**Item 8.01 Other Events.**

As previously disclosed on July 26, 2012, Echo Global Logistics, Inc. (the Company ) acquired all of the assets of Shipper Direct Logistics, Inc. (Shipper Direct ), a business founded by Billy and Angela Suddarth (the Suddarths ) based in Nashville, Tennessee. At the time of the acquisition, and based on representations contained in the purchase agreement, the Company estimated that Shipper Direct's last 12 months of revenue was \$18 million. As noted in connection with the release of our financial results for the quarter ended September 30, 2012, the acquired business actually was generating revenue at a substantially lower rate.

Also as previously disclosed, approximately \$1.7 million of the \$4.2 million purchase price paid for the business was returned to the Company. In addition, the Company made various indemnity claims under the purchase agreement. These claims are being disputed and the Suddarths have requested that the Company pay back the portion of the purchase price that was returned. On August 30, 2012, the Company terminated the employment of each of Billy and Angela Suddarth. The Company has been notified by the U.S. Department of Labor that a complaint was filed by the Suddarths alleging that their employment was wrongfully terminated in violation of the whistleblower provisions of Sarbanes-Oxley. The Company believes the allegations in the complaint are completely without merit and will respond accordingly.

On January 15, 2013, the Company filed a complaint in the U.S. District Court for the Northern District of Illinois against Shipper Direct, the Suddarths and others, alleging, among other things, breach of contract and fraud. No assurance can be given as to the ultimate outcome of this action.
