The Schedule 14D-9 relates to the tender offer, which is referred to as the Offer, by Sizmek Inc., a Delaware corporation, which is referred to as Sizmek, and by Fuel Acquisition Co., a Delaware corporation and a wholly owned subsidiary of Sizmek, which is referred to as Purchaser, to purchase any and all of the outstanding shares of Rocket Fuel's common stock, par value \$0.001 per share, which is referred to as Common Stock. The tender offer is disclosed in the Tender Offer Statement on Schedule TO, which is referred to, as amended or supplemented from time to time, as the Schedule TO, filed by Sizmek and Purchaser with the SEC on August 2, 2017, and is made upon the terms and subject to the conditions set forth in the Offer to Purchase, which is referred to, as amended or supplemented from time to time, as the Offer to Purchase, and in the related Letter of Transmittal, which is referred to, as amended or supplemented from time to time, as the Letter of Transmittal. The Offer to Purchase and the Letter of Transmittal were filed as Exhibits (a)(1)(A) and (a)(1)(B) to the Schedule 14D-9, respectively.

Capitalized terms used but not otherwise defined in this Amendment No. 1 have the meanings given to them in the Schedule 14D-9. The information in the Schedule 14D-9 is incorporated into this Amendment No. 1 by reference to all applicable items in the Schedule 14D-9, except that such information is hereby amended and supplemented to the extent specifically provided in this Amendment No. 1.

**Certain Litigation**

On August 2, 2017, Rocket Fuel filed the Schedule 14D-9 with the SEC in connection with the Offer. That same day, Rocket Fuel received a demand letter from a purported stockholder of Rocket Fuel alleging that the Schedule 14D-9 omitted material information necessary for Rocket Fuel stockholders to make an informed decision regarding the Offer. The letter demands that Rocket Fuel and the Rocket Fuel Board provide immediate corrective disclosures.

## Edgar Filing: Rocket Fuel Inc. - Form SC 14D9/A

On August 4, 2017, two purported stockholders of Rocket Fuel filed an action in the United States District Court for the Northern District of California on behalf of a putative class of Rocket Fuel stockholders against Rocket Fuel and the Rocket Fuel Board, alleging violations of federal securities laws. The case is captioned *Bushansky et al. v. Rocket Fuel Inc. et al.* (Case 3:17-cv-04454). The complainants allege, among other things, that the Schedule 14D-9 omits material information necessary for Rocket Fuel stockholders to make an informed decision regarding the Offer. The complainants seek, among other things, either to enjoin the Offer or, should it be consummated, to rescind it or award rescissory damages, as well as an award of the plaintiffs' attorneys' fees and costs in the actions.

On August 7, 2017, two additional actions alleging violations of federal securities laws were filed by purported stockholders of Rocket Fuel in the United States District Court for the Northern District of California. In the first, captioned *Haines v. Rocket Fuel et al.* (Case 5:17-cv-04473), an alleged stockholder of Rocket Fuel filed an action on behalf of a putative class of Rocket Fuel stockholders against Rocket Fuel and the Rocket Fuel Board. In the second, captioned *Scarantino v. Rocket Fuel Inc. et al.* (Case 3:17-cv-04489), an alleged stockholder of Rocket Fuel filed an action on behalf of a putative class of Rocket Fuel stockholders against Rocket Fuel, the Rocket Fuel Board, Sizmek, Purchaser and Vector Capital. The complainants in both the *Haines* and *Scarantino* actions allege claims similar to those in the *Bushansky* action, and seek similar relief.

On August 8, 2017, a purported stockholder of Rocket Fuel filed an action in the United States District Court for the Northern District of California on behalf of a putative class of Rocket Fuel stockholders against Rocket Fuel and the Rocket Fuel Board, alleging violations of federal securities laws. The case is captioned *Wen v. Rocket Fuel et al.* (Case 3:17-cv-04509). The complainant alleges claims similar to those in the *Bushansky* action, and seeks similar relief.

The defendants deny any wrongdoing in connection with the merger and plan to defend vigorously against the claims set forth in these actions.

The foregoing description is qualified in its entirety by reference to the complaints, copies of which are filed as Exhibits (a)(5)(M), (a)(5)(N), (a)(5)(O), and (a)(5)(P), respectively, to this Amendment No. 1 and are incorporated by reference.

Additional lawsuits may be filed against Rocket Fuel, Sizmek, Purchaser or the Rocket Fuel Board in connection with the Merger.
