Item 8.01. Other Events.

As previously reported in our Current Report on Form 8-K dated May 13, 2011, or the May 13th Current Report, our Current Report on Form 8-K dated September 29, 2011, or the September 29th Current Report, and our Current Report on Form 8-K dated December 15, 2011, or the December 15th Current Report, we agreed to purchase the majority of the assets of six senior living communities located in Indiana, or the Indiana Communities, pursuant to a series of purchase and sale agreements dated March 18, 2011, as amended. As of September 29, 2011, we completed our acquisitions of the majority of the assets of the Indiana Communities for an aggregate purchase price, excluding closing costs, of \$122.8 million. The values assigned to the land, buildings and equipment of the Indiana Communities are based upon preliminary estimates of the fair value of assets acquired. Consequently, amounts preliminarily assigned to assets acquired could change from those reported in these consolidated financial statements. We funded these acquisitions with a portion of the proceeds of a public offering of our common shares which we completed in June 2011, or the Public Offering, with net borrowings of \$48.0 million under a bridge loan, or the Bridge Loan, from SNH, by assuming approximately \$19.3 million of mortgage notes secured by three of the Indiana Communities, by assuming net working capital liabilities of the Indiana Communities, and with cash on hand. The September 29th Current Report and the December 15th Current Report contain financial statements and pro forma financial information required by Items 9.01(a) and (b) of Form 8-K in connection with the matters reported in the May 13th Current Report. Our acquisitions of the Indiana Communities, the Bridge Loan and the Public Offering are more fully described in the May 13th Current Report, the September 29th Current Report, the December 15th Current Report and our Annual Report on Form 10-K for the year ended December 31, 2011, or our Annual Report. In December 2011, we repaid \$10.0 million of the Bridge Loan using cash on hand and, as of December 31, 2011, \$38.0 million was outstanding under the Bridge Loan.

Information Regarding Certain Relationships and Related Transactions

SNH is our largest landlord and we manage senior living communities for SNH. SNH is also our largest shareholder and, as of the date of this report, SNH owned 4,235,000 of our common shares, which represents approximately 8.8% of our outstanding common shares.

Reit Management & Research LLC, or RMR, provides management services to both us and SNH. One of our Managing Directors, Mr. Barry Portnoy, is Chairman, majority owner and an employee of RMR. Our other Managing Director, Mr. Martin, is a director of RMR. Our President and Chief Executive Officer and our Treasurer and Chief Financial Officer are officers of RMR. Mr. Portnoy's son, Mr. Adam Portnoy, is an owner of RMR and serves as President and Chief Executive Officer and as a director of RMR. Mr. Barry Portnoy and Mr. Adam Portnoy are managing trustees of SNH. SNH's executive officers are officers of RMR and SNH's president and chief operating officer is also a director of RMR.

We and the other six shareholders each currently own approximately 14.29% of Affiliates Insurance Company, or AIC, an Indiana insurance company. The other shareholders of AIC are RMR and five other companies, including SNH, to which RMR provides management services. All of our Directors, all of the trustees and directors of the other publicly held AIC shareholders and nearly all of the directors of RMR currently serve on the board of directors of AIC. RMR provides management and administrative services to AIC pursuant to a management and administrative services agreement with AIC. We and the other shareholders of AIC participate in a property insurance program designed and reinsured in part by AIC.

Item 9.01. Financial Statements and Exhibits.

This Current Report on Form 8-K includes unaudited pro forma financial data for us, giving effect to our acquisition of the majority of the assets of the Indiana Communities. The values assigned to the land, buildings and equipment of the Indiana Communities are based upon preliminary estimates of the fair value of assets acquired. Consequently, actual amounts finally assigned to assets acquired could be different from those reported in these unaudited pro forma condensed consolidated financial statements. This unaudited pro forma financial data is not necessarily indicative of the expected results of operations for any future period. Differences could result from numerous factors, including competition in our business, changes to rates under Medicare and Medicaid reimbursement programs, our ability to successfully attract residents to our communities, our ability to control operating expenses, changes in our capital structure and other matters. Consequently, actual future results are likely to be different than amounts presented in the historical financial statements and unaudited pro forma financial data related to these transactions and such differences could be significant.
