Item 2.02 Results of Operations and Financial Condition.

The information in Item 2.02 of this Form 8-K and Exhibit 99.1, attached hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section. On February 14, 2013, Ellie Mae, Inc. (“Ellie Mae”) announced its financial position and results of operations as of and for its fourth quarter ended December 31, 2012 in a press release that is attached hereto as Exhibit 99.1.

To supplement Ellie Mae's financial results presented on a U.S. GAAP basis, Ellie Mae's press release contains non-GAAP financial information, including adjusted net income and adjusted EBITDA. Ellie Mae believes that this non-GAAP presentation makes it easier for investors to compare current and historical periods' operating results and that it assists investors in comparing Ellie Mae's performance across reporting periods on a consistent basis by excluding items that it does not believe are indicative of its core operating performance. A reconciliation of these non-GAAP financial measures to the comparable GAAP financial measures is contained in the attached press release.
