Committees of the Board

Each of our directors, other than Messrs. McCann, McCann and Minetti, qualifies as an "independent director" as defined under the published listing requirements of The NASDAQ Stock Market. The NASDAQ independence definition includes a series of objective tests. For example, an independent director may not be employed by us and may not engage in certain types of business dealings with the Company. In addition, as further required by NASDAQ rules, the Board has made a subjective determination as to each independent director that no relationship exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and by the Company with regard to each director's business and personal activities as they may relate to the Company and Company's management. In addition, as required by NASDAQ rules, the Board determined that the members

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

of the Audit Committee each qualify as "independent" under special standards established by NASDAQ and the U.S. Securities and Exchange Commission (the "Commission") for members of audit committees.

4

The Audit Committee of the Board of Directors reports to the Board regarding the appointment of the Company's independent public accountants, the scope and results of its annual audits, compliance with accounting and financial policies and management's procedures and policies relative to the adequacy of internal accounting controls. The Company's Board of Directors adopted a written charter for the Audit Committee in January 2000 and amended in August 2003 which outlines the responsibilities of the Audit Committee. A current copy of the charter of the Audit Committee is available on our website located at www.1800flowers.com under the Investor Relations section of the website. The current members of the Audit Committee are Messrs. Conefry (Chairman) and O'Connor, and Ms. Quinlan who are all independent Directors of the Company as that term is defined by the rules and regulations of the National Association of Securities Dealers (the "NASD").

Each member of the Audit Committee is "financially literate" as required by NASDAQ rules. The Audit Committee also includes at least one member, John J. Conefry, Jr. who was determined by the Board to meet the qualifications of an "audit committee financial expert" in accordance with SEC rules and to meet the qualifications of "financial sophistication" in accordance with NASDAQ rules. Stockholders should understand that these designations related to our Audit Committee members' experience and understanding with respect to certain accounting and auditing matters do not impose upon any of them any duties, obligations or liabilities that are greater than those generally imposed on a member of the Audit Committee or of the Board.

The Compensation Committee of the Board of Directors reviews and makes recommendations to the Board regarding the Company's compensation policies and all forms of compensation to be provided to the Company's Section 16 Executive Officers ("executive officers") and Directors. The Compensation Committee approves the compensation for the Company's executive officers and administers the Company's 2003 Long Term Incentive and Share Award Plan under which option grants, stock appreciation rights, restricted awards and performance awards may be made to Directors, officers, employees of, and consultants to, the Company and its subsidiaries. In addition, the Compensation Committee administers the Section 16 Executive Officers Bonus Plan under which annual bonus compensation may be awarded. The Board of Directors has authorized a secondary committee of the Compensation Committee (the "Secondary Committee"), which consists of Mr. James F. McCann, to also review Awards for all of the Company's employees, other than its executive officers. The Company's Board of Directors adopted a written charter for the Compensation Committee in June 2003 which outlines the responsibilities of the Compensation Committee. A current copy of the charter of the Compensation Committee is available on our website located at www.1800flowers.com under the Investor Relations section of the website. The current members of the Compensation Committee are Mr. Walker (Chairman), Mr. Conefry and Ms. Quinlan, who are all independent Directors of the Company as that term is defined by the rules and regulations of the NASD.

The Nominating and Corporate Governance Committee identifies and evaluates individuals qualified to become Board members and recommends to the Board director nominees for election and re-election, develops and recommends to the Board the corporate governance guidelines applicable to the Company and to review and reassess the adequacy of corporate governance guidelines and practices. The Company Board of Directors adopted a written charter for the Nominating and Corporate Governance Committee in June 2003, which outlines the

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

responsibilities of the Committee. A current copy of the charter of the Nominating and Corporate Governance Committee is available on our website located at www.1800flowers.com under the Investor Relations section of the website. The current members of the Nominating and Corporate Governance Committee are Messrs. Elmore (Chairman), O'Connor and Conefry who are all independent Directors of the Company as that term is defined by the rules and regulations of the NASD.

5

Ms. Quinlan, who sits on the Board of Directors as well as two (2) committees of the Board attended 72% of the meetings. Due to a previously matter outside the country, Ms. Quinlan was unavailable to attend a Board meeting and a Committee meeting that were both held on December 2, 2003. Had Ms. Quinlan been able to attend the December 2, 2003 meetings she would have attended 83% of total Committee and Board meetings.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and Directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission") and the Nasdaq Stock Market. Officers, directors, and greater than 10% stockholders are required by Commission regulations to furnish us with copies of all reports they file pursuant to Section 16(a).

Based solely on a review of the copies of such reports furnished to us, we believe that, since the Company's initial public offering, all Section 16(a) filing requirements applicable to our officers, Directors and greater than 10% stockholders have been satisfied.

the agreement, the term is extended for one additional year. Mr. McCann is eligible to participate in the Company's stock incentive plans, other bonus or benefits plans, and is entitled to health and life insurance coverage for himself and his dependents. The agreement provides for an annual base salary with provisions allowing for annual increases. Mr. McCann's annual salary for Fiscal 2004 was \$465,850. Upon termination without good cause or resignation for good reason, including a change of control, Mr. McCann is entitled to severance pay in the amount of \$500,000, plus the base salary otherwise payable to him for the balance of the then current employment term and any base salary, bonuses, vacation and unreimbursed expenses accrued but unpaid as of the termination date, and health and life insurance coverage for himself and his dependents for the balance of the then current employment term. The agreement contains automatic one-year renewals unless prior notice of termination is given. Mr. Rice's annual salary for Fiscal 2004 was \$250,000 and he was eligible to participate in the Company's stock incentive plans. Upon termination without cause, Mr. Rice is entitled to an amount equal to his salary through the end of the term of the agreement, any amounts earned, accrued or owing but not yet paid as of the date of the termination and other benefits, if any, as are payable to or for the benefit of Mr. Rice as of the date of his termination until the end of the term of the agreement.

Under their employment agreements, Messrs. James F. McCann and Christopher G. McCann are each restricted from participating in a competitive floral products business for a period of one year after a voluntary resignation or termination for good cause. Mr. Rice has agreed not to compete with the Company or solicit its clients or employees during his term of employment and for two years immediately following his termination. Each of these executives is also bound by confidentiality provisions, which prohibit the executive from, among other things, disseminating or using confidential information about the Company in any way that would be adverse to the Company.

COMPENSATION COMMITTEE REPORT

The Compensation Committee advises the Board of Directors on issues concerning the Company's compensation philosophy, the compensation of executive officers and other individuals compensated by the Company, and sets the compensation for the executive officers. The Compensation Committee is responsible for the administration of the Company's 2003 Long Term Incentive and Share Award Plan under which stock options, share appreciation rights, restricted shares, restricted share units, performance shares, performance units, divided equivalents, and other share-based awards ("Awards") may be made to Directors, consultants, executive officers and employees of the Company and its subsidiaries. In addition, the Compensation Committee administers the Section 16 Executive Officers Bonus Plan under which annual bonus compensation may be awarded. The Board of Directors has authorized a Secondary Committee of the Compensation Committee to also review Awards for all of the Company's employees other than its executive officers.

The Compensation Committee believes that the compensation programs for the Company's executive officers should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company and should reward individual contribution to the Company's success. The Company is engaged in a very competitive industry, and the

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals.

General Compensation Policy. The fundamental policy of the Compensation Committee is to provide the Company's executive officers with competitive compensation opportunities based upon their contribution to the development and

10

financial success of the Company and their personal performance. It is the Compensation Committee's philosophy that a portion of each executive officer's compensation should be contingent upon the Company's performance, as well as, upon such executive officer's own level of performance. Accordingly, the compensation package for each executive officer should be comprised of two elements: (i) base salary and bonus which reflects experience and individual and Company performance and is designed to be competitive with salary levels in the industry (the bonus component for certain executive officers are tied solely to Company performance), and (ii) long-term incentive Awards which strengthen the mutuality of interests between the executive officers and the Company's stockholders.

Factors. The principal factors which the Compensation Committee considers in reviewing the components of each executive officer's compensation package are summarized below. The Compensation Committee may, however, in its discretion apply other factors with respect to executive compensation for future years.

- o Base Salary. The suggested base salary for each executive officer is determined on the basis of the following factors: experience, personal performance, the salary levels in effect for comparable positions within and outside the industry and internal base salary comparability considerations. The weight given to each of these factors shall differ from individual to individual as the Compensation Committee deems appropriate and subject to any applicable employment agreements.

- o Bonus. The bonus in Fiscal 2004 for Messrs. McCann, McCann, Minetti, Gallagher, Shea, and Ms. Woo was determined solely by the Company's financial performance. For Fiscal 2005, it is anticipated that their bonus will be based upon a combination of primarily the Company's financial performance, as well as, their individual performances. With regard to other executive officers, consideration is also given to performance of the specific areas of the Company under the executive officer's direct control and to such executive officers own level of performance. This balance supports the accomplishment of the Company's overall financial objectives and rewards the individual contributions of our executive officers.

- o Long-Term Incentive Compensation. Long-term incentives are provided through grants of Awards, which in Fiscal 2004 was in the form of stock options. In the near future, it is anticipated that long term incentives will be provided through a combination of grants of stock options and/or restricted stock. The grants are designed to align the interests of each executive officer with those of the stockholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company.

Each stock option grant allows the individual to acquire shares of the Company's Common Stock at a fixed price per share over a specified period of time. Each option generally becomes exercisable in installments over a fixed period, contingent upon the executive officer's continued employment with the Company. Accordingly, the option grant will provide a return to the executive officer only if the executive officer remains employed by the Company during the vesting

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

period, and then only if the market price of the underlying shares appreciates.

Each restricted share grant allows the individual to acquire shares of the Company's Common Stock over a specified period of time without payment. As in the case of the option grant, the restricted share grant will provide a return to the executive officer only if the executive officer remains employed by the Company during the vesting period.

The grant of an Award is set at a level intended to create a meaningful incentive based on the executive officer's current position with the Company, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, the individual's potential for increased responsibility and promotion over the applicable term of the Award and the individual's personal performance in recent periods. The Compensation Committee also intends to consider the number of Awards held by the executive officer in order to maintain an appropriate level of incentive for that individual. However, the Compensation Committee may use its discretion in granting Awards to the Company's executive officers.

CEO Compensation. In July 1999, the Board of Directors approved the Employment Agreement between the Company and James F. McCann, its Chairman of the Board and Chief Executive Officer, which established his initial base annual salary and eligibility to participate in the Company's stock incentive plans and other bonus or benefits plans, and which is discussed in further detail under "Employment Agreements". The Board determined it to be in the best interests of the Company to enter into the Employment Agreement with Mr. McCann as of such date and believes that the agreement with Mr. McCann and the compensation paid thereunder for Fiscal 2004 was fair and reasonable. In determining the total compensation for Mr. McCann, and that such compensation was fair and reasonable in Fiscal 2004, a number of factors were taken into account. These factors

11

included: the key role Mr. McCann has performed with the Company from its inception; the benefit to the Company in assuring the retention of his services; the performance of the Company during Fiscal 2004; the competitive market conditions for executive compensation; and the objective evaluation of Mr. McCann's performance of his duties as Chairman of the Board and Chief Executive Officer.

Compliance with Internal Revenue Code Section 162(m). As a result of Section 162(m) of the Internal Revenue Code of 1986 ("Section 162(m)"), as amended, which was enacted into law in 1993, the Company will not be allowed a federal income tax deduction for compensation paid to certain executive officers, to the extent that compensation exceeds \$1 million per officer in any one year. This limitation will apply to all compensation paid to the covered executive officers, which is not considered to be performance based. Compensation which qualifies as performance-based compensation will not have to be taken into account for purposes of this limitation. The 2003 Long Term Incentive and Share Award Plan and the Section 16 Executive Officers Bonus Plan contain certain provisions which are intended to ensure that any compensation deemed paid in connection with the granting of Awards or bonus compensation will qualify as performance-based compensation.

The Compensation Committee does not expect that the non-performance based compensation to be paid to any of the Company's executive officers for Fiscal 2004 will be subject to the deduction limitations of Section 162(m). The Compensation Committee has recommended that Mr. McCann receive, and Mr. McCann has accepted, a base salary of \$975,000 for Fiscal 2005 in order to enable the Company to comply with Section 162(m). Further, in accordance with issued

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

Treasury Regulations relating to the \$1 million limitation, the Committee may in the future determine to restructure one or more components of the compensation paid to the executive officers so as to qualify those components as performance-based compensation that will not be subject to the \$1 million limitation.
