PART III – NARRATIVE

Scio Diamond Technology Corporation (referred to herein as the “Company”, “we”, “our”, or “us”) was not able to file timely its Annual Report on Form 10-K for the period ended March 31, 2012 within the prescribed time period without unreasonable effort or expense. The Company was not able to file the Form 10-K within the prescribed time period due to the Company’s continuing review and restatement of its previously filed financial statements as described in the Form 8-K filed by the Company on May 15, 2012. This notice contains unaudited information about our results which is subject to change in our 2012 Form 10-K.

We anticipate a net loss of approximately \$1,800,000 for the year ended March 31, 2012 as compared to a net loss of \$30,846 for the year ended March 31, 2011. This change in operating results is primarily the result of a change in business strategy and subsequent expenditure to begin implementation of that strategy. The Company changed status from that of a shell company during the fiscal year.

The Company anticipates filing the Form 10-K within fifteen days following the prescribed due date.
