Who is asking for my vote?

The Board of Trustees (the Board) of ING Risk Managed Natural Resources Fund (the Fund) is sending this Proxy Statement, the attached Notice of Annual Meeting, and the enclosed Proxy Ballot on or about May 9, 2007 to you and all other shareholders. The Board is soliciting your vote for the annual meeting of shareholders of the Fund (the Annual Meeting).

The words you and your are used in this Proxy Statement to refer to the person or entity who owns the shares and who accordingly has voting rights in connection with the shares.

What is the Proposal and who can vote on it?

Pursuant to the Declaration of Trust of the Fund, dated August 4, 2006 (the Declaration of Trust), the Board is divided into three classes, with the term of one class expiring at each annual meeting of Common Shareholders. The term of office of the Class I Trustees expires on the date of the 2007 Annual Meeting, with the terms of office for Class II and Class III expiring one and two years thereafter, respectively. For this reason, as a shareholder of the Fund, you are being asked to consider the election of the Class I Trustees who will be elected for a three-year term. The Declaration of Trust provides for the division of the Board in order to limit the ability of other entities or persons to acquire control of the Fund or to change the composition of its Board.

Why did you send me this booklet?

This booklet is a Proxy Statement. It provides you with information you should review before voting on the matters listed above and in the Notice of Annual Meeting for the Fund. The Fund does not currently issue any shares other than the Common Shares. To the best of the Fund's knowledge, as of March 19, 2007, no person owned beneficially more than 5% of any class of shares of the Fund.

How do I vote?

Shareholders can vote by completing, signing and returning the enclosed Proxy Ballot promptly in the enclosed envelope, or by attending the Annual Meeting in person and voting. In addition to solicitation by mail, certain officers and representatives of the Fund, officers and employees of ING Investments, LLC (Adviser) (Address: 7337 E. Doubletree Ranch Rd., Scottsdale, Arizona 85258-2034), the investment adviser to the Fund, or its affiliates and certain financial services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies by telephone, telegram, facsimile, or oral communication.

Shareholders of the Fund whose shares are held by nominees, such as brokers, can vote their proxies by contacting their respective nominee. If a shareholder wishes to participate in the Annual Meeting, the shareholder may still submit the Proxy Ballot originally sent with the Proxy Statement or attend in person.

When and where will the Annual Meeting be held?

The Annual Meeting will be held at 7337 E. Doubletree Ranch Road, Scottsdale, Arizona 85258-2034, on June 15, 2007, at 10:00 a.m., Local time, and, if the Annual Meeting is adjourned or postponed, at any adjournment or postponement of that Meeting. If you expect to attend the Annual Meeting in person, please notify the Fund by calling 1-800-992-0180.

Can I revoke my proxy after I vote it?

A shareholder may revoke the accompanying proxy at any time prior to its use by filing with the Fund a written revocation or duly executed Proxy Ballot bearing a later date. In addition, any shareholder who attends the Annual Meeting in person may vote by ballot at the Annual Meeting, thereby canceling any proxy previously given. The persons named in the accompanying proxy will vote as directed by the proxy, but in the absence of voting directions in any proxy that is signed and returned, they intend to vote **FOR** the Proposal and may vote in their discretion with respect to other matters not now known to the Board that may be presented at the Annual Meeting.

How does the Board recommend that I vote?

The Board recommends that shareholders vote **FOR** the Proposal described in this Proxy Statement.

**PROPOSAL
ELECTION OF CLASS I TRUSTEES**

What is the Proposal?

The Board has nominated three individuals for election as Class I Trustees of the Board of Trustees to represent the interests of the holders of Common Shares of the Fund (the Class I Nominees). Holders of Common Shares are asked to elect the Class I Nominees to serve as Trustees, each to serve for a three-year term, and until his or her successor is duly elected and qualified. Information about each Class I Nominee is set forth below. All of the Class I Nominees are currently Trustees of the Fund and each has consented to continue to serve as a Trustee if re-elected by holders of Common Shares.

What factors did the Board consider in selecting the Class I Nominees?

The Board nominated the three individuals who currently serve as Class I Trustees of the Common Shares of the Fund. The Board met to discuss Board candidates and, after due consideration, recommend to shareholders the Class I Nominees indicated below. In making such recommendation, the Board took into consideration the knowledge, background, and experience of the Class I Nominees.

What is the required vote?

Common Shareholders are entitled to one vote for each Common Share held. The affirmative vote of a plurality of the Common Shares of the Fund present in person or by proxy at the Annual Meeting is required to approve the election of each Class I Nominee to the Board. Shareholders do not have appraisal rights in connection with the proposal in this proxy statement and there is no cumulative voting for the election of Trustees.

Who are the Class I Nominees?

For election as Class I Trustees at the Annual Meeting, the Board has approved the nomination of:

Class I
John V. Boyer
Patricia W. Chadwick
Sheryl K. Pressler

The persons named as proxies will vote for the election of each of these Class I Nominees unless you withhold authority to vote for any or all of them on the enclosed Proxy Ballot. If any or all of the Class I Nominees should become unavailable for election due to events not now known or anticipated, the persons named as proxies will vote for such other nominee or nominees as the current Trustees may recommend or the Board may reduce the number of Trustees as provided for in the Fund's Declaration of Trust.

FURTHER INFORMATION ABOUT THE TRUSTEES AND OFFICERS**How long will the Trustees serve on the Board?**

The Board is divided into three classes, with the term of one class expiring at each annual meeting of Common Shareholders. At each annual meeting of the Fund, one class of Trustees is elected to a three-year term and generally holds office until their successors are elected and qualified. A unanimous vote of the Board may extend the retirement date of a Trustee for up to one year. A further extension may be permitted if the retirement would trigger a requirement to hold a meeting of shareholders of the Fund under applicable law, whether for purposes of appointing a successor to the Trustee or if otherwise necessary under applicable law, in which case the extension would apply until such time as the shareholder meeting can be held or is no longer needed.

Specific qualifications of candidates for Board membership will be based on the needs of the Board at the time of nomination. The Nominating and Governance Committee is willing to consider nominations received from shareholders and shall assess shareholder nominees in the same manner as it reviews its own nominees. A shareholder nominee for Trustee should be submitted in writing to the Fund's Secretary. Any such shareholder nomination should include at a minimum the following information as to each individual proposed for nomination as Trustee: such individual's written consent to be named in the proxy statement as a nominee (if nominated) and to serve as a Trustee (if elected), and all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of Trustees, or is otherwise required, in each case under applicable federal securities laws, rules and regulations. For further details regarding the Nominating and Governance Committee's criteria for evaluating nominees please refer to the Nominating and Governance Committee's Charter which is attached as Appendix 2.

The Secretary shall submit all nominations received in a timely manner to the Nominating and Governance Committee. To be timely, in connection with a shareholder meeting to elect Trustees, any such submission must be delivered to the Fund's Secretary not earlier than the 90th day prior to such meeting and not later than the close of business on the later of the 60th day prior to such meeting or the 10th day following the day on which public announcement of the date of the

meeting is first made, by either the disclosure in a press release or in a document publicly filed by the Fund with the SEC.

The Board has a Contracts Committee for the purpose of overseeing the annual renewal process relating to investment advisory and sub-advisory agreements and, at the discretion of the Board, other agreements or plans involving the ING Funds. The responsibilities of the Contracts Committee, among other things, include: (1) identifying the scope and format of information to be provided by services providers in connection with applicable renewals; (2) providing guidance to independent legal counsel regarding specific information requests to be made by such counsel on behalf of the Trustees; (3) evaluating regulatory and other developments that might have an impact on applicable review and renewal processes; (4) reporting to the Trustees its recommendations and decisions regarding the foregoing matters; (5) assisting in the preparation of a written record of the factors considered by Trustees relating to the approval and renewal of advisory and sub-advisory agreements; and (6) recommending to the Trustees specific steps to be taken by them regarding the renewal process, including, for example, proposed schedules of meetings by the Trustees. The Contracts Committee is not responsible for making substantive recommendations whether to approve, renew, reject or modify agreements or plans. The Contracts Committee operates pursuant to a Charter approved by the Board. The Contracts

Committee currently consists of six (6) Independent Trustees: Messrs. Boyer, Kenny, Patton and Vincent, and Mses. Chadwick and Pressler. Mr. Vincent serves as Chairperson of the Contracts Committee. The Contracts Committee held eight (8) meetings during the fiscal year ended February 28, 2007.

How often does the Board meet?

The Board currently conducts regular meetings eight (8) times a year. The Audit and Valuation, Proxy and Brokerage Committees meet regularly four (4) times per year, the Investment Review Committee meets regularly six (6) times a year, the Contracts Committee meets regularly seven (7) times a year and the remaining Committees meet as needed. In addition, the Board or the Committees may hold special meetings by telephone or in person to discuss specific matters that may require action prior to the next regular meeting. During the fiscal year ended February 28, 2007, the Board held nine (9) meetings, including regularly scheduled and special meetings. No Trustee attended less than 75% of the Fund's Board meetings or meetings of Committees on which a Trustee served.

What are the Trustees paid for their services?

Each Trustee is reimbursed for expenses incurred in connection with each meeting of the Board or any Committee attended. Each Independent Trustee is compensated for his or her services according to a fee schedule adopted by the Board, and receives a fee that consists of an annual retainer and a meeting fee component.

The Fund currently pays each Independent Trustee a pro rata share, as described below, of: (i) an annual retainer of \$45,000 (the Chairperson, receives an additional annual retainer of \$30,000); (ii) an additional annual retainer of \$20,000 each to the Audit Committee and the Investment Review Committee Chairpersons; (iii) an additional retainer of \$15,000 to the Contracts Committee Chairperson; (iv) an additional retainer of \$10,000 each to the Valuation, Proxy and Brokerage Committee and Compliance Committee Chairpersons; (v) an additional retainer of \$10,000 to the Nominating and Governance Committee Chairperson (the Chairperson of the Nominating and Governance Committee is paid on a quarterly basis and only if the Committee has been active. The compensation per quarter to the Chairperson is \$2,500, which if the Committee has been active for all four quarters will result in the Chairperson receiving the full annual retainer of \$10,000.); (vi) \$7,000 for each in person meeting of the Board; (vii) \$3,000 for attendance at any Committee meeting; (viii) \$1,000 for meeting attendance as a chairperson; (ix) \$2,000 per telephonic meeting; and (x) out-of-pocket expenses. The pro rata share paid by the Fund is based on the Fund's average net assets as a percentage of the average net assets of all the funds managed by the Adviser and its affiliates for which the Trustees serve in common as Directors/Trustees.

The Trustees who are interested persons of the Fund receive no compensation from the Fund.

The following table has been provided to the Fund by the Adviser and its affiliates and sets forth information regarding the compensation paid to the Trustees for the Fund's initial fiscal year ended February 28, 2007 for service on the Boards of the ING Funds complex.

Audit Committee Report: As part of its oversight of the Fund's financial statements, the Audit Committee reviewed

Who are the Fund's adviser, sub-adviser, distributor and administrator?

ING Investments, LLC serves as the investment adviser to the Fund, ING Funds Distributor, LLC serves as the Fund's distributor and ING Funds Services, LLC serves as the Fund's administrator. The principal office of the investment adviser, the distributor and the administrator is 7337 E. Doubletree Ranch Road, Scottsdale, Arizona 85258-2034. ING Investment Management Co. serves as sub-adviser to the Fund. The principal office of the sub-adviser is 10 State House Square, SHS 14, Hartford, Connecticut 06103. The investment adviser, the sub-adviser, the distributor and the administrator are all indirect, wholly-owned subsidiaries of ING Groep N.V. and are affiliated with one another.

Who are the Fund's independent public accountants?

The accounting firm of KPMG currently serves as the independent auditor for the Fund. The Board has selected KPMG as the independent auditor to examine and report on the financial statements of the Fund for the fiscal year ending February 28, 2008.

The following table shows fees paid to KPMG for professional audit services during the Fund's most recent fiscal period from October 27, 2006, when the Fund commenced operations, to its initial fiscal year ended February 28, 2007, as well as fees billed for other services rendered by KPMG to the Fund.

	2007
Audit Fees (1)	\$ 29,250
Audit-Related Fees (2)	\$ 0
Tax Fees (3)	\$ 1,400
All Other Fees (4)	\$ 0

-
- (1) Audit fees consist of fees billed for professional services rendered for the audit of the Fund's year-end financial statements and services that are normally provided by KPMG in connection with statutory and regulatory filings.
 - (2) Audit-related fees consist principally of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Fund's consolidated financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.
 - (3) Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.
 - (4) All other fees would include fees for products and services other than the services reported above, including those related to the review and issuance of consents on various SEC filings.

The aggregate non-audit fees billed by KPMG for services rendered to the Fund, the Adviser, and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund from October 27, 2006, when the Fund commenced operations, to its initial fiscal year ended February 28, 2007 was \$729,400.

All of the services described in the table above were approved by the Audit Committee pursuant to pre-approval policies and procedures adopted by the Committee. Pursuant to such policies and procedures, the Audit Committee pre-approves: (i) all audit and non-audit services to be rendered to the Fund by KPMG; and (ii) all non-audit services impacting the operations and

financial reporting of the Fund provided by KPMG to the Adviser or any affiliate thereof that provides ongoing services to the Fund (collectively, Covered Services). The Audit Committee has adopted pre-approval procedures authorizing one or more members of the Audit Committee to pre-approve from time to time, on behalf of the Audit Committee, all Covered Services to be provided by KPMG which are not otherwise pre-approved at a meeting of the Audit Committee, provided that such delegate reports to the full Audit Committee at its next regularly scheduled meeting. The pre-approval procedures do not include delegation of the Audit Committee's responsibilities to management. Pre-approval has not been waived with respect to any of the services described above since the date on which the Audit Committee adopted its current pre-approval procedures.

The Audit Committee of the Board will periodically consider whether KPMG's receipt of non-audit fees from the Fund, the Adviser and all entities controlling, controlled by, or under common control with the Adviser that provide services to the Fund is compatible with maintaining the independence of KPMG.

KPMG has advised the Fund that neither KPMG nor any of its partners has any direct or material indirect financial interest in the Fund. Representatives of KPMG are not expected to be at the Annual Meeting but have been given the opportunity to make a statement if they wish, and will be available telephonically should any matter arise requiring their participation.

GENERAL INFORMATION

What happens to my proxy once I vote it?

The Board has named Todd Modic and Huey P. Falgout, Jr. as proxies of the Fund. If you follow the instructions when you vote, your proxies will vote your shares as you have directed. If you submit your Proxy Ballot but do not vote on the Proposal, your proxies will vote on the Proposal as recommended by the Board.

What if a Proposal that is not in the Proxy Statement comes up at the Annual Meeting?

If any other matter is properly presented, your proxies will vote in accordance with their best judgment. At the time this Proxy Statement was printed, the Board knew of no matter that needed to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

I want to attend the Annual Meeting and vote in person. How do I do this?

The Annual Meeting will be held at 7337 E. Doubletree Ranch Road, Scottsdale, Arizona 85258-2034. If you attend the Annual Meeting and wish to vote in person, you will be given a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a letter from the nominee indicating that you are the beneficial owner of the shares on the Record Date and authorizing you to vote. If you expect to attend the Annual Meeting in person, please notify the Fund by calling 1-800-992-0180.

What are my voting rights and the quorum requirements?

Each share of the Common Shares of the Fund is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. Shareholders of the Fund at the close of business on the Record Date will be entitled to be present and to give voting instructions for the Fund at the Annual Meeting and any adjournments thereof with respect to their shares owned as of the Record Date. A majority of the outstanding shares of the Fund on the Record Date entitled to vote for the Proposal, present in person or represented by proxy, must be present to constitute a quorum.

If a quorum is not present at the Annual Meeting, or if a quorum is present but sufficient votes to approve the Proposal are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. A shareholder vote may be taken on the Proposal in this Proxy Statement prior to any adjournment if sufficient votes have been received with respect to the Proposal. Any adjournment will require the affirmative vote of a majority of those shares represented at the Annual Meeting in person or by proxy. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal that has not been adopted, will vote against any adjournments those proxies required to be voted against the Proposal that has not been adopted, and will not vote any proxies that direct them to abstain from voting on such Proposal.

The Fund expects that, before the Annual Meeting, broker-dealer firms holding shares of the Fund in street name for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms proxy solicitation materials, the Fund understands that the broker-dealers that are members of the New York Stock Exchange may vote on the items to be considered at the Annual Meeting on behalf of their customers and beneficial owners under the rules of the New York Stock Exchange.

If a shareholder abstains from voting as to the Proposal, or if a broker returns a non-vote proxy, indicating a lack of authority to vote on a matter, then the shares represented by such abstention or non-vote will be considered to be present at the Annual Meeting for purposes of determining the existence of a quorum. A majority of the votes duly cast is required for the election of a Trustee. Abstentions and broker non-votes therefore will not have an effect on the election of a Trustee.

Section 16(a) Beneficial Ownership Reporting Compliance.

Edgar Filing: ING Risk Managed Natural Resources Fund - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Trustees, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons), to file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the New York Stock Exchange. Such persons are required by the U.S. Securities and Exchange Commission (the SEC) regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons, the Fund believes that during the fiscal year ended February 28, 2007, its Reporting Persons complied with all applicable filing requirements.

Shareholder Communications with the Board of Trustees.

Shareholders may send other communications to the Board of Trustees, a Committee thereof, or an individual Trustee. Such communications should be sent to the Fund's Secretary at the address on the front of this Proxy Statement.

What is the deadline for submitting a shareholder proposal for the Fund's 2008 Annual Meeting?

It is anticipated that the next annual meeting of the Fund will be held in June 2008 but the exact date, time and location of such meeting have yet to be determined. Any proposals of shareholders that are intended to be presented at the Fund's next annual meeting must be in writing and received at the Fund's principal executive offices no later than January 10, 2008, in order for the proposal to be considered for inclusion in the Fund's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Fund's proxy statement or presentation at the meeting.

In addition, pursuant to relevant SEC proxy rules, a company may use discretionary voting authority to vote on matters coming before an annual meeting of shareholders if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders or the date specified by an overriding advance notice provision in the company's bylaws. As the Fund's bylaws do not contain such an advance notice provision, for the Fund's 2008 Annual Meeting of shareholders, shareholders must submit to the Fund written notice of a shareholder proposal on or before March 25, 2008.

Please vote by returning your Proxy Ballot in the enclosed postage-paid envelope.

organizations within and outside the Funds from whom the Committee receives information; (2) the accuracy of the financial and other information provided to the Committee by such persons or organizations; and (3) representations made by management as to any information technology, internal audit and other non-audit services provided by the auditors to the Funds.

The Committee will have access, as deemed necessary or appropriate by the Committee, to the applicable Funds' trustees or directors, their independent auditors and Fund counsel and the executive and financial management of the Funds. The Committee may also seek to meet with internal audit staff of the Funds' investment adviser, administrator or accounting agent. The Committee may meet with any such persons without the participation of any other representatives of Fund management.

C. Meetings

The Committee will meet, in person or by telephone, at least twice each fiscal year of a Fund, and the chair of the Committee or a majority of the members may call telephonic or in-person special meetings of the Committee as circumstances require. In order to foster open communication, the Committee may meet privately in separate executive sessions with management and the independent auditors and as a committee to discuss any matters that the Committee, management or the independent auditors believe should be discussed separately.

A majority of the Committee's members will constitute a quorum. At any meeting of the Committee, the decision of a majority of the members present and voting will determine any matter submitted to a vote. The Committee will keep minutes of its meetings, which will be available to the Board for its review.

D. Committee Members; Audit Committee Financial Expert

Members. The members of the Committee are identified on Exhibit B to this Charter, as such Exhibit may be amended from time to time to reflect changes in Committee membership. The Board will review and consider Committee membership annually. No interested person of the Funds as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act") may be a member of the Committee. The Committee members may appoint a chairperson from its members.

Audit Committee Financial Expert. Unless the Board determines that no member of the Committee qualifies as an audit committee financial expert, the Board will identify one (or in the Board's discretion, more than one) member of the Committee as an audit committee financial expert in accordance with the criteria set out below. The Committee is not required to have an audit committee financial expert.

- To be identified as an audit committee financial expert, the Committee member must have the following attributes: (a) an understanding of generally accepted accounting principles (GAAP) and financial statements; (b) the ability to assess the general application of GAAP in connection with the accounting for estimates, accruals and reserves;

• A Committee member may acquire the attributes required of an audit committee financial expert through any combination of the following: (a) education and experience as a public accountant or auditor, or a principal financial officer, controller, principal accounting officer of a company, or experience in one or more positions that involve the performance of similar functions; (b) experience actively supervising a principal financial officer, principal accounting officer, controller, public accountant, auditor or person performing similar functions, (c) experience overseeing or assessing the performance of companies or public accountants in the preparation, audit or evaluation of financial statements; *or* (d) other experience determined by the Board as relevant to the inquiry of whether the Committee member qualifies as an audit committee financial expert.

The attributes and experience required for identification as an audit committee financial expert under this Charter will be identical to, and are qualified in their entirety by, those set out in the rules of the Securities and Exchange Commission (SEC) in Form N-CSR. The identification of a Committee member as an audit committee financial expert does not impose on the member any duties, obligations, or liability that are greater than the duties, obligations, and liability imposed on Committee members in general.

E. Pre-Approval of Services

1. Pre-Approval of Audit Services. The Committee must approve prior to retention all audit, review or attest engagements required under the securities laws that are provided to a Fund by its independent auditors. The Committee will not grant such approval to any auditors that are proposed to perform an audit for a Fund if a chief executive officer, controller, chief financial officer, chief accounting officer or any person serving in an equivalent position for the Fund or any other entity within the ING investment company complex that is responsible for the financial reporting or operations of the Fund was employed by those auditors and participated in any capacity in an audit of the Fund during the 1-year period (or such other period acceptable under the SEC rules) preceding the date of initiation of such audit.

following non-audit services to a Fund: (a) bookkeeping or other services related to the accounting records or financial statements of the Fund; (b) financial information systems design and implementation; (c) appraisal or valuation services, fairness opinions, or contribution-in-kind reports; (d) actuarial services; (e) internal audit outsourcing services; (f) management functions or human resources; (g) broker-dealer, investment adviser, or investment banking services; (h) legal services; (i) expert services unrelated to the audit; and (j) any other service that the Public Company Accounting Oversight Board determines, by regulation, is impermissible.(4)

3. Pre-approval with respect to Non-Fund Entities. The Committee must pre-approve any non-audit services that relate directly to the operations and financial reporting of a Fund (except those within applicable *de minimis* statutory or regulatory exceptions(5)) to be provided by the Fund's auditors to (a) the Fund's investment adviser; and (b) any entity controlling, controlled by, or under common control with the investment adviser if that entity provides ongoing services to a Fund.(6) The Committee may approve audit and non-audit services on a case-by-case basis or adopt pre-approval policies and procedures that are detailed as to a particular service, provided that the Committee is informed promptly of each service, or use a combination of these approaches.

4. Delegation. The Committee may delegate pre-approval authority to one or more of the Committee's members. Any member or members to whom such pre-approval authority is delegated must report any pre-approval decisions to the Committee at its next scheduled meeting.

F. **Relationship with Auditors and Management**

1. Auditor Qualifications. The Committee will, at least annually, review the qualifications of the Funds independent auditors.

- The Committee will inquire as to whether the auditors are independent. This inquiry will take into consideration whether the auditors provide any consulting or other non-audit

(4) With respect to the prohibitions on (a) bookkeeping; (b) financial information systems design and implementation; (c) appraisal, valuation, fairness opinions, or contribution-in-kind reports; (d) actuarial; and (e) internal audit outsourcing, such services are permitted to be provided if it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements

(5) For non-audit services provided to the adviser and entities in a control relationship with the adviser, no pre-approval is required if: (a) the aggregate amount of all non-audit services provided constitute not more than 5% of the total amount of revenues paid to the independent auditors during the fiscal year in which the services are provided to the Fund, the Fund's investment adviser, and any entity controlling, controlled by, or under common control with the investment adviser if that entity provides ongoing services to a Fund; **(b) these services were not recognized by the Fund at the time of the engagement to be non-audit services;** and (c) the services are promptly brought to the attention of the Committee and approved by the Committee prior to the completion of the audit.

(6) No pre-approval is required by the Committee as to non-audit services provided to: (a) the Fund's sub-adviser that primarily provides portfolio management services and is under the direction of another investment adviser and is not affiliated with the Fund's primary investment adviser; (b) another Fund in the ING investment company complex (unless otherwise required to pre-approve services to such other Fund in accordance with this Charter), or (c) other entities within the ING investment company complex that do not provide services to that Fund.

A-4

services to the Fund, its adviser and other entities in the ING investment company complex and their potential effect on the issue of independence. The Committee will standards of independence established from time to time by the SEC and other regulatory and professional authorities.

- The Committee will review the fees charged by the auditors for audit and non-audit services and may make recommendations to the Board or the independent members of the Board with respect to the approval of audit and non-audit service fee estimates. As part of its review, the Committee will annually obtain from the independent auditors a summary of any non-audit services provided to the Fund and the ING investment company complex and the fees billed for non-audit services to the Fund and other entities in the ING investment company complex.

2. Rotation of Audit Partners. The Committee will seek assurances that any of the auditors personnel who serve as lead and concurring audit partners(7) to a Fund are rotated every five years, followed by a five-year time out period, and that those who serve as audit partners (other than lead or concurring audit partners) are subject to a seven-year rotation period, with a two-year time out period.(8) Audit partners may not serve other Funds in the ING investment company complex during their time out periods.

3. Meetings with Auditors. The Committee will meet with the Funds independent auditors for the purposes set out below. The Committee may determine to conduct these meetings outside the presence of Fund management.

- Prior to an audit, the Committee will review with auditors the arrangements for and scope of the annual audit and any special audits

- At the conclusion of each audit, the Committee will review the audit with the independent auditors, including the auditors comments or recommendations and the form of opinion the auditors propose to render or have rendered to the Board and Fund shareholders. The Committee also will discuss with the auditors any matters of concern relating to the Funds financial statements, including adjustments to such statements recommended by the auditors or other results of the audit.

(7) Audit Partner means a member of a Fund s audit engagement team who has decision-making responsibility for significant auditing, accounting and reporting matters that affect the Fund s financial statements or who maintains regular contact with the Fund s management and the Committee. The term includes lead and concurring partners and partners who provide more than 10 hours of audit, review or attest services in connection with the Fund s financial statements.

(8) The rotational periods will be phased in as follows: (1) lead partners must rotate upon reaching 5 years of service, and service for fiscal years beginning before May 6, 2003 counts; (2) concurring partners must rotate upon reaching 5 years of service, and service for fiscal years beginning before May 6, 2004 counts; (3) all other partners will receive a fresh start for audits for years beginning after May 6, 2003, so that fiscal years ending in 2004 constitute the first year of a seven-year rotation period. For investment companies, the SEC accepts an extended year, to encompass the fiscal year ends of all funds in a fund complex.

A-5

- The Committee will receive from the auditors, at least annually and prior to filing each Fund's annual report, the auditors' report as to: (a) all critical accounting policies and practices to be used in preparing the annual report; (b) all alternative treatments within GAAP for policies and practices that have been discussed with Fund management, including ramifications of the use of such alternative disclosures and treatments and the treatments preferred by the independent auditors; and (c) written communications between the auditors and Fund management that are material to the financial statements, such as any management letter or schedule of unadjusted differences; (d) a description of all non-audit services provided, including fees associated with the services, to the ING investment company complex since the last annual report or update that were not subject to the pre-approval requirements as discussed above; and (e) any other matters of concern relating to a Fund's financial statements, including any uncorrected misstatements (or audit differences) whose effects management believes are immaterial, both individually and in aggregate, to the financial statements taken as a whole. If these communications are not made within 90 days prior to the Funds' annual filing, the Committee will receive from the independent auditors any reported updates to the information within 90 days prior to the Funds' annual filing. The Committee may discuss these matters with management.

- The Committee from time to time will discuss with auditors the adequacy and effectiveness of internal controls and procedures for each Fund and the quality of staff implementing those controls and procedures. The Committee will consider the auditors' comments with respect to the Funds' financial policies, procedures and internal accounting controls and management's compliance with these policies and controls and will make recommendations to the Board with respect to any further actions necessary or desirable in response to such auditor comments.

- The Committee will meet with Fund auditors for such other purposes as the Committee may deem necessary or appropriate.

4. Discussions with Management. The Committee may, as deemed necessary or appropriate by the Committee, discuss with management the following: (1) unusual accounting issues; (2) the nature of any unusual or significant commitments or contingent liabilities; (3) any significant difference in format or disclosure from that adopted by other investment companies; (4) the procedures and controls of management, including the adequacy and effectiveness of internal controls and procedures and the quality of staff implementing those controls and procedures; (5) if the Fund's investment adviser has internal audit staff, the staff's objectives and resources; and (6) such other matters as the Committee deems appropriate.

5. Changes in Accounting Principles or Practices. The Committee will consider the effect upon the Funds of any changes in accounting principles or practices proposed by management or the independent auditors. The Committee may consider whether proposed changes will have a significant effect on the amounts reported for a current year or may have an effect in the future, management's and the independent auditors' concurrence with the change and management's or the auditors' underlying rationale for the change. The Committee will discuss with management and the independent auditors the significance and potential effect of any changes in accounting policies proposed by the independent auditors or by management.

A-6

6. Illegal Acts and Other Matters. As necessary the Committee will review with the independent auditors and management any illegal act, as defined in Section 10A of the 1934 Act and required by that statute to be reported to the Committee and any other significant issues reported to the Committee that could have a material effect on a Fund's financial statements. The Committee will seek assurances from management that appropriate remedial actions are taken with respect to any such illegal act identified by the independent auditors. The Committee also may review with management and the independent auditors any compliance matter and any comments or criticisms that the staff of the SEC brought to the attention of the Committee or management, and may develop a recommendation to management.(9) The Committee will report all such matters to the full Board no later than the next regular meeting of the Board. The Committee shall have the authority to retain special counsel and other experts or consultants at the expense of the appropriate Funds.

7. Receive Certifying Officers Reports. The Committee will receive, in accordance with regulations adopted by the SEC, reports from each Fund's principal executive officer and principal financial officer, based on their periodic evaluations, regarding: (a) significant deficiencies in the design or operation of internal controls that could adversely affect the Fund's ability to record, process, summarize, and report financial data; (b) material weaknesses in internal controls; and (c) fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls.

G. Other

2. Counsel Reports. If the Board has not established a qualified legal compliance committee, the Committee will receive and investigate reports of counsel required to be submitted to it by the rules of the SEC that establish standards of professional conduct for attorneys practicing before the SEC.

3. Amendments. If the Audit Committee is composed of all of the members of the Board who are not interested persons of the Funds as defined in Section 2(a)(19) of the 1940 Act, the Committee may amend this Charter by vote of a majority of Committee members. If the Audit Committee is composed of fewer than all of the members of the Board who are not interested persons, the Committee will recommend any amendment to the full Board, and the Board may amend this Charter by a vote of a majority of its members who are not interested persons.

(9) The Committee may make recommendations to management with respect to any illegal act, significant matter or compliance matter, and its recommendations are not limited to matters related only to accounting and financial reporting.

A-7

ADDENDUM
to the
AUDIT COMMITTEE CHARTER
with respect to
CLOSED-END FUNDS

As an issuer listed on the New York Stock Exchange (NYSE), Closed-End Funds (the Fund) must comply with the rules and regulations of the NYSE, which include, among other things, standards for audit committees of listed issuers. Therefore, the Board of Trustees of the Fund (the Board) has adopted this Addendum (Addendum) to the ING Funds Audit Committee Charter (the Charter). This Addendum sets forth additional requirements for the Audit Committee (the Committee) of the Fund. The terms and provisions of the Charter remain applicable to the Fund, as modified or supplemented by this Addendum.

A. Purpose of the Committee

In addition to the purpose of the Committee set out in paragraph B of the Charter, the Committee will serve the following purposes: (1) to assist Board oversight of (a) the integrity of the Fund's financial statements; (b) the Fund's compliance with legal and regulatory requirements; (c) the independent auditors' qualifications and independence; and (d) the performance of any internal audit staff and the independent auditors; and (2) to prepare the report that SEC rules require be included in the Fund's annual proxy statement.

The Committee will have the authority to engage, on the Fund's behalf, outside independent counsel and other advisers as it deems necessary to carry out its duties. The Committee will determine the appropriate levels of funding for payment of (a) compensation of the independent auditors; (b) compensation of any advisers employed by the Committee under the Charter; and (c) ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties under the Charter.

B. Independence of Committee Members

Each such member shall not be an interested person of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the 1940 Act) and shall satisfy applicable independence standards established by the NYSE, except for any such independence standards which the NYSE has indicated need not apply with respect to closed-end investment companies that are registered under the 1940 Act.

2. Compensation. The only compensation a Committee member may receive from the Fund is directors' or trustees' fees, provided that a Committee member who is a former employee of the Fund or its investment adviser may receive deferred compensation if the deferred compensation is not contingent on continued service.

A-9

C. Relationship with Independent Auditors

1. Selection and Termination of Independent Auditors. The Committee will be responsible for the oversight of the work of the independent auditors (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work, and each independent auditor will report directly to the Committee. The Committee has the ultimate authority and responsibility to appoint and, when appropriate, replace the independent auditors, and, if applicable, to nominate the independent auditors to be proposed for shareholder ratification in any proxy statement. The Committee will set clear hiring policies for employees or former employees of the independent auditors. The Committee will also be responsible for determining auditor compensation. The Committee will recommend the selection of the independent auditors for ratification by the vote of a majority of all of the Fund's independent trustees in accordance with Section 32(a) of the 1940 Act.
2. Significant Non-audit Relationships. The Committee will have sole authority to approve any significant non-audit relationships with the Fund's independent auditors.
3. Rotation of Auditors. In addition to assuring that the lead, concurring and other audit partners are rotated in accordance with paragraph F(2) of the Charter and as required by law, the Committee will consider whether there should be a regular rotation of the Fund's independent auditing firm.
4. Annual Auditors Report. At least annually, the Committee will obtain and review a report by the independent auditors describing: (a) the auditors' internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to one or more independent audits of any issuer carried out by the auditors, and any steps taken to deal with any such issues; and (c) all relationships between the independent auditors and the Funds, for purposes of assessing the auditors' independence. The Committee also will consider any reports or communications (and management's responses to such reports or communications) submitted by the independent auditors required by or referred to in SAS 61 (as codified by AU Section 380), as may be modified or supplemented.

D. Discussions with Auditors and Management

1. Annual Financial Statements. The Committee will discuss the annual audited financial statements with management and the independent auditors, including the Funds' disclosures under Management's Discussion of Fund Performance.

ING FUNDS
NOMINATING AND GOVERNANCE COMMITTEE CHARTER

I. **Purpose:**

The Nominating and Governance Committee (the Committee) is a committee of the ING Funds Board of Directors and Trustees (the Board). The Board hereby delegates to the Committee the duty: (1) to identify and recommend for nomination candidates to serve as Board members who are not interested persons of the Funds (Independent Board Members) as that term is defined in the Investment Company Act of 1940, as amended (1940 Act); (2) to evaluate and make recommendations to the full Board regarding potential Board candidates who are interested persons of the Fund (Interested Persons) as that term is defined by the 1940 Act; (3) to review periodically the workload and capabilities of Independent Board Members and, as the Committee deems appropriate, to make recommendations to the Board if such a review suggests that changes to the size or composition of the Board are warranted; (4) to monitor regulatory and other developments to determine whether to recommend modifications to the committee's responsibilities, the creation of additional committees or changes to other Trustee policies and procedures in light of rule changes and reports concerning best practices in corporate governance; (5) in consultation with the Chair of the Board, to review periodically the compensation of the Independent Board Members and to recommend any changes for the consideration by the Independent Board Members; (6) to oversee the Board's annual self-evaluation process; and (7) to perform such other duties as may from time to time be assigned by the Board or by the Board Chair.

II. **Committee Composition:**

The Committee shall be comprised of four or more Board members as determined from time to time by the Board. Each member of the Committee shall be an Independent Board Member. The Board shall elect Committee members at least annually. Any member of the Board may nominate candidates for such positions. The Committee shall select one of its members to be the Chairperson at least annually. Committee members and the Chairperson can serve as many consecutive terms as the Board and the Committee, respectively, deem appropriate.

III. **Meetings:**

The Committee shall meet at least twice a year. Meetings may be in person or by telephone, and may be called by the Chairperson or a majority of Committee members with reasonable advance notice. The Committee shall maintain minutes of its meetings. A quorum shall consist of a majority of Committee members.

IV. **Committee Operations:**

The functions of the Committee shall be to identify appropriate people to serve as Independent Board Members and to oversee the governance practices of the Board of Trustees. As necessary or appropriate, the Committee shall recommend to the Board one or more candidates for

B-1

Board membership, based on its research of the people suggested to it or identified by it as potential candidates. Potential candidate names may be accepted from Board members, Fund shareholders, legal counsel to the Independent Board Members or such other sources as the Committee deems appropriate. If the Committee becomes aware of more than one potential candidate, it shall attempt to rank such candidates in terms of overall suitability for Board membership. The Chairperson shall maintain records of any research performed by or on behalf of the Committee to determine and evaluate candidate qualifications and relative rankings. Such information shall be provided to the Board upon its request.

The Committee has the primary responsibility for recommending action to the full Board if it identifies concerns that relate to the Board's size, composition, committee structure, the number of Funds under its jurisdiction or overall governance processes. Such concerns could arise from annual or other reviews and evaluations by the Independent Board Members of the Board's performance, efficiency and effectiveness. Action by the Committee in this context normally will be commenced with the concurrence of, and shall be reported to, the other Independent Board Members.

In the event of a proposed acquisition of a fund group by ING Funds (or a consolidation of a fund group with the ING Funds), the Committee will investigate the proposal and determine whether to recommend to the ING Funds Board that any of such fund group's board members be added to the ING Funds Board. The Committee shall investigate the backgrounds of such fund group's board members and rank them in terms of suitability and compatibility for the Board's consideration. The Committee would have primary responsibility for recommendations regarding changes in general governance processes or structures, for consideration by the full Board.

The Committee will recommend Board nominees in connection with annual or special shareholder meetings of the Funds at which persons are to be proposed for election to the Board. Other than actions described above with regard to a fund acquisition, such recommendations are expected to take place primarily in the context of any Fund that, due to its listing on a national exchange, is required to have annual shareholders meetings at which Board members are elected. Absent circumstances warranting different action, the Board expects that such nominations shall be made in a manner designed to maintain common Board membership with the other Funds.

Prior to conveying any recommendations contemplated by this Charter to the full Board of the ING Funds, the Committee shall consult with the other Independent Board Members regarding such recommendations and articulate the basis for its proposed recommendations.

V. Criteria for Selecting Nominees:

The Committee shall nominate candidates for new or vacant Board positions based on its evaluation of which applicants or potential candidates are most qualified to serve and protect the interests of each Fund's shareholders and to promote the effective operations of the Board. In order for the Committee to consider an applicant or potential candidate, the Committee initially must receive at least the following information regarding such person: (1) name; (2) date of birth; (3) education; (4) business, professional or other relevant experience and areas of expertise; (5) current business, professional or other relevant experience and areas of expertise; (6) current

B-2

business and home addresses and contact information; (7) other board positions or prior experience; and (8) any knowledge and experience relating to investment companies and investment company governance (collectively, Preliminary Information).

A successful candidate must qualify as an Independent Board Member under the 1940 Act and should have certain uniform characteristics, such as a very high level of integrity, appropriate experience, and a commitment to fulfill the fiduciary duties inherent in Board membership. The Committee also shall consider the extent to which potential candidates possess sufficiently diverse skill sets and diversity characteristics that would contribute to the Board's overall effectiveness. Thus, depending on the Committee's perception of Board needs at any given time, the Committee can rate certain qualities higher than others when considering potential candidates for a particular Board vacancy or new position. For example, the Committee might determine to assign special weight to the presence of particular skills, such as financial, accounting, investment management or legal experience, or to particular characteristics necessary to maintain an appropriately diverse Board membership.

In order to facilitate the nominating process, the Committee shall produce and, as appropriate, update a Proposed Nominee Criteria List and Rating Scale (the Criteria List) to be completed with respect to every person who wishes to be considered for nomination as a Board member. The Criteria List shall include a listing of those qualities that the Committee believes are essential or desirable for any nominee for a particular Board vacancy. The results of ratings derived from the Criteria List shall not be determinative of which person shall be nominated by the Committee because individual Committee members (or the Committee as a whole) can decide to assign different weightings to different qualities and attributes set forth in the Criteria List.

VI. Submissions by Shareholders of Potential Nominees:

The Committee shall consider potential candidates for nomination identified by one or more shareholders of a Fund. Shareholders can submit recommendations in writing to the attention of the Chairperson of the Committee at an address to be maintained by Fund management for this purpose. In order to be considered by the Committee, any shareholder recommendation must include the Preliminary Information set forth in Section V above.

Following an initial evaluation by the Committee based on the Preliminary Information, a successful candidate proposed by a shareholder must:

- (1) demonstrate the integrity, experience, sound business judgment, talents and commitment necessary to fulfill the fiduciary duties inherent in Board membership and to add value to the Board's performance of its duties;
- (2) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the Committee to evaluate the candidate and to determine, among other matters, whether the candidate would be an Independent Board Member under the 1940 Act or otherwise have material relationships with key service providers to the Funds;

B-3

- (3) submit character references and agree to appropriate background checks;
- (4) demonstrate the disposition to act independently from management, but effectively within a Board composed of numerous members;
- (5) be willing to meet with one or more members of the Committee at a time and location convenient to those Committee members in order to discuss the candidate's qualifications; and
- (6) if nominated and elected, be able to prepare for and attend in person at least ten full days of Board and committee meetings annually at various locations in the United States.

VII. Evaluation of Candidates for Nomination as Interested Board Members:

The Committee shall evaluate those Interested Persons who are proposed by management of the Funds to serve as Board members and then make appropriate recommendations to the Board regarding such proposed nominees. The Committee shall review such information as it deems appropriate in order to make this evaluation. At its option, the Committee also can seek to interview any such potential nominee.

VIII. Outside Service Providers:

The Committee is authorized to retain the services of outside service providers (such as executive search firms, consultants or legal counsel) to assist it in performing the foregoing duties, and the reasonable costs of such service providers shall be borne by the Funds.
