CURRENT REPORT

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

2009-2011 Long Term Incentive Plan

On April 22, 2009, the U.S. Bankruptcy Court for the District of Delaware approved the terms of the W. R. Grace & Co. (Grace) 2009-2011 Long-Term Incentive Program (2009 LTIP) for officers, including all executive officers, and certain other key employees of Grace. Grace expects the 2009 LTIP will cover approximately 190 employees worldwide. Awards under the 2009 LTIP are payable in cash and options to purchase Grace Common Stock. The stock option portion is to be issued on the terms and conditions of the Grace 2000 Stock Incentive Plan, as amended.

The pool available to fund the cash portion of the 2009 LTIP is \$6.25 million assuming Grace performs at the target level (excluding awards to the Chief Executive Officer). The remaining value of the awards (\$6.25 million) will comprise the stock option portion (excluding awards to the Chief Executive Officer). The aggregate value available for the cash and stock option portions of the 2009 LTIP represents a decrease of \$3.3 million from the pool available to fund the 2008 LTIP for employees other than the Chief Executive Officer (assuming Grace performs at the target level).

The cash portion of the 2009 LTIP is to be payable based on the compound annual growth in Grace s pre-tax income from core operations (calculated as described in Management s Discussion and Analysis of Financial Condition and Results of Operations Summary Financial Information and Metrics in the Grace 2008 Annual Report on Form 10-K as filed with the SEC), adjusted to eliminate the effect of: certain unusual or one-time events; changes in pension expense (related to core operations) and long-term incentive program expense from year to year; and the effect of major acquisitions or divestments during the three-year performance period, using results for 2008 as the baseline (the CAGR). For the 2009 LTIP, the CAGR target objective is 6% and the maximum compensable CAGR objective is 25%. The 2009 LTIP cash payouts may range from \$-0- to an amount equal to twice the target amount, based on Grace s operating performance. No payouts are earned under the cash portion of the 2009 LTIP if the CAGR for the three-year performance period is zero or negative.

Employees who become entitled to cash award payments under the 2009 LTIP will generally be paid in two installments: one in the first quarter of 2011 (as partial payment based on performance for the first two years of the three-year performance period), and the other in the first quarter of 2012 (which will consider performance for the complete three-year performance period and will be offset by the amount of the prior

installment). The Grace Board of Directors has discretion to interpret, amend, implement and terminate the 2009 LTIP.

The 2009 LTIP is attached as Exhibit 10.1 to this Report and is incorporated by reference herein.
