IMPORTANT INFORMATION FROM  
YOUR BOARD OF DIRECTORS  
America's Trusted Online Pharmacy

August 12, 2016

Dear Fellow Shareholder:

Your Board of Directors urges you to vote the enclosed WHITE proxy card today. You may also vote by telephone or the Internet by following the instructions on the WHITE card. Every vote is important!

Please do not vote any proxy sent to you by Rx Investor Value Corporation or its nominees or affiliates (the "RIVC Group"). If you have already done so, you can still vote the enclosed WHITE proxy card, as only your latest dated proxy counts.

**YOUR CURRENT BOARD INTENDS TO MAXIMIZE SHAREHOLDER VALUE! THE RIVC GROUP PREVIOUSLY PROPOSED ACQUIRING YOUR COMPANY AT A LOW PRICE, WHICH WE BELIEVE SUBSTANTIALLY UNDERVALUED YOUR COMPANY!**

On October 23, 2015, Rx Investor initially expressed interest in acquiring the Company at a price "anticipated to be in the range of \$0.16 to \$0.20 per share."

While Rx Investor increased their initial price, we believe it was still too low. Your Board asked Rx Investor to show they had sufficient funds to complete the transaction, but they never did so.

We publicly announced that we intend to hire an investment banker to explore all strategic options to maximize shareholder value, including a strategic partnership with a larger, well-capitalized entity or a sale of the Company (see enclosed press release).

We believe this is the best way to recognize the Company's value and enormous potential.

The value of your common stock has more than DOUBLED since the end of 2015 and has more than TRIPLED since the end of 2014 under your current Board of Directors' and management's direction and strategy.

1 YEAR HEWA STOCK PRICE CHART

**MICHAEL PEPPER, A CONVICTED FELON, IS ADVISING THE RIVC GROUP!**

Mr. Michael E. Peppel was convicted of violating federal securities laws, was imprisoned for nearly two years, was required to pay a \$5 million fine, and is banned for life from serving as a director or officer of any public company.

The RIVC Group engaged Mr. Peppel as a consultant with respect to their efforts to acquire control of your Company!

**READ WHAT THE UNITED STATES ATTORNEY'S OFFICE SAID ABOUT MICHAEL E. PEPPER!**

The United States Attorney's Office for the Southern District of Ohio made the following statements about Mr. Peppel in its Supplemental Sentencing Memorandum dated May 6, 2013, as filed with the United States District Court for the Southern District of Ohio, Western Division at Dayton, when the United States Attorney's Office was seeking a longer prison sentence for Mr. Peppel:

"Michael Peppel engaged in a deliberate scheme to defraud millions of dollars from investors" in MCSI, Inc.

"Mr. Peppel's offenses are serious. His well-planned and deliberate actions cost investors not only millions but also hundreds, if not thousands, of jobs for people in Ohio."

"Mr. Peppel charged to his Healthwarehouse.com corporate credit card over \$300,000 in personal expenses."

"Whatever his role at Healthwarehouse.com, Mr. Peppel exploited it to the benefit of his interests and to the detriment of that company and its shareholders."

"Without the prior approval or knowledge of the Board of Directors, he arranged for products from his wife's company to be sold through Healthwarehouse.com's website at cost (i.e., at the price Healthwarehouse.com paid for the product). While this arrangement undoubtedly advanced his own interests and that of his wife, it made little business sense for Healthwarehouse.com. When finally advised of this questionable arrangement, the Board of Directors immediately ordered its termination."

Mr. Peppel's activities at your Company occurred at a time when his mother's company, Cape Bear Partners, owned well over 10% of the outstanding common stock of the Company. The United States Attorney's Office in its Supplemental Sentencing Memorandum stated the following regarding Cape Bear Partners:

Cape Bear is an entity over which Mr. Peppel "maintained de facto control."

"Additionally, it appears that, in selling stock, Cape Bear may have exploited inside information concerning Healthwarehouse.com. Cape Bear, for example, sold shares of Healthwarehouse.com stock shortly before Mr. Peppel's credit card scheme was disclosed to the SEC."

THE RIVC GROUP INCLUDES CAPE BEAR PARTNERS AND MICHAEL PEPPER!

Cape Bears Partners is a member of the RIVC Group.

Michael E. Peppel is a consultant to the RIVC Group.

Your Board believes that your Company and its shareholders have suffered enough from the prior activities of Mr. Peppel.

THE RIVC GROUP IS SEEKING CONTROL OF YOUR COMPANY WITHOUT PAYING ANY CONTROL PREMIUM AND WANTS YOUR COMPANY TO PAY THEM!

The RIVC Group is seeking to elect four directors at the meeting, which will give them control of your Board and control of your Company!

The RIVC Group is not planning to make any payment to existing shareholders or to pay any control premium to our shareholders.

We believe it is appropriate for anyone seeking control of your Company to pay a control premium, even if they are not required by law to do so.

The RIVC Group wants their nominees if elected to have the Company pay all of the costs of the RIVC Group to acquire control of your Company. They also state that such payment to them is not expected to be submitted to shareholders for approval!

We do not believe it is appropriate for the RIVC Group to have their expenses paid by the Company without shareholder approval of such payment.

We offered the RIVC Group a seat on your Board in an attempt to avoid a very costly and disruptive proxy fight, but this offer was rejected by the group. The RIVC Group said they wanted all four Board seats.

YOUR BOARD OF DIRECTORS WANTS AN INVESTMENT BANKING FIRM TO VALUE YOUR COMPANY AND TO EXPLORE HOW BEST TO MAXIMIZE VALUE FOR ALL SHAREHOLDERS, AS WE BELIEVE THE COMPANY IS TURNING THE CORNER!
