PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held August 2, 2006

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Encision Inc., a Colorado corporation, for use at our Annual Meeting of Shareholders to be held at 10:00 A.M. Mountain Time, on August 2, 2006, at the offices of Faegre & Benson LLP, 1900 Fifteenth Street, Boulder, Colorado, 80302 and at any and all adjournments of such meeting.

If the enclosed Proxy Card is properly executed and returned in time to be voted at the meeting, the shares of common stock represented will be voted in accordance with the instructions contained therein. Executed Proxy Cards that contain no instructions will be voted for each of the nominees for director indicated herein. It is anticipated that this Proxy Statement and the accompanying Proxy Card and Notice of Annual Meeting will be mailed to our shareholders on or about June 30, 2006.

Shareholders who execute proxies for the Annual Meeting may revoke their proxies at any time prior to their exercise by delivering written notice of revocation to our secretary, by delivering a duly executed Proxy Card bearing a later date, or by attending the meeting and voting in person.

We will bear the costs of the meeting, including the costs of preparing and mailing the Proxy Statement, Notice of Annual Meeting and Proxy Card. We may, in addition, use the services of its directors, officers and employees to solicit proxies, personally or by telephone, but at no additional salary or compensation. We will also request banks, brokers, and others who hold shares of our common stock in nominee names to distribute annual reports and proxy soliciting materials to beneficial owners, and we will reimburse such banks and brokers for reasonable out-of-pocket expenses which they may incur in so doing.

OUTSTANDING CAPITAL STOCK

The record date for shareholders entitled to vote at the Annual Meeting was June 23, 2006. At the close of business on that day, there were 6,400,437 shares of our common stock, no par value, outstanding and entitled to vote at the meeting. Each share of common stock is entitled to one vote.

QUORUM AND VOTING

The presence in person or by proxy of the holders of a majority of the total issued and outstanding shares of our common stock that are entitled to be voted at the Annual Meeting is necessary in order to constitute a quorum for the meeting. Abstentions and broker non-votes will be counted for purposes of attaining a quorum. If a quorum is present, the affirmative vote of a majority of the shares represented at the meeting and entitled to vote will be required to elect directors and approve any other matter to be voted on by the shareholders at the meeting. Thus, abstentions and broker non-votes have the same effect as a vote against a particular proposal.

ACTIONS TO BE TAKEN AT THE MEETING

The accompanying proxy, unless the shareholder otherwise specifies in the proxy, will be voted (1) FOR the election of each of the seven nominees named herein for the office of Director, (2) FOR ratification of the appointment of Gordon, Hughes & Banks, LLP as our independent public accountants and (3) at the discretion of the proxy holders, on any other matter that may properly come before the meeting or any adjournment thereof.

If shareholders have appropriately specified how their proxies are to be voted, they will be voted accordingly. If any other matter of business is brought before the meeting, the proxy holders may vote the proxies at their discretion. The directors do not know of any such other matter of business.

SHAREHOLDER PROPOSALS

Shareholder proposals intended for presentation at our 2007 Annual Meeting of Shareholders, including shareholder recommendation for nominees for election to our board of directors, must be received by us at our offices in Boulder, Colorado, not later than May 16, 2007, and in order for any such proposal to be included in our Proxy Statement for the 2007 Annual Meeting of Shareholders, such proposal must be received by us no later than March 3, 2007.

ELECTION OF DIRECTORS

(Proxy Item #1)

Our board of directors has nominated the seven persons listed below for election as directors for the ensuing year, each to hold office until the 2007 Annual Meeting of Shareholders and until their successors are duly elected and qualified, or until their death, resignation or removal. A shareholder using the enclosed Proxy Card can vote for all or any of the nominees of the board of directors or such shareholder may withhold his or her vote from all or any of such nominees. If the Proxy Card is properly executed but not marked, it will be voted for all of the nominees. Each of the nominees has agreed to serve as a director if elected; however, should any nominee become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such other person or persons as our board of directors may recommend. There are no family relationships among these nominees.

Our nominating committee will consider recommendations for director nominees by shareholders if the names of those nominees and relevant biographical information are properly submitted in writing to our corporate secretary in the manner described for shareholder nominations below under the heading Other Matters. A director nominee must have a strong professional or other background, a reputation for integrity and responsibility and experience relevant to our business and operations. A director nominee must be able to commit appropriate time to prepare for, attend and participate in all meetings of our board of directors and its committees, as applicable, and the annual meeting of shareholders and must not have any conflicts of interest with our business and operations. Our nominating committee will also require some director nominees to be independent as defined under the American Stock Exchange listing standards. All director nominees, whether submitted by a shareholder or our nominating committee, will be evaluated in the same manner. All current members of the nominating committee are independent for purposes of the American Stock Exchange listing standards. Our board of directors has adopted a written Nominating Committee Charter, a copy of which is attached hereto as Appendix A and is not available on our website.

The nominating committee does not have an express policy with regard to the consideration of any director candidates recommended by our shareholders because the nominating committee believes that it can adequately evaluate any such nominees on a case-by-case basis. The nominating committee will consider director candidates proposed by shareholders in accordance with the procedures set forth above under

Shareholder Proposals, and will evaluate shareholder-recommended candidates for director under the same criteria as internally generated candidates. Although the nominating committee does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on our board and its committees.

Compensation Committee

The members of the compensation committee are Vern D. Kornelsen and Robert H. Fries. Our Compensation Committee reviews and approves compensation for our executive officers whose compensation is approved by our Board of Directors upon recommendation of the Compensation Committee. Our Compensation Committee also administers our stock option plans. Our Compensation Committee held two meetings during the fiscal year ended March 31, 2006.

Audit Committee

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members satisfy the American Stock Exchange's requirement that audit committee members be independent directors as that term is currently defined by the American Stock Exchange's Corporate Governance Requirements.

Until July 1, 2005, Vern D. Kornelsen and Robert H. Fries comprised the audit committee. Since July 1, 2005, Bruce L. Arfmann and George A. Stewart have comprised the audit committee. Their backgrounds are more fully disclosed in their biographies under Election of Directors.

Until July 1, 2005, Robert H. Fries was the audit committee's financial expert, and Mr. Fries was independent under the American Stock Exchange's rules as in effect and applicable to us during his service on the audit committee. Effective July 1, 2005, Bruce L. Arfmann assumed the role of the audit committee's financial expert and is independent under the American Stock Exchange's rules as currently in effect and applicable to us.

Audit Committee Report

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members satisfy the American Stock Exchange's requirement that audit committee members be independent directors as that term is currently defined by the American Stock Exchange's Corporate Governance Requirements.

Until July 1, 2005, Vern D. Kornelsen and Robert H. Fries comprised the audit committee. Since July 1, 2005, Bruce L. Arfmann and George A. Stewart have comprised the audit committee. Their backgrounds are more fully disclosed in their biographies under Election of Directors.

Until July 1, 2005, Robert H. Fries was the audit committee's financial expert, and Mr. Fries was independent under the American Stock Exchange's rules as in effect and applicable to us during his service on the audit committee. Effective July 1, 2005, Bruce L. Arfmann assumed the role of the audit committee's financial expert and is independent under the American Stock Exchange's rules as currently in effect and applicable to us.

The audit committee oversees our financial process on behalf of the board of directors. The audit committee has adopted a written charter. A copy of the audit committee's current charter is attached to this Proxy Statement as Appendix B. The audit committee reviews and reassesses the adequacy of its charter on an annual basis. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The audit committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and us including the matters in the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1. The audit committee approves in advance any and all audit services, including audit engagement fees and terms, and non-audit services provided to us by our independent auditors. The independent auditors and our management are expected to periodically report to the audit committee the extent of services provided by the independent auditors and the fees associated with these services.

The audit committee discussed with our independent auditors the overall scope and plans for their audit. The audit committee meets with the independent auditors to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting. The audit committee met four times in the fiscal year ended March 31, 2006.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board of directors has approved, that the audited consolidated financial statements be included in our Annual Report on Form 10-KSB for the year ended March 31, 2006, for filing with the Securities and Exchange Commission.

Tax Fees

Gordon, Hughes & Banks, LLP did not render any services related to tax return preparation or tax planning for the fiscal years ended March 31, 2006 or March 31, 2005.

All Other Fees

There were no aggregate fees billed for all other services rendered by Gordon, Hughes & Banks, LLP for the fiscal years ended March 31, 2006 or March 31, 2005.

Approval of Auditor Services and Fees

Our Audit Committee ensures that we engage our independent public accountants to provide only audit and non-audit services that are compatible with maintaining the independence of our independent public accountants. Our Audit Committee approves or pre-approves all services provided by our independent public accountants. Permitted services include audit and audit-related services, tax and other non-audit related services. Certain services are identified as restricted. All fees identified in the preceding first two paragraphs were approved by our Audit Committee.

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS
OF
ENCISION INC.**

This Audit Committee Charter (Charter) was adopted by the Board of Directors (the Board) of Encision Inc. (the Company) effective as of May 22, 2006.

PURPOSE

The purpose of the Audit Committee (the Committee) is to assist the Board with its oversight responsibilities regarding:

- a. the accounting and financial reporting processes of the Company,
- b. the integrity of the Company s financial statements,
- c. the Company s compliance with legal and regulatory requirements,
- d. the registered independent accountant s qualifications and independence, and
- e. the performance of the independent accountant in its audits of the Company s financial statements.

The Committee shall prepare the audit committee report required by the rules of the Securities and Exchange Commission (the Commission) to be included in the Company s annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities as are assigned by law, the Company s certificate of incorporation or bylaws or as may be delegated to it by the Board from time to time. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee s sole discretion.

While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it. Notwithstanding the foregoing, the Committee s responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company s financial statements as well as the Company s financial reporting process, accounting policies, internal accounting controls and disclosure controls and procedures. The registered independent accountant is responsible for performing an audit of the Company s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with the standards of the Public Company Accounting Oversight Board (the PCAOB) and generally accepted accounting principles, and reviewing the Company s quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or reviews or to determine that the Company s financial statements and disclosure are complete and accurate and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company s registered independent accountant) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Auditing literature, particularly Statement of Accounting Standards No. 100, defines the term review to include a particular set of required procedures to be undertaken by registered independent auditors. The members of the Committee are not independent auditors, and the term review as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

MEMBERSHIP

The Committee shall consist of at least two (2) members of the Board, both of whom shall be independent Board members. All committee members must be able to read and understand fundamental financial statements, including the Company's balance sheets, statements of operations and cash flow. The members of the Committee, including the Chair of the Committee, shall be appointed by the Board. Committee members may be removed from the Committee, with or without cause, by the Board.

General Responsibilities

1. The Committee will provide its reasonable efforts to facilitate open avenues of communication with the independent accountant and the Board, provided, however, that the independent accountant will report directly to the Committee.
2. The Committee Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agenda for each Committee meeting. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's Bylaws or Guidelines that are applicable to the Committee.

5. The Committee will meet at least four times each year, more frequently if circumstances make that preferable. The Committee Chair has the power to call a meeting of the Committee whenever he or she thinks there is a need.

6. The Committee will do whatever else the law, the Company's charter or bylaws or the Board require.

Responsibilities for Engaging Independent Accountants

1. The Committee will select the independent accountants for Company audits. The Committee's selection is subject to approval by the full Board. The Committee also will review and set any fees paid to the independent accountants, provide oversight of their work and review and approve dismissal of the independent accountants.

2. The Committee shall request and evaluate a formal written statement from the independent accountants delineating all relationships between the independent accountants and the Company that could bear on their independence as required by the Independence Standards Board Statement No. 1, discuss such report with the independent accountant, oversee the independence of the accountants and, if so determined by the Committee, take appropriate action to address issues raised by such evaluation. The Committee shall pre-approve, pursuant to policies and procedures deemed by the Committee to be desirable and appropriate, audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent accountant. The Committee may, when appropriate, form and delegate authority to subcommittees consisting of one or more members of the Committee, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting. The Committee shall discuss with management and the registered independent accountants any correspondence from or with regulators or governmental agencies, any employee complaints or any published reports that raise material issues regarding the Company's financial statements, financial reporting process, accounting policies or audit function.

3. The Committee will consider, in consultation with the independent accountant, the audit scope and procedural plans made by the independent accountant.

4. The Committee will listen to management and the primary independent accountant if either thinks there might be a need to engage additional accountants. The Committee will decide whether to engage an additional firm and, if so, which one.
