Nokia issues new shares to settle the acquisition of Alcatel-Lucent shares from the Alcatel-Lucent depository

Espoo, Finland - On May 9, 2016 Nokia closed the acquisition of 107 775 949 Alcatel-Lucent shares from JPMorgan Chase Bank N.A., as depository (the Alcatel Depository), pursuant to the share purchase agreement announced on March 17, 2016. These shares represent Alcatel-Lucent shares that remained in the Alcatel-Lucent American depository receipts program after the cancellation period and following the program's termination on April 25, 2016. On May 10, 2016, Nokia expects to register with the Finnish Trade Register 59 276 772 new Nokia shares issued to the Alcatel Depository in settlement of the transaction.

Following this transaction Nokia owns 94.64% of the share capital and 94.57% of the voting rights of Alcatel-Lucent, corresponding to 91.63% of the Alcatel-Lucent shares on a fully diluted basis.

The new Nokia shares were paid by contribution in kind with the Alcatel-Lucent shares offered for exchange, at an exchange ratio of 0.5500 Nokia share for each Alcatel-Lucent share purchased by Nokia. The subscription price, EUR 323 058 407.40 in aggregate, was based on the closing price of Nokia's shares on Nasdaq Helsinki on March 16, 2016, and will be recorded in Nokia's fund for invested non-restricted equity. Consequently, Nokia's share capital remains unchanged at EUR 245 896 461.96.

Following the registration, the total number of Nokia shares equals 5 835 222 112. The shares carry the right to dividends and all other shareholder rights as of the registration date. The trading in the shares is expected to commence on Nasdaq Helsinki on or about May 11, 2016 and Euronext Paris on or about May 12, 2016.

FORWARD-LOOKING STATEMENTS

This stock exchange release contains forward-looking statements that reflect Nokia's current expectations and views of future events and developments. Some of these forward-looking statements can be identified by terms and phrases such as "expect" and similar expressions. These forward-looking statements include statements relating to: the expected issuance of the new Nokia shares and the commencement of trading of such shares on Nasdaq Helsinki and Euronext Paris. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such statements. These forward-looking statements are based on our beliefs, assumptions and expectations of future performance, taking into account the information currently available to us. Risks and uncertainties include: regulatory and contractual restrictions applicable to the issuance of the new Nokia shares, Nokia's ability to list the new Nokia shares on Nasdaq Helsinki and Euronext Paris; and the impact on Nokia of any of the foregoing risks or forward-looking statements, as well as other risk factors listed from time to time in Nokia's filings with the U.S. Securities and Exchange Commission (the "SEC").

The forward-looking statements should be read in conjunction with the other cautionary statements that are included elsewhere, including the Risk Factors section of Nokia's most recent annual report on Form 20-F, reports furnished on Form 6-K, and any other documents that Nokia has filed with the SEC. Any forward-looking statements made in this stock exchange release are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, us or our business or operations. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
