ANNUAL GENERAL MEETING OF SHAREHOLDERS

PORTUGAL TELECOM, SGPS, S.A.

28 March 2008

PROPOSAL OF THE BOARD OF DIRECTORS

ITEM 7 ON THE AGENDA:

(To resolve on a reduction of the share capital of up to 3,077,400 Euros for the purpose of releasing excess capital in connection with a share buyback programme, through the cancellation of up to 102,580,000 shares representing up to 10% of the share capital to be acquired as a result of the implementation of this resolution, as well as on related reserves, and on the corresponding amendment to paragraphs 1 and 2 of article 4 of the Articles of Association, in order to complete the share buyback programme included in the shareholder remuneration package announced in February 2007 by the Board of Directors during the Public Tender Offer that had been launched over the Company)

Whereas:

A) The Board of Directors announced, in the final report on the opportunity and conditions of the Public Tender Offer for the shares representing the Company's share capital launched in 2006 by the companies Sonaecom, SGPS, S.A. e Sonaecom, B.V., its intention to implement a share buyback programme, in the amount of 2.1 billion Euros (share buyback) within the shareholder remuneration package that was then proposed by the Board of Directors;

B) Following such announcement, the Annual General Meeting of 27 April 2007 approved the

ITEM 7 ON THE AGENDA:

reduction of the share capital in the amount of up to 65,191,463.05 Euros through the cancellation of up to 186,261,323 shares representing up to 16.5% of the Company's share capital, to be acquired under the share buyback;

C) In order to implement such resolution, 103,056,500 ordinary shares, representing 9.13% of the Company's share capital prior to the capital reduction executed on 20 December 2007, have been acquired and subsequently cancelled;

D) As approved at the aforementioned Annual General Meeting of 27 April 2007, the share buyback resolution approved therein will remain in force until March 2008 and the Company will continue with the acquisitions of own shares as execution of such resolution, and it will cancel such shares until 28 March 2008. However, it is not expectable that these transactions will reach the total proposed amount of 2,1 billion Euros;

E) As disclosed to the market on 13 February 2008, the total amount corresponding to the part of the share buyback programme that had already been executed at such date was 1,434 million Euros;

F) In the execution of the share buyback programme, the Company has followed the applicable laws and regulations, including the Commission Regulation (EC) no. 2273/2003, of 22 December 2003, which sets up some exemptions to the market abuse rules, as well as the Portuguese Securities Commission recommendations on trading of own shares and similar transactions, notably not carrying out acquisitions at a price exceeding the highest of the last independent transaction and the highest independent offer and limiting such acquisitions to 25% of the daily average trading volume on the Eurolist by Euronext Lisbon;

G) Strictly following these rules and the general market conditions affected the Company's ability to operate in the market in terms of daily acquisitions of own shares, and therefore the share buyback programme will be extended and continue to be executed in 2008;

H) In any event, in order to complete the aforementioned shareholder remuneration of 2.1 billion Euros through a share buyback programme, the Company shall approve a new resolution for the reduction of its share capital;

I) In order to implement the acquisition of own shares inherent to the share buyback programme, the Company will be in a position to use exclusively assets that, according to articles 32 and 33 of the Companies Code, may be distributed to the shareholders;

J) To the extent required, in mandatory terms, by subparagraph 2, b) of article 463 of the Portuguese Companies Code, the Company must create a special reserve in an amount equivalent to the par value of any own shares to be cancelled that may be acquired following this resolution;

We propose that it be resolved:

- 1) To reduce the share capital in up to 3.077.400 Euros, equivalent to the cancellation of up to 102,580,000 own shares to be acquired by the company within the share buyback programme which is being implemented and was approved by the Board of Directors within the public tender offer that was launched for the Company's shares, being such capital reduction intended for the special purpose of implementing the share buyback programme and corresponding release of capital in excess;
 - 2) To approve the acquisition of up to 102.580.000 ordinary own shares, or, if less, the number of ordinary own shares required to, together with the own shares which were acquired and cancelled as described in Whereas C) and D) above, reach the shareholder remuneration of 2.1 billion Euros through a share buyback programme, in any event to implement the share capital reduction approved under paragraph (1) above, such acquisition to be executed under the terms and conditions of such general resolution and the terms and conditions of the share buyback programme that was approved at the Annual General Meeting of 27 April 2007. These acquisition and quantities are additional and separate from those referred to in the general resolution on the acquisition and disposal of own shares approved under item 6 on the agenda and such acquisition and the corresponding reduction of the share capital must be executed until the end of December 2008;
 - 3) That the shares to be acquired under the foregoing paragraph 2 may include 50 class A shares, in the event that the relevant public shareholding entity(ies) intends to sell them, provided that this is made in compliance with the legal provisions applicable to such disposal, in which case the quantity of ordinary shares to be acquired shall be reduced to a number corresponding to the difference between the total number referred to in paragraph 2 and the quantity of class A shares that are acquired;
 - 4) That all other terms and conditions for the implementation of the share buyback and of the corresponding share capital reduction be established by the Board of Directors;
 - 5) To approve the creation, to the extent required, in a mandatory manner, by paragraph 2, b)
-

of article 463 of the Portuguese Companies Code, of a special reserve equivalent to the par value of the own shares to be cancelled that have been acquired in implementation of this resolution;

6) That the Board of Directors be authorized to define the timing of implementation of this resolution with the implementation of the resolution under item 8 on the agenda, as well as with the issue of convertible bonds pursuant to the resolution approved under item 10 on the agenda of the General Meeting of Shareholders of 27 April 2007, with the amount of capital reduction as resolved herein being adjusted as necessary in order to comply with paragraph 5 of article 349 of the Portuguese Companies Code, in the event that when this resolution is implemented the bond issues referred to above have already been executed;

7) To approve a possible readjustment of the conversion ratio of the convertible bonds that may be issued by the Company under item 8 on the agenda, as well as the convertible bonds that may be issued under item 10 on the agenda of the General Meeting of Shareholders of 27 April 2007, as provided for in the conditions for issuance of such bonds, to which this resolution may give rise, to be calculated and implemented by the Board of Directors;

8) To modify, as a result of the capital reduction resolved herein and in proportion to such reduction and effective as from the date of the same, paragraphs 1 and 2, a) of article 4 of the Articles of Association, which shall read as follows:

ARTICLE FOUR
