ITEM 11. Executive Compensation.

Compensation and Governance Committee Report

Compensation and Governance Committee Responsibilities

In fiscal year 2003, the Compensation and Governance Committee's basic responsibilities with respect to executive compensation included: (1) review and recommend an executive compensation strategy designed (i) to reward management appropriately for their contributions to Company growth and profitably, (ii) to align the interest of the executive officers with those of shareowners, and (iii) to motivate the executive officers to achieve the Company's business objectives; (2) review and administer executive compensation plans, programs and arrangements subject to any required approval by shareowners; and (3) review, approve and monitor the administration of broad-based equity incentive plans subject to any required approval by shareowners.

In particular, the Compensation and Governance Committee reviewed our executive compensation philosophy; reviewed and recommended to the board of directors corporate performance objectives for the executive bonus plan, reviewed and recommended to the board of directors compensation for the chief executive officer and other senior executives; and administered other compensation and benefit plans.

Compensation Philosophy

We operate in the extremely competitive and rapidly changing wireless telecommunications industry. The Compensation and Governance Committee believes that compensation programs for executive officers should be designed to attract, motivate and retain talented executives responsible for the success of the Company. The Compensation and Governance Committee also believes that these programs should be determined within a competitive framework and based on the achievement of predetermined financial and other performance measures, and individual contributions linked to strategic business objectives. Within this overall philosophy, the Committee's objectives were to:

- o Offer a total compensation program that is market competitive, taking into consideration the compensation practices of other companies.
- o Provide annual incentive compensation awards that take into account our overall performance against corporate objectives, as well as the achievement of individual performance objectives.

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

- o Align the financial interests of executive officers with those of shareowners by providing meaningful equity-based, long-term incentives.

The Committee has independently engaged the services of an executive compensation consulting firm to conduct a comprehensive assessment of the current compensation philosophy and the existing executive compensation plans, programs and arrangements.

Compensation Components and Process

Our compensation program for executives consisted of three key elements: (1) base salary, (2) performance based annual incentive awards and (3) long term, equity-based incentive awards.

The Compensation and Governance Committee determined these three key elements for executives with the assistance of our human resources staff and an independent consulting firm.

Base Salary. The base salary for each executive was derived through a comparison of pay levels for comparable positions at other comparable companies. Our policy is to target base salaries at the 50th percentile of market compensation practices. At the request of management, no base salary increases were awarded to executives during fiscal year 2003.

Annual Incentive Awards. To reinforce the attainment of our goals, the Compensation and Governance Committee believes that a substantial portion of the annual compensation of each executive should be in the form of variable incentive pay with the target of providing such incentives at the 60th percentile of market compensation practices. For fiscal year 2003, the Compensation and Governance Committee determined that retention of executives, EBITDA growth, cash conservation and the debt restructuring were the most important and critical performance objectives. Therefore, the Committee established enhanced target bonus award levels for executives and bifurcated the enhanced target bonus award levels into two components of equal weighting; a Retention Bonus Award component, designed to retain the services of executives during a very uncertain, turbulent and unpredictable business cycle and a Performance Bonus Award component, designed to focus the attention, energy and effort of executives on EBITDA growth, cash conservation, the financial restructuring and refinement of our long-range business plan following completion of the restructuring. The Retention Bonus Award component, which represents 50% of the enhanced target bonus award, has been paid to executives in quarterly installments, with the final installment of 40% of the Retention Bonus Award component paid in November, 2003 to executives who remained actively employed October 1, 2003. With respect to the Performance Bonus Award component, which represents 50% of the enhanced target bonus award, the Company achieved or exceeded the established performance objectives for EBITDA growth and cash conservation. Accordingly, the Committee approved payment of 50% of the Performance Bonus Award component. Payment of the remaining 50% of the Performance Bonus Award for the named executive officers was deferred and is contingent on completing the restructuring in fiscal 2004. The bonus amounts disclosed for named executive officers in the Summary Compensation Table do not include that portion of the Performance Bonus Award that has been deferred and for which payment is contingent upon successful completion of the debt-restructuring.

Long-Term, Equity-Based Incentive Awards. The goal of our long-term, equity-based incentive awards are to align the interests of executives with shareowners and to provide each executive with a significant incentive to manage the company from the perspective of an owner with an equity stake in the business.

The Compensation and Governance Committee made annual awards of long-term,

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

equity-based incentives during the first fiscal quarter of 2003. The Committee considered two factors in determining the size of these awards: their desire to benchmark the awards at the 75th percentile of market competitive compensation practices, consistent with our stated philosophy, and their recognition that the market value of a substantial majority of the outstanding shares underlying previous stock option grants was significantly below the strike price which significantly diminished their value as a strategic element of our executive compensation program. Accordingly, the Committee granted stock option awards to executives at levels that were approximately twice the size of previous annual grants. The number of shares granted to each named executive officer is disclosed in the Summary Compensation Table. Each grant allows an executive to acquire shares of our common stock at a fixed price per share, equal to the closing price of our common stock on the date of grant, over a specified period of time not to exceed ten years. These grants generally vest ratably over a four-year period, 25% per year.

On September 4, 2003, certain executives, including all named executive officers except Mr. Seippel, surrendered shares underlying stock option awards previously granted to them that had an option price equal to or greater than \$14.00 per share. These executives voluntarily and unconditionally surrendered the shares to reduce stock option "overhang" and mitigate the dilutive effect of the outstanding stock option shares. The total number of shares surrendered by these executives was 751,756 shares.

Employment Agreements

We have employment agreements with certain of our executives as described below under "Employment and Severance Agreements." We have examined, and continue to examine, our employment agreement practices in light of competitive practices and market conditions, including whether enhanced payments are appropriate if an executive's employment is terminated (voluntarily or involuntarily) for specified reasons following a change of control or otherwise.

CEO Compensation

The annual base salary for Mr. Dougherty was established by the Compensation and Governance Committee. Under Mr. Dougherty's employment agreement, he is entitled to annual increases in his base salary of not less than \$20,000. At the request of Mr. Dougherty, the Compensation and Governance Committee did not award Mr. Dougherty an increase in his base salary for fiscal year 2003.

On May 4, 2000, we entered into a retention bonus agreement with Mr. Dougherty. Unless Mr. Dougherty voluntarily terminates employment or is terminated for cause, he is entitled to periodic retention bonus payments totaling \$3.6 million, payable on specified payment dates from April 15, 2000 to January 15, 2004, which are generally quarterly. Under the terms of the retention bonus agreement, 50% of unpaid retention bonus payments would be accelerated upon a change of control of the company.

Payments under the retention bonus agreement are not a part of, or considered in, the variable annual incentive program awards. Mr. Dougherty's 2003 fiscal year incentive compensation was based on his continued employment and the performance of the Company. Mr. Dougherty's incentive compensation was based on the same retention objectives and established company performance goals used for all executive officers. During fiscal year 2003, Mr. Dougherty also received a stock option grant in the amount of 100,000 shares with an exercise price of \$.82 per share.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code limits our ability to deduct annual

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

compensation in excess of \$1 million paid to any of our top executive officers. This limitation generally does not apply to compensation based on performance goals if certain requirements are met. Generally, cash compensation paid to our executives does not equal or exceed \$1 million. However, amounts paid under Mr. Dougherty's retention bonus agreement are subject to the Section 162(m) limitation on deductibility. Stock option grants under our long-term incentive plans have been designed so that any compensation deemed to be paid in connection with the exercise of option grants will qualify as performance-based compensation which is not subject to the \$1 million deduction limitation. It is the Committee's intent to maximize the deductibility of executive compensation while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive market for executive talent.

Directors' Compensation

In 2001, our board adopted the AirGate PCS, Inc. 2001 Non-Employee Director Compensation Plan (the "Director Plan"). Under the Director Plan, non-employee directors receive an annual retainer for each plan year, which may be comprised of cash, restricted stock or options to purchase shares of our common stock. A director may elect to receive 50% or more of such amount in the form of restricted stock or options to purchase shares of our common stock.

In addition, under the Director Plan, each non-employee director that joins our board of directors receives an initial grant of options to acquire shares of our common stock. The options vest in three equal annual installments beginning on the first day of the plan year following the year of grant. Each participant also receives an annual grant of options to acquire our common stock, which vest on the first day of the plan year following the year of grant. In lieu of this annual grant, the recipient may elect to receive three year's worth of annual option grants in a single upfront grant of options to acquire our common stock exercisable in three equal annual installments on the first day of each of the three succeeding plan years. All options have an exercise price equal to the fair market value of our common stock on the date of grant. We also reimburse each of our non-employee directors for reasonable travel expenses to board and committee meetings and for approved continuing director education. We do not pay retirement, charitable contributions or other benefits to our directors.

A combination of factors, including the loss of three independent directors during fiscal year 2002, led us to engage an outside compensation consulting firm to review the adequacy of the compensation to be paid under our Director Plan. Some of the factors that led to this review are the same as those facing every public company, including the increased demand on directors' time required to satisfy increasing requirements for process and oversight of management of public companies, and the greater demand for independent directors and directors with financial and accounting expertise. In addition to these general conditions are factors specific to our industry and company, including the turmoil in the telecommunications industry in general and the challenges facing partners or affiliates of wireless carriers in particular.

The consulting firm reviewed, among other things, director compensation practices of similarly sized companies within and outside our industry and factors specific to us. Based on this review and the recommendations of management and the consulting firm, we amended the Director Plan on January 22, 2003 to increase compensation for non-employee directors. As amended, for each plan year (beginning on the day of an annual meeting of our shareowners and ending on the day before our next annual meeting) each non-employee director that chairs one or more committees of our board of directors will receive an

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

annual retainer of \$15,000, up from \$12,000, and all other non-employee directors will receive \$10,000. The amendment also added meeting fees for board and committee meetings as follows: (i) full-day (more than 4 hours) meetings, \$3,000; half-day meetings, \$1,500; full-day telephonic meetings, \$1,500 and half-day telephonic meetings, \$750. In addition, as an inducement for and recognition of board service during this difficult period in our development, current directors who continue to serve will be paid an additional retainer every six months of \$12,500 until December 1, 2004. Finally, the initial option grant to non-employee directors has been increased to 10,000 from 5,000 and the annual option grant to 7,500 from 5,000.

In connection with the financial restructuring, we will add additional directors to our board. As a result, our board is re-examining director compensation.

Mr. Dougherty may participate in any executive benefit/perquisite we establish at a minimum aggregate payment of \$15,000 per year. Pursuant to his employment agreement, Mr. Dougherty initially was awarded a stock option exercisable for 300,000 shares of common stock. Under the agreement, the initial stock option vested with respect to 25% of the underlying shares of common stock on the date Mr. Dougherty commenced his employment with us, April 15, 1999, and such vested options became exercisable on April 15, 2000. The remaining 75% of the shares of common stock subject to the initial stock option vest in 15 equal quarterly installments beginning June 30, 2000. The exercise price of the initial stock option granted to Mr. Dougherty is \$14.00 per share. As of September 4, 2003, Mr. Dougherty surrendered (returned to AirGate) outstanding and unexercised options for 185,714 shares that were part of the initial April 15, 1999 stock option grant. In addition, Mr. Dougherty is eligible to participate in all employee benefit plans and policies.

The employment agreement provides that Mr. Dougherty's employment may be terminated with or without cause, as defined in the agreement, at any time upon four weeks prior written notice. If Mr. Dougherty is terminated without cause, he is entitled to receive

- o six months' base salary, plus one month's salary for each year employed,
- o vesting of stock options on the date of termination and
- o six months of health and dental benefits.

In the event of Mr. Dougherty's death, Mr. Dougherty's legal representative is entitled to twelve months' base pay, plus a bonus of 20% of base pay. Under the employment agreement, Mr. Dougherty agreed to a restriction on his present and future employment. Mr. Dougherty agreed not to

- o disclose confidential information or trade secrets during employment with us and for two years after termination,
- o compete in the business of wireless telecommunications services either directly or indirectly in our territory during his employment and for a period of 18 months after his employment is terminated and
- o solicit our employees to terminate their employment with us or solicit certain of our customers to purchase competing products during his

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

employment with us and for a period of 18 months after termination of his employment.

On May 4, 2000, we entered into a retention bonus agreement with Mr. Dougherty. This agreement was intended to pay Mr. Dougherty the difference between the initial 300,000 option grant at \$2.00 a share and the actual grant price of \$14.00 a share. The timing of the payments matches the vesting of the initial 300,000 option grant. As a result, unless Mr. Dougherty voluntarily terminates employment or is terminated for cause, he is entitled to periodic payments totaling \$3.6 million, payable on specified payment dates from April 15, 2000 to January 15, 2004, which are generally paid quarterly. In fiscal year 2003, Mr. Dougherty earned \$720,000 under this agreement. Under the terms of the agreement, 50% of unpaid payments would be accelerated upon a change of control of the company.

We have also entered into an employment agreement with Barbara L. Blackford, our vice president, general counsel and secretary. Ms. Blackford is eligible under her employment agreement to receive an annual bonus based upon our incentive plans and policies, but at a target of not less than 35% of her then current base pay. Ms. Blackford may participate in any executive benefit/perquisite program we establish on the same terms as other executives, at a minimum aggregate benefit of \$10,000 per year. Ms. Blackford's base salary pursuant to the agreement is currently \$208,500 per year. Such amount is subject to review for an increase at least annually. Pursuant to her employment agreement, Ms. Blackford initially was awarded a stock option exercisable for 90,000 shares of our common stock, which option became vested with respect to 25% of the underlying shares of common stock at the end of Ms. Blackford's first year with us and the remainder of the shares vest in 5% increments for each three month period after the initial year that she remains employed by us. The exercise price of the initial stock option granted to Ms. Blackford is \$66.94 per share. As of September 4, 2003, Ms. Blackford surrendered (returned to AirGate) outstanding options for the 90,000 shares granted under the initial August 30, 2000 stock option grant. In addition, Ms. Blackford is eligible to participate in all employee benefit plans and policies.

The employment agreement provides that Ms. Blackford's employment may be terminated with or without cause, as defined in the agreement, at any time upon four weeks prior written notice. If Ms. Blackford is terminated without cause, she is entitled to receive six months' base salary, plus one month's salary for each year employed by us. Under the employment agreement, Ms. Blackford agreed, during her employment with us and for a period of two years after the termination of her employment, not to

- o disclose confidential information or trade secrets,
- o solicit certain of our employees to terminate their employment with us or
- o solicit certain of our customers to purchase competing products during her employment with us and for a period of two years after the termination of her employment.

Ms. Blackford's agreement further provides that if we enter into an agreement with any member of our senior management other than our chief executive officer which agreement contains change of control provisions more favorable than those given to Ms. Blackford pursuant to her agreement, then such provisions (other than with respect to salary, bonus, and other dollar amounts) will be made available to Ms. Blackford.

We have also entered into an employment agreement with David C. Roberts, our vice president of engineering and network operations. Mr. Roberts is eligible under his employment agreement to receive an annual bonus based upon our incentive plans and policies but at a target of not less than 35% of his then

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

current base salary. Mr. Roberts may participate in any executive benefit/perquisite program that we establish for a minimum aggregate benefit equal to \$10,000 per year. Mr. Roberts' base salary pursuant to the agreement is currently \$189,000 per year. Such amount shall be adjusted annually to increase it by the greater of the consumer price index for all urban consumers, U.S. City Average, All Items or 5%. Pursuant to his employment agreement, Mr. Roberts initially was awarded a stock option exercisable for 75,000 shares of our common stock, which option became vested with respect to 25% of the underlying shares of common stock after the first two years Mr. Roberts was employed by us and the remainder of the underlying shares vest in 6 1/4% quarterly increments thereafter. The exercise price of the initial stock option granted to Mr. Roberts is \$14.00 per share. As of September 4, 2003, Mr. Roberts surrendered (returned to AirGate) outstanding and unexercised options for 37,500 shares that were part of the initial July 28, 1999 stock option grant. In addition, Mr. Roberts is eligible to participate in all employee benefit plans and policies.

Mr. Roberts' employment may be terminated with or without cause at any time by Mr. Roberts or us upon four weeks prior written notice, except that if termination is for cause, no notice by us is required. If we terminate Mr. Roberts' employment without cause, he is entitled to receive

- o six months base salary and
- o six months of health, disability, life and dental benefits.

Any unvested options granted to Mr. Roberts fully vest and become exercisable upon Mr. Roberts' involuntary termination other than for cause. Cause is limited to breach of the noncompete obligations described below. In the event of Mr. Roberts' death, Mr. Roberts' legal representative is entitled to twelve months' base pay, plus a bonus of 20% of base pay.

Under the employment agreement, Mr. Roberts agreed to a restriction on his present and future employment. Mr. Roberts agreed not to

- o disclose confidential information or trade secrets during employment with us and for two years after termination,
- o compete in the business of wireless telecommunications either directly or indirectly in our territory during his employment and for a period of 18 months after his employment is terminated and
- o solicit our employees to terminate their employment with us or solicit certain of our customers to purchase competing products during his employment with us and for a period of 18 months after termination of his employment.

Effective October 24, 2002, the Company hired William H. Seippel as vice president and chief financial officer, pursuant to the terms of an offer letter. Mr. Seippel's initial base salary pursuant to the offer letter is \$250,000 per year. Mr. Seippel's performance will be evaluated during the first six months of his employment and if he has successfully achieved or made satisfactory progress towards the achievement of agreed upon performance objectives and expectations during this period, his annual base salary will be increased to \$275,000. Mr. Seippel is eligible under his offer letter to receive an annual bonus based on our incentive plans and policies, but at a target of not less than 50% of his base salary. The offer letter guarantees Mr. Seippel an annual incentive award payment for the 2003 plan year equal to 50% of his base earnings during the 2003 plan year. Pursuant to his offer letter, Mr. Seippel initially received a grant of 70,000 non-qualified stock option shares and an award of 30,000 shares of time-based restricted stock. Mr. Seippel's stock option shares will vest in four equal annual installments with the initial 25% annual installment vesting on October 24, 2003 and each remaining 25% annual installment vesting on each

Edgar Filing: AIRGATE PCS INC /DE/ - Form 10-K/A

anniversary thereafter. The restrictions on Mr. Seippel's restricted stock award will lapse over a four-year period such that 25% of the shares will vest on October 24, 2003 and the remaining shares will vest in 25% annual installments on each anniversary. The exercise price of the initial stock option granted to Mr. Seippel is \$0.64 per share. In addition, Mr. Seippel is eligible to participate in all employee benefit plans and policies. Pursuant to the offer letter, the Company paid Mr. Seippel's relocation expenses to Atlanta, Georgia, and such amounts are disclosed in the Summary Compensation table.

The offer letter provides that Mr. Seippel's employment may be terminated with or without cause. Mr. Seippel is entitled to severance payments if he is terminated without cause in an amount equal to six months' base salary and a pro-rated bonus at target. It is a condition to the payment of this severance that Mr. Seippel agree not to directly or indirectly:

- o engage in a senior management capacity in the business of wireless telecommunications in our territory for a period of six months after his employment is terminated or
- o solicit our employees to terminate their employment with us or solicit certain of our customers to purchase competing products for a period of one year after termination of his employment.

Mr. Seippel's offer letter further provides that the Company will enter into an agreement with him entitling him to receive certain payments if his employment is terminated (voluntarily or involuntarily) for specified reasons, other than for cause, as a result of a change of control of the Company. The change of control agreement is to provide that he would receive his annual base salary and bonus at target and continuation of benefits for one year. Mr. Seippel would also receive unpaid salary and accrued and unpaid bonus and certain outplacement services for up to one year.

The Audit Committee has delegated pre-approval authority to the Chair for external audit services not exceeding \$75,000 per engagement, and the Chair must report any pre-approval decisions to the Audit Committee at its next meeting. The policy specifically prohibits certain non-audit services that are prohibited by securities laws from being provided by an independent auditor.

All of the principal accounting services and fees reflected in the table in this Item 14 were reviewed and approved by the Audit Committee, and none of the services were performed by individuals who were not employees of the independent auditor.
