The actual stock price and effective date may not be set forth in the above table, in which case:

Edgar Filing: Theravance Biopharma, Inc. - Form FWP

- If the actual stock price on the effective date is between two stock prices on the table or the actual effective date is between two effective dates on the table, the make-whole premium will be determined by a straight-line interpolation between the make-whole premiums set forth for the two stock prices and the two effective dates on the table based on a 365-day year, as applicable.
- If the stock price exceeds \$140.00 per share, subject to adjustment, no make-whole premium will be paid.
- If the stock price is less than \$26.00 per share, subject to adjustment, no make-whole premium will be paid.

Notwithstanding the foregoing, in no event will the conversion rate exceed 38.4615 Ordinary Shares per \$1,000 principal amount of Notes, subject to adjustments in the same manner as the conversion rate as set forth under Description of the Notes Conversion Rights Conversion Rate Adjustments in the Notes Preliminary Prospectus Supplement.
