## Edgar Filing: AMERISTAR CASINOS INC - Form DEFA14A

On December 21, 2012, Gordon Kanofsky, Chief Executive Officer of Ameristar Casinos, Inc. ( Ameristar ), issued the following memorandum to Ameristar Team Members:

Date: December 21, 2012  
To: Ameristar Team Members  
From: Gordy Kanofsky, Chief Executive Officer  
Subject: Important Announcement

This morning, Ameristar and Pinnacle jointly announced that Ameristar has agreed to be acquired by Pinnacle. This is an opportunity to bring together two outstanding casino entertainment companies to create a larger and more diversified company drawing on the best practices from Ameristar and Pinnacle. A copy of the press release is attached.

Under this agreement, Pinnacle will acquire Ameristar for \$26.50 per share in cash, which equates to an enterprise value of approximately \$2.8 billion. As you may know, Pinnacle is a casino entertainment company headquartered in Las Vegas. The Company owns and operates seven casinos, located in Louisiana, Missouri, and Indiana, as well as two race tracks. Pinnacle is redeveloping its existing River Downs racetrack in Cincinnati, Ohio into a gaming entertainment facility. In addition, they hold a 26% ownership stake in Asian Coast Development, an international development and real estate company currently developing Vietnam's first large-scale integrated resort on the Ho Tram Strip.

The increased scale and diversification of the combined companies will expand opportunities for Team Members and provide enhancements for Guests. Ameristar's properties will strengthen Pinnacle's collection of existing properties by adding our eight casino-resorts in some of the nation's strongest gaming markets.

Our Team Members are our most valuable asset, and we know that it is your hard work that has made Ameristar a leader in the industry. Pinnacle's CEO, Anthony Sanfilippo, has told me on several occasions that they also value our dedicated Team Members and that they share many of our values. Like Ameristar, Pinnacle asks its Team Members to make each Guest experience a magical and memorable one.

While this is a lot of news to process, I want to emphasize that nothing is happening immediately. Until this merger is completed, which we expect to occur by the third quarter of 2013, Ameristar and Pinnacle will continue to operate as separate companies. As always, we will follow our core values in how we interact and move through this transition together.

I know you may be apprehensive about what changes might come about as a result of the merger of Ameristar and Pinnacle, and you will have many questions today and going forward about how this merger will impact you. Members of our senior management teams at each property and at Corporate are always available to answer your questions. We may not have immediate answers to all of your questions, but we encourage you to ask about whatever is on your mind. And we will do our best to keep you informed in the months ahead.

In early January, several members of the senior leadership team of Pinnacle will be visiting each Ameristar property and the corporate office to introduce themselves to Team Members and to learn more about Ameristar's properties, operations and our most valuable asset - you, our Team Members. Details of these visits will be made available soon.

As always, please stay focused on offering our Guests the same appreciative, outstanding service for which Ameristar Team Members have become legendary.

On behalf of our management team, thank you for your continued hard work and commitment to Ameristar, to your fellow Team Members and to our Guests. I am deeply proud and appreciative of each and every one of you.

Sincerely,

Gordy Kanofsky
