VOTING INFORMATION

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. The form of proxy submitted by the Company's management confers on the named proxies the authority to vote in their discretion on any other matter submitted for a vote at a meeting as to which the Company did not have notice on or before May 4, 2003, which date is 45 days before the date (June 18) on which the Company mailed its proxy materials for last year's annual meeting. Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (1) present for purposes of determining the presence of a quorum and (2) as having voted in accordance with the directions and statements on the form of proxy.

If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote thereon the shares to which the proxy relates in accordance with their best judgment.
