PROXY STATEMENT
DATED
JUNE 18, 2003

SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD AUGUST 8, 2003

GENERAL

This proxy statement (the "Proxy Statement") is being furnished to the shareholders of Vega-Atlantic Corporation, a Colorado corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") from holders (the "Shareholders") of outstanding shares of common stock, \$0.00001 par value, of the Company (the "Common Stock"), for use at the special meeting of the Shareholders to be held at 2:00 P.M. on August 8, 2003, at 435 Martin Street, Suite 2000, Blaine, Washington 98320, and any adjournments or postponements thereof (the "Meeting"). This Proxy Statement, Notice of Meeting of Shareholders and the accompanying Proxy Card and Form 10-KSB Annual Report for the fiscal year ended March 31, 2003, are first being mailed to Shareholders on or about July 15, 2003.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on June 30, 2003 (the "Record Date") are entitled to notice of and to vote the shares of Common Stock, \$0.00001 par value, of the Company held by them on such date at the Meeting or any and all adjournments thereof. As of the Record Date an aggregate 1,106,778 shares of Common Stock were outstanding. There was no other class of voting securities outstanding at that date.

Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting or any adjournments thereof.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Assuming that a quorum is present, (i) the affirmative vote of the holders of a majority of the shares of Common Stock outstanding will be required to approve the proposed amendment (the "Amendment") to the Company's Articles of Incorporation, as amended (the "Articles") to effectuate the proposed change in name of the Company (the "Name Change") to such name as may be approved by the Board of Directors of the Company in its sole and absolute discretion; (ii) the affirmative vote of the holders of a majority of the shares of Common Stock outstanding will be required to approve the proposed stock option plan for the Company (the "Stock Option Plan"); and (iii) the affirmative vote of the holders of a majority of the shares of Common Stock outstanding will be required to ratify the prior actions of the shareholders taken pursuant to a written consent dated March 25, 2002 approving a reverse stock split of one-for-twenty of the Company's issued and outstanding shares of Common Stock effectuated approximately April 2, 2003 (the "Reverse Stock Split").

Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business; however, abstentions will

have the effect of a negative vote on the proposals being submitted at the Meeting. Abstentions may be specified on all proposals. A broker "non-vote" will have no effect on the outcome of any of the proposals.

If the accompanying proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxyholders in the accompanying Proxy will vote "FOR" approval of the proposed Amendment to the Company's Articles to effectuate the proposed Name Change of the Company, "FOR" approval of the proposed Stock Option Plan, and "FOR" ratification of the prior actions of the shareholders pursuant to the written consent approving the Reverse Stock Split, and as recommended by the Board of Directors with regard to any other matters or if no such recommendation is given, in their own discretion. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Company prior to the Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall be cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Company.

In order to assure that there is a quorum it may be necessary for certain officers, directors, regular employees and other representatives of the Company to solicit Proxies by telephone or telegraph or in person. These persons will receive no extra compensation for their services.

AMENDMENT TO ARTICLES AND NAME CHANGE

In accordance with any decision in the future by the Board of Directors of the Company to effectuate any change in the nature of the Company's business operations, the Board of Directors has determined at this time that it may be in the best interests of the Company and its Shareholders to seek approval for a potential Name Change of the Company, and corresponding Amendment to the Articles of the Company, to such resulting name as the Board of Directors of the Company may finally determine, in its sole and absolute discretion, and in the best interests of the Company.

-8-

The objective of the proposed change in corporate name of the Company, or ability of the Board of Directors to change the corporate name to such other resulting name is deemed necessary to more accurately reflect the proposed business activities of the Company in its name. The Company believes that a name change will better communicate to the public the Company's proposed and future nature of business operations.

The Board of Directors approved a resolution on June 16, 2003 to amend its Articles in accordance with its proposed Name Change, or to such other name as the Board of Directors of the Company may determine, from time to time, in its sole and absolute discretion, subject to Shareholder approval. By approving this proposal the Shareholders will authorize the Board of Directors to amend the Company's Articles name as the Board of Directors may determine, attached as Exhibit A hereto. The amendment presently embodies Article First changing the text to:

"The name of the corporation is."

After any Name Change, it is anticipated that the Company's trading symbol for the OTC Bulletin Board and BBX will be changed from "VGAC". After any Name Change it is also anticipated that the Company's trading symbol for the Frankfurt Stock Exchange will be changed from "VGA" (WKN: 936302).

Management expects formal implementation of the proposed Name Change with the Colorado Secretary of State to be completed as soon as practicable after the effective date of the approval by the Shareholders and the corresponding decision by the Board of Directors of the Company to effectuate any such Name Change.

Vega-Atlantic Corporation, a Colorado corporation (the "Company") The Company, currently trades on the OTC Bulletin Board under the symbol "VGAC" and the Frankfurt Stock Exchange under the symbol "VGA" (WKN: 936302). Depending on the outcome of the investment opportunity and acquisition under review, the Company may continue to assess, or proceed into business opportunities outside the resource sector.

CURRENT BUSINESS OPERATIONS

Potential Acquisition Of Transax Limited

The Board of Directors of the Company recently approved the execution of an Agreement in Principle dated June 19, 2003 (the "Agreement"), as entered into among the Company, Transax Limited, a Colorado corporation ("Transax"), and certain shareholders of Transax. The Agreement, which is presently subject to standard conditions precedent including, without limitation, prior Board of Directors' and shareholders' ratification, due diligence and the negotiation and execution of a formal agreement evidencing the same, among others, is expected to be formalized and consummated before the end of August of 2003.

In accordance with the terms and conditions of the proposed Agreement, and again subject to numerous conditions precedent: (i) Transax is expected to become a wholly-owned subsidiary of the Company through the merger of Transax with a wholly-owned subsidiary of the Company; (ii) the Company is expected to change its name and, as a result, its trading symbol, to reflect the business concerns of Transax; and (iii) the Company is expected to adopt and implement a new stock option plan for key personnel of the Company. In conjunction with the terms and conditions of the proposed Agreement, the Company's resulting business, upon consummation of the Agreement, will be comprised of Transax's business assets at that time, which shall include all of the then business assets of Transax's wholly-owned subsidiaries.

As of the date of this Proxy Statement, the Company is undergoing due diligence and final negotiations regarding execution of a formal agreement.

PRIOR OPERATIONAL HISTORY

Tun Resources, Ltd.

On May 2, 2000, the Company entered into a share purchase and sale agreement with Golden Thunder Resources Ltd. ("Golden Thunder") to purchase from Golden Thunder approximately 80% of the issued and outstanding shares of common stock of Tun Resources Ltd., a Canadian corporation ("Tun Resources"), with an option to purchase the remaining 20% of the issued and outstanding shares of Tun Resources (the "Acquisition Agreement"). Pursuant to the terms of the Acquisition Agreement, and extensions thereto, the Company issued 1,600,000 (400,000 pursuant to a reverse stock split of one-for-four unrelated to the Reverse Stock Split discussed herein) shares of its restricted Common Stock to Golden Thunder and provided approximately \$604,500 of funds to Tun Resources.

During the prior fiscal year and in accordance with the terms of the Acquisition Agreement the Company was unable to timely provide the required aggregate amount of \$1,180,000 by February 15, 2001. On February 9, 2001, the Company provided an amended letter of offer to Golden Thunder that outlined an offer to: (i) purchase the remaining 20% of Tun Resources; (ii) repurchase all of the Company's 1,600,000 shares of Common Stock from Golden

Thunder; and (iii) request an extension to the funding commitment requirement outlined in the Acquisition Agreement until such time as the shareholders of Golden Thunder voted to accept or reject the offer (the "Letter Offer"). The Letter Offer was presented to the shareholders of Golden Thunder for their approval and such approval was not received.

Tun Resources Litigation

On July 8, 2001, the Company filed a Statement of Claim in the Supreme Court of British Columbia naming Golden Thunder and Tun Resources as defendants ("Action No. 5013872"). The Company alleged in its Statement of Claim that certain representations were made by such defendants to the Company under the Acquisition Agreement and otherwise as follows: (i) Tun Resources had good and marketable title to its assets; (ii) the consideration paid by the Company was good and valuable consideration for the acquisition of the shares in Tun Resources; (iii) the intercorporate loan financing, which was to be provided by financing arranged by private investments and, therefore, the joint ventures, were marketable; and (iv) the control of Tun Resources would be transferred to the Company upon closing of the Acquisition Agreement. The Company alleged in its Statement of Claim that such representations were false and untrue and that the defendants made the representations fraudulently or negligently knowing them to be untrue, or recklessly without caring whether they were true or false, and that: (i) the title Tun Resources had to the assets was not good and marketable and was considerably lower in value than represented to the Company; (ii) the consideration paid by the Company to acquire the shares of Tun Resources was excessive and not good and valuable consideration; (iii) the intercorporate loan financing could not be raised in the manner agreed upon by the Company and the defendants; and (iv) the Boards of Directors of Golden Thunder and Tun Resources refused or neglected to replace the Board of Directors of Tun Resources with the board of directors of Golden Thunder. The Company further alleged in its Statement of Claim that: (i) the defendants made such representations to the Company in order to induce the Company to enter into the Acquisition Agreement; (ii) the Company reasonably relied upon the representations made to it by the Defendants; and (iii) such misrepresentations were breaches of material terms of the Acquisition Agreement and have caused the Company loss and damages. The Company sought general and special damages in excess of \$800,000.00.

On August 2, 2001, Tun Resources and Golden Thunder filed their Statement of Defense in which they alleged that the Company breached the Acquisition Agreement by its failure to provide funding in the amount of \$1,180,000 and that such failure to provide the required funding adversely affected the value of assets to be purchased by the Company.

On November 1, 2002, the Company, Tun Resources and Golden Thunder entered into a settlement agreement and release of all claims (the "Settlement Agreement"). Pursuant to the terms of the Settlement Agreement: (i) Tun Resources and Golden Thunder paid to the Company \$150,000.00; (ii) the Company released Tun Resources and Golden Thunder from any and all claims arising directly or indirectly from Action No. 5013872; and (iii) Golden Thunder returned to the Company its stock certificate evidencing the 1,600,000 (400,000 pursuant to a reverse stock split of one-for-four unrelated to the Reverse Stock Split discussed herein) shares of restricted Common Stock, which were cancelled.

The Ailaoshan/Xiaoshuijing Gold Project

On May 4, 2000, the Company entered into a letter agreement with the No. 1 Geological Brigade of the Yunnan Bureau of Geology and Mineral Resources of

-10-

Qujing City, Yunnan Province, China (the "Letter Agreement"), whereby the Company acquired the right to acquire an approximate 70% interest in the Ailaoshang gold concession and prospect with claims that include the Xiaoshuijing gold resource located in the Chuxion Prefecture, Yunnan Province, China. Management plans to conduct future due diligence on the gold prospect in order to provide the basis for negotiation of the final terms of a proposed joint venture agreement; should the due diligence warrant continuing such negotiations. According to the terms of the Letter Agreement the Company must contribute and invest up to \$2,500,000 to expand the gold prospect and increase mine production.

As of the date of this Proxy Statement management of the Company does not believe that a definitive agreement will be consummated nor that any other nor that any other China-based venues will be pursued.

BOARD RECOMMENDATION

Based upon review of a wide variety of factors considered in connection with its evaluation of the proposed change in corporate name, the Board of Directors of the Company believes that it would be in the best interests of the Company and its Shareholders to effectuate a proposed Name Change to such resulting name as the Board of Directors of the Company may determine, in its sole and absolute discretion, and in the best interests of the Company. Approval of the proposed Amendment to the Articles of the Company requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting.

The Board of Directors recommends a vote "FOR" the approval of the proposed Amendment to the Articles to effectuate a proposed Name Change of the Company.

PROPOSAL II

APPROVAL OF THE STOCK OPTION PLAN FOR KEY PERSONNEL OF THE COMPANY

STOCK OPTION PLAN

On June 16, 2003, the Board of Directors of the Company unanimously approved and adopted a Stock Option Plan, a copy of which is attached hereto as Exhibit B. The purpose of the proposed Stock Option Plan is to advance the interests of the Company and its Shareholders by affording key personnel of the Company an opportunity for investment in the Company and the incentive advantages inherent in stock ownership in the Company. Pursuant to the provisions of the Stock Option Plan stock options (the "Stock Options") will be granted only to key personnel of the Company; generally defined as a person designated by the Board of Directors upon whose judgment, initiative and efforts the Company may rely including any director, officer, employee or consultant of the Company.

The Stock Option Plan is to be administered by the Board of Directors of the Company, which shall determine: (i) the persons to be granted Stock Options under the Stock Option Plan; (ii) the number of shares subject to each Stock Option and the exercise price of each Stock Option; and (iii) whether the Stock

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

Option shall be exercisable at any time during the option period of up to ten

-11-

years or whether the Stock Option shall be exercisable in installments or by vesting only. The Stock Option Plan provides authorization to the Board of Directors to grant Stock Options to purchase a total number of shares of Common Stock of the Company, not to presently exceed 4,500,000 shares (post-Reverse Stock Split), as at the date of adoption by the Board of Directors of the Stock Option Plan. At the time a Stock Option is granted under the Stock Option Plan the Board of Directors shall fix and determine the exercise price at which shares of Common Stock of the Company may be acquired; provided, however, that any such exercise price shall not be less than that permitted under the rules and policies of any stock exchange or over-the-counter market which is applicable to the Company at that time.

In the event that an optionee who is a director or officer of the Company, ceases to serve in that position, any Stock Option held by such optionee generally may be exercisable within up to 90 calendar days after the effective date that such position ceases, and after such 90-day period any unexercised Stock Option shall expire. In the event that an optionee, who is an employee or consultant of the Company, ceases to be employed by the Company, any Stock Option held by such optionee generally may be exercisable within up to 60 calendar days (or up to 30 calendar days where the optionee provided only investor relations services to the Company) after the effective date that such employment ceases, and after such 60- or 30-day period any unexercised Stock Option shall expire.

No Stock Options granted under the Stock Option Plan will be transferable by an optionee, and each Stock Option will be exercisable during the lifetime of the optionee subject to the option period of up to 10 years and the limitations described above. Any Stock Option held by an optionee at the time of his death may be exercised by his estate within 1 year of his death or such longer period as the Board of Directors may determine.

The exercise price of a Stock Option granted pursuant to the Stock Option Plan shall be paid in cash or certified funds upon exercise of the Stock Option.

Incentive Stock Options

The Stock Option Plan further provides that, subject to the provisions of the Stock Option Plan and prior Shareholder approval, the Board of Directors may grant to any key personnel of the Company who is an employee eligible to receive Stock Options one or more incentive Stock Options to purchase the number of shares of Common Stock allotted by the Board of Directors (the "Incentive Stock Options"). The option price per share of Common Stock deliverable upon the exercise of an Incentive Stock Option shall be not less than fair market value of a share of Common Stock on the date of grant of the Incentive Stock Option. In accordance with the terms of the proposed Stock Option Plan, "fair market value" of an Incentive Stock Option as of any date shall not be less than the closing price for the shares of Common Stock on the last trading day preceding the date of grant. The option term of each Incentive Stock Option shall be determined by the Board of Directors, which shall not commence sooner than from the date of grant and shall terminate no later than up to 10 years from the date of grant of the Incentive Stock Option, subject to possible earlier termination as described above.

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

As of the date of this Proxy Statement no Stock Options nor Incentive Stock Options under the Stock Option Plan have been granted (which does not include those stock options previously granted). See " - Non-Qualified Stock

-12-

Option Plan" below. In accordance with the Company's proposed Stock Option Plan, and subject to approval by the Shareholders, the Company anticipates filing with the Commission registration statements on "Form S-8 - For Registration Under the Securities Act of 1933 of Securities to Be Offered to Employees Pursuant to Employee Benefit Plans" (each an "S-8") registering Stock Options and Incentive Stock Options under its proposed Stock Option Plan in the amount of up to 4,500,000 post-Reverse Stock Split shares at various exercise prices. Upon approval by the Shareholders of the proposed Stock Option Plan the Board of Directors will be authorized, without further Shareholder approval, to grant such Stock Options from time to time to acquire up to an aggregate of up to 4,500,000 shares of the Company's restricted Common Stock.

NON-QUALIFIED STOCK OPTION PLAN

On May 1, 2000, the then Board of Directors of the Company adopted a Non-Qualified Stock Option Plan (the "Non-Qualified SOP"), which provided for the grant of 500,000 options to purchase an aggregate of 500,000 shares of restricted Common Stock at \$1.00 per share.

During the prior fiscal years 2001 and 2002, the then Board of Directors granted 487,500 stock options pursuant to the Non-Qualified SOP to acquire up to an aggregate of 487,500 shares of restricted Common Stock at \$1.00 per share. No stock options as granted under the Non-Qualified SOP were exercised by the grantees.

Subsequent to December 31, 2002, and as of the date of this Proxy Statement, the Board of Directors of the Company voted to terminate the Non-Qualified SOP and to unilaterally cancel the 487,500 stock options as granted. The Board of Directors based its decision regarding cancellation of the stock options on the fact that the Non-Qualified SOP and subsequent grants of stock options were done at a time when management anticipated that the Company would have a viable and ongoing business development venture relating to certain mining claims. The grantees did not perform the services intended as the gold mining claims did not contain any gold and associated business operations failed. The business venture was subject to litigation (as described above) and is no longer being pursued by the Company.

BOARD RECOMMENDATION

Based upon review of a wide variety of factors considered in connection with its evaluation of the provisions and terms of the proposed Stock Option Plan, the Board of Directors of the Company believes that it would be in the best interests of the Company and its Shareholders to adopt the proposed Stock Option Plan. Approval of the Stock Option Plan requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting.

The Board of Directors recommends a vote "FOR" the approval of the proposed Stock Option Plan for key personnel of the Company.

PROPOSAL III

RATIFICATION OF THE PRIOR ACTIONS BY SHAREHOLDERS OF THE COMPANY PURSUANT TO WRITTEN CONSENT APPROVING A REVERSE STOCK SPLIT OF ONE-FOR-TWENTY OF THE COMPANY'S ISSUED AND OUTSTANDING SHARES OF COMMON STOCK

PRIOR SHAREHOLDER APPROVAL OF THE REVERSE STOCK SPLIT

The Board of Directors of the Company, at a previous meeting, authorized and approved, subject to Shareholder approval, a Reverse Stock Split of up to one-for-twenty of the Company's issued and outstanding shares of Common Stock. Therefore, an Information Statement pursuant to Section 14(c) of the Exchange Act (the "Information Statement") was prepared and filed with the Securities and Exchange Commission on October 17, 2002 and amended December 16, 2002.

-13-

The Information Statement was circulated to the Shareholders of the Company in connection with the taking of corporate action without a meeting upon the written consent of 10 or less shareholders then holding of record a majority of the outstanding shares of the Company's Common Stock (the "Written Consent"). As of November 30, 2002 (the "Record Date"), there were 22,532,110 shares of the Company's Common Stock issued and outstanding. The names of the shareholders who signed the Written Consent and their respective equity ownership of the Company were as follows: (i) TriStar Financial Services, Inc., holding of record 1,216,214 shares of Common Stock (5.40%); (ii) Investor Communications International, Inc., holding of record 6,071,244 shares of Common Stock (26.94%); (iii) Alexander W. Cox, holding of record 4,323,300 shares of Common Stock (19.19%); and (iv) Brent Pierce, holding of record 1,406,247 shares of Common Stock (6.24%).

The matters upon which action was taken pursuant to the Written Consent by the shareholders dated March 25, 2003 included the approval and authorization for the Board of Directors to effect the Reverse Stock Split of one-for-twenty of the Company's outstanding Common Stock, which was effected by NASDAQ on approximately April 2, 2003.

Subsequent to the effectuation of the Reverse Stock Split, the Company determined that applicable Colorado law requires the written consent of all shareholders in the event that written consents are utilized to obtain shareholder approval in lieu of a shareholder meeting. Therefore, the Board of Directors has decided that it would be prudent to have the Shareholders of the Company ratify the prior actions of the Shareholders taken pursuant to the Written Consent approving the Reverse Stock split and, as a result, has directed the filing of the Proxy Statement and the Meeting of the Shareholders.

PURPOSES AND EFFECTS OF THE REVERSE STOCK SPLIT

The Board of Directors approved the Reverse Stock Split based upon its judgment that the Reverse Stock Split was in the best interests of the Company and its Shareholders, and that the Reverse Stock Split would result in the greatest marketability and liquidity of the Company's Common Stock. Effectuation of the Reverse Stock Split reduced the number of issued and outstanding shares

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

of Common Stock from an aggregate of 22,532,110 shares to approximately 1,126,606 shares of Common Stock. The Common Stock is currently listed for trading on the OTC Bulletin Board under the symbol "VGAC" and on the Frankfurt Stock Exchange under the symbol "VGA".

On the Record Date for the Written Consent, the reported closing price of the Common Stock on the OTC Bulletin Board was \$0.14 per share. The Board of Directors of the Company has determined to use its best efforts in the future to cause the Company's shares of Common Stock to be approved for trading on the NASDAQ SmallCap Market (the "SmallCap Market") or on another more senior exchange. The Company currently does not qualify for admission to the SmallCap Market because its per-share price of \$0.14 is below the present \$3.00 level required

-14-

for admission to the SmallCap Market. Furthermore, the Company's net present tangible assets and shareholders' equity are below the minimum requirements of \$4,000,000 and \$2,000,000, respectively, for inclusion on the SmallCap Market. Management believes that, based on future generation of revenues and offerings of Common Stock, the Company may eventually meet the net tangible assets and shareholder equity requirements imposed by the SmallCap Market. Management intended to effectuate the Reverse Stock Split at a level of one-to-twenty which it believed would be sufficient to enable the Company in the future to meet such requirements for admission for trading on the SmallCap Market or on another more senior exchange. The Board of Directors further believed that the Reverse Stock Split would help result in attaining both of its goals of achieving a per-share price in excess of \$3.00 and increasing the marketability and liquidity of the Company's Common Stock.

Additionally, the Board of Directors believed that the then per-share price of the Common Stock had limited the effective marketability of the Common Stock because of the reluctance of many brokerage firms and institutional investors to recommend lower-priced stocks to their clients or to hold them in their own portfolios. Certain policies and practices of the securities industry may tend to discourage individual brokers within those firms from dealing in lower-priced stocks. Some of those policies and practices involve time-consuming procedures that make the handling of lower priced stocks economically unattractive. The brokerage commission on a sale of lower-priced stock may also represent a higher percentage of the sale price than the brokerage commission on a higher priced issue. Any reduction in brokerage commissions resulting from the Reverse Stock Split may be offset, however, in whole or in part, by increased brokerage commissions required to be paid by stockholders selling "odd lots" created by such Reverse Stock Split.

The Board of Directors believed that the Reverse Stock Split did not and will not result in a significant reduction in the number of holders of the Company's Common Stock, and did not intend to effect any Reverse Stock Split that would result in a reduction in the number of holders large enough to jeopardize listing of the Common Stock on the SmallCap Market or the Company remaining subject to the periodic reporting requirements of the Securities and Exchange Commission. In the event the Company achieves a per-share price in excess of \$3.00 thus allowing the possibility of listing on the Small Cap Market, the Company would continue as a "penny stock" and subject to the penny stock rules and regulations as well as the concerns discussed above.

The Reverse Stock Split had the following effects upon the number of shares

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

of Common Stock issued and outstanding (22,532,110 shares as of the Record Date) and had no effect upon the number of authorized shares of Common Stock. The Common Stock continues to be \$0.00001 par value Common Stock following the Reverse Stock Split, and the number of shares of Common Stock outstanding has been reduced. The following example is intended for illustrative purposes.

| Reverse Stock Split | Common Stock Outstanding | Authorized Common Stock | Unissued St Before | 98 |
|------------------------|-----------------------------|----------------------------|-----------------------|----|
| 1 for 20 | 1,126,606 | 100,000,000 | 77,467,890 | 98 |

At the effective date of the Reverse Stock Split each share of the Common Stock issued and outstanding immediately prior thereto (the "Old Common Stock") was reclassified as and changed into the appropriate fraction of a share of the Company's Common Stock, \$0.00001 par value per share (the "New Common Stock"), subject to the treatment of fractional share interests as described below. Shortly after the effective date of the Reverse Stock Split the Company sent transmittal forms to the holders of the Old Common Stock to be used in forwarding their certificates

-15-

formerly representing shares of Old Common Stock for surrender and exchange for certificates representing whole shares of New Common Stock. No certificates representing fractional share interests in the New Common Stock were issued, and no such fractional share interest entitled the holder thereof to vote or to any rights of a shareholder of the Company. In lieu of any such fractional share interest each holder of Old Common Stock who would otherwise be entitled to receive a fractional share of New Common Stock received in lieu one full share upon surrender of certificates formerly representing Old Common Stock held by such holder equal to or greater than 0.5 of a fractional share interest. Management of the Company intends to either offer payment equal to the value of such fractional share interest as of the Record Date to any shareholder holding less than 0.5 of a fractional share interest or issue one full share upon surrender of certificates representing Old Common Stock held by such shareholder.

Federal Income Tax Consequences of the Reverse Stock Split

The following is a summary of the material federal income tax consequences of the previous Reverse Stock Split. This summary does not purport to be complete and does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations and proposed regulations, court decisions and current administrative rulings and pronouncements of the Internal Revenue Service ("IRS"), all of which are subject to change, possibly with retroactive effect, and assumes that the New Common

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

Stock will be held as a "capital asset" (generally, property held for investment) as defined in the Code. Holders of Old Common Stock were advised to consult their own tax advisers regarding the federal income tax consequences of the Reverse Stock Split in light of their personal circumstances and the consequences under state, local and foreign tax laws applicable to them.

1. the Reverse Stock Split qualifies as a recapitalization described in Section 368(a)(1)(E) of the Code;
2. no gain or loss will be recognized by the Company in connection with the Reverse Stock Split;
3. no gain or loss will be recognized by a shareholder who exchanged all of his shares of Old Common Stock solely for shares of New Common Stock;
4. the aggregate basis of the shares of New Common Stock received in the Reverse Stock Split (including any whole shares received in lieu of fractional shares) is the same as the aggregate basis of the shares of Old Common Stock surrendered in exchange therefore; and
5. the hold period of the shares of New Common Stock received in the Reverse Stock Split (including any whole shares received in lieu of fractional shares) includes the hold period of the shares of Old Common Stock surrendered in exchange therefore.

THE FOREGOING SUMMARY IS INCLUDED FOR GENERAL INFORMATION ONLY. ACCORDINGLY, EACH HOLDER OF COMMON STOCK OF THE COMPANY IS URGED TO CONSULT WITH HIS OWN TAX ADVISER WITH RESPECT TO THE TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT, INCLUDING THE APPLICATION AND EFFECT OF THE LAWS OF ANY STATE, MUNICIPAL, FOREIGN OR OTHER TAXING JURISDICTION APPLICABLE TO THEM.

-16-

BOARD RECOMMENDATION

Based upon review of a wide variety of factors considered in connection with its evaluation of the Reverse Stock Split, the Board of Directors of the Company believes that it would be in the best interests of the Company and its shareholders that the prior actions by Shareholders pursuant to the Written Consent approving the Reverse Stock Split be ratified. Ratification of the prior actions by Shareholders pursuant to the Written Consent approving the Reverse Stock Split requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting.

The Board of Directors recommends a vote "FOR" the ratification of the prior actions by Shareholders pursuant to the Written Consent approving the Reverse Stock Split.

3. ADMINISTRATION OF THE PLAN.

The Plan shall be administered by the Board. The Board shall have the authority granted to it under this section and under each other section of the Plan.

In accordance with and subject to the provisions of the Plan, the Board is hereby authorized to provide for the granting, vesting, exercise and method of exercise of any Options all on such terms (which may vary between Options and Optionees granted from time to time) as the Board shall determine. In addition, and without limiting the generality of the foregoing, the Board shall select the Optionees and shall determine: (i) the number of shares of Common Stock to be subject to each Option, however, in no event may the maximum number of shares reserved for any one individual exceed 15% of the issued and outstanding share capital of the Company; (ii) the time at which each Option is to be granted; (iii) the purchase price for the Option Shares; (iv) the Option period; and (v) the manner in which the Option becomes exercisable or terminated. The Board may from time to time make such changes in and additions to the Plan as it may deem proper, subject to the prior approval of any exchange or over-the-counter market which is applicable to the Company, and in the best interests of the Company; provided, however, that no such change or addition shall impair any Option previously granted under the Plan. If the shares are not listed on any exchange, then such approval is not necessary.

Each determination, interpretation or other action made or taken by the Board shall be final, conclusive and binding on all persons, including without

-4-

limitation, the Company, the stockholders, directors, officers and employees of the Company and the Related Companies, and the Optionees and their respective successors in interest.

4. THE COMMON STOCK.

Save and except as may be determined by the Board at a duly constituted meeting of the Board as set forth hereinbelow, the Board is presently authorized to appropriate, grant Options, issue and sell for the purposes of the Plan, a

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

total number of shares of the Company's Common Stock not to exceed 4,500,000, or the number and kind of shares of Common Stock or other securities which in accordance with Section 10 shall be substituted for the shares or into which such shares shall be adjusted. Save and except as may otherwise be determined by the disinterested approval of the shareholders of the Company at any duly called meeting of the shareholders of the Company, at any duly constituted Board meeting the Board may determine that the total number of shares of the Company's Common Stock which may be reserved for issuance for Options granted and to be granted under this Plan, from time to time, may be to the maximum extent of up to 100% of the Company's issued and outstanding Common Stock as at the date of any such meeting of the Board. In this regard, and subject to the prior disinterested approval of the shareholders of the Company at any duly called meeting of the shareholders of the Company, the total number of shares of the Company's Common Stock which may be reserved for issuance for Options granted and to be granted under this Plan, from time to time, may be increased to greater than 100% of the Company's issued and outstanding Common Stock as at the date of notice of any such meeting of the shareholders of the Company whereat such disinterested shareholders' approval is sought and obtained by the Company. All or any unissued shares subject to an Option that for any reason expires or otherwise terminates may again be made subject to Options under the Plan.

5. ELIGIBILITY.

Options will be granted only to Key Persons. Key Persons may hold more than one Option under the Plan and may hold Options under the Plan and options granted pursuant to other plans or otherwise.

6. OPTION PRICE AND NUMBER OF OPTION SHARES.

The Board shall, at the time an Option is granted under this Plan, fix and determine the exercise price at which Option Shares may be acquired upon the exercise of such Option; provided, however, that any such exercise price shall not be less than that, from time to time, permitted under the rules and policies of any exchange or over-the-counter market which is applicable to the Company.

The number of Option Shares that may be acquired under an Option granted to an Optionee under this Plan shall be determined by the Board as at the time the

-5-

Option is granted; provided, however, that the aggregate number of Option Shares reserved for issuance to any one Optionee under this Plan, or any other plan of the Company, shall not exceed 15% of the total number of issued and outstanding Common Stock of the Company.

7. DURATION, VESTING AND EXERCISE OF OPTIONS.

- (a) The option period shall commence on the Date of Grant and shall be up to 10 years in length subject to the limitations in this Section 7 and the Option Agreement.

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

- (b) During the lifetime of the Optionee the Option shall be exercisable only by the Optionee. Subject to the limitations in paragraph (a) hereinabove, any Option held by an Optionee at the time of his death may be exercised by his estate within one year of his death or such longer period as the Board may determine.
- (c) The Board may determine whether an Option shall be exercisable at any time during the option period as provided in paragraph (a) of this Section 7 or whether the Option shall be exercisable in installments or by vesting only. If the Board determines the latter it shall determine the number of installments or vesting provisions and the percentage of the Option exercisable at each installment or vesting date. In addition, all such installments or vesting shall be cumulative. In this regard the Company will be subject, at all times, to any rules and policies of any exchange or over-the-counter market which is applicable to the Company and respecting any such required installment or vesting provisions for certain or all Optionees.
- (d) In the case of an Optionee who is a director or officer of the Company or a Related Company, if, for any reason (other than death or removal by the Company or a Related Company), the Optionee ceases to serve in that position for either the Company or a Related Company, any option held by the Optionee at the time such position ceases or terminates may, at the sole discretion of the Board, be exercised within up to 90 calendar days after the effective date that his position ceases or terminates (subject to the limitations at paragraph (a) hereinabove), but only to the extent that the option was exercisable according to its terms on the date the Optionee's position ceased or terminated. After such 90-day period any unexercised portion of an Option shall expire.
- (e) In the case of an Optionee who is an employee or consultant of the Company or a Related Company, if, for any reason (other than death or termination for cause by the Company or a Related Company), the Optionee ceases to be employed by either the Company or a Related Company, any option held by

-6-

the Optionee at the time his employment ceases or terminates may, at the sole discretion of the Board, be exercised within up to 60 calendar days (or up to 30 calendar days where the Optionee provided only investor relations services to the Company or a Related Company) after the effective date that his employment ceased or terminated (that being up to 60 calendar days (or up to 30 calendar days) from the date that, having previously provided to or received from the Company a notice of such cessation or termination, as the case may be, the cessation or termination becomes effective; and subject to the limitations at paragraph (a) hereinabove), but only to the extent that the option was

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

exercisable according to its terms on the date the Optionee's employment ceased or terminated. After such 60-day (or 30-day) period any unexercised portion of an Option shall expire.

- (f) In the case of an Optionee who is an employee or consultant of the Company or a Related Company, if the Optionee's employment by the Company or a Related Company ceases due to the Company's termination of such Optionee's employment for cause, any unexercised portion of any Option held by the Optionee shall immediately expire. For this purpose "cause" shall mean conviction of a felony or continued failure, after notice, by the Optionee to perform fully and adequately the Optionee's duties.
- (g) Neither the selection of any Key Person as an Optionee nor the granting of an Option to any Optionee under this Plan shall confer upon the Optionee any right to continue as a director, officer, employee or consultant of the Company or a Related Company, as the case may be, or be construed as a guarantee that the Optionee will continue as a director, officer, employee or consultant of the Company or a Related Company, as the case may be.
- (h) Each Option shall be exercised in whole or in part by delivering to the office of the Treasurer of the Company written notice of the number of shares with respect to which the Option is to be exercised and by paying in full the purchase price for the Option Shares purchased as set forth in Section 8.

8. PAYMENT FOR OPTION SHARES.

In the case of all Option exercises, the purchase price shall be paid in cash or certified funds upon exercise of the Option.

-7-

9. INCENTIVE STOCK OPTIONS.

- (a) The Board may, from time to time, and subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, grant to any Key Person who is an employee eligible to receive Options one or more Incentive Stock Options to purchase the number of shares of Common Stock allotted by the Board.
- (b) The Option price per share of Common Stock deliverable upon the exercise of an Incentive Stock Option shall be no less than the Fair Market Value of a share of Common Stock on the Date of Grant of the Incentive Stock Option.

Edgar Filing: VEGA ATLANTIC CORP/CO - Form PRER14A

- (c) The Option term of each Incentive Stock Option shall be determined by the Board and shall be set forth in the Option Agreement, provided that the Option term shall commence no sooner than from the Date of Grant and shall terminate no later than 10 years from the Date of Grant and shall be subject to possible early termination as set forth in Section 7 hereinabove.

10. CHANGES IN COMMON STOCK, ADJUSTMENTS, ETC.

In the event that each of the outstanding shares of Common Stock (other than shares held by dissenting stockholders which are not changed or exchanged) should be changed into, or exchanged for, a different number or kind of shares of stock or other securities of the Company, or, if further changes or exchanges of any stock or other securities into which the Common Stock shall have been changed, or for which it shall have been exchanged, shall be made (whether by reason of merger, consolidation, reorganization, recapitalization, stock dividends, reclassification, split-up, combination of shares or otherwise), then there shall be substituted for each share of Common Stock that is subject to the Plan, the number and kind of shares of stock or other securities into which each outstanding share of Common Stock (other than shares held by dissenting stockholders which are not changed or exchanged) shall be so changed or for which each outstanding share of Common Stock (other than shares held by dissenting stockholders) shall be so changed or for which each such share shall be exchanged.
