Yes No

Announcement 16 June 2008, Lisbon

Qualified Holding

Portugal Telecom, SGPS, S.A. (PT) informs that the Credit Suisse Group now holds more than 2% (two percent) of the voting rights corresponding to its share capital.

Such new holding resulted from acquisitions of PT ordinary shares on regulated market, made on 6 June 2008 by the Credit Suisse Group. As a result, a total holding of 20,945,723 ordinary shares representing 2.22% of the share capital and voting rights in PT is now attributed to the Credit Suisse Group, through the following entities:

- Credit Suisse Securities (Europe) Ltd holds 7,657,830 ordinary shares representing 0.81% of the share capital and voting rights in PT;
- Credit Suisse International holds 12,471,086 ordinary shares representing 1.32% of the share capital and voting rights in PT;
- Credit Suisse Securities (USA) LLC holds 659,500 ordinary shares representing 0.07% of the share capital and voting rights in PT;
- Credit Suisse Private Banking holds 157,307 ordinary shares representing 0.02% of the share capital and voting rights in PT.

Credit Suisse Securities (Europe) Ltd, Credit Suisse International, Credit Suisse Securities (USA) LLC and Credit Suisse Private Banking are under the direct control of Credit Suisse (International) Holding.

This statement is pursuant to the terms and for the purposes of article 17 of the Portuguese Securities Code, following a communication received from the Credit Suisse Group.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
