INFORMATION STATEMENT

We Are Not Asking You For A Proxy And You Are Requested Not To Send A Proxy.

You are not being asked to approve anything. This Information Statement is being provided to you solely for your information.

The date of this Information Statement is April __, 2009 and is first being mailed on or about April __, 2009.

This Information Statement has been filed with the Securities and Exchange Commission and is being mailed or otherwise furnished to the shareholders of record of Money4Gold Holdings, Inc., a Delaware corporation (the Company), in connection with the consent of the Board of Directors of the Company (the Board) and written consent by the holders of the majority of the voting power of the Company's capital stock (the Majority Shareholders), to approve the amendment to the Company's certificate of incorporation (the Certificate) changing the Company's name to Money4Gold Holdings, Inc. Of the 91,679,010 total votes, the Majority Shareholders holding approximately 75,994,315 votes or 81.8% of the outstanding voting power, executed a written consent to amend the Company's Certificate to change our corporate name.

Pursuant to the Delaware General Corporation Law (the DGCL), the Company is required to provide prompt notice to the shareholders who have not consented in writing to the name change.

The Problem

On July 12, 2008, the Board and the then Majority Shareholders approved the name change and the amendment to the Certificate. On July 23, 2008, the Company's prior legal counsel caused the Company to file an Amendment to the Certificate without providing notice as is required under the DGCL.

On August 18, 2008, the Company gave notice of a change of its capital stock by mailing an Information Statement to its shareholders who did not consent to the change to the Certificate. However, the Information Statement, drafted by the Company's former lawyers, never mentioned the name change.

The Court of Chancery of Delaware has previously ruled that a certificate of incorporation amended by written consent takes effect upon proper filing with the Secretary of State even before prompt notice is given. This Information Statement is intended to provide such notice.

Record Date

The close of business on April 10, 2009 has been fixed as the record date for the determination of shareholders entitled to receive this information.

Purpose and Effect of the Name Change

On July 23, 2008, the Company entered into a Share Exchange Agreement previously reported on a Form 8-K, to acquire Money4Gold, Inc. (M4G), a precious metals business. In connection with the Share Exchange Agreement, the Company ceased its former operations. In connection with the Share Exchange Agreement, the Company amended its Certificate of Incorporation changing its name from Effective Profitable Software, Inc. to Money4Gold Holdings, Inc. to more accurately reflect the Company's business activities and to promote public recognition of the Company's new business focus.

Voting Required

In accordance with Sections 228 and 242 of the DGCL, if the Board adopts a resolution to amend the Certificate, an affirmative vote of a majority of the outstanding stock entitled to vote is required. On June 12, 2008, the Board adopted a resolution to change its name to Money4Gold Holdings, Inc. and shareholder approval was obtained through the written consent of our then Majority Shareholders. Therefore, a special meeting of the shareholders to approve the name change and the amendment to the Certificate was unnecessary. If shareholders had been provided an opportunity to vote at a meeting, an affirmative vote of a majority of the outstanding stock would also be required.

Effective Date

The change of our name was effective on July 23, 2008 when the Amendment was filed, even though the Rules under the Securities Exchange Act of 1934 required that we not change our name for 20 calendar days after the mailing of this Information Statement.

No Dissenters Right of Appraisal

Neither Delaware law nor our Certificate provides our shareholders with dissenters' rights in connection with the amendment to our Certificate. This means that no shareholder is entitled to receive any cash or other payment as a result of, or in connection with the amendment to our Certificate, even if a shareholder has not been given an opportunity to vote.

Interests of Certain Persons in or Opposition to Matters to be Acted Upon

No persons have any substantial interest in our name change.
