INFORMATION STATEMENT FOR STOCKHOLDERS ACTION

The Majority Stockholders submitted their consents to the stockholder resolutions described in this Information Statement on or about October , 2008, to be effective upon the satisfaction by the Company of all applicable filing and notification requirements of the Securities and Exchange Commission and Delaware law. As of October , 2008, the Majority Stockholders were entitled to vote 1,568,816 shares of the Company's common stock, par value \$0.01 per share, or approximately 55% of the total issued and outstanding common stock of the Company. The remaining outstanding shares of common stock are held by approximately 90 other stockholders of record.

The Majority Stockholders consist of Sardar Biglari, the Chairman, Chief Executive Officer and President of the Company and Jonathan Dash, a director of the Company. See **Security Ownership of Directors, Officers and Certain Beneficial Owners**.

Holders of the common stock of record as of October , 2008 are entitled to submit their consent to the stockholder resolutions described in this Information Statement, although no stockholder consents other than that of the Majority Stockholders are required to be submitted in order for the resolutions to be adopted. The Company is not soliciting consents or proxies and stockholders have no obligation to submit either of them. The Majority Stockholders have consented to the stockholder resolutions described herein. Other stockholders who desire to submit their consents must do so by November , 2008. Each share of common stock is entitled to one vote. The affirmative vote of the holders of a majority of the outstanding common stock of the Company is required to adopt the resolutions described in this Information Statement. Delaware law does not require that the proposed resolutions be approved by a majority of the disinterested stockholders, nor are there dissenters rights with respect to the proposed resolutions. A total of 2,831,884 shares of common stock were outstanding as of October , 2008. This Information Statement is expected to be mailed to stockholders on or about October , 2008.

The Company and The Proposed Stockholder Resolutions

The Company has its executive offices at 416 South Jefferson Street, Suite 600, Roanoke, VA 24011, and its telephone number is (540) 345-3195. As described in the accompanying NOTICE OF ACTION TO BE TAKEN BY THE STOCKHOLDERS, the Company proposes to adopt resolutions authorizing the issuance of up to 1,093,564 shares of its common stock in connection with its offer to exchange common stock of the Company for common stock of Jack in the Box Inc. Stockholder approval of the issuance of the Company's common stock in the offer is required by Rule 4350(i)(1)(C) of the Nasdaq Stock Market, LLC's Marketplace Rules, which requires stockholder approval in connection with an acquisition of stock or assets of another company involving the potential issuance of shares of common stock equal to 20% or

more of the Company's aggregate shares of common stock, or its aggregate voting power, outstanding before the issuance.

The Company is offering to exchange up to 680,500 shares of Jack in the Box common stock at an exchange ratio of one share of Jack in the Box common stock for 1.607 shares of the Company's common stock. This exchange offer will result in the new issuance of up to 1,093,564 shares of the Company's common stock which have been registered pursuant to a Registration Statement on Form S-4, as it may be amended from time to time. This Registration Statement is on file with the Securities and Exchange Commission and available from the Commission's website: www.sec.gov. Upon issuance, the newly issued common stock will have rights identical to the currently outstanding shares of common stock. If the full amount of shares is exchanged, those Jack in the Box stockholders who exchange their shares for the Company's common stock will collectively own approximately 28% of the Company's common stock. More detailed information on the exchange offer may be found in the prospectus portion of the Company's Registration Statement on Form S-4 (as amended) filed with the Securities and Exchange Commission.

The Company has sufficient authorized but unissued shares of common stock to effect the exchange. Once issued, the newly issued shares will decrease existing stockholders' percentage equity ownership in the Company by up to approximately 28% and will be dilutive to the voting rights of existing stockholders. The issuance of the new shares may also have a negative effect on the market price of the Company's common stock. Current stockholders have no preemptive or similar rights. This means that the current stockholders do not have a prior right to purchase any new issue of common stock in order to maintain their proportionate ownership.

Additional information regarding the Company, its business, its capital stock, and financial condition are included in the Company's Annual Report on Form 10-K, as amended, and its Quarterly Reports on Form 10-Q, all of which are on file with the Securities and Exchange Commission and available from the Commission's website at www.sec.gov. In addition, copies of the Company's Form 10-K, as amended, for its fiscal year ended December 31, 2007, as well as the Company's Form 10-Q for the quarters ended March 31, 2008 and June 30, 2008 are available upon request to: Robyn B.
