(e)                    Compensatory Arrangements with Certain Officers.

On August 17, 2015, Gary M. Beauchamp, the Executive Vice President and General Manager, Signal Integrity Product Group of Semtech Corporation (the Company), entered into a letter agreement (the Letter Agreement) with Semtech Canada Corporation, a wholly-owned subsidiary of the Company (Semtech Canada). The arrangements covered by the Letter Agreement were approved by the Compensation Committee of the Company's Board of Directors on August 12, 2015. The following summary of the Letter Agreement is qualified in its entirety by reference to the text of the Letter Agreement, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

The Letter Agreement provides that, in the event a Change in Control of the Company occurs before September 1, 2018, any equity awards granted to Mr. Beauchamp by the Company that are then outstanding and otherwise unvested will accelerate and become vested at that time. In the case of an equity award then subject to performance-based vesting conditions, the target number of shares subject to the award will be accelerated unless otherwise provided for in the applicable award agreement. For purposes of the Letter Agreement, Change in Control has the meaning given to such term in the Company's Executive Change in Control Retention Plan.

The Letter Agreement also provides that, in the event Mr. Beauchamp's employment with Semtech Canada terminates, Mr. Beauchamp will be provided such termination or severance entitlements (if any) as are required by applicable law (including any statutory and/or common law entitlements as may be applicable) for the circumstances in which his employment terminates.
