Proxy Statement for Annual Meeting of

Shareholders to be Held on May 17, 2006

Our Board of Directors is soliciting proxies for the 2006 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully.

Voting Information

The Board set April 1, 2006 as the record date for the meeting. Shareholders owning our common stock at the close of business on that date are entitled to vote and to attend the meeting, with each share entitled to one vote. If you are a registered shareholder who wishes to vote at our annual meeting, you may do so by delivering your proxy card in person at the meeting. "Street name" shareholders who wish to vote at our annual meeting will need to obtain a proxy form from the institution that holds their shares. There were 2,663,719 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock represented at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these materials are being forwarded to you by your broker or nominee, which is considered the *shareholder of record* with respect to those shares. As the *beneficial owner*, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the *shareholder of record* giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

When you sign the proxy card, you appoint James B. Orders, III and Fred Gilmer, Jr. as your representatives at the meeting. Mr. Orders and Mr. Gilmer will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Mr. Orders and Mr. Gilmer will vote your proxy for the election to the board of directors of all nominees listed below under "Election of Directors" and for the ratification of the adoption of the 2006 Greenville First Bancshares, Inc. Restricted Stock Plan. We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Mr. Orders and Mr. Gilmer will vote your proxy on such matters in accordance with their judgment.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by signing and delivering another proxy with a later date or by voting in person at the meeting. Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members.

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

Proxies that brokers do not vote on some proposals but that they do vote on others are referred to as "broker non-votes" with respect to the proposals not voted upon. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. *Upon written or oral request, we will promptly deliver a separate copy of our annual report, our annual report on Form 10-K, or this proxy statement to our shareholders at a shared address to which a single copy of the document was delivered.* Our officers and employees may assist in soliciting proxies but will not receive additional compensation for doing so. We are distributing this proxy statement on or about April 12, 2006.

Proposal No. 1: Election of Directors

The Board of Directors is divided into three classes with staggered terms, so that the terms of only approximately one-third of the Board members expire at each annual meeting. The current terms of the Class I directors will expire at the meeting. The terms of the Class II directors expire at the 2007 Annual Shareholders Meeting. The terms of the Class III directors will expire at the 2008 Annual Shareholders Meeting. Our directors and their classes are:

<u>Class I</u>	<u>Class II</u>	<u>Class III</u>
Mark A. Cothran	Leighton M. Cubbage	Andrew B. Cajka
Rudolph G. Johnstone, III, M.D.	David G. Ellison	Anne S. Ellefson
R. Arthur Seaver, Jr.	James B. Orders, III	Fred Gilmer, Jr.
	William B. Sturgis	Tecumseh Hooper, Jr.

Shareholders will elect three nominees as Class I directors at the meeting to serve a three-year term, expiring at the 2009 Annual Meeting of Shareholders. The directors will be elected by a plurality of the votes cast at the meeting. This means that the three nominees receiving the highest number of votes will be elected.

The board of directors recommends that you elect Mark A. Cothran, Rudolph G. Johnstone, III, M.D., and R. Arthur Seaver, Jr. as Class I directors.

If you submit a proxy but do not specify how you would like it to be voted, Mr. Orders and Mr. Gilmer will vote your proxy to elect Messrs Cothran, Johnstone, and Seaver. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Mr. Orders and Mr. Gilmer will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

In addition, each is entitled to receive either an automobile owned or leased by us or an automobile allowance of \$500 per month.

Each employment agreement also provides that during the term of employment and for a period of 12 months following termination, Messrs. Austin, Gilmer, and Terrell may not (a) compete with us by, directly or indirectly, forming, serving as an organizer, director or officer of, employee or agent, or consultant to, or acquiring or maintaining more than a 1% passive investment in, a depository financial institution or holding company thereof if such depository institution or holding company has one or more offices or branches within 30 miles of our main office or any other offices, (b) solicit our clients with which they had contact in connection with products and services provided by us for the purpose of providing financial services, or (c) solicit our employees. If Messrs. Austin, Gilmer, or Terrell terminate their employment for good reason or if they are terminated following a change in control of our company, they will be entitled to severance compensation of their then current monthly salary for a period of 12 months, plus accrued bonus, and all outstanding options and incentives will vest immediately.

Orders, III, R. Arthur Seaver, Jr., and William B. Sturgis. Each of these directors received a warrant to purchase one share of common stock at a purchase price of \$6.67 per share for every two shares purchased by that individual in our initial public offering as compensation for the risks taken in forming the bank, including their personal guarantees of the original line of credit. Committees of the Board of Directors

The company's board of directors has appointed four committees, including an audit, personnel, nominating, and finance committee. The audit committee is composed of Mr. Cajka, Mr. Hooper, Mrs. Ellefson, Mr. Sturgis, and Mr. Cabbage. Each of these members is considered "independent" under Rule 4350 of the National Association of Securities Dealers' listing standards. The audit committee met five times in 2005.

None of the current members of the audit committee nor any other member of our board qualifies as an "audit committee financial expert" as defined under the rules of the Securities and Exchange Commission. As a relatively small public company, it is difficult to identify potential qualified candidates that are willing to serve on our board and otherwise meet our requirements for service. At the present, we do not know if or when we will appoint a new board member that qualifies as an audit committee financial expert.

Although none of the members of our audit committee qualify as "financial experts" as defined in the SEC rules, each of our audit committee members has made valuable contributions to the company and its shareholders as members of the audit committee. The board has determined that each member is fully qualified to monitor the performance of management, the public disclosures by the company of its financial condition and performance, our internal accounting operations, and our independent auditors.

The audit committee functions are set forth in its charter, which was adopted on September 19, 2000 and later amended on June 15, 2004. A copy of the audit charter was attached as Appendix A to the Proxy Statement for our 2005 Annual Meeting of Shareholders. The audit committee has the responsibility of reviewing financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The audit committee is responsible for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts. The audit committee reports its findings to the board of directors.

Other Committees

The personnel committee is composed of Mr. Sturgis, Mr. Cothran, Mr. Cabbage, Dr. Johnstone, Mr. Ellison, and Mr. Orders. Each of these members is considered "independent" under Rule 4350 of the National Association of Securities Dealers' listing standards. The personnel committee met two times in 2005. The personnel committee has the responsibility of approving the compensation plan for the entire bank and specific compensation for all executive officers. The personnel committee reviews all benefit plans and annually reviews the performance of the chief executive officer.

The finance committee is composed of Mr. Orders, Mr. Cajka, Mr. Cothran, Mrs. Ellefson, Mr. Ellison, Mr. Gilmer, Mr. Hooper, Dr. Johnstone and Mr. Seaver. The finance committee met 12 times in 2005. The finance committee has the responsibility of reviewing the loan policy, investment policy, and the bank's asset/liability structure.

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

The nominating committee is composed of Mr. Cabbage, Ms. Ellison, Mr. Orders and Mr. Sturgis. Each of these members is considered "independent" under Rule 4350 of the National Association of Securities Dealers' listing standards. The nominating committee met once in 2005. The nominating committee recommends nominees for election to the Board. On June 15, 2004, we adopted a formal nominating committee charter which is available on our website, www.greenvillefirst.com.

For directors previously elected by shareholders to serve on the Board and whose terms of service are expiring, the nominating committee considers whether to recommend to the Board the nomination of those directors for re-election for another term of service. The nominating committee also considers whether to recommend to the Board the nomination of persons to serve as directors whose nominations have been recommended by shareholders.

Any shareholder may recommend the nomination of any person to serve on the Board. Our policy is to require a shareholder to submit the name of the person to our corporate secretary in writing no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, no more than seven days after notice of the special meeting is given to shareholders. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The nominating committee considers a number of factors in determining whether to recommend to the Board the nomination of any person for election as a director. While no single factor is determinative, the following factors are considered by the nominating committee in considering any potential nominee:

- educational background, work experience, business acumen,
- ability to grasp business and financial concepts, knowledge or experience related to banking or financial services,
- previous service on boards (particularly of public companies),
- willingness and ability to devote time and energy to the duties of a director,
- a desire and ability to help enhance shareholder value,
- reputation in the community,
- character,
- whether the nominee has any history of criminal convictions or violation of SEC rules,
- actual or potential conflicts of interest, and
- any other factor that the nominating committee considers relevant to a person's potential service on the Board of Directors.

The Board of Directors also considers the foregoing criteria in determining whether to nominate any person for election by the shareholders.

In determining whether to nominate any person for election by the shareholders, the Board assesses the appropriate size of the Board of Directors, consistent with our bylaws, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director recommended by the nominating committee. Candidates may come to the attention of the nominating committee or Board through a variety of sources including, but not limited to, current members of the Board, shareholders, or other persons. The nominating committee and Board of Directors consider properly submitted recommendations by shareholders who are not our directors, officers, or employees on the same basis as candidates recommended by any other person.

We do not pay a third party to assist in identifying and evaluating candidates.

Report of the Personnel Committee of the Board

The personnel committee of the Board is composed entirely of independent directors. The personnel committee is responsible for establishing and monitoring compensation policies of the company and for its subsidiary.

It is our policy that the performance of senior management be evaluated using the same established criteria that are used for its employees and that the salary structure for the executive officers be included in the salary structure of the company. The personnel committee is responsible for evaluating the performance of our Chief Executive Officer and setting his compensation, while our Chief Executive Officer evaluates the performance of other senior officers of the company. Salary increases are recommended to the personnel committee based on these evaluations. The personnel committee reviews the evaluations and sets the salaries for the coming year. Members of senior management receive base salaries determined by the responsibilities, skills and experience related to their respective positions.

The personnel committee's considerations include management skills, long-term performance, shareholder returns, operating results, asset quality, asset-liability management, regulatory compliance, unusual accomplishments, economic conditions, external events that affect our operations, the competitiveness of the executive's total compensation and our ability to pay an appropriate and competitive salary. Compensation policies must promote the attraction and retention of highly qualified executives and the motivation of these executives to achieve financial and other goals that result in our success and the enhancement of long-term shareholder value. Members of senior management are eligible for periodic increases in their base salary as a result of individual performance or significant increases in their duties and responsibilities. The amount and timing of an increase depends upon the individual's performance, position of salary to the competitive market median salary, and the time interval and any added responsibilities since the last salary increase.

In addition to salaries, our compensation plan includes matching contributions to the 401(k) Plan. Stock options are also awarded periodically based on performance, length of service and salary grades. The personnel committee believes that awards of stock options provide increased motivation to work for our success, thereby increasing personal financial success. All options granted to executives and employees are exercisable at the closing price of our stock on the date of grant.

In December of each year, the personnel committee reviews and approves the Management Performance Incentive Compensation Plan for the coming year. The purpose of the Plan is to share the rewards of excellent performance with those officers who provide knowledge and direction to the company and work to accomplish results that are above expectations. Standards of measurement are developed in conjunction with the goals identified in our strategic business plan. Historically, the various incentive awards have represented approximately 37% of the officer's base salary. The Chief Executive Officer's performance incentive compensation is based on the goals achieved by those officers.

Any incentive awards are supplements to annual compensation. Participants in the plan are limited to officers who are responsible for directing functions which have significant impact on our growth and profitability.

Periodically, independent compensation consultants are engaged to review the salary levels of all members of management as compared to peers with comparable responsibilities in other companies. Results are reported to the personnel committee.

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

During the year ended December 31, 2005, the base compensation for R. Arthur Seaver, Jr., our President and Chief Executive Officer, was \$160,910, which represented a 4% increase from the previous fiscal year's base compensation of \$154,067. Mr. Seaver's total compensation package is outlined in the summary compensation table. Additionally, Mr. Seaver drives an automobile supplied by the company and receives benefits given to all full-time employees of the company. Each member of the personnel committee believes Mr. Seaver's current total compensation is not excessive or unreasonable.

Our Chief Executive Officer, however, did participate in deliberations regarding other executive officers. He was not involved in any decisions regarding his own compensation.

Certain Relationships and Related Transactions

Interests of Management and Others in Certain Transactions

We enter into banking and other transactions in the ordinary course of business with our directors and officers of the company and the bank and their affiliates. It is our policy that these transactions be on substantially the same terms (including price, or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties. We do not expect these transactions to involve more than the normal risk of collectibility nor present other unfavorable features to us. Loans to individual directors and officers must also comply with our bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of the loan application. We intend for all of our transactions with our affiliates to be on terms no less favorable to us than could be obtained from an unaffiliated third party and to be approved by a majority of disinterested directors.

In 1999, the bank entered into a 20 year lease on the Haywood Road office building. Monthly payments on the lease were \$33,343 in 2005. On December 30, 2005, the Company exercised its option to purchase the building from Halton Properties LLC, a company owned by director Mark Cothran, for \$3.1 million. The \$3.1 million purchase price was based on an agreed upon formula that was included in the original lease agreement.

On September 20, 2005, the bank entered into a ten year, five-month lease on a new site for its headquarters and main office that are to be relocated in 2006. Mr. Cothran, a director of the bank, assisted the bank in the negotiation of the lease. The lessor has agreed to pay Mr. Cothran a leasing agency fee of \$164,414, of which \$82,207 was paid in 2005. The remainder of the agency fee will be paid to Mr. Cothran at the time the bank occupies the building.

The bank also has a land lease with a company owned by director, Mark Cothran on the property for a branch office, with monthly payments of \$4,804. In addition, the bank had various consulting agreements with a Mr. Cothran for development, administration and advisory services related to the purchase of property and construction of current and future branch office sites. During 2005, the bank paid Mr. Cothran \$40,000 under these agreements.

The bank is of the opinion that the lease payments and consulting fees represent market costs that could have been obtained in similar "arms length" transactions.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

As required by Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers and certain other individuals are required to report periodically their ownership of our common stock and any changes in ownership to the SEC. Based on a review of Forms 3, 4, and 5 and any representations made to us, it appears that all such reports for these persons were filed in a timely fashion during 2005, except that timely filings on Forms 4 were not made for Mr. Gilmer, Ms. Ellefson and Mr. Ellison due to untimely notifications of the transactions. Forms 5 were filed for these individuals in February 2006.

Code of Ethics

We expect all of our employees to conduct themselves honestly and ethically, particularly in handling actual and apparent conflicts of interest and providing full, accurate, and timely disclosure to the public.

We have adopted a Code of Ethics that is specifically applicable to our senior management and financial officers, including our principal executive officer, our principal financial officer, and our principal accounting officer and controllers. A copy of this Code of Ethics is available without charge to shareholders upon request to the secretary of the company, at Greenville First Bancshares, Inc., 112 Haywood Road, Greenville, SC 29607.

Proposal No. 2: Ratification of Adoption of the 2006 Greenville First Bancshares, Inc. Restricted Stock Plan

On March 21, 2006, our board of directors adopted, subject to shareholder approval, the 2006 Greenville First Restricted Stock Plan that provides for the grant of stock awards to our employees, directors, and consultants. A total of 10,000 shares of common stock have been reserved for issuance pursuant to awards under the plan, subject to the anti-dilution provisions of the plan. The following summary of the material features of the plan is qualified in its entirety by reference to the copy of the plan which is attached as Appendix A to this proxy statement.

Purpose of the Plan

We believe we have been able to attract highly qualified personnel in the past in part through the use of stock option grants, and that it is desirable to have the continued ability to attract additional personnel and to return and reward exceptional performance by employees through other awards that encourage stock ownership and proprietary interest in the company. The board believes that the plan would provide a means whereby those individuals upon whom the responsibilities of the successful administration and management of the company rest, and whose present and potential contributions to the company are of importance, can acquire and maintain stock ownership, thereby strengthening their concern for the welfare of the company. By providing such individuals with additional incentive and reward opportunities, the board believes that the plan will enhance the profitable growth of the company.

Administration of the Plan

The plan provides that it is to be administered by a committee appointed by the board and comprised of two or more "outside" directors, within the meaning of section 162(m) of the Internal Revenue Code of 1986 and within the meaning of the term "non-employee director" as defined in Rule 16b-3 under the Securities Exchange Act of 1934. The board has appointed the compensation committee to perform the duties of the committee under the plan. The committee will administer the plan and will have sole authority, in its discretion, to determine which employees, consultants or directors will receive awards under the plan, the number of shares to be subject to each award, and the forfeiture restrictions (as defined below) for each award. The committee will have such additional powers delegated to it under the plan, including the power to construe the plan and the restricted stock agreements executed with recipients of awards thereunder and to determine the terms, restrictions, and provisions of each agreement. The committee may also correct any defect or supply any omission or reconcile any inconsistency in the plan or in any agreement in the manner and to the extent it will deem expedient to carry it into effect. The determinations of the committee on these matters will be conclusive.

The plan provides for awards of "restricted stock," consisting of shares of common stock which are issued to the participant at the time the award is made or at some later date, which shares are subject to certain restrictions against disposition and certain obligations to forfeit such shares to the company under certain circumstances (the "Forfeiture Restrictions"). The Forfeiture Restrictions, which may be different for each award, will be determined by the committee in its sole discretion, and the committee may provide that the Forfeiture Restrictions will lapse upon:

(1) the attainment of one or more performance targets established by the committee based upon, among other things, share price, earnings per share, market share, sales, net income, return on investment, economic value added or return on shareholders' equity;

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

- (2) the participant's continued employment with the company or continued services as a consultant or director for a specified period of time;
- (3) the occurrence of any event or the satisfaction of any other condition specified by the committee in its sole discretion; or
- (4) a combination of any of the foregoing.

Restricted stock awarded pursuant to an award will be represented by a stock certificate registered in the name of the participant. Unless otherwise provided in an agreement, the participant will have the right to receive dividends, if any, with respect to such shares of restricted stock, to vote such shares and to enjoy all other shareholder rights, except that we will retain custody of the stock certificate and the participant may not sell, transfer, pledge or otherwise dispose of the restricted stock until the Forfeiture Restrictions have expired. A breach of the terms and conditions established by the committee pursuant to an award will cause a forfeiture of the award. The committee expects that participants generally will not be required to make any payment for common stock received pursuant to an award, except to the extent otherwise determined by the committee or required by law.

The committee may, in its discretion, fully vest any or all restricted stock awarded to a participant under an award and, upon such vesting, all Forfeiture Restrictions applicable to the award will terminate. Any such action by the committee may vary among individual participants and may vary among awards held by any individual participant. The committee may not, however, take any such action with respect to an award that has been granted to a "covered employee," within the meaning of Treasury Regulation Section 1.162-27(c)(2), if such award has been designed to meet the exception for performance-based compensation under Section 162(m) of the Code.

At the time any award is made, the company and the participants will enter into a restricted stock agreement setting forth the terms of the award and such other matters as the committee may determine to be appropriate. The terms and provisions of the restricted stock agreements need not be identical, and the committee may, in its sole discretion, amend an outstanding restricted stock agreement at any time in any manner that is not inconsistent with the provisions of the plan. The maximum number of shares that may be subject to awards granted to any one participant may not exceed 100% of the aggregate number of shares of common stock that may be issued under the plan (as adjusted from time to time in accordance with the provisions of the plan).

Amendment and Termination of the Plan

The board in its discretion may terminate the plan at any time with respect to any shares of common stock for which awards have not been granted. The board will have the right to alter or amend the plan or any part thereof at any time, except that it may not change any award granted that would impair the rights of the participant without the consent of the participant and it may not, without approval of our shareholders, (1) amend the plan to increase the maximum aggregate number of shares that may be issued under the plan or change the class of individuals eligible to receive awards under the plan or (2) amend or delete the provision of the plan pertaining to the last sentence of the fourth paragraph under "-- Administration of the Plan," above. Except for awards then outstanding, the plan will terminate and no further awards will be granted after the expiration of 10 years following the date of its adoption by the board, if not earlier terminated.

Capital Changes

In the event of a stock dividend, stock split, reorganization, merger, recapitalization or other change affecting the common stock, such proportionate adjustments, if any, as the committee deems appropriate, will be made with respect to (1) the aggregate number of shares of common stock that may be issued under the plan, (2) the number of shares issuable pursuant to each outstanding award made under the plan, and (3) the maximum number of shares that may be subject to awards granted to any one individual under the plan.

Tax Effects of Participation in the Plan

Edgar Filing: GREENVILLE FIRST BANCSHARES INC - Form DEF 14A

Under the Internal Revenue Code as presently in effect, a participant generally will not recognize any income for federal income tax purposes at the time an award is made, nor will the company be entitled to a tax deduction at that time, unless the participant elects to recognize income at the time the award is made. If the participant does not make such election, the value of the common stock will be taxable to the participant as ordinary income in the year in which the Forfeiture Restrictions lapse with respect to such shares of stock. We have the right to deduct, in connection with all awards, any taxes required by law to be withheld and to require any payments required to enable it to satisfy our withholding obligations. We will generally be allowed an income tax deduction equal to the ordinary income recognized by the participant at the time of such recognition.

We may not deduct compensation of more than \$1,000,000 that is paid in a taxable year to certain "covered employees" as defined in Section 162(m) of the Code. The deduction limit, however, does not apply to certain types of compensation, including qualified performance-based compensation. Compensation attributable to awards currently contemplated by the committee under the plan will generally not be qualified performance-based compensation and therefore will be subject to the deduction limit.

Under Section 280G of the Code, we may not deduct certain compensation payable in connection with a change of control. The acceleration of vesting of awards in conjunction with a change of control of the company may be limited under certain circumstance thereby avoiding nondeductible payments under Section 280G.

Plan Benefits

Because no awards have been granted under the plan as of the date of this proxy statement and all awards will be granted at the discretion of the committee, it is not possible for us to determine and disclose the amounts of awards that may be granted to the named executive officers and the executive officers as a whole, if the plan is approved.

Reasons for Authorization and Vote Required

The plan is being submitted to the shareholders for approval pursuant to Section 162(m) of the Code and the rules of The NASDAQ National Market. It is possible that some awards under the plan may constitute qualified performance-based compensation for purposes of Section 162(m) of the Code, although it is generally intended that most awards will not constitute such performance-based compensation.

The Board of Directors Recommends a Vote "For" Approval of the Restricted Stock Plan.

Assuming the presence of a quorum, the affirmative vote of the holders of a majority of the shares of common stock present and entitled to vote on this item at the annual meeting is required to approve the plan.

The following table sets forth equity compensation plan information at December 31, 2005. The number of shares and the exercise prices for options and warrants has been adjusted for the 3 for 2 stock split in 2003.

(1) The number of shares of common stock available under the 2000 Greenville First Bancshares, Inc. Stock Incentive Plan automatically increases each time we issue additional shares so that it continues to equal 15% of our total outstanding shares. Our board of directors has approved 258,750 shares of common stock to be issued as stock options.

(2) Each of our organizers received, for no additional consideration, a warrant to purchase one share of common stock for \$6.67 per share for each share purchased during our initial public offering. The warrants are represented by separate warrant agreements. One third of the warrants vest on each of the first three anniversaries of the date our bank opened for business, and they are exercisable in whole or in part during the ten year period following that date. The warrants may not be assigned, pledged, or hypothecated in any way. The 194,175 of shares issued pursuant to the exercise of such warrants are transferable, subject to compliance with applicable securities laws. If the South Carolina Board of Financial Institutions or the FDIC issues a capital directive or other order requiring the bank to obtain additional capital, the warrants will be forfeited, if not immediately exercised.

Shareholder Proposals for the 2007 Annual Meeting of Shareholders

If shareholders wish a proposal to be included in our proxy statement and form of proxy relating to the 2007 annual meeting, they must deliver a written copy of their proposal to our principal executive offices no later than December 16, 2006. To ensure prompt receipt by the company, the proposal should be sent certified mail, return receipt requested. Proposals must comply with our bylaws relating to shareholder proposals in order to be included in our proxy materials.

It is our policy that any shareholder proposal to be made at an annual meeting, but which is not requested to be included in the our proxy materials, must be delivered to the secretary of the company between 30 and 60 days prior to the annual meeting; provided, however, that if less than 31 days' notice of the meeting is given to shareholders, the notice must be delivered within 10 days following the day on which notice of the meeting was mailed to shareholders.

ARTICLE II

THE PLAN

2.1 Name. This Plan shall be known as "Greenville First Bancshares, Inc. Restricted Stock Plan."

2.2 Purpose. The purpose of the Plan is to advance the interests of the Company, its Subsidiaries, and its shareholders by affording Employees and Directors of the Company and its Subsidiaries an opportunity to acquire or increase their proprietary interests in the Company, thereby strengthening their concern for the welfare of the Company and its Subsidiaries. A further purpose of the Plan is to provide such individuals with additional incentive and reward opportunities designed to enhance the profitable growth of the Company and its Subsidiaries. Accordingly, the Plan provides for granting Awards that are best suited to the circumstances of the particular Employee or Director as provided herein.

2.3 Effective Date and Duration of the Plan. The Plan shall become effective upon the date of its adoption by the Board, provided the Plan is approved by the shareholders of the Company within 12 months thereafter. Notwithstanding any provision in the Plan or in any Restriction Agreement, no Award shall be granted prior to such shareholder approval. No further Awards may be granted under the Plan after 10 years from the date the Plan is adopted by the Board. The Plan shall remain in effect until all Awards granted under the Plan have vested or been forfeited.

ARTICLE III

PARTICIPANTS

The class of persons eligible to participate in the Plan shall consist of all Directors and Employees of the Company or any Subsidiary.

A-3

ARTICLE IV

ADMINISTRATION

4.1 Duties and Powers of the Committee. Subject to the express provisions of the Plan, the Committee shall have authority, in its discretion, to determine which Employees or Directors shall receive an Award, the time or times when such Award shall be made, the number of shares to be subject to each Award, and the Forfeiture Restrictions and related conditions of lapse applicable to each Award. In making such determinations, the Committee shall take into account the nature of the services rendered by the respective Employees or Directors, their present and potential contribution to the Company's success, and such other factors as the Committee in its discretion shall deem relevant.

4.2. Additional Powers. The Committee shall have such additional powers as are delegated to it by the other provisions of the Plan. Subject to the express provisions of the Plan, this shall include the power to construe the Plan and the Restriction Agreements executed hereunder, to prescribe rules and regulations relating to the Plan, and to determine the terms, restrictions, and provisions of the Restriction Agreement relating to each Award, and to make all other determinations necessary or advisable for administering the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Restriction Agreement relating to an Award in the manner and to the extent it shall deem expedient to carry it into effect. The determinations of the Committee on the matters referred to in this Section 4.2 shall be conclusive.

4.3 No Liability. Neither any member of the Board nor any member of the Committee shall be liable to any person for any act or determination made in good faith with respect to the Plan or any Award granted hereunder.

4.4 Majority Rule. A majority of the members of the Committee shall constitute a quorum, and any action taken by a majority at a meeting at which a quorum is present, or any action taken without a meeting evidenced by a writing executed by all the members of the Committee, shall constitute the action of the Committee.

4.5 Company Assistance. The Company shall supply full and timely information to the Committee on all matters relating to eligible persons, their employment, death, retirement, disability, or other termination of employment, and such other pertinent facts as the Committee may require. The Company shall furnish the Committee with such clerical and other assistance as is necessary in the performance of its duties.

ARTICLE V

SHARES OF STOCK SUBJECT TO PLAN

5.1 Limitations. Subject to adjustment in the same manner as provided in Section 5.2 below, the aggregate number of shares of Stock that may be issued under the Plan shall not exceed 10,000 shares. Shares shall be deemed to have been issued under the Plan only to the extent actually issued and delivered pursuant to an Award. To the extent that an Award lapses or the rights of its holder terminate, any shares of Stock subject to such Award shall again be available for the grant of an Award under the Plan. Notwithstanding any provision in the Plan to the contrary, the maximum number of shares of Stock that may be subject to Awards granted to any one individual during the term of the Plan may not exceed 100% of the aggregate number of shares of Stock that may be issued under the Plan (as adjusted from time to time in accordance with the provisions of the Plan). The limitation set forth in the preceding sentence shall be applied in a manner that will permit compensation generated under the Plan to constitute "performance-based" compensation for purposes of section 162(m) of the Code.

5.2 Antidilution.

(a) If (x) the outstanding shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of merger, consolidation, reorganization, recapitalization, reclassification, combination or exchange of shares, or stock split or stock dividend, (y) any spin off, spin out or other distribution of assets materially affects the price of the Company's stock, or (z) there is any assumption and conversion to the Plan by the Company of an acquired company's outstanding restricted stock, then:

(i) the aggregate number and kind of shares of Stock for which Awards may be granted hereunder shall be adjusted proportionately by the Committee; and

(ii) the rights of the holders of Awards (concerning the terms and conditions of the lapse of any then-remaining restrictions), shall be adjusted proportionately by the Committee.

(b) If the Company shall be a party to any reorganization in which it does not survive, involving merger, consolidation, or acquisition of the stock or substantially all the assets of the Company, the Committee, in its sole discretion, may (but is not required to), notify all Grantees that (i) all then-remaining restrictions pertaining to Awards under the Plan shall immediately lapse and/or (ii) all Awards granted under the Plan shall be assumed by the successor corporation or substituted on an equitable basis with restricted stock issued by such successor corporation.

(c) If the Company is to be liquidated or dissolved in connection with a reorganization described in Section 5.2(b), the provisions of such Section shall apply. In all other instances, the adoption of a plan of dissolution or liquidation of the Company shall, notwithstanding other provisions hereof, cause all then-remaining restrictions pertaining to Awards to lapse.

(d) The adjustments described in paragraphs (a) through (c) of this Section 5.2, and the manner of their application, shall be determined solely by the Committee, and any such adjustment may provide for the elimination of fractional share interests. The adjustments required under this Article V shall apply to any successors of the Company and shall be made regardless of the number or type of successive events requiring such adjustments.

ARTICLE VI

RESTRICTED STOCK

6.1 Forfeiture Restrictions to be Established by the Committee. Shares of Stock that are the subject of a Restriction Agreement shall be subject to restrictions on disposition by the Grantee and an obligation of the Grantee to forfeit and surrender the shares to the Company under certain circumstances (the "Forfeiture Restrictions"). The Forfeiture Restrictions shall be determined by the Committee in its sole discretion, and the Committee may provide that the Forfeiture Restrictions shall lapse upon (i) the attainment of one or more performance targets established by the Committee that are based on (1) the price of a share of Stock, (2) the Company's earnings per share, (3) the Company's market share, (4) the market share of a business unit of the Company designated by the Committee, (5) the Company's sales, (6) the sales of a business unit of the Company designated by the Committee, (7) the net income (before or after taxes) of the Company or any business unit of the Company designated by the Committee, (8) the cash flow return on investment of the Company or any business unit of the Company designated by the Committee, (9) the earnings before or after interest, taxes, depreciation, and/or amortization of the Company or any business unit of the Company designated by the Committee, (10) the economic value added, (11) the return on shareholders' equity achieved by the Company, or (12) the total shareholders' return achieved by the Company, (ii) the Grantee's continued employment with the Company or a Subsidiary or continued service as a Director for a specified period of time, (iii) the occurrence of any event or the satisfaction of any other condition specified by the Committee in its sole discretion, or (iv) a combination of any of the foregoing. The performance measures described in clause (i) of the preceding sentence may be subject to adjustment for specified significant extraordinary items or events, and may be absolute, relative to one or more other companies, or relative to one or more indexes, and may be contingent upon future performance of the Company or any Subsidiary, division, or department thereof. Each Award may have different Forfeiture Restrictions, in the discretion of the Committee.

6.2 Other Terms and Conditions. Stock awarded pursuant to a Restriction Agreement shall be represented by a stock certificate registered in the name of the Grantee. Unless provided otherwise in a Restriction Agreement, the Grantee shall have the right to receive dividends with respect to Stock subject to an Award, to vote Stock subject an Award, and to enjoy all other shareholder rights, except that (i) the Grantee shall not be entitled to delivery of the stock certificate until the Forfeiture Restrictions have expired, (ii) the Company shall retain custody of the stock until the Forfeiture Restrictions have expired, (iii) the Grantee may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the stock until the Forfeiture Restrictions have expired, and (iv) a breach of the terms and conditions established by the Committee pursuant to the Restriction Agreement shall cause a forfeiture of the Award. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms, conditions or restrictions relating to the Award, including, but not limited to, rules pertaining to the termination of employment or service as a Director (by retirement, disability, death or otherwise) of a Grantee prior to expiration of the Forfeitures Restrictions. Such additional terms, conditions, or restrictions shall be set forth in a Restriction Agreement made in conjunction with the Award.

6.3 Payment for Restricted Stock. The Committee shall determine the amount and form of any payment for Stock received pursuant to an Award, provided that in the absence of such a determination, a Grantee shall not be required to make any payment for Stock received pursuant to an Award, except to the extent otherwise required by law.

6.4 Committee's Discretion to Accelerate Vesting of Awards. The Committee may, in its discretion and as of a date determined by the Committee, fully vest any or all Stock awarded to a Grantee pursuant to an Award and, upon such vesting, all restrictions applicable to such Award shall terminate as of such date. Any action by the Committee pursuant to this section may vary among individual Grantees and may vary among the Awards held by any individual Grantee. Notwithstanding the preceding provisions of this section, the Committee may not take any action described in this section with respect to an Award that has been granted to a "covered Employee" (within the meaning of Treasury Regulation section 1.162-27(c)(2)) if such Award has been designed to meet the exception for performance-based compensation under section 162(m) of the Code.

6.5 Restriction Agreements. At the time any Award is made under this Article VI, the Company and the Grantee shall enter into a Restriction Agreement setting forth each of the matters contemplated hereby and such other matters as the Committee may determine to be appropriate. The terms and provisions of the respective Restriction Agreements need not be identical. Subject to the consent of the Grantee and the restriction set forth in the last sentence of Section 6.4 above, the Committee may, in its sole discretion, amend an outstanding Restriction Agreement from time to time in any manner that is not inconsistent with the provisions of the Plan.

ARTICLE VII

STOCK CERTIFICATES

The Company shall not be required deliver any certificate for shares of Restricted Stock granted hereunder, prior to fulfillment of all of the following conditions:

(a) The admission of such shares to listing on all stock exchanges on which the Stock is then listed;

(b) The completion of any registration or other qualification of such shares which the Committee shall deem necessary or advisable under any federal or state law or under the rulings or regulations of the Securities and Exchange Commission or any other

governmental regulatory body; and

(c) The obtaining of any approval or other clearance from any federal or state governmental agency or body which the Committee shall determine to be necessary or advisable.

Stock certificates issued and delivered to Grantees shall bear such restrictive legends as the Company shall deem necessary or advisable pursuant to applicable federal and state securities laws.

ARTICLE VIII

TERMINATION AND AMENDMENT

The Board in its discretion may terminate the Plan at any time with respect to any shares of Stock for which Awards have not already been granted. The Board shall have the right to alter or amend the Plan or any part thereof from time to time; provided that no change in any Award already granted may be made which would impair the rights of the Grantee without the consent of the Grantee, and provided, further, that the Board may not, without approval of the shareholders of the Company, (a) amend the Plan to increase the maximum aggregate number of shares of Stock that may be issued under the Plan or change the class of individuals eligible to receive Awards under the Plan, or (b) amend or delete the last sentence of Section 6.4.

ARTICLE IX

RELATIONSHIP TO OTHER COMPENSATION PLANS

The adoption of the Plan shall not affect any other stock option, incentive, or other compensation plans in effect for the Company or any of its Subsidiaries; nor shall the adoption of the Plan preclude the Company or any of its Subsidiaries from establishing any other form of incentive or other compensation plan for Employees or Directors of the Company or any of its Subsidiaries.

ARTICLE X

MISCELLANEOUS

10.1 **Replacement or Amended Grants.** At the sole discretion of the Committee, and subject to the terms of the Plan, the Committee may modify outstanding Awards or accept the surrender of outstanding Awards and grant new Awards in substitution for them. However, no modification of an Award shall adversely affect a Grantee's rights under a Restriction Agreement without the consent of the Grantee or his legal representative.

10.2 **Forfeiture for Competition.** If a Grantee provides services to a competitor of the Company or any of its Subsidiaries, whether as an employee, officer, director, independent contractor, consultant, agent, or otherwise, such services being of a nature that can reasonably be expected to involve the skills and experience used or developed by the Grantee while an Employee, then any shares of Restricted Stock held by such Grantee subject to remaining restrictions shall be forfeited, subject in each case to a determination to the contrary by the Committee.

10.3 **Plan Binding on Successors.** The Plan shall be binding upon the successors and assigns of the Company.

10.4 **Headings, etc., No Part of Plan.** Headings of Articles and Sections hereof are inserted for convenience and reference; they do not constitute part of the Plan.

10.5 **Section 16 Compliance.** With respect to Section 16 Insiders, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed void to the extent permitted by law and deemed advisable by the Committee.

10.6 **No Right to an Award.** Neither the adoption of the Plan nor any action of the Board or of the Committee shall be deemed to give an Employee or Director any right to an Award, or any other rights hereunder except as may be evidenced by a Restriction Agreement duly executed on behalf of the Company, and then only to the extent and on the terms and conditions expressly set forth therein. The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of funds or assets to assure the performance of its obligations under any Award.

10.7 No Employment/Membership Rights Conferred. Nothing contained in the Plan shall (i) confer upon any Employee any right with respect to continuation of employment with the Company or any Subsidiary or (ii) interfere in any way with the right of the Company or any Subsidiary to terminate his or her employment at any time. Nothing contained in the Plan shall confer upon any Director any right with respect to continuation of membership on the Board.

10.8 Restriction on Transfer. An Award shall not be transferable otherwise than (i) by will or the laws of descent and distribution, (ii) pursuant to a Qualified Domestic Relations Order, or (iii) with the consent of the Committee.
