AXIS Capital Holdings Limited, the Subsidiary Credit Parties party thereto, the Lenders party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent, are parties to a Credit Agreement dated as of August 25, 2005 (as modified and supplemented and in effect from time to time, the Credit Agreement ), providing, subject to the terms and conditions thereof, for extensions of credit to be made by said Lenders to the Credit Parties. The Credit Parties and the Lenders party hereto wish now to amend the Credit Agreement in certain respects, and accordingly, the parties hereto hereby agree as follows:

Section 1. Definitions. Except as otherwise defined in this Amendment No. 1, terms defined in the Credit Agreement are used herein as defined therein.

Section 2. Amendments. Subject to the satisfaction of the conditions precedent specified in Section 4 of this Amendment No. 1, but effective as of the date hereof, the Credit Agreement shall be amended as follows:

Consolidated Net Worth means, at any time, the consolidated stockholders equity of AXIS Capital and its Subsidiaries at such time (but including, in the case of any Hybrid Securities, such Hybrid Securities only to the extent accorded equity treatment by S&P and not included as Indebtedness under clause (j) of the definition of Indebtedness at such time).

Equity Interests means shares of capital stock, partnership interests, membership interests in a limited liability company, beneficial interests in a trust or other equity ownership interests in a Person, and any warrants, options or other rights entitling the holder thereof to purchase or acquire any such equity interest.

---

Hybrid Securities means any trust preferred security, deferrable interest subordinated debt security, mandatory convertible debt or other hybrid security issued by AXIS Capital or any of its Subsidiaries that (i) is accorded equity treatment by S&P and (ii) by its terms (or by the terms of any security into which it is convertible for or which it is exchangeable) or upon the happening of any event or otherwise, does not mature or is not mandatorily redeemable or subject to any mandatory repurchase requirement at any time on or prior to the date which is six months after the Commitment Termination Date.

Indebtedness of any Person means, without duplication, (a) all obligations of such Person for borrowed money or with respect to deposits or advances of any kind, (b) all obligations of such Person evidenced by bonds, debentures, notes or similar instruments, (c) all obligations of such Person under conditional sale or other title retention agreements relating to property acquired by such Person, (d) all obligations of such Person in respect of the deferred purchase price of property or services (excluding current accounts payable incurred in the ordinary course of business), (e) all Indebtedness of others secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any Lien on property owned or acquired by such Person, whether or not the Indebtedness secured thereby has been assumed, (f) all Guarantees by such Person of Indebtedness of others, (g) all Capital Lease Obligations of such Person, (h) all obligations, contingent or otherwise, of such Person as an account party or applicant in respect of letters of credit and letters of guaranty, (i) all obligations, contingent or otherwise, of such Person in respect of bankers' acceptances and (j) obligations in respect of Hybrid Securities; provided that, for purposes of this clause (j), only the aggregate amount of such obligations that shall exceed 15% of the sum of Total Funded Debt plus Consolidated Net Worth at the time of determination shall be included as Indebtedness. The Indebtedness of any Person shall include the Indebtedness of any other entity (including any partnership in which such Person is a general partner) to the extent such Person is liable therefor as a result of such Person's ownership interest in or other relationship with such entity, except to the extent the terms of such Indebtedness provide that such Person is not liable therefor; provided that Indebtedness shall not include (x) trade payables (including payables under insurance contracts and reinsurance payables) and accrued expenses, in each case arising in the ordinary course of business, (y) obligations with respect to Policies and (z) (except to the extent included as Indebtedness under clause (j) above) Preferred Securities.

Preferred Securities means any preferred Equity Interest of AXIS Capital or any of its Subsidiaries that has preferential rights with respect to dividends or redemptions or upon liquidation or dissolution of AXIS Capital or such Subsidiary (as applicable) over shares of common Equity Interests of AXIS Capital or such Subsidiary (as applicable).

Each Credit Party represents and warrants to the Lenders and the Administrative Agent that (a) the representations and warranties of such Credit Party set forth in this Agreement and in the other Credit Documents shall be true and correct on and as of the date hereof (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date), and as if each reference therein to this Agreement or the Credit Agreement (or words of similar import) included reference to this Amendment No. 1 and (b) no Default has occurred and is continuing.

Section 4. Conditions Precedent. The amendments set forth in Section 2 of this Amendment No. 1 shall become effective, as of the date hereof, upon receipt by the Administrative Agent of one or more counterparts of this Amendment No. 1 executed by the Credit Parties and the Required Lenders.
