Board of Directors and Shareholders

Cedar Shopping Centers, Inc.

We have audited the combined statement of revenues and certain expenses of the Elmhurst Square Associates I LLC, Elmhurst Square Associates II LLC and Long Reach Plaza Associates LLC (the Properties ) for the year ended December 31, 2005. The combined statement of revenues and certain expenses is the responsibility of Cedar Shopping Centers, Inc. s (the Company ) management. Our responsibility is to express an opinion on this combined statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement of revenues and certain expenses is free of material misstatement. We were not engaged to perform an audit of the Properties internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Properties internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall combined statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the accompanying combined statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K of Cedar Shopping Centers, Inc. and is not intended to be a complete presentation of the combined revenues and certain expenses of the Properties.

In our opinion, the combined statement of revenues and certain expense referred to above presents fairly, in all material respects, the combined statement of revenues and certain expenses of the Properties as described in Note 1 for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

**Elmhurst Square Associates I LLC, Elmhurst Square Associates II LLC and Long Reach Plaza Associates LLC**

**Notes to Combined Statements of Revenues and Certain Expenses**

**For the year ended December 31, 2005**

**For the nine months ended September 30, 2006 (unaudited)**

**1. Basis of Presentation**

Presented herein are the combined statements of revenues and certain expenses of Elmhurst Square Associates I LLC, Elmhurst Square Associates II LLC and Long Reach Plaza Associates LLC, which as a whole comprise the operations of two supermarket-anchored shopping centers located in Portsmouth, Virginia (a/k/a Elmhurst Square) and Columbia, Maryland (a/k/a Long Reach Village) collectively known as the Properties. The Properties contain approximately 171,000 square feet of gross leasable area. Cedar Shopping Centers, Inc. (the Company) acquired Long Reach Village in September 2006 pursuant to the terms of a Purchase and Sale Agreement; Elmhurst Square is expected to close in December 2006. The financial statements for the Properties are combined since the Properties have been or will be acquired from the same seller, thus they were under common control and management.

The accompanying combined financial statements have been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the combined financial statements exclude certain expenses because they may not be comparable to those expected to be incurred in the proposed future operations of the Properties. Items excluded consist of interest expense and depreciation and amortization expense, which are not directly related to future operations.

**2. Use of Estimates**

The preparation of the combined statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

**3. Revenue Recognition**

The Properties are being leased to tenants under operating leases. Minimum rental income is recognized on a straight-line basis over the terms of the respective leases. The excess of rents recognized over amounts contractually due pursuant to the underlying leases was approximately \$25,000 and \$37,000 for the year ended December 31, 2005 and for the nine months ended September 30, 2006 (unaudited).

**4. Property Operating Expenses**

Property operating expenses for the year ended December 31, 2005 include approximately \$164,000 for utilities, \$80,000 for repairs and maintenance, \$69,000 for security, \$57,000 for snow and trash removal, \$47,000 for parking lot costs, \$38,000 for insurance, \$37,000 for landscaping, \$25,000 for cleaning, \$17,000 for professional fees, \$7,000 for bad debt expense and \$14,000 for other expenses.

Property operating expenses for the nine months ended September 30, 2006 (unaudited) include approximately \$124,000 for utilities, \$36,000 for parking lot costs, \$35,000 for security, \$35,000 for repairs and maintenance, \$25,000 for insurance, \$23,000 for landscaping, \$22,000 for snow and trash removal, \$19,000 for cleaning, \$11,000 for professional fees, \$17,000 for bad debt expense and \$16,000 for other expenses.

**5. Management Fees Related Party**

The Properties were managed by Perrine & Wheeler LLC, a related party, pursuant to management agreements. Management fees of approximately \$93,000 for the year ended December 31, 2005 and \$71,000 for the nine months ended September 30, 2006 (unaudited) were incurred. The management agreements provided for a monthly management fee of 3% of cash receipts and an asset management fee of 2% of cash receipts, as defined.

**6. Significant Tenants**

Significant tenants include Safeway and Food Lion, which constituted approximately 18% and 13%, respectively, of base rents for the year ended December 31, 2005, and 17% and 12%, respectively, of base rents for the nine months ended September 30, 2006 (unaudited).

2007	1,482,000

2010	840,000

	<hr/>

The lease agreements generally contain provisions for reimbursement of real estate taxes and operating expenses, on a pro rata basis, as well as for fixed increases in rent.

**8. Interim Unaudited Financial Information**

The combined statement of revenues and certain expenses for the nine months ended September 30, 2006 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal recurring adjustments) necessary for a fair presentation of the combined statement of revenues and certain expenses for this interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
