PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

May 18, 2005

Landmark Bancorp, Inc., a Delaware corporation, is the holding company for Landmark National Bank. Landmark National Bank has branches in Manhattan, Auburn, Dodge City, Fort Scott, Garden City, Great Bend, Hoisington, LaCrosse, Louisburg, Osage City, Osawatomie, Paola, Topeka and Wamego, Kansas. Landmark Bancorp was formed as part of the 2001 merger between MNB Bancshares, Inc., the holding company for Security National Bank, and Landmark Bancshares, Inc., the holding company for Landmark Federal Savings Bank. As a result of the merger, Landmark Bancorp became the holding company for Landmark National Bank. In April, 2004 Landmark Bancorp completed its acquisition of First Kansas Financial Corporation, the holding company of First Kansas Federal Savings Bank, and it was merged into Landmark National Bank.

This proxy statement is furnished in connection with the solicitation by the board of directors of Landmark Bancorp of proxies to be voted at the annual meeting of stockholders to be held at the Kansas State University Alumni Center, 17th and Anderson Avenue, Manhattan, Kansas, 66506, on Wednesday, May 18, 2005, at 2:00 p.m., local time, and at any adjournments or postponements of the meeting. Our 2004 annual report, which includes consolidated financial statements of Landmark Bancorp and Landmark National Bank, is also enclosed. This proxy statement is first being mailed to Landmark Bancorp's stockholders on or about April 15, 2005.

The following is information regarding the meeting and the voting process, presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on April 1, 2005, the record date for the annual meeting, you owned shares of Landmark Bancorp's common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of three Class I directors of Landmark Bancorp for a term expiring in 2008 as well as an amendment to our certificate of incorporation to increase the authorized shares of common stock from 3,000,000 to 5,000,000 shares. Additionally, you are being asked to ratify the appointment of KPMG LLP as our independent auditors for the 2005 fiscal year. These matters are more fully described in this proxy statement.

If I am the record holder of my shares, how do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed postage-paid, pre-addressed envelope to our transfer agent, Registrar and Transfer Company, 10 Commerce Drive, Cranford, New Jersey, 07016.

If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct. If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted for all three nominees named in this proxy statement, for amending the certificate of incorporation and for the ratification of our auditors.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change. Please note, that if your shares are held in the name of your broker (or in what is usually referred to as street name), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting.

If I hold shares in the name of a broker or fiduciary, who votes my shares?

If you received this proxy statement from your broker or by a trustee or other fiduciary who may hold your shares, your broker or fiduciary should have given you instructions for directing how they should vote your shares. It will then be their responsibility to vote your shares for you in the manner you direct. As discussed above, if you want to vote in person at the meeting, you will need to arrange to obtain a legal proxy from your broker or fiduciary in order to vote in person at the meeting.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the election of directors and the ratification of independent auditors, but cannot vote on non-routine matters, such as an amendment to the certificate of incorporation or the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on a matter on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a broker non-vote and will affect the outcome of the voting as described below, under How many votes are needed for approval of each proposal? Therefore, because we are asking stockholders to approve an amendment to our certificate of incorporation, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in

accounts with stockbrokers. Please sign and return ALL proxy forms to ensure that all your shares are voted.

What options do I have in voting on each of the proposals?

You may vote for or withhold authority to vote for each nominee for director. You may vote for, against or abstain on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for election of our directors, the amendment to the certificate of incorporation or the ratification of our auditors.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for approval of each proposal?

The three individuals receiving the highest number of votes cast for their election will be elected as Class I directors of Landmark Bancorp.

To be approved, the amendment to the certificate of incorporation must receive the affirmative vote of the majority of the outstanding shares of our Common Stock. A broker non-vote will have the effect of a vote against the amendment to our certificate of incorporation.

The ratification of our auditors and all other matters must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

signing another proxy with a later date and returning that proxy to our transfer agent at:

Registrar and Transfer Company
10 Commerce Drive
Cranford, New Jersey, 07016;

sending notice to our transfer agent that you are revoking your proxy; or

voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many shares do we need to have represented at the meeting to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

is present in person at the meeting; or

has properly submitted a signed proxy card or other proxy.

On April 1, 2005, the record date, there were 2,110,588 shares of common stock issued and outstanding. Therefore, at least 1,055,295 shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than three nominees. The board has no reason to believe any nominee will be unable to stand for re-election.

Where do I find the voting results of the meeting?

We will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2005.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of Landmark Bancorp or its subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

At the annual meeting of the stockholders to be held on May 18, 2005, the stockholders will be entitled to elect three Class I directors for a term expiring in 2008. Landmark Bancorp's directors are divided into three classes having staggered terms of three years. The nominees for election as Class I directors are incumbent directors. We have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting.

Set forth below is information concerning the nominees for election and for the other directors whose terms of office will continue after the meeting, including their age, the year first elected a director and their business experience during the previous five years as of April 1, 2005. The nominees, if elected at the annual meeting of stockholders, will serve as Class I directors for three year terms expiring in 2008. **We unanimously recommend that you vote FOR each of the nominees for director. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed proxy card, if executed and returned, will be voted FOR the election of the nominees proposed by the board of directors.**

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Edgar Filing: LANDMARK BANCORP INC - Form DEF 14A

We currently have ten directors serving as our board, a majority of whom are deemed to be independent, as that term is defined by the Nasdaq Stock Market, Inc. Mr. Alexander is not deemed to be independent because of his position as our President and Chief Executive Officer and Mr. Schugart is not deemed to be independent because of his services as an officer and consultant to Landmark Bancorp. In accordance with our corporate governance procedures, the board does not involve itself in the day-to-day operations of Landmark Bancorp which is monitored by our executive officers and management. Our directors fulfill their duties and responsibilities by attending regular meetings of the full board, which were held monthly in 2004. In 2005 the full board intends to meet on a quarterly basis with special meetings held from time to time and through committee membership, which is discussed below. Our directors also discuss business and other matters with Mr. Alexander, other key executives and our principal external advisers (legal counsel, auditors and other consultants).

The board of directors has, in addition to other committees, an Audit Committee, a Nominating and Governance Committee and a Compensation Committee. Consistent with the Nasdaq listing requirements, the independent directors regularly have the opportunity to meet without Mr. Alexander and Mr. Schugart in attendance. The current charters of each of these committees are available on Landmark Bancorp's website at www.landmarkbancorpinc.com. Our website also contains a general description about us as well as our Code of Business Conduct and Ethics. Additionally, we maintain a separate website for Landmark National Bank at www.banklandmark.com that contains a description of our banking services and products.

A total of twelve regularly scheduled and special meetings were held by the board of directors of Landmark Bancorp during 2004. During 2004, all directors attended at least 75 percent of the meetings of the board and the committees on which they served. Although we do not have a formal policy regarding director attendance at the annual meeting, we encourage and expect all of our directors to attend. Last year, all of the directors were present at the annual meeting

Audit Committee

Messrs. Ball, Downey, Pettle, and Ross and Lewis and Ms. Roepke served as members of the Audit Committee, with Mr. Pettle serving as Chairman. Mr. Lewis served on the Audit Committee until 2005, when he joined the Loan and Investment Committee instead. Each of these members is considered independent, according to listing standards set forth by Nasdaq and the rules and regulations promulgated under the Exchange Act and the board believes that each member of the committee possesses the necessary skills and qualifications to critically analyze our financial statements and financial reporting process. Further, the board has determined that Ms. Roepke qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission. The board based this decision on Ms. Roepke's education and professional experience as a former senior financial executive of a financial institution.

The functions performed by the Audit Committee include, but are not limited to, the following:

selecting and managing the relationship with our independent auditors;

reviewing the independence of the independent auditors;

reviewing actions by management on recommendations of the independent auditors and internal auditors;

meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures;

reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and

reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

To promote independence of the audit function, the Audit Committee consults separately and jointly with the independent auditors, the internal auditors and management. The internal auditor reports directly to the committee on audit and compliance matters. The committee also reviews and approves the scope of the annual external audit and consults with the independent auditors regarding the results of their auditing procedures. We have adopted a written charter, which sets forth the committee's duties and responsibilities. A copy of the charter was attached as Appendix A to the proxy statement for our 2004 annual meeting and is currently available on our website at www.landmarkbancorpinc.com. The Audit Committee for Landmark Bancorp met seven times in 2004.

Compensation Committee

In response to many of the recent corporate governance reforms, we established a formal Compensation Committee in January, 2004. The Compensation Committee is currently comprised of Messrs. Ball and Pettle and Ms. Roepke, with Mr. Ball serving as Chairman. Each of the current members is considered independent, as such term is defined by Nasdaq listing requirements, an outside director pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended and a non-employee director under Section 16 of the Securities Exchange Act of 1934. The committee is responsible for matters related to the compensation of the Company's Chief Executive Officer and other executive officers. The committee's responsibilities and functions are further described in its charter, which is available on our website at www.landmarkbancorpinc.com. The Compensation Committee met two times in 2004.

Nominating and Governance Committee

In response to many of the recent corporate governance reforms, we established the Nominating and Governance Committee in January, 2004. The committee is currently comprised of Messrs. Downey, Lewis and Ross, with Mr. Downey serving as the Chairman. Each of the members is deemed to be independent, as such term is defined by Nasdaq. The Nominating and Governance Committee is charged with overseeing our corporate governance programs as well as nominating directors to serve on the board of directors. The committee's responsibilities and functions

are further described in its charter, which is available on our website at www.landmarkbancorpinc.com. The Nominating and Corporate Governance Committee met one time in 2004.

Director Nominations and Qualifications

In carrying out its nominating function, the Nominating and Governance Committee evaluates all potential nominees for election, including incumbent directors, board nominees and stockholder nominees, in the same manner, although it is not currently seeking out candidates to serve on the board and we did not receive any stockholder nominations for the 2005 annual meeting. Generally, the committee believes that, at a minimum, directors should possess certain qualities, including the highest personal and professional ethics and integrity, a sufficient educational and professional background,

demonstrated leadership skills, sound judgment, a strong sense of service to the communities which we serve and an ability to meet the standards and duties set forth in our code of conduct. The committee also evaluates potential nominees to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members and whether they are independent in accordance with Nasdaq requirements (to ensure that at least a majority of the directors will, at all times, be independent). The committee has not, in the past, retained any third party to assist it in identifying candidates, but it has the authority to retain a third party firm or professional for the purpose of identifying candidates.

Stockholder Communication with the Board, Nomination and Proposal Procedures

General Communications with the Board. Stockholders may contact our board of directors by contacting Mark A. Herpich, Corporate Secretary, Landmark Bancorp, Inc., 800 Poyntz Avenue, Manhattan, Kansas 66502 or (785) 565-2000.

Nominations of Directors. In order for a stockholder nominee to be considered by the Nominating and Governance Committee to be its nominee and included in our proxy statement, the nominating stockholder must file a written notice of the proposed director nomination with our Corporate Secretary, at the above address, at least 120 days prior to the anniversary of the date the previous year's proxy statement was mailed to stockholders. Nominations must include the full name and address of the proposed nominee and a brief description of the proposed nominee's business experience for at least the previous five years. All submissions must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. The committee may request additional information in order to make a determination as to whether to nominate the person for director.

In accordance with our bylaws, a stockholder may otherwise nominate a director for election at an annual meeting of stockholders by delivering written notice of the nomination to our Corporate Secretary, at the above address, not less than 60 days nor more than 90 days prior to the first anniversary date of the previous year's annual meeting. Stock Incentive Plan

Under the Landmark Bancorp, Inc. 2001 Stock Incentive Plan, directors and key policy-making employees are eligible to receive grants of incentive stock options, nonstatutory options, restricted stock, and stock appreciation rights (SARs), as determined in each individual case by the Stock Incentive Committee. The plan was approved by our shareholders and amended in 2004 to increase the number of shares eligible for issuance under the plan. We have not, at any time, engaged in the repricing of stock options. In 2004 we granted options to purchase an aggregate of 92,395 shares of common stock to 14 employees and directors. As of April 1, 2005 we had approximately 265,000 shares remaining for issuance under the plan.

Additionally, we have assumed previously existing options in connection with the merger of Landmark Bancshares, Inc. and MNB Bancshares, Inc. with and into Landmark Bancorp. At the time of the merger, there were options issued under the previous companies' plans, each of which was approved by the stockholders of the respective company at the time of their adoption. All of the options granted under these plans fully vested at the time of the merger and no additional options were available for grant after the merger. As of December 31, 2004, there were options outstanding for an aggregate of 35,854 shares of our common stock under the prior plans.

401(k) Savings Plan

Landmark Bancorp sponsors a qualified, tax-exempt pension plan qualifying under Section 401(k) of the Internal Revenue Code. Virtually all employees are eligible to participate after meeting certain age and service requirements including our executive officers. The 401(K) plan allows for participants' contributions up to the maximum amount allowed by the IRS regulations, of which the first 6% of gross salary was available for Landmark Bancorp's 50% match. Starting in 2005, the first 6% of gross salary will be available for Landmark Bancorp's 100% match. Participants can choose between several investment options under the 401(k) plan, but they do not have the option to invest in our

common stock under this plan.

The aggregate contribution under the 401(k) plan, including profit sharing contributions, by Landmark Bancorp in 2004 was approximately \$104,000 and the amounts contributed to the named executive officers are included in amounts reflected in the Summary Compensation Table on page 12 of this proxy statement.

We also maintained a separate employee stock ownership plan in which shares of our common stock were allocated to our employees, including our executive officers. All the shares have been allocated and, effective December 31, 2004, the plan has been merged into the 401(k) savings plan.

Employment Agreements

At the time of the merger in 2001, Patrick Alexander, Larry L. Schugart, Mark Herpich, Michael Scheopner and Dean Thibault entered into employment agreements with Landmark Bancorp. Mark J. Oliphant entered into an employment agreement with Landmark Bancorp on January 31, 2005.

The employment agreement for Mr. Alexander initially provided for a base salary of \$200,000, which may be increased but not decreased, and an initial term of three years, with automatic one year extensions on each anniversary of the effective date of the agreement unless either party gives the other notice of its desire to terminate this automatic extension. Upon any such termination, the agreement will expire at the end of the then current three-year term.

Mr. Alexander's employment agreement will terminate upon the death or disability of Mr. Alexander, in the event of certain regulatory actions or upon notice by either us or Mr. Alexander, with or without cause. If Mr. Alexander's employment is terminated without cause (which is defined in the employment agreement), we will be obligated to pay or to provide to him, as applicable, a cash payment equal to three times the sum of (a) his then annual salary, (b) an amount equal to the average of the annual performance bonuses paid to him for the most recent three fiscal years, and (c) the contributions made for his benefit under all employee retirement plans during the most recently ended fiscal year. We must also provide Mr. Alexander and his immediate family continued insurance coverage for the three years after this termination of employment. We will have no continuing obligation to Mr. Alexander if he voluntarily terminates his employment or we terminate him for cause, except that we will be obligated to pay him his accrued salary and benefits through the effective date of his termination of employment.

If Mr. Alexander voluntarily terminates his employment, or his employment is involuntarily terminated, within six months after a change in control of us or our bank subsidiary, then our successor will be obligated to pay or to provide to Mr. Alexander a lump sum cash payment and benefits equal to what he would have received if he had been terminated by us without cause. For purposes of the employment agreement, Mr. Alexander's employment will be considered terminated if he is not re-elected or is removed from his position as our President and Chief Executive Officer or if we otherwise commit a breach of our obligations under the employment agreement.

The employment agreement also includes a covenant which will limit the ability of Mr. Alexander to compete with us or our bank subsidiary in an area encompassing a fifty mile radius from any of our banking offices for a period of one year following the termination of his employment. The geographic area covered by this provision constitutes a portion of our primary market area.

Except as described below, the employment agreements for Messrs. Herpich, Scheopner Thibault and Oliphant contain substantially the same provisions as those included in Mr. Alexander's employment agreement. The term of these three agreements are for one year and, absent 90 days notice from either party, they automatically extend for one additional year on each anniversary of the effective date of the agreement. If any of these officers is terminated without cause during the term of his respective

agreement, he will be entitled to receive an amount equal to the sum of (a) his then annual salary, (b) an amount equal to the average of the annual performance bonuses paid to him for the most recently ended three fiscal years, and (c) the contributions made for his benefit under all employee retirement plans during the most recently ended fiscal year. We must also provide the officer and his immediate family with continued insurance coverage for one year after this termination of employment. The payment to be made to each of these three officers upon his voluntary termination of employment within six months after a change of control or his involuntary termination without cause within one year of a change of control will be equal to two times the sum of (a) his then annual salary, (b) an amount equal to the average of the annual performance bonuses paid to him for the most recently ended three fiscal years, and (c) the contributions made for his benefit under all employee retirement plans during the most recently ended fiscal year. Each of these employees will be subject to the same non-competition covenant as Mr. Alexander following his termination of employment.

In addition, at the time of the merger, Mr. Schugart entered into an employment agreement to serve as chairman of the board of Landmark Bancorp and Landmark National Bank. The agreement expired under its terms in October, 2004 and provided Mr. Schugart with a prorated annual salary for 2004 of \$28,072. The agreement also provided Mr. Schugart with health insurance coverage as well as the opportunity to continue to participate in his deferred compensation agreement during the term of the employment agreement.

Compensation Committee Report on Executive Compensation

The Compensation Committee has furnished the following report on executive compensation. The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by Landmark Bancorp shall not be deemed to include the report unless the report is specifically stated to be incorporated by reference into such document.

General. The Compensation Committee is currently comprised of Messrs. Ball and Pettle and Ms. Roepke, each of whom is expected to serve on the committee through 2005. Each of the members is considered independent by the board according to the Nasdaq listing requirements, an outside director pursuant to Section 162(m) of the Internal Revenue Code and a non-employee director pursuant to Section 16 of the Securities Exchange Act of 1934. The Compensation Committee has responsibility for all matters related to the compensation of the Chief Executive Officer. Additionally, the committee has oversight authority over the salaries and bonuses of all the other executive officers.

Compensation Overview. We are committed to providing a total compensation program that supports our long-term business strategy and performance culture and creates a commonality of interest with the shareholders. In establishing executive compensation, we generally divide compensation into three separate components—salary, cash bonus and long term incentive awards. These components are intended to work together to compensate the executive fairly for his or her services and reward the executive officer based upon our overall performance during the year. In reviewing and establishing an executive's compensation, the committee considers and evaluates all components of the executive officer's total compensation package. This involves reviewing the executive's salary, bonus, incentive stock awards, perquisites, participation in our 401(k) plan, deferred compensation arrangements, payments due upon retirement or a change of control, if any, and all other payments and awards that the executive officer earns.

The general philosophy in making decisions regarding the compensation of the executive officers, after taking into account an examination of compensation at other similarly situated financial institutions, is as follows:

to provide incentives for executive officers to work toward achieving successful annual results and strategic objectives;

to provide significant reward for achievement of superior performance;

to provide market based compensation to help recruit and retain professionals of exceptional quality;

to create significant opportunity and incentive for executives to be long-term shareholders;

to link executive compensation rewards to increases in shareholder value, as measured by favorable long-term results and continued strengthening of Landmark Bancorp's financial condition; and

to provide flexibility to recognize, differentiate, and reward individual performance.

Components of Compensation.

Salary. The Compensation Committee reviews each executive's base salary on an annual basis. The committee believes that the base salaries should offer security to each executive and allow us to attract qualified executives and maintain a stable management team and environment. The committee targets base salaries at levels comparable to those of similar positions within the market place. The committee may adjust salaries to reflect our financial performance, including, but not limited to, our net income, earnings per share, return on average equity and return on average assets, although no specific weight is given to these factors. Additionally, base salaries are determined by examining, among other things, an executive's level of responsibility, prior experience, education, breadth of knowledge, internal performance objectives and the current market level. The committee will also factor in other payments and awards that the executive may receive before recommending a salary to the board. All of the factors described herein are considered on a subjective basis in the aggregate, and none of the factors is accorded a specific weight. When establishing the salary of executives other than his own, Mr. Alexander participated and made recommendations to the committee.

Bonus. The incentive bonus is primarily related to Landmark Bancorp's financial performance, as measured by our net income, earnings per share, return on average equity and return on average assets, and other financial factors, and Landmark Bancorp's performance relative to its long term goals. When establishing bonuses, the committee also considers individual performance criteria in addition to company-wide objectives.

Stock Ownership. The board and the committee believe in employee ownership in our common stock. In May of 2004, our shareholders voted to approve an amendment to the Landmark Bancorp, Inc. 2001 Stock Incentive Plan, which increased the number of shares under the plan from 170,750 to 340,000. The purpose of this incentive plan is to enhance our long-term financial performance by:

attracting and retaining executive and other key employees of Landmark Bancorp through incentive compensation opportunity;

motivating such employees to further the long term goals of Landmark Bancorp; and

further aligning the interests of participating employees with our shareholders through opportunities for increased employee ownership of Landmark Bancorp.

Based on the purpose of this incentive plan as outlined above, during 2004, the committee recommended, and the board of directors approved, the granting of options for a total of 92,395 shares to 14 employees and directors. Options granted to Mr. Alexander and the other named executive officers in 2004 are shown in the tables above.

Chief Executive Officer's Compensation. The committee establishes Mr. Alexander's salary after reviewing the factors and components described above. Mr. Alexander's salary in 2004 was based in part upon the committee's satisfaction with the following factors; profitability, revenue growth, expense control and overall credit quality. The committee determined that Mr. Alexander's leadership had a significant impact on our attaining this level of performance while maintaining our excellent safety and soundness ratings. Additionally, the committee considered Mr. Alexander's personal performance as President and Chief Executive Officer, as well as his change of control agreement, his participation in employee benefit plans, the perquisites that he receives, his previous years' salaries and the salary levels of other similarly situated financial institutions in setting his base salary at \$221,550 for 2004. His bonus of \$18,000 was awarded based on satisfying the company's overall performance goals, overseeing the successful acquisition of First Kansas Financial Corporation, Inc., as well as our belief that he met and exceeded his individual goals. We awarded 23,562 options to Mr. Alexander in 2004. He also received \$7,393 in other compensation that includes our matching contribution pursuant to the 401(k) plan as well as the personal use of a company car. Additionally, in the event of a change in control in which Mr. Alexander's employment is terminated he would be entitled to receive \$706,317 under his employment agreement and the benefit plans.

Compliance with Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) of the Internal Revenue Code limits the deductibility of annual compensation in excess of \$1.0 million paid to our Chief Executive Officer and any of the four other highest paid officers, to the extent they are listed officers on the last day of any given tax year. However, compensation is exempt from this limit if it qualifies as performance based compensation. Performance based compensation generally includes only payments that are contingent on achievement of performance objectives, and excludes fixed or guaranteed payments. We believe performance based compensation is an important tool to provide incentive to senior executives, matching their compensation levels to our performance.

Although we will consider deductibility under Section 162(m) with respect to the compensation arrangements for executive officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since our objectives may not always be consistent with the requirements for full deductibility, we may enter into compensation arrangements under which payments would not be deductible under Section 162(m).

Conclusion. The Compensation Committee believes the executive compensation policies and programs described above effectively serve the interests of shareholders and Landmark Bancorp. The committee believes these policies motivate executives to contribute to our overall future success, thereby enhancing the value of Landmark Bancorp for the benefit of all shareholders.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our executive officers, directors and persons who own more than 10% of our common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the exchange on which our shares of common stock are traded. These persons are also required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of these forms, we are not aware that any of our directors, executive officers or 10% stockholders failed to comply with the filing requirements of Section 16(a) during the fiscal year ended December 31, 2004, except that each of our executive officers and directors failed to file a Form 4 in March of 2004 reporting the granting of options.

TRANSACTIONS WITH MANAGEMENT

Our directors and officers and their associates were customers of and had transactions with Landmark Bancorp and Landmark National Bank, and their predecessors, during 2004. Additional transactions are expected to take place in the future. All outstanding loans, commitments to loan, and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

AUDIT COMMITTEE REPORT

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by Landmark Bancorp shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The Audit Committee assists the board in carrying out its oversight responsibilities for our financial reporting process, audit process and internal controls. The Audit Committee also reviews the audited financial statements and recommends to the board that they be included in our annual report on Form 10-K. The committee is comprised of Messrs. Ball, Downey, Pettie, and Ross and Ms. Roepke. Mr. Lewis served on the Audit Committee until 2005. All of the members are deemed independent, as defined by Nasdaq.

The Audit Committee has reviewed and discussed our audited financial statements for 2004 with our management and KPMG LLP, our independent registered public accounting firm. The committee has also discussed with KPMG LLP the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards) as well as having received and discussed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). Based on the review and discussions with management and KPMG LLP, the committee has recommended to the board that the audited financial statements be included in our annual report on Form 10-K for 2004 for filing with the Securities and Exchange Commission.

PROPOSED AMENDMENT TO THE CERTIFICATE OF INCORPORATION

General

Our board of directors has unanimously approved, and recommends to our stockholders for their approval and adoption, an amendment to the certificate of incorporation that would increase the number of our authorized shares of common stock from 3,000,000 shares to 5,000,000 shares. Currently, we also have 200,000 shares of preferred stock authorized and the proposed amendment, if adopted, will not affect the preferred shares.

As of April 1, 2005, we had 2,110,588 shares of common stock issued and outstanding. Our board of directors believes that this proposed amendment is in the best interests of Landmark Bancorp and our stockholders. Holders of a majority of the outstanding shares of our common stock as of the close of business on April 1, 2005, must approve the amendment of our certificate of incorporation to increase the number of authorized shares of Landmark Bancorp's common stock. Unless instructed to the contrary, all shares represented by proxy cards signed and returned to us will be voted in favor of the adoption of this amendment.

Proposed Amendment to Certificate of Incorporation

If this amendment is approved by our stockholders, the first sentence of Article 4(A) of the certificate of incorporation will be replaced in its entirety and replaced with the following::

The total number of shares of stock which the corporation shall have authority to issue is Five Million (5,000,000) shares of Common Stock, par value of \$0.01 per share, and Two Hundred Thousand (200,000) shares of Preferred Stock, par value of \$0.01 per share.

Reasons for the Proposed Amendment

This proposed amendment authorizes additional shares of common stock. If the proposed amendment is approved, our board of directors will be able to use the additional shares of common stock for a variety of purposes.

First, the additional shares of stock would provide us with shares of stock that could be used to make acquisitions that may be advisable from time to time. These transactions could include the acquisition of additional branch locations, subsidiaries or bank or thrift holding companies. The additional shares of stock authorized by the amendment could also be used to raise additional working capital for Landmark Bancorp or any of its subsidiaries. It is possible that our board of directors may in the future decide to conduct a private or public offering of stock to raise additional capital for contribution to our subsidiaries and for general corporate purposes. Although our board of directors does not currently have any specific plans in this regard, these shares would be available for that purpose.

Additional authorized shares of common stock could also be used to fund the grant of stock options to our officers, employees and directors. Equity based compensation can be used to provide additional incentive to personnel without causing an immediate adverse effect on our profitability. Moreover, the grant of stock options can perhaps be used to retain valuable employees who might otherwise be lured away by the promise of higher cash salaries from competitors. Also, additional shares of common stock could be used to complete a stock split or stock dividend. It is possible that our board of directors may in the future decide to authorize a stock split in order to enhance the availability and liquidity of Landmark Bancorp's stock. The additional authorized shares could also be utilized for the issuance of 5% stock splits in the form of a dividend, a type of dividend that we have issued every year for the past four years.

The increase in the authorized number of shares of stock would allow for the possibility of substantial dilution of the voting power of our current stockholders, although no dilution will occur as a direct result of the increase in the number of our authorized shares. The degree of any dilution that would occur following the issuance of any additional shares of stock would depend upon the number of shares of stock that are actually issued in the future, which cannot be determined at this time. Issuance of a large number of additional voting shares could significantly dilute the voting power of our existing stockholders.

The existence of a substantial number of authorized and unissued shares of stock could also impede an attempt to acquire control because our board of directors would have the ability to issue additional shares of stock in response to any such attempt. We are not aware at this time of any attempt to acquire control of Landmark Bancorp, and no decision has been made as to whether any or all newly authorized but unissued shares of stock would be issued in response to any attempt of that kind.

Stockholder Vote Necessary For Approval of the Amendment

To be approved by our stockholders, this amendment must receive the affirmative vote of the majority of the outstanding shares of our common stock. **Our board of directors believes that the adoption of this amendment is in the best interests of our stockholders and unanimously recommends that you vote your shares FOR this amendment.**

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Stockholders will be asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2005. If the appointment of KPMG LLP is not ratified, the matter of the appointment of our independent registered public accounting firm will be considered by the Audit Committee. Representatives of KPMG LLP are expected to be present at the meeting and will be given the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. **We recommend that you vote FOR the ratification of KPMG LLP to serve as our independent registered public accounting firm.**

Accountant Fees

Audit Fees. The aggregate amounts of fees billed by KPMG LLP for their audit of our annual financial statements for fiscal years 2004, and 2003 and for their required reviews of our unaudited interim financial statements included in our quarterly reports filed during fiscal 2004 and 2003 were \$114,450 and \$88,500 respectively.

Audit Related Fees. The aggregate amount of audit related fees billed by KPMG LLP for fiscal years 2004 and 2003 was \$17,300 and \$31,200 respectively. The services provided in 2004 were related to audits of the Landmark Bancorp, Inc. Employee Stock Ownership Plan and the Landmark Bancorp, Inc. 401(k) Profit Sharing Plan as of and for the year ended December 31, 2003. The services provided in 2003 were related to an audit of the Landmark Bancorp, Inc. 401(k) Profit Sharing Plan as of and for the year ended December 31, 2002, and due-diligence and assistance with our acquisition of First Kansas Financial Corporation.

Tax Fees. The aggregate amounts of tax related services billed by KPMG LLP for fiscal years 2004 and 2003 were \$51,541 and \$72,318, respectively, for professional services rendered for tax compliance, tax advice and tax planning. The services provided included assistance with the preparation of our tax return and guidance with respect to estimated tax payments.

All Other Fees. We were billed an aggregate of \$15,000 in 2003 by KPMG LLP for consultation relating to our deposit account classifications. We did not incur any other fees from KPMG LLP for fiscal years 2004 and 2003 other than the fees reported above.

The Audit Committee, after consideration of these matters, does not believe that the rendering of these services by KPMG LLP to be incompatible with maintaining their independence as our principal accountants.

Audit Committee Pre-Approval Policy

Among other things, the Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent accountant. We have adopted a pre-approval policy under which the Audit Committee approves in advance all audit and non-audit services to be performed by our independent auditors. As part of its pre-approval policy, the Audit Committee considers whether the provision of any proposed non-audit services is consistent with the SEC's rules on auditor independence. In accordance with the pre-approval policy, the Audit Committee has pre-approved certain specified audit and non-audit services to be provided by KPMG LLP for up to twelve months from the date of the pre-approval. All of the services referred to above in the table for 2004 were pre-approved by the Audit Committee.
