ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We had an agreement with TC Management, L.L.C., TC Management IV, L.L.C. and Brockway Moran & Partners Management, L.P. (collectively, the Equity Sponsors), entities owned by certain of our shareholders, which obligated us to pay these entities a financial advisory fee of 1.5% of the first \$50,000,000 of the proceeds or value of any transaction with respect to which the three entities rendered

financial advisory services, and 1% of any amount of proceeds or value in excess of \$50,000,000 until such time as these entities and their affiliates, on a combined basis, owned less than 25% of our total outstanding voting capital stock.

In connection with the secondary offering in February 2002, we paid the Equity Sponsors a \$258,000 financial advisory fee. In connection with the purchase of Advanced Circuits in 2002, we paid the Equity Sponsors a \$500,000 financial advisory fee and \$40,000 for certain out-of-pocket expenses which were accounted for as direct acquisition costs.

As a result of the secondary offering in September 2003, the Equity Sponsors and their affiliates no longer owned 25% of our total outstanding voting capital stock, and we were no longer obligated to pay the financial advisory fee previously discussed.

In connection with a secondary offering declared effective in June 2004 and completed in December 2004, we incurred \$339,000 of offering-related expenses reflected within general and administrative expense. We did not sell shares in this offering but incurred these expenses pursuant to a registration rights agreement between the Equity Sponsors and us. Upon the completion of this offering in December 2004, the Equity Sponsors no longer have any equity interest in us and the management agreement has terminated.

We also had a consulting and management services agreement with Pyxis Partnership, an entity controlled by Kenneth L. Shirley, one of our directors through November 2002. Pyxis provided certain management and consulting services typical of those provided by a Chief Operating Officer. These services were rendered on behalf of Pyxis primarily by Mr. Shirley. During 2002, we paid Pyxis approximately \$168,000 for these services.

Pre-Approval Policy for Independent Registered Public Accountant s Fees

In 2003, our Audit Committee adopted a formal policy concerning pre-approval of audit and non-audit services to be provided by our independent registered public accountants. The policy requires that all proposed services to be provided by KPMG LLP must be pre-approved by the audit committee before any services are performed. This policy includes all audit, tax and consulting services that KPMG LLP may provide to the Company. In evaluating whether to engage KPMG LLP for non-audit services, our Audit Committee considers whether the performance of services other than audit services is compatible with maintaining the independence of KPMG LLP.
