Item 1.01. Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On August 1, 2014, Bally Technologies, Inc., a Nevada corporation (Bally), entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Scientific Games Corporation, a Delaware corporation (Scientific Games), Scientific Games Nevada, Inc., a Nevada corporation and a wholly owned subsidiary of Scientific Games (Merger Sub), and Scientific Games International, Inc., a Delaware corporation and a wholly owned subsidiary of Scientific Games (Financing Sub) providing for the merger of Merger Sub with and into Bally (the Merger), with Bally surviving the Merger as a wholly owned subsidiary of Scientific Games. The Merger Agreement was approved by Bally s Board of Directors (the Board).

At the effective time of the Merger, on the terms and subject to the conditions set forth in the Merger Agreement, each share of Bally s common stock, par value \$0.10 (Bally Common Stock) issued and outstanding immediately prior to such time, other than shares of Bally Common Stock owned by Bally s subsidiaries, Scientific Games, Merger Sub or Financing Sub (each of which will be automatically converted to one share of common stock of the surviving corporation in the Merger) shall be automatically cancelled and converted into the right to receive \$83.30 in cash, without interest.

Consummation of the Merger is subject to customary conditions, including without limitation (i) the required approval of the Merger Agreement by Bally s stockholders, (ii) the expiration or early termination of the waiting period applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) the receipt of specified licenses, permits, and other approvals relating to Bally s gaming operations issued by certain governmental authorities, (iv) the absence of any law or order that is in effect and restrains, enjoins or otherwise prohibits the Merger, (v) the accuracy of the representations and warranties of the parties and compliance by the parties with their respective obligations under the Merger Agreement (subject to customary materiality qualifiers) and (vi) there has not been any change, effect, development or circumstance that, individually or in the aggregate, constitutes or is reasonably likely to constitute a Company Material Adverse Effect (as defined in the Merger Agreement).

Bally has made customary representations and warranties and covenants in the Merger Agreement. Among other things, Bally may not solicit or initiate discussions (and has agreed to cease any existing discussions) with third parties regarding other proposals to acquire Bally and has agreed to certain restrictions on its ability to respond to such proposals. In addition, until the termination of the Merger Agreement or the effective time of the Merger, Bally has agreed to operate its business in the ordinary course of business consistent with past practices and has agreed to certain other negative covenants.

The Merger Agreement contains certain termination rights for Scientific Games and Bally including, with respect to Bally. In connection with the termination of the Merger Agreement under specified circumstances, (i) Bally may be required to pay to Scientific Games a termination fee of \$80,000,000 or (ii) Scientific Games may be required to pay Bally a termination fee of \$105,000,000.

The representations, warranties and covenants of Bally contained in the Merger Agreement have been made solely for the benefit of Scientific Games, Merger Sub, and Financing Sub and the additional persons specifically described therein. In addition, such representations, warranties and covenants (a) have been made only for purposes of the Merger Agreement, (b) have been qualified by (i) matters specifically disclosed in any reports filed by Bally with the Securities and Exchange Commission (the "SEC") prior to the date of the Merger Agreement and (ii) matters described in a confidential exceptions letter delivered by Bally to Scientific Games in connection with the Merger Agreement, (c) are subject to materiality qualifications contained in the Merger Agreement, which might differ from what is viewed as material by investors, (d) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (e) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as fact. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding Bally or its business. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Bally or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Bally's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Bally that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q and other documents that Bally files or has filed with the SEC.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated in its entirety herein by reference.
