**Announcement** | Lisbon | 09 May 2014

**Acquisition of own shares**

Portugal Telecom, SGPS S.A. ( PT ) hereby informs that it has acquired 20,640,000 ordinary shares representing 2.30% of PT 's share capital and corresponding voting rights.

The abovementioned acquisition was executed over the counter, and was the result of a physical settlement pursuant to an optional early termination by PT of the equity swap contract established with Barclays Bank Plc and previously disclosed to the market. The acquisition price corresponded to the equity notional amount of the equity swap contract, of 178,071,826.72, *i.e.*, 8.6275 per share.

Following this transaction, PT holds 20,640,000 ordinary own shares in treasury.

These 20,640,000 shares were already held by PT as own shares in treasury for accounting purposes, as detailed in the consolidated financial information that was disclosed in relation to the 2013 financial year.

At the present date, PT 's total share capital is represented by 896,512,500 shares, and the total number of shares with voting rights not suspended is of 875,872,500 shares.

This statement is pursuant to the terms and for the purposes of articles 11 and 13 of the Portuguese Securities Market Commission Regulation no. 5/2008.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
