## Section 1 Registrant s Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement

On September 17, 2010 we entered into a joint venture agreement with EFI Energy Farming International GmbH ( EFI ). The joint venture intends to develop a 20 megawatt wind energy project in Wassertruedingen, Germany. The joint venture will be owned on a 50/50 basis. However, Wind Work s equity participation will be subject to further funding and achieving designated project milestones.

Total cost to Wind Works will be 1.5 million Euros (approximately \$1.959 million based on the current exchange rate) of which Wind Works has paid a total of 100,000 Euros representing a down payment for the first project milestone as set forth below. Equity ownership in the joint venture will be subject to achieving and fulfilling the following funding and project milestones:
