Section 8 Other Events

Item 8.01 Other Events.

On September 9, 2008, the Company's board of directors re-examined its decision of August 12, 2008 to fund purchases under the Share Repurchase Program (SRP) solely from the proceeds of the sale of shares under the Distribution Reinvestment Program (DRP) and determined that at this time the Company will continue the use of other operating funds to purchase shares under the SRP. Thus, for all periods, purchases under the SRP, subject to the terms of the SRP, may be funded from the proceeds of the sale of shares in a public offering, the proceeds from the sale of shares under the DRP, together with other available allocated operating funds. Purchases under the SRP will continue to be restricted by the availability of proceeds from a public offering, proceeds from the sale of shares under the DRP, and available allocated operating funds as well as the share repurchase limit. The terms and conditions of the SRP remain unchanged.
