Item 1.01 Entry into a Material Definitive Agreement.

Direct Financing

On May 14, 2007, registrant entered in a definitive Securities Purchase Agreement in which it agreed to sell directly to certain investors, and the investors agreed to purchase, for \$3.52 per share, 4,595,094 shares of the common stock of registrant (the Shares), that will result in cash proceeds to registrant, before offering expenses, of approximately \$16.2 million (the Direct Financing). The securities being sold in the Direct Financing are being offered pursuant to a prospectus supplement to registrant s registration statement on Form S-3 (File No. 333-134084), including a base prospectus dated May 25, 2006, registering up to \$75,000,000 of registrant s equity securities and the offering thereof from time to time in accordance with Rule 415 under the Securities Act, which incorporates by reference documents which registrant has filed or will file in accordance with the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder. Closing of the Direct Financing is conditioned upon the delivery into escrow of subscription amounts in cash of at least \$13,500,000 and upon the satisfaction of certain conditions, including approval by the American Stock Exchange (AMEX) of the listing on AMEX of the shares of common stock to be issued.

Deadline for Closing

Upon receipt of approval from AMEX for the listing of the shares of common stock to be issued and the satisfaction of the other closing conditions, the Direct Financing will close within two business days, or at such later date as is mutually acceptable to the parties, provided that under no circumstances will the Direct Financing close prior to May 22, 2007.

The parties to the Securities Purchase Agreement are not obligated to consummate the Direct Financing if AMEX does not, within 60 business days of the date of the Securities Purchase Agreement, provide approval of the listing of the shares of common stock to be issued on the AMEX. If the Direct Financing is terminated without being completed, registrant s shares of common stock otherwise issuable at the closing will remain as authorized and unissued common stock.

Registrant estimates the total expenses which will be payable by it for the Direct Financing will be approximately \$70,000.
