**Section 3                    Securities and Trading Markets**

**Item 3.01                    Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 14, 2004, HyperFeed Technologies, Inc., a Delaware corporation ( HyperFeed ), received a notice from the Nasdaq Listing Qualifications staff ( Nasdaq staff ) stating that HyperFeed was not in compliance with the stockholders' equity/market value of listed securities/net income continued listing requirement set forth in NASD Marketplace Rule 4310(c)(2)(B). The Nasdaq staff informed HyperFeed that if the company did not appeal the Nasdaq staff's delisting determination, HyperFeed's common stock would be delisted from the Nasdaq SmallCap Market at the opening of business on September 23, 2004. Having considered various business, legal and compliance aspects of this matter, the Board of Directors of HyperFeed determined not to appeal the Nasdaq staff's determination and to move the listing of the company's common stock to the OTC Bulletin Board. HyperFeed expects that its common stock will trade under the same symbol on the OTC Bulletin Board effective on or about September 23, 2004.

In compliance with the NASD Marketplace Rules, HyperFeed also issued a press release announcing the receipt of the foregoing delisting notice. A copy of this press release is attached as Exhibit 99.1 hereto. The reader is advised to read the press release in its entirety.
