**Item 1.01 Entry Into a Material Definitive Agreement**

On December 28, 2005 (the Effective Date), Capital Trust, Inc. (the Company) entered into an employment agreement (the Agreement) with the Company's chief operating officer, Stephen D. Plavin, pursuant to which Mr. Plavin will serve as the Company's chief operating officer through December 31, 2008 (the Expiration Date), subject to earlier termination under certain circumstances as described below.

Under the Agreement, Mr. Plavin will receive a base salary at an annual rate of \$450,000 for the remainder of calendar year 2005. As of January 1, 2006, Mr. Plavin's base salary shall be increased to \$500,000 per year, subject to possible increase by the Company's board of directors (the Board). Pursuant to the Agreement, Mr. Plavin will receive a cash bonus in the amount of \$750,000 for calendar year 2005. The Agreement provides for annual bonuses for each year commencing with 2006 that are covered by performance compensation awards under the Company's amended and restated 2004 long-term incentive plan (the 2004 Plan), and are tied to the achievement of threshold, target or maximum performance criteria set by the compensation committee of the Board. Under these awards, Mr. Plavin can earn an annual cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance.

Pursuant to the Agreement, Mr. Plavin was granted, as of the Effective Date and pursuant to the 2004 Plan, an award of 90,000 restricted shares (the Initial Grant), 50% of which will be subject to time vesting in eight equal quarterly installments commencing in March 31, 2007 and 50% of which will be issued as a performance compensation award and will vest on the Expiration Date if the total shareholder return, measured for the three-year period commencing on the Effective Date, is at least 13% per annum. Mr. Plavin was also awarded, as of the Effective Date and pursuant to the 2004 Plan, a performance compensation award (the Performance Compensation Award) that provides for cash payments equal to 2% of the amount of cash the Company receives, if any, as incentive management fees from CT Mezzanine Partners III, Inc., that vests 65% as of the Effective Date and 35% upon the Company's receipt of the incentive management fees.

The Company has the option (the Extension Option) to extend the Expiration Date by one year to December 31, 2009 upon notice to Mr. Plavin no earlier than June 30, 2008 and no later than September 1, 2008. If the Company exercises the Extension Option, the Company shall grant Mr. Plavin, on or about January 1, 2009 and pursuant to the 2004 Plan, an award of an additional 30,000 restricted shares (the Additional Grant), 50% of which will vest on December 31, 2009 and 50% of which will be issued as a performance compensation award and will vest on December 31, 2009 if the total shareholder return, measured for the one-year period commencing on January 1, 2009 and ending on December 31, 2009, is at least 13% for the period.

The Company may terminate Mr. Plavin's employment upon his death, upon disability that has incapacitated him for at least 120 consecutive calendar days or for at least 180 calendar days, whether or not consecutive, in any 365 calendar day period, or for conduct defined as cause in the Agreement. Mr. Plavin has the right to terminate the Agreement for good

reason as defined in the Agreement, which includes the assignment of materially inconsistent duties, responsibilities and title and change in control. In the event of the Company's termination of Mr. Plavin's employment without cause or by Mr. Plavin for good reason, Mr. Plavin is entitled to certain post termination benefits, including: a lump-sum cash payment equal to the greater of (i) the sum of base salary and target performance bonuses for the balance of the term of the Agreement assuming satisfaction of the performance criteria or (ii) 1.5 times the sum of current base salary and the highest annual cash bonus earned during the term of the Agreement; the accelerated vesting in full of all restricted stock grants made prior thereto and the Initial Grant; the accelerated vesting in full of the Performance Compensation Award; stock options that vested on or before December 31, 2004 may be exercised for the later of one year following termination or the expiration of the options; stock options that were granted or first vest after 2004 may be exercised until the later of December 31 of the year of termination and the date two and one-half months after termination or the expiration of the options; and the Company shall pay medical insurance coverage premiums for the earlier of 18 months following termination or the date Mr. Plavin receives comparable coverage from another employer; and, if the Company has exercised the Extension Option, the Additional Grant will vest in full immediately. In addition, the Agreement also provides specified partial salary and bonus payments and benefits upon death or disability.

## Edgar Filing: CAPITAL TRUST INC - Form 8-K

The Agreement contains provisions relating to non-competition during the term of employment, protection of the Company's confidential information and intellectual property, and non-solicitation of the Company's employees, which provisions extend for up to 18 months following termination in certain circumstances.

The foregoing description is qualified in its entirety by reference to the Agreement, which will be attached as an exhibit to the Company's Annual Report on Form 10-K for the year ended December 31, 2005 which the Company intends to file in March 2006.
