall determine.

ARTICLE VIII CONTRACTS, CHECKS AND DEPOSITS

Section 1. Section 2. Before payment of any dividends, there may be set aside out of any funds the Corporation available for dividends such sum or sums as the Directors may from time to time, in their absolute discretion, think proper as a reserve or reserves to meet contingencies, for equalizing dividends, for repairing or maintaining any property of the Corporation or for such other purpose as the Directors deem conducive to the best interests of the Corporation, and the Directors may modify or abolish any such reserve in the manner in which it was created.

Any such indemnification shall be made in accordance with the provisions of the Nevada Revised Statutes, as amended, or any successor law or laws.

Section 2. The Corporation may purchase and maintain insurance, at its expense, to protect itself and any of the above-referenced parties against any liability, cost, payment or expense, whether or not the Corporation would have the power to indemnify such person against such liability.

OF
CHINA XD PLASTICS COMPANY LIMITED

China XD Plastics Company Limited, a corporation organized and existing under the laws of the State of Nevada, hereby certifies as follow:

2. The Articles of Incorporation were amended by a Certificate of Amendment filed with the Secretary of State of Nevada on April 20, 2009.
3. This Second Amendment to Articles of Incorporation further amends the provisions of Articles I through VII of the Articles of Incorporation of this Corporation but shall not amend the terms of any outstanding Certificate of Designation.
4. The text of Articles I through VII of the Articles of Incorporation is hereby amended to read as herein set forth in full:

I.

The aggregate number of shares of all classes of stock which the Corporation shall have authority to issue is 550,000,000, consisting of two classes to be designated, respectively, "Common Stock" and "Preferred Stock," with all such shares having a par value of \$.0001 per share. The total number of shares of Common Stock that the Corporation shall have authority to issue is 500,000,000 shares. The total number of shares of Preferred Stock that the Corporation shall have authority to issue is 50,000,000 shares. The designations and preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemption of the shares of each class of stock are as follows:

A. PREFERRED STOCK

Preferred Stock may be issued from time to time by the Board of Directors as shares of one or more series. The description of shares of Preferred Stock, including, without limitation, any preferences, conversion and other rights, voting powers, restrictions, limitations, qualifications, dividend rights, terms and conditions of redemption shall be as set forth in resolutions adopted by the Board of Directors, and Certificates of Designation shall be filed as required by Chapter 78 of the Nevada Revised Statutes, as amended, with respect to issuance of such Preferred Stock, prior to the issuance of any shares of Preferred Stock.

The Board of Directors is expressly authorized, at any time, by adopting resolutions providing for the issuance of, dividing of such shares of Preferred Stock into series or providing for a change in the number of, shares of any Preferred Stock and to the extent required by Chapter 78 of the Nevada Revised Statutes, as amended, by the filing of Certificates of Designation, or amendments thereto, in the manner prescribed therein, with stockholder approval if required by Nevada law, to increase or decrease the number of shares included in the Preferred Stock, but not below the number of shares then issued, and to set or change in any one or more respects the designations, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, or terms and conditions of redemption relating to the shares of Preferred Stock. The authority of the Board of Directors with respect to the Preferred Stock shall include the authority granted under Chapter 78 of the Nevada Revised Statutes, as amended, including, without limitation, setting or changing the following:

1. the annual dividend rate, if any, on shares of Preferred Stock, which may be cumulative or noncumulative, the conditions or time for payment of dividends, and the preference or relation of such dividends to dividends payable on any other class or series of capital stock;
2. whether the shares of Preferred Stock shall be subject to redemption and, if so, the times, redemption price, rates, adjustments and the other terms and conditions of such redemption;
3. whether shares of Preferred Stock shall be convertible into, or exchangeable for, shares of stock of any other class or series of capital stock or for any other securities, property or assets of the Corporation and, if so, the terms and conditions of such conversion or exchange, including the price or prices or the rate or rates of conversion or exchange and the terms of adjustment, if any;
4. whether the shares of any series of Preferred Stock shall have voting rights, which may be full or limited, may vary over time, and which may be applicable generally or only upon any stated fact or event;
5. the rights of holders of shares of Preferred Stock in the event of voluntary or involuntary liquidation, dissolution or winding-up of the affairs of the Corporation; and
6. any other relative rights, powers, preferences, qualifications, limitations or restrictions thereof relating to the Preferred Stock.

The shares of Preferred Stock of any one series shall be identical with each other in all respects except as to the dates from and after which dividends thereon shall cumulate, if the dividends are cumulative.

B. COMMON STOCK

Subject to all of the rights of the holders of the Preferred Stock expressly provided herein, by Chapter 78 of the Nevada Revised Statutes, as amended, or by the Board of Directors pursuant to this Article I, the Common Stock of the Corporation shall possess all such rights and privileges as are afforded to capital stock by applicable Nevada law in the absence of any express grant of rights or privileges in the Corporation's Articles of Incorporation, including, but not limited to, the following rights and privileges:

1. dividends may be declared and paid or set apart for payment to the holders of the Common Stock out of any assets or funds of the Corporation available for the payment of dividends under Nevada law;
2. the holders of Common Stock shall be entitled to one vote for each share of Common Stock in connection with the election of directors and on all other matters requiring stockholder approval; and
3. upon the voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, the holders of Common Stock shall share equally and ratably in the Corporation's assets available for distribution.

The Common Stock authorized by this Article I shall be issued for such consideration as shall be fixed, from time to time, by the Board of Directors.

C. NON-ASSESSMENT OF CAPITAL STOCK.

The capital stock of the Corporation, after the amount of the subscription price has been fully paid, shall not be assessable for any purpose, and no stock issued as fully paid shall ever be assessable or assessed, and these Articles of Incorporation shall not be amended in this particular. No stockholder of the Corporation is individually liable for the debts or liabilities of the Corporation by reason of being a stockholder.

II.

The governing board of the Corporation shall be styled as a "Board of Directors," and any member of said Board shall be styled as a "Director."

The number of directors of the Corporation may be fixed, increased or decreased in the manner provided in the Bylaws of the Corporation; provided, that the number of directors shall never be less than one. In the interim between elections of directors by the stockholders entitled to vote, all vacancies, including vacancies caused by an increase in the number of directors and including vacancies resulting from the removal of directors by the stockholders, may be filled by the remaining directors, though less than a quorum.

III.

The liability of Directors and officers of the Corporation shall be eliminated to the fullest extent permitted by Chapter 78 of the Nevada Revised Statutes, as amended.

IV.

The Corporation shall, to the fullest extent permitted by Chapter 78 of the Nevada Revised Statutes, as amended, indemnify and hold harmless any and all persons (including, without limitation, directors, officers, employees and agents) whom it shall have power to indemnify from and against any and all expenses, liabilities, or other matters permitted thereunder, and the indemnification shall not be deemed exclusive of any other rights to which those indemnified persons may be entitled under any Bylaw, agreement, vote of the Corporation's stockholders, or otherwise, both as to actions in his or her official capacity and as to actions in another capacity, and shall continue as to an indemnified person who has ceased to be a director, officer, employee, or agent, and shall inure to the benefit of the heirs, executors, and administrators of such indemnified persons, to the extent permitted by Nevada law.

Any repeal or modification of Articles III and IV of these Articles of Incorporation approved by the stockholders of the Corporation shall be prospective only, and shall not adversely affect any limitation on the liability of a director, officer, employee, or agent of the Corporation existing as of the time of such repeal or modification.

V.

Any shares of capital stock reacquired by the Corporation, in accordance with Nevada law, may be restored to the status of authorized and unissued shares without an amendment to the Articles of Incorporation or may be disposed of for such consideration as the Board of Directors may determine.

Subject to the terms of these Articles of Incorporation (including any applicable Certificate of Designation), and to the fullest extent permitted by the Nevada Revised Statutes, as amended, the Corporation shall be expressly permitted to redeem, repurchase or make distributions on shares of its capital stock in all circumstances other than where doing so would cause the Corporation to be unable to pay its debts as they become due in the usual course of business. Without limiting the application of the foregoing, and for the avoidance of doubt, the foregoing sentence is intended to satisfy the requirements of Section 78.288(2)(b) of the Nevada Revised Statutes, as amended, with respect to the specific allowance of distributions that may not otherwise meet the standard set forth in such provision.

VI.
